WHEN AND WHERE IS THE ANNUAL MEETING?

Date: Thursday, April 25, 2002
Time: 10:00 a.m., Central Daylight Time
Location: J.B. Hunt Transport Services, Inc.
Corporate Offices, Auditorium
615 J.B. Hunt Corporate Drive
Lowell, Arkansas

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the Company's Annual Meeting, stockholders will act upon matters outlined in the accompanying Notice of Meeting, including the election of directors and ratification of the Company's independent auditors. In addition, the Company's management will report on the performance of the Company during

Edgar Filing: HUNT J B TRANSPORT SERVICES INC - Form DEF 14A

fiscal year 2001.

WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on the record date, February 28, 2002, are entitled to receive Notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the meeting or at any postponement or adjournment of the meeting. Each outstanding share entitles its holder to cast one vote on each matter to be voted on.

WHO CAN ATTEND THE MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting and each may be accompanied by one guest. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 9:30 a.m. and seating will be available at approximately 9:30 a.m. Cameras and recording devices will not be permitted at the meeting.

Please note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the Company to conduct its business. As of the record date, 36,336,471 shares of common stock of the Company were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

HOW DO I VOTE?

The enclosed proxy card indicates the number of shares that you own. If you complete and properly sign the accompanying proxy card and return it to the Company, it will be voted as you direct. If you attend the meeting, you may deliver your completed proxy card in person.

Proxies duly executed and returned by a stockholder, and not revoked prior to or at the meeting, will be voted in accordance with the instructions thereon.

CAN I VOTE BY TELEPHONE?

If you are a registered stockholder (that is, if you hold stock in your own name), you may vote by telephone by following the instructions included with your proxy card.

If your shares are held in "street name," you will need to contact your broker or other nominee to determine whether you will be able to vote by telephone.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations

Edgar Filing: HUNT J B TRANSPORT SERVICES INC - Form DEF 14A

of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- o FOR election of the nominated slate of directors (see pages 4 - 5).
- o FOR ratification of the appointment of KPMG LLP as the Company's independent auditors (see page 20).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

2

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

- o ELECTION OF DIRECTORS. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.
- o OTHER ITEMS. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

CAN I CHANGE MY VOTE AFTER I RETURN THE PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

YOU SHOULD CAREFULLY READ THIS PROXY STATEMENT
(INCLUDING THE ATTACHMENTS) IN ITS ENTIRETY

The 2001 Annual Meeting was held on April 26, 2001. At that meeting 91.45 percent of the eligible shares were voted. Results of the Proposals brought before the stockholders follow:

- o PROPOSAL ONE - Class III nominees for the Board of Directors were elected by a vote of 98.59 percent of the total shares voted.

The term of office of directors in Class I expires at the 2002 Annual Meeting. The Board of Directors proposes that the nominees described below be re-elected to Class I for a new term of three years and until their successors are duly elected and qualified. All are currently serving as Class I directors.

Each of the nominees has consented to serve a three-year term. If any of them should become unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the Board.

It is intended that the shares represented by the accompanying proxy will be voted at the 2002 Annual Meeting for the election of all nominees. Each nominee has indicated his/her willingness to serve as a member of the Board, if elected.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

The following Report of the Compensation Committee and the performance graphs included elsewhere in this Proxy Statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graphs by reference therein.

REPORT OF THE COMPENSATION COMMITTEE

THE COMPENSATION COMMITTEE

Compensation of officers and senior executives of the Company is determined by the Compensation Committee of the Board of Directors (the "Committee"). The Committee, comprised entirely of outside directors, meets (1) to fix annual salaries in advance and bonuses for the current year of senior executives, (2) to review annual goals and reward outstanding annual performance of executives, (3) to grant stock options pursuant to the Company's stock option plans, (4) to establish and certify the achievement of performance goals under the Company's Management Incentive Plan, and (5) review the Company's benefit plans. In October 2001, the Committee retained William M. Mercer, Inc. to review certain of its executive compensation policies and practices. The Committee met to discuss the salaries, bonuses and other compensation of the officers and senior executives of the Company, including the Chairman and Chief Executive Officer.

GENERAL COMPENSATION POLICY

The executive compensation package has three main components: (1) base salary, which is reviewed annually, (2) performance-based bonuses that are directly tied to the Company's earnings per share and are earned annually depending on the achievement of pre-established performance-based goals, and (3)

Edgar Filing: HUNT J B TRANSPORT SERVICES INC - Form DEF 14A

incentive awards. This mix of compensation elements places more of total compensation at risk and emphasizes performance.

The Committee believes that competitive levels of cash compensation, together with equity and other incentive programs, are necessary for the attraction, motivation and retention of the highest caliber employees.

BASE SALARY

Executives' base salaries are based on the Company's performance for the prior fiscal year and upon a subjective evaluation of each executive's contribution to that performance. In evaluating overall Company performance, the primary focus is on the Company's earnings per share.

11

PERFORMANCE-BASED BONUS

Performance cash bonuses are awarded quarterly to executives based on the Company's earnings per share. The amount of the bonus paid is a percentage of the executive's salary. The bonus increases as a percentage of base salary as the Company's earnings per share improves.

INCENTIVE AWARDS

Incentive payments are made under the Company's Management Incentive Plan. As a person's level of responsibility increases, a greater portion of potential total compensation opportunity is shifted from salary to performance-based incentives and to greater reliance on growing total return to stockholders through stock-based awards. This directly aligns the interest of management with stockholders.

To motivate the Company's employees to emulate its stockholders, the Company has implemented the following guidelines of stock ownership over a five-year period:

Position -----	Ownership Multiple of Base Salary -----
Chief Executive Officer	5 times
Executive Vice Presidents	3 times
Group Presidents, Senior Vice Presidents and Vice Presidents of Operations	2.5 times
Vice Presidents, Terminal Managers, Regional Operations Managers	2 times

SENIOR CHAIRMAN, CHAIRMAN AND CHIEF EXECUTIVE OFFICER COMPENSATION

The Committee has tried to set base salary and overall compensation for Messrs. Hunt, Garrison and Thompson competitively with companies of similar size and aligned with companies which lead their respective industries. The goal is to reward these executives for corporate performance in line with the interests of the stockholders.

Messrs. Hunt and Garrison did not participate in the bonus plan for fiscal

Edgar Filing: HUNT J B TRANSPORT SERVICES INC - Form DEF 14A

year 2001 and, therefore, received no bonus. Mr. Garrison will participate in the Company's bonus plan for fiscal year 2002. The cash bonus paid to Mr. Thompson in fiscal year 2001 was determined by the previously mentioned formula relating bonuses to earnings per share.

In accordance with the Committee's policy of aligning executive interest with the interest of stockholders, Mr. Thompson was granted a stock option of 75,000 shares in fiscal year 2001 which will vest over a ten-year period. No stock options were granted to Messrs. Hunt and Garrison in fiscal year 2001.

Messrs. Hunt, Garrison and Thompson's cash compensation is comparable to the NASDAQ peer group and other transportation company peer groups. Additionally, they each participate in the Company's profit sharing plan.

12

2002 PERFORMANCE-BASED COMPENSATION

For fiscal year 2002, the Company has established a cash bonus program for the above named executives that is in direct correlation to earnings per share.

TAX DEDUCTIBILITY

The Company's incentive bonus and stock incentive plans are designed to be performance-based plans as defined in the Internal Revenue Code of 1986, as amended. Therefore, under Internal Revenue Code Section 162(m), compensation paid in 2001 under these plans is intended to be fully deductible and it is our intention to continue to maximize deductibility to the extent practicable.

OUR CONCLUSION

We firmly believe that the quality and motivation of all of the Company's employees, including its managers, make a significant difference in the Company's long-term performance. We also believe that stockholders directly benefit from compensation programs that:

- o Reward superior performance;
- o contain an appropriate downside risk element when performance falls short of clearly-defined standards;
- o give appropriate administrative flexibility to achieve their objectives.

We believe that the Company's management compensation program meets these requirements and will continue to be an important factor in driving the Company's success.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Cooper, George and Hardeman are outside directors of the Company. None of the members of the Compensation Committee were an officer or an employee of the Company during fiscal year 2001 and no member of the Committee is a former officer of the Company or had any related party transactions with the Company in fiscal year 2001.

REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Audit Committee shall not be incorporated by reference into any such filings, and shall not be deemed soliciting material as filed under the Securities Act or the Exchange Act.

On October 14, 1992, the Board adopted the Audit Committee Charter setting out the audit related functions that the Audit Committee is to perform. The functions of the Audit Committee (the "Committee") are focused on three areas:

- o Adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements;
- o the independence and performance of the Company's independent auditors; and
- o the Company's compliance with legal and regulatory requirements dealing with the Company's financial statements.

The directors who serve on the Committee are all independent for purposes of the Securities and Exchange Commission ("SEC") standards. That is, the Board has determined that no member on the Committee has a relationship to the Company that may interfere with the Committee's independence from the Company and its management.

Management is responsible for the Company's financial statements, internal controls and financial reporting process. The independent auditors perform an independent audit of the Company's consolidated financial statements, express an opinion as to whether those financial statements fairly represent the financial position, results of operations and cash flows of the Company in accordance with generally accepted auditing standards and issue a report thereon.

The Audit Committee is responsible for monitoring and overseeing these processes. The Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting and discusses these matters with the Company's independent auditors. The Committee regularly meets privately with the independent auditors, who have unrestricted access to the Committee. The Committee also recommends to the Board the appointment of the independent auditors and reviews periodically their performance and independence from management. In addition, the Committee reviews

Edgar Filing: HUNT J B TRANSPORT SERVICES INC - Form DEF 14A

the Company's financial plans and reports recommendations to the full Board for approval and to authorize action.

In this context, the Committee reviewed the audited consolidated financial statements and met and held discussions with management and KPMG LLP, the Company's independent auditors, to discuss those financial statements. Management has represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

14

The independent auditors also provided the Committee with written disclosures and the letter required by Independence Standards Board Standard No. 1, which relates to the auditor's independence from the Company, and the Committee discussed with the independent auditors their independence. The Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, matters relating to the conduct of the audit of the Company's financial statements.

Based on the Committee's discussions with management and the independent auditors, as well as its review of the representations of management and the report of the independent auditors, the Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2001, as filed with the SEC.

The Committee recommended to the Board and the Board has selected KPMG LLP to be employed as the Company's independent certified public accountants to make the annual audit and to report on, as may be required, the consolidated financial statements which may be filed by the Company with the SEC during the ensuing year.
