Item 2.02. Results of Operations and Financial Condition

On September 30, 2005, Flowserve Corporation (the Company) issued a press release stating it expects to announce 2004 annual financial results and subsequently file its 2004 Form 10-K report with the Securities and Exchange Commission in the fourth quarter of 2005. The Company has previously announced that it is restating financial results for 2000 through 2003 and quarterly results for the first quarter of 2004. Some of the restatement adjustments relate to periods prior to 2000. The Company now expects the cumulative impact of the restatement will be less than \$30 million, which includes, among other things, adjustments related to intercompany accounts, non-U.S. pension accruals, unreconciled accounts, fixed asset charges, accounting for long-term contracts, deferred tax accounts and other tax matters, including the previously announced pending IRS audit. These adjustments will be reflected as a reduction in net income and beginning retained earnings for the relevant prior periods. This estimate is subject to revision following further ongoing analysis, including the proper amount, classification and applicable periods of the restatement adjustments.

The press release is furnished as Exhibit 99.1 to this Form 8-K.

The information in this Item 2.02 and the Exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent as shall be expressly set forth by specific reference in such filing.
