Changes in Director Compensation

On June 6, 2007, the Board of Directors (the Board) of Kaiser Aluminum Corporation (the Company) approved changes to the compensation of the Company's non-employee directors. As a result of such changes, from and after such date, each non-employee director will receive the following compensation:

an annual retainer of \$40,000 per year; and

an annual grant of restricted stock having a value equal to \$60,000.

Each non-employee director also receives (i) a fee of \$1,500 per day for each meeting of the Board attended in person and \$750 per day for each such meeting attended by phone and (ii) a fee of \$1,500 per day for each Board committee meeting attended in person on a date other than a date on which a meeting of the Board is held and \$750 per day for each such meeting attended by phone. In addition, the Lead Independent Director receives an additional annual retainer of \$10,000, the Chairman of the Audit Committee of the Board receives an additional annual retainer of \$10,000, the Chairman of the Compensation Committee of the Board receives an additional annual retainer of \$5,000 and the Chairman of the Nominating and Corporate Governance Committee of the Board receives an additional annual retainer of \$5,000, with all such amounts payable at the same time as the annual retainer. Each non-employee director may elect to receive shares of common stock, par value \$0.01 per share, of the Company (Common Stock) in lieu of any or all of his or her annual retainer, including any additional annual retainer for service as the Lead Independent Director or the Chairman of a committee.

The payment of annual retainers (including any additional annual retainers) and the annual grant of restricted stock pursuant to the compensation arrangements described above will be made each year on the date on which the Company holds its annual meeting of stockholders or such other date as the Board may determine. The number of shares of Common Stock to be received in the grant of restricted stock, as well as the number of shares of Common Stock to be received by any non-employee director electing to receive shares of Common Stock in lieu of any or all of his or her payment of the annual retainer (including any additional annual retainer), will be based on the closing price per share of Common Stock on the date such grant and payments are made.

The Company also reimburses all directors for reasonable and customary travel and other disbursements relating to meetings of the Board and committees thereof, and non-employee directors are provided accident insurance with respect to Company-related business travel.

Pursuant to the compensation arrangements described above, the Company paid annual retainers and made grants of restricted stock to each non-employee director on June 6, 2007, the date on which the Company held its 2007 annual meeting of stockholders.

Restricted Stock Award Agreement

On June 6, 2007, the Board also approved a form of Restricted Stock Award Agreement to be used to evidence grants made to the Company's non-employee directors under the Company's 2006 Equity and Performance Incentive Plan. A copy of such form of Restricted Stock Award Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference. Such form of Restricted Stock Award Agreement replaces the form thereof previously adopted and filed as Exhibit 10.13 to the Company's Current Report on Form 8-K dated June 30, 2006 and filed with the Securities and Exchange Commission on July 6, 2006.
