On February 13, 2007, in connection with the Amendment and pursuant to the Credit Agreement, the Company issued two warrants to purchase an aggregate of 415,203 shares of common stock (representing 1% of the fully diluted common equity of the Company) (subject to adjustment) of the Company pursuant to a Warrant Purchase Agreement by and between the Company, SPCP Group, LLC and SPCP Group III LLC, each a Delaware limited liability company and affiliated entity of Silver Point. The warrants are subject to potential weighted-average anti-dilution adjustments that could result in additional shares being issuable upon exercise of the warrants. In no event shall the warrants be exercisable for a number of shares that will cause the warrantholders, together with their affiliates and any other group member (within the meaning of Section 13(d) of the Securities Exchange Act of 1934), to beneficially own in excess of 9.99% of the number of shares of common stock of the Company outstanding immediately after giving effect to such exercise. The warrants expire on February 13, 2017. At any time and from time to time until February 13, 2017, the warrantholders are entitled to demand and piggyback registration rights, whereby either warrantholder may request the Company to file, or to include within a registration statement to be filed, with the Securities and Exchange Commission for the warrantholders' resale of the shares of common stock issuable upon exercise of the warrants.
