PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 16, 2004

This proxy statement and the accompanying form of proxy is furnished to shareholders of CPI Aerostructures, Inc. in connection with the solicitation of proxies by our board of directors for use in voting at our annual meeting of shareholders to be held at the offices of our general counsel, Graubard Miller, located at 600 Third Avenue, 32nd Floor, New York, New York 10016, on Wednesday, June 16, 2004, at 11:00 a.m., and at any and all postponements or adjournments.

This proxy statement, the accompanying notice of meeting of shareholders, the proxy and the annual report to shareholders for the year ended December 31, 2003 are being mailed on or about May 12, 2004 to shareholders of record on May 5, 2004. We are bearing all costs of this solicitation.

WHAT MATTERS AM I VOTING ON?

You are being asked to vote on:

- o To elect two Class III directors to serve for the ensuing three-year period until their successors are elected and qualified; and
- o any other business that may properly come before the meeting and any and all postponements or adjournments.

WHO IS ENTITLED TO VOTE?

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

Holders of our common stock as of the close of business on May 5, 2004, the record date, are entitled to vote at the meeting. As of that date, we had issued and outstanding 5,350,030 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

WHAT IS THE EFFECT OF GIVING A PROXY?

Proxies in the form enclosed are solicited by and on behalf of our board. The persons named in the proxy have been designated as proxies by our board. If you sign and return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the meeting as specified in your proxy.

If you sign and return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted FOR the election of the nominees listed below under Proposal 1.

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any postponements or adjournments. If any other matters are properly brought before the meeting, the persons named in the proxy will vote the proxies in accordance with their best judgment.

MAY I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

You may revoke your proxy at any time before it is exercised by:

- o delivering written notification of your revocation to our secretary;
- o voting in person at the meeting; or
- o delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

WHAT IS A QUORUM?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted ("shareholder withholding") with respect to a particular matter. Similarly, a broker may not be permitted to vote stock ("broker non-vote") held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither "for" nor "against" a matter, but are counted in the determination of a quorum.

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

HOW MANY VOTES ARE NEEDED FOR APPROVAL OF THE ELECTION OF DIRECTORS?

The election of directors requires a plurality vote of the votes cast at the meeting. "Plurality" means that the individuals who receive the largest number of votes cast "FOR" are elected as directors. Consequently, any shares not voted "FOR" a particular nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee's favor.

HOW DO I VOTE?

You may vote your shares in one of three ways: by mail, facsimile or in person at the meeting. The prompt return of the completed proxy card vote will assist us in preparing for the meeting. Date, sign and return the accompanying proxy in the postage-prepaid envelope enclosed for that purpose. You can specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you.

2

If you wish to fax your proxy, please copy both the front and back of the signed proxy and fax same to American Stock Transfer & Trust Co. at (718) 234-2287 (phone: (718) 921-8278).

Our directors will continue to be reimbursed for the reasonable expenses they incur in attending meetings.

BOARD OF DIRECTORS MEETINGS AND INFORMATION

Our board of directors held five meetings in 2003 and acted by unanimous written consent on two occasions. All directors attended the 2003 annual shareholder meeting. Although we do not have any formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

responsibilities. No member of our board of directors attended fewer than 75% of the total number of meetings of the board and committees thereof upon which he served during 2003. We have standing compensation, audit, nominating and strategic planning committees.

COMPENSATION COMMITTEE INFORMATION

Our compensation committee is currently comprised of Messrs. McSweeney (chairman), Paulick and Rosenfeld. The main role of the compensation committee is to review and approve the compensation that we pay to our officers. The compensation committee held three meetings during 2003.

STRATEGIC PLANNING COMMITTEE INFORMATION

Our strategic planning committee is currently comprised of Eric Rosenfeld (chairman), Arthur August and Edward J. Fred. The main role of the strategic planning committee is to evaluate and analyze strategic options for the company, including potential merger or acquisition partners. The strategic planning committee did not hold any meetings during 2003.

7

NOMINATING COMMITTEE INFORMATION

In March 2004, the board of directors established a nominating committee comprised of Messrs. Paulick (chairman), McSweeney and Rosenfeld, each an independent director under the American Stock Exchange listing standards. The nominating committee will be responsible for overseeing the selection of persons to be nominated to serve on our board of directors. The nominating committee will consider persons identified by its members, management, shareholders, investment bankers and others. The nominating committee does not yet have a formal written charter, nor has it established any formal selection criteria for nominees. However, the nominating committee intends to adopt a written charter by the date of the annual meeting, which will include the criteria, if any, established. We have not yet established a method by which shareholders may propose to the nominating committee candidates for selection as nominees for directors. We intend to establish such a procedure by the date of the annual meeting.

Since the nominating committee was not formed until March 2004, it did not meet during the fiscal year ended December 31, 2003.

AUDIT COMMITTEE INFORMATION AND REPORT

GENERAL

Our audit committee is currently comprised of Messrs. Providenti (chairman), McSweeney and Paulick. All of the members of the audit committee are "independent directors" and are "financially literate" as defined under the American Stock Exchange listing standards. The current Amex listing standards define an "independent director" generally as a person, other than an officer of the company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. The Amex's listing standards define "financially literate" as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

FINANCIAL EXPERT ON AUDIT COMMITTEE

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

The board of directors believes that Mr. Providenti is an "audit committee financial expert" (as defined in Regulation 228.401(e)(1)(i)(A) of Regulation S-B). The board of directors also believes that Mr. Providenti would be considered an "independent" director under Item 7(d)(3)(iv) of Schedule 14A of the Securities Exchange Act of 1934.

MEETINGS AND ATTENDANCE

During the fiscal year ended December 31, 2003, the audit committee met ten times.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

In accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent accountant to render audit or non-audit services, the engagement is approved by our audit committee. Our audit committee approved all of the fees referred to in "Independent Auditor's Fees" above for 2003.

AUDIT COMMITTEE REPORT

According to our audit committee's written charter, which was adopted on March 30, 2000, as amended and restated on March 26, 2003, our audit committee's responsibilities include, among other things:

- o reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommend to the board whether the audited financial statements should be included in our Form 10-KSB;
- o discussing with management and the independent auditor significant

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

financial reporting issues and judgments made in connection with the preparation of our financial statements;

- o discussing with management and the independent auditor the effect on our financial statements of (i) regulatory and accounting initiatives and (ii) off-balance sheet structures;
- o discussing with management major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies;

9

- o reviewing disclosures made to the audit committee by our chief executive officer and chief financial officer during their certification process for our Form 10-KSB and Form 10-QSB about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in our internal controls;
- o verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- o reviewing and approving all related-party transactions;
- o inquiring and discussing with management our compliance with applicable laws and regulations;
- o pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- o appointing or replacing the independent auditor;
- o determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- o establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

Management has reviewed the audited financial statements in the annual report with the audit committee including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and estimates, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the audit committee asked for management's representations and reviewed certifications prepared by the chief executive officer and chief financial officer that the unaudited quarterly and audited consolidated financial statements of the company fairly present, in all material respects, the financial condition and results of operations of the company.

In performing all of these functions, the audit committee acts only in an

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

oversight capacity. The committee reviews our annual reports and generally reviews our quarterly reports prior to filing with the Securities and Exchange Commission. In its oversight role, the audit committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles. Our audit committee meets and holds discussions with management and our independent auditors. Management represented to the committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit

10

Committees). Our independent auditors also provided the audit committee with the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the committee discussed with the independent auditors and management the auditors' independence, including with regard to fees for services rendered during the fiscal year and for all other professional services rendered by our independent auditors. In reliance on these reviews and discussions and the report of the independent auditors, the audit committee has recommended to the board of directors, and the board has approved, that the audited consolidated financial statements be included in our annual report on Form 10-KSB for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission.

EMPLOYMENT AGREEMENTS

Mr. August serves as the chairman of our board and Mr. Fred serves as our chief executive officer, president, acting chief financial officer and secretary. Mr. August's employment agreement expires on December 31, 2004 and Mr. Fred's expires on December 31, 2005. Mr. August's annual base salary is currently \$100,000. Mr. August is required to devote only such time to our business as he, in his sole discretion, deems necessary. Mr. Fred's annual base salary is currently \$233,280 and will increase by 8% on January 1, 2005. In addition to the base salary, Mr. August received a bonus equal to 4% of our net income for the year ended December 31, 2002; 3% for the year ended December 31, 2003; and will receive 2% for the year ending December 31, 2004. Mr. Fred received a bonus equal to 2% of our net income for the year ended December 31, 2002; 3% for the year ended December 31, 2003; and will receive 4% for the years ending December 31, 2004 and 2005. Pursuant to the terms of Messrs. August's and Fred's employment agreements, if a change of control (as such term is defined in the agreements) occurs prior to a termination by CPI without "cause" or by the employee for "good reason" (as such terms are defined in the agreements), we must pay the employee a lump sum equal to three times the total compensation (including salary and bonus) earned by him during the last full calendar year of

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

their employment.

Mr. August agreed that he would not compete with us during the term of his employment with us and for a period of five years thereafter. As consideration for his agreement not to compete with us for an extended period of time, we agreed to pay Mr. August \$300,000 in five, equal annual installments of \$60,000 commencing on the date of termination. Mr. Fred agreed not to compete with us during the term of his employment and for a period of two years thereafter.

EMPLOYEE BENEFIT PLANS

In October 2000, we adopted the Greit Plan for the purpose of offering senior management a deferred compensation death benefit plan that would provide a tax-free benefit for senior management and which would be tax-neutral to us. Pursuant to the plan, we made a non-interest bearing loan to Arthur August in the amount of \$150,000, which Mr. August used to purchase a Greit Plan. This plan has since been terminated and the surrender value of the Greit Plan has been returned to Mr. August. Mr. August has placed the proceeds from the surrender value in an annuity in our name. The annuity is expected to have a value of \$150,000 in September 2011 and such proceeds will be used to repay the loan. In addition, Mr. August assigned to us an insurance policy on his life in the amount of \$150,000 and agreed to maintain it until the date upon which the annuity matures. Accordingly, the loan to Mr. August will be repaid upon the maturity date of the annuity or upon the death of Mr. August, whichever occurs first.

CERTAIN TRANSACTIONS

Prior to our February 2003 public offering, Ralok, Inc. had the right to acquire 333,334 of our common shares by converting a promissory note it received

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

in connection with our purchase of Kolar Machine, Inc. in the principal amount of \$4 million. Accordingly, Mr. Liguori, the President of Ralok, was deemed the beneficial owner of 10.6% of our common shares. On February 19, 2003, with the proceeds we received from our public offering, we purchased the \$4 million convertible promissory note (which had accrued interest in the amount of \$1,131,233 at such date) for \$2,700,000 and at that date Mr. Liguori ceased to be deemed a beneficial owner of 10.6% of our common shares.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and ten percent shareholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on copies of such forms received or written representations from certain reporting persons that no Form 5s were required for those persons, we believe that, during the fiscal year ended December 31, 2003, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, except that Arthur August, our chairman of the board, filed one Form 4 late, which Form 4 reported one transaction.

INDEPENDENT AUDITOR

A representative of Goldstein Golub Kessler LLP, our auditors for the year ended December 31, 2003, is expected to be present at the meeting. The representative will have the opportunity to make a statement and will be available to respond to appropriate questions from shareholders. The board of directors has selected the independent accounting firm of Goldstein Golub Kessler LLP as our auditors for the year ending December 31, 2004.

SOLICITATION OF PROXIES

The solicitation of proxies in the enclosed form is made on behalf of our board of directors and we are bearing the cost of this solicitation. In addition to the use of the mails, proxies may be solicited personally or by telephone using the services of directors, officers and regular employees at nominal cost. Banks, brokerage firms and other custodians, nominees and fiduciaries will be reimbursed by us for expenses incurred in sending proxy material to beneficial owners of our common stock.

2005 ANNUAL MEETING SHAREHOLDER PROPOSALS AND NOMINATIONS

In order for any shareholder proposal or nominations to be presented at the annual meeting of shareholders to be held in 2005 or to be eligible for inclusion in our proxy statement for such meeting, we must receive it at our principal executive offices by January 13, 2005. Each proposal should include the exact language of the proposal, a brief description of the matter and the reasons for the proposal, the name and address of the shareholder making the proposal and the disclosure of that shareholder's number of shares of common stock owned, length of ownership of the shares, representation that the shareholder will continue to own the shares through the shareholder meeting, intention to appear in person or by proxy at the shareholder meeting and

Edgar Filing: CPI AEROSTRUCTURES INC - Form DEF 14A

material interest, if any, in the matter being proposed.

We have not yet established a method by which shareholders may propose to the nominating committee candidates for selection as nominees for director. We intend to establish such a procedure by the date of the annual meeting.

OTHER SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The board of directors provides a process for shareholders and interested parties to send communications to the board. Shareholders and interested parties may communicate with the board of directors, any committee chairperson or the non-management directors as a group by writing to the board or committee chairperson in care of CPI Aerostructures, Inc., 200A Executive Drive, Edgewood, New York 11717. Each communication will be forwarded, depending on the subject matter, to the board, the appropriate committee chairperson or all non-management directors.

15

DISCRETIONARY VOTING OF PROXIES

Pursuant to Rule 14a-4 promulgated by the Securities and Exchange Commission, shareholders are advised that our management will be permitted to exercise discretionary voting authority under proxies it solicits and obtains for the 2005 annual meeting of shareholders with respect to any proposal presented by a shareholder at such meeting, without any discussion of the proposal in our proxy statement for such meeting, unless we receive notice of such proposal at our principal office in Edgewood, New York, not later than March 29, 2005.

INCORPORATION BY REFERENCE

This proxy statement incorporates by reference certain information included in our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003, including our audited financial statements and supplementary data, management's discussion and analysis of financial condition and results of operations and our quantitative and qualitative disclosures about market risk.
