Other Events

On November 7, 2006, Infosys Technologies Limited (the Company) filed an automatic shelf registration statement on Form F-3 (File No. 333-138491) (the Shelf Registration Statement) and subsequently filed a related preliminary prospectus supplement to the prospectus dated November 7, 2006 (the Prospectus Supplement, and, together with the Shelf Registration Statement, the Registration Statement) with the Securities and Exchange Commission in connection with its sponsored secondary offering of American Depositary Shares (the Offering).

Item 1

In connection with the Offering, the Company hereby incorporates by reference the following paragraph into the Summary The Indian Invitation to Offer subsection of the Registration Statement:

We are sponsoring this secondary offering by the selling shareholders in part to increase the number of our ADSs which are traded on NASDAQ, which we believe may increase the likelihood that we are selected to become part of the NASDAQ 100 Index. We believe that our inclusion in the NASDAQ 100 Index may result in our ADSs becoming more widely held by large mutual funds and index funds, and that such inclusion would further enhance our brand in the United States and worldwide. We cannot assure you that this offering will result in our selection for inclusion into the NASDAQ 100 Index, or that such inclusion, if it occurs, will increase the holdings of our ADSs by large mutual funds or index funds, or enhance our brand in the United States or elsewhere.

Item 2

The Company hereby amends and supplements the Principal and Selling Shareholders section of the Prospectus Supplement so that it reads as set forth below, and such amended and restated Principal and Selling Shareholders section is hereby incorporated by reference into the Registration Statement:

The following table sets forth as of November 17, 2006, certain information with respect to beneficial ownership of our equity shares (including equity shares represented by ADSs) by:

each of our directors;

each of our executive officers;

each selling shareholder who is one of our executive officers or directors;

all of our executive officers and directors as a group;

each shareholder known to us to be the beneficial owner of 5% or more of our equity shares;

each selling shareholder who beneficially owns 1% or greater of our equity shares; and

all other selling shareholders as a group who each beneficially own less than 1% of our equity shares as a group.

Beneficial ownership is determined in accordance with rules of the Securities and Exchange Commission, which generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities and includes equity shares issuable pursuant to the exercise of stock options or warrants that are immediately exercisable or exercisable within 60 days of November 17, 2006. These shares are deemed to be outstanding and to be beneficially owned by the person holding those options or warrants for the purpose of computing the percentage ownership of that person, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, all information with respect to the beneficial ownership of any principal or selling shareholder has been furnished by such shareholder and, unless otherwise indicated, we believe that persons named in the table have sole voting and sole investment power with respect to all the equity shares shown as beneficially owned, subject to community property laws where applicable.

Except as otherwise noted below, the address for each person listed on the table is c/o Infosys Technologies Limited, Electronics City, Hosur Road, Bangalore 560 100, India. The shares beneficially owned by the directors include equity shares owned by their family members to which such directors disclaim beneficial ownership.

The share numbers and percentages listed below are based on 556,810,440 equity shares outstanding as of November 17, 2006. Amounts representing less than 1% are indicated with an *.
