In this Proxy Statement:

Board of Directors or Board means Interlink's Board of Directors; and

SEC means the Securities and Exchange Commission.

We have summarized below important information with respect to the Annual Meeting.

**Time and Place of the Annual Meeting**

The Annual Meeting is being held on October 18, 2006 at 2:00 p.m. Pacific Standard Time at the Hampton Inn and Suites, 50 West Daily Drive, Camarillo, California 93010.

All stockholders who owned shares of Interlink stock as of August 28, 2006, the record date for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting or any adjournments thereof.

**Purpose of the Proxy Statement and Proxy Card**

You are receiving a Proxy Statement and proxy card from us because you owned shares of Interlink common stock on August 28, 2006, the record date. This Proxy Statement describes important issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so you can make an informed decision. In this Proxy Statement, we are soliciting your proxy to support the proposals described below. We have included on the enclosed BLUE proxy card an opportunity to vote your shares with respect to the proposals described below.

When you sign the proxy card, you appoint Steven R. Becker and Philip Blazek as your representatives at the meeting. They will vote your shares, as you have instructed them on the proxy card, at the Annual Meeting. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended on the proposals. If you plan to attend the Annual Meeting we recommend that you complete, sign, and return your proxy card in advance of the meeting just in case your plans change. This way, your shares will be voted whether or not you attend the Annual Meeting.

The Proxy Statement and BLUE proxy card are first being mailed to certain institutional stockholders of the Company on or about \_\_\_\_\_, 2006. The Becker Group is asking stockholders to support the proposals as described below to evidence to the Board of Directors their desire for change at the Company.

**REASONS FOR THE SOLICITATION**

We expect that the Becker Group nominees, if elected, would provide a new and fresh perspective to the Board of Directors. We believe that the Board of Directors should include new representatives sensitive to concerns of significant shareholders who can evaluate from the stockholders' perspective Interlink's pursuit of strategic alternatives, and generally increase focus on the maximization of value for the benefit of stockholders. We believe that the Becker Group nominees, who have operating experience in technology company turnarounds, can provide direction and motivation to the Company's management which can lead to increased value for stockholders.

However, there can be no assurances that the Becker Group nominees, if elected, and the Board of Directors will succeed in creating stockholder value.

The proposed Becker Group nominees will, if elected, constitute a minority of the Board of Directors and, therefore, even if they vote unanimously, will not be able to adopt any measures without the support of other members of the Board of Directors. The Becker Group members believe, however, that the Becker Group nominees, if elected to the Board of Directors, will be in a position to influence the strategic direction of the Company and to bring to the Board of Directors a fresh perspective, will be sensitive to the concerns of significant stockholders, and will be willing to reexamine the Company's strategy and approach. The Becker Group members may, depending upon future events, seek to nominate additional directors to the Board of Directors in the future. The Becker Group has also asked the Board of Directors to repeal or amend certain provisions of the Bylaws and the Certificate of Incorporation of the Company which presently provide that directors serve staggered terms of office, because the Becker Group believes that having all directors subject to election each year will make directors more responsive to stockholders. However, such a repeal or amendment will require action by a majority of the Board of directors and approval by the stockholders, and is not being considered at the Annual Meeting. Even if the Becker group nominees are elected, they will be unable to repeal the provisions for a staggered board of directors without the cooperation of other directors. The Becker Group nominees have stated that they would favor an amendment to the Company's charter documents to eliminate the staggered nature of the Board of Directors.

## **Background**

The Becker Group holds approximately 9.4% of the Company's common stock, which was acquired for investment purposes. The Becker Group has become increasingly concerned with the operating performance of Interlink under the direction of Michael Thoben, Chief Executive Officer of Interlink for the past fifteen years. According to Interlink's recently restated 10-K, the Company has lost money consistently in every year since 2001. From 2001 through 2005, and not including year to date 2006, Interlink had an aggregate net loss of \$20,793,000. In Mr. Thoben's recent "Second Open Memo to Stakeholders" dated May 23, 2006, he indicates revenues declined in the first quarter of 2006 compared to the first quarter of 2005, and that the Company expects continued losses in the first quarter of 2006. Additionally, Interlink is not current in its filings with the SEC and the Company has been delisted and now trades on the pink sheets. The market appears to share the same concerns, as Interlink has, as of September 15, 2006, lost 77% of its value since its most recent high of \$12.08 in April of 2004.

Interlink's Chairman and Chief Executive Officer, Michael Thoben, is asking shareholders to re-elect the same board members that have guided the company through the past five years. The Becker Group believes that Interlink and its shareholders would benefit from the guidance of new directors with turnaround experience at small public technology companies. Without the benefit of recent financials, the Becker Group cannot make specific suggestions. It is clear that an unbroken string of what now appears to be six consecutive years of losses is not acceptable. Based on the assertions of Mr. Thoben in his recent open letter to stockholders it appears that the e-Transactions business and Specialty Components business have compelling growth trajectories and a positive outlook. However, the rationale for surrounding these businesses with the divisions formerly known as Home Entertainment and Business Solutions, businesses which are in decline according to Interlink's latest Form 10-K and Mr. Thoben's recent communications, is unclear to us. The Becker Group members believe the sum of these parts may be worth well in excess of the current enterprise value if these businesses were rationalized. However, due in part to the fact that the Company has failed to file timely SEC reports as required by law, there is not sufficient information available to make a specific proposal as to whether or how to rationalize these business units. The Becker Group believes a Board with new members experienced in small public technology company turnarounds should consider these and other issues.

Mr. Becker called Mr. Michael Thoben, Chief Executive Officer of Interlink for the past fifteen years and current Chairman of the Board, and advised him of his view that the board needs some fresh perspectives, noting the trends in

the Company's business over the last three years and the fact that the Company's stock has been delisted and now trades on the pink sheets. Mr. Becker recommended that there be new directors with relevant experience in managing technology turnarounds, but Mr. Thoben rejected this recommendation. Subsequently, Mr. Becker received an email message from Mr. Thoben indicating that the Company's Nominating Committee would consider

candidates for election at an appropriate time ; however, the Becker Group believes that this is not a sufficient basis upon which to change its plan to nominate Mr. Thimot and Mr. Barker at the Annual Meeting.

Each of the Becker Group nominees, Tom Thimot and Larry Barker, have successfully rationalized, significantly improved the operating performance of, and ultimately sold small public technology companies. While the Becker Group does not advocate a sale of Interlink at this time, we do believe current management has had ample time to deliver value and at this point needs the oversight of board members who, in their own experience as executives, have demonstrated the ability to do so.

Tom Thimot, most recently Chief Executive Officer of GoRemote Internet Communications, joined GoRemote in July of 2004, and revamped, scaled and returned GoRemote to positive cash flow, significantly reducing net losses.<sup>1</sup> Mr. Thimot eliminated substantial costs, won significant customers, added successful channel partnerships, managed the Sarbanes Oxley process successfully, and ultimately sold the businesses eighteen months later at a 35% per share premium relative to the closing price on the trading day immediately preceding Mr. Thimot's appointment as Chief Executive Officer. Mr. Thimot's prior experience at Netegrity yielded similar results. While there can be no assurance that similar results will be achieved at Interlink, especially because a majority of the Interlink Board will be persons not nominated by the Becker Group, the Becker Group believes Tom Thimot is the sort of leader that is needed to take a fresh look at the Interlink businesses and deliver value to shareholders.

The other Becker Group nominee is Larry Barker, most recently Chief Executive Officer of Visual Networks. Mr. Barker joined Visual Networks and turned the business around, returning the business to growth and profitability on a quarterly basis during 2005 prior to engineering a successful sale to Danaher Corporation. The sale of the company reflected a per share premium of approximately 50% relative to the price of the company's stock on the trading day immediately preceding Mr. Barker's appointment as Chief Executive Officer. Mr. Barker ran major divisions at ADC Telecommunications and Computer Sciences Corporation prior to his role as Chairman and Chief Executive Officer of Visual Networks. The Becker Group believes that Mr. Thimot and Mr. Barker have the experience and interest to work with the other members of the Interlink Board of Directors and the management to reevaluate the Interlink businesses and make appropriate decisions.

If elected, the Becker Group nominees do not anticipate that they will have any conflicts of interest with respect to the Company, and recognize that they will owe fiduciary obligations to all stockholders. None of the Becker Group nominees has any contract, arrangement or understanding with the Company, or any other direct financial interest concerning the Company, other than through the beneficial ownership of stock of the Company by the Becker Group members disclosed in this Proxy Statement and the filings with the Securities and Exchange Commission by the Becker Group members.

**THE BECKER GROUP RECOMMENDS A VOTE FOR THE ELECTION OF THE BECKER GROUP NOMINEES BECAUSE THEY BELIEVE THAT THE BECKER GROUP NOMINEES WOULD CONTRIBUTE TO THE CREATION OF STOCKHOLDER VALUE.**

<sup>1</sup> Mr. Thimot reduced net loss at GoRemote from \$1.02 per share for the fiscal year ended October 31, 2004, to \$.20 per share for the fiscal year ended October 31, 2005.

We are soliciting your proxy to vote for the following proposals (the "Proposals"), which will be acted upon at the Annual Meeting:

The Becker Group is seeking your support at the Annual Meeting to elect Tom Thimot and Lawrence Barker as directors of the Company, to serve until the 2009 annual meeting of stockholders or until their successors have been elected and qualified. BECKER GROUP NOMINEES.**

**Proposal 2: Amendment of Interlink's Certificate of Incorporation  
to Effect a Reverse Stock Split**

The Board of Directors of the Company has proposed to amend the Company's Certificate of Incorporation to effect a reverse stock split of all outstanding shares of common stock of the Company at an exchange ratio ranging from one-to-two to one-to-five. This proposal is set forth in Interlink's Proxy Statement filed with the SEC on September 6, 2006 (the Company's Proxy Statement), and any description of the proposal contained herein is qualified in its entirety by reference to the Company's Proxy Statement. The Becker Group makes no recommendation as to whether you should support this proposal. **WE MAKE NO RECOMMENDATION AS TO WHETHER YOU VOTE FOR OR AGAINST  
THE AMENDMENT OF THE CERTIFICATE OF INCORPORATION OF THE COMPANY.  
ACCORDINGLY, WE WILL VOTE AS INSTRUCTED BY YOU ON THE PROXY CARD.**

**OTHER MATTERS**

As of the date of this proxy statement, we are not aware of any other matter that will be presented for consideration at the Annual Meeting. However, we do not set the agenda, and the Company may submit additional matters.

**Voting Procedures**

***You may vote by mail.***

To vote by mail, please sign your BLUE proxy card and return it in the enclosed, prepaid and addressed envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct.

***You may vote in person at the meeting.***

We will ask the Company to pass out written ballots to anyone who wants to vote at the meeting. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting. Holding shares in street name means your shares of stock are held in an account by your stockbroker, bank, or other nominee, and the stock certificates and record ownership are not in your name. If your shares are held in street name and you wish to attend the Annual Meeting, you must notify your broker, bank, or other nominee and obtain the proper documentation to vote your shares at the Annual Meeting.

***You may change your mind after you have returned your proxy.***

If you change your mind after you return your proxy, you may revoke your proxy at any time before the polls close at the meeting. You may do this by:

signing another proxy with a later date; or

voting in person at the Annual Meeting.

If you received more than one BLUE proxy card, it means that you hold shares in more than one account. Please sign and return all proxy cards to ensure that all your shares are voted. If you receive proxy cards from the Company, we urge you not to sign or return them.

The Board of Directors has fixed the close of business on August 28, 2006 as the record date for the determination of stockholders entitled to notice of, and to vote at, this Annual Meeting. According to Interlink's Proxy Statement filed with the SEC on September 6, 2006, as of August 28, 2006, the Company had 13,761,812 shares of Common Stock outstanding.

The proxy holders identified in the BLUE proxy card accompanying this Proxy Statement will vote all BLUE proxy cards in accordance with the instructions contained in the BLUE proxy card and, *if no choice is specified,*

shares represented by the enclosed BLUE proxy card will be voted FOR Proposal 1 and [ABSTAIN] with respect to Proposal 2.

REMEMBER, YOUR LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS, so return the BLUE proxy card accompanying this Proxy Statement even if you delivered a prior proxy to the Company. We urge you not to vote any proxy card sent to you by the Board.

If you are the beneficial owner of shares held through a broker or other nominee, your broker or nominee should provide you with information regarding the methods by which you can direct your broker or nominee to vote your shares. Your broker or nominee might send you, for example, a voting instruction card, similar to the company's proxy card, to be completed, signed, dated and returned to your broker or nominee by a date in advance of the meeting, and/or information on how to communicate your voting instructions to your broker or nominee by telephone or over the Internet.

By completing, signing, dating, and returning the proxy card in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted if you are unable to attend the meeting.

### **Revocability Of Proxies**

Any person giving a proxy card in the form accompanying this Proxy Statement has the power to revoke it at any time before its exercise. The proxy card may be revoked by filing with Mr. Becker and Mr. Blazek an instrument of revocation or a duly executed proxy bearing a later date. It also may be revoked by furnishing a later-dated proxy to the Company or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not by itself revoke a proxy.

### **Quorum Requirement**

Shares are counted as present at the Annual Meeting if the stockholder either:

is present and votes in person at the Annual Meeting; or

has properly submitted a proxy card.

A majority of the outstanding shares as of the record date must be present at the meeting (either in person or by proxy) in order to hold the Annual Meeting and conduct business. This is called a quorum.

### **Consequences of Not Returning Your Proxy; Broker Non-Votes**

If your shares are held in your name, you must return your proxy (or attend the Annual Meeting in person) in order to vote on the proposals. If your shares are held in street name and you do not vote your proxy, your brokerage firm may either:

vote your shares on routine matters; or

leave your shares unvoted.

Edgar Filing: INTERLINK ELECTRONICS INC - Form PREC14A

If the proposals to be acted upon at any meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that vote FOR the routine matters, but expressly states that the broker is not voting on non-routine matters. This is called a broker non-vote.

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast.

We encourage you to provide instructions to your brokerage firm to vote your shares on the Proposals.

### **Effect Of Abstentions**

Abstentions are counted as shares that are present and entitled to vote for the purposes of determining the presence of a quorum and have the same effect as votes AGAINST for purposes of determining the approval of any matter submitted to the stockholders for a vote, other than the election of directors. With respect to the election of directors, abstentions have no effect. Provided that a quorum is present, the candidates receiving the greatest number of FOR votes are elected, even if they do not receive a majority of the votes represented at the meeting. This is because the directors will be elected by a plurality vote.

### **Required Vote**

Each share of Common Stock is entitled to one vote. In the election of directors, each stockholder has the right to vote the number of shares owned by such stockholder for as many persons as there are directors to be elected. According to the Company's Proxy Statement filed with the SEC on September 6, 2006 (the Proxy Statement), stockholders do not have the right to cumulate votes. Assuming a quorum is present, the two nominees receiving the highest number of votes will be elected as Directors.

### **Appraisal Rights**

The Company's stockholders have no appraisal rights under Delaware General Corporation Law in connection with the Proposals.

### **Solicitation**

These proxies are being solicited by the Becker Group. Copies of solicitation materials will be furnished without charge to banks, brokerage houses, fiduciaries, and custodians holding in their name shares of Common Stock beneficially owned by others to forward to such beneficial owners. The proxy solicitations will be made by the use of the mails and through direct communication with certain stockholders or their representatives by the Becker Group personnel, who will receive no additional compensation therefor.

The Becker Group will bear the entire cost of this solicitation. Although no precise estimate can be made at the present time, we currently estimate the total expenditures relating to the proxy solicitation incurred by the Becker Group will be approximately [\$ ], of which approximately [\$ ] has been spent to date. The Becker Group currently intends to seek reimbursement from the Company for the costs incurred in connection with the Becker Group's solicitation of stockholders, but anticipates such request will be refused even if the Becker Group nominees are elected, because those nominees will represent a minority of the directors.
