Section 8 Other Events

Item 8.01 Other Events.

On May 22, 2007, a subsidiary of Aircastle Limited (Aircastle or the Company) completed the sale of an aircraft, the operating results of which were previously reported within the Aircraft Leasing segment of our consolidated financial statements in prior periods. We received net cash of approximately \$35.2 million from the sale of this aircraft. In accordance with Statement of Financial Accounting Standards, or SFAS, No. 144, *Accounting for the Impairment or Disposal of Long Lived Assets*, the results of operations and balance sheets related to this aircraft in the Form 10-Q for each of the quarterly periods ended March 31, 2007 and June 30, 2007 were presented as discontinued operations for all periods presented.

The rules of the Securities and Exchange Commission (the SEC) require that when a registrant prepares, on or after the date a registrant reports a discontinued operation, a new registration, proxy or information statement (or amends a previously filed registration, proxy or information statement) that includes or incorporates by reference financial statements, the registrant must recast the prior period annual and relevant interim financial statements included or incorporated by reference in the registration, proxy or information statement to reflect the discontinued operation. Accordingly, we are filing this Form 8 K to recast certain information included in our Annual Report on Form 10-K, filed with the SEC on March 22, 2007 for the year ended December 31, 2006 (our Form 10-K), including our consolidated financial statements for each of the three years in the period ended December 31, 2006, to reflect the presentation of the operating results of this sold aircraft as discontinued operations. The updates do not represent a restatement of previously issued financial statements.

The following recast information is presented in Exhibit 99.1 to this Current Report on Form 8 K and incorporated herein by reference:

Part I, Item 1, Business

Part II, Item 6, Selected Financial Data

Part II, Item 7, Management s Discussion and Analysis of Financial Condition and Results of Operations

Part II, Item 8, Audited Consolidated Financial Statements

Exhibit 99.1 does not reflect events occurring after the filing of our Form 10-K for the year ended December 31, 2006 and nothing in Exhibit 99.1 modifies or updates the disclosures in our Form 10-K, other than as required to reflect the changes in discontinued operations described above. For example, this Current Report on Form 8-K does not update the disclosures contained in Management s Discussion and Analysis of Financial Condition and Results of Operations in the Form 10-K, other than as required to reflect the presentation of the operating results of the above-described aircraft as discontinued operations. Significant developments with respect to those disclosures, as well as other changes to our business, have occurred and are described in subsequent filings with the SEC, including our Quarterly Reports on Form 10-Q for each of the quarterly periods ended March 31, 2007 and June 30, 2007.
