in the financial markets: You.**

**A special update and invitation for you...**

Dear Valued Customer:

The proposed combination of the U.S. brokerage business of TD Waterhouse and Ameritrade is proceeding on track. Soon, as a TD Ameritrade client, you'll have even more of the tools, choices, and resources you need to make informed investing decisions.

**Here's the latest news.**

The preliminary proxy statement was filed with the SEC on September 12, 2005, and we are in the process of satisfying all other necessary regulatory filings and legal requirements. With everything progressing as planned, we expect the transaction to close by early 2006. At that time, we will provide you with updated information about the new **TD Ameritrade**.

**Your input would be much appreciated.**

As a valued client, you are invited to become a member of our **Client Insight Group**. This group is being formed to support our proposed evolution to TD Ameritrade. Through a series of three to four 15-minute surveys, conducted online or by phone, you'll have an opportunity to provide your feedback about the tools and services you believe can be most valuable to traders and investors like you.

Once the closing has occurred, you will also be able to benefit from Ameritrade's commitment to seek quality executions and speed, plus a wide range of new features like trailing stops and trade triggers which allow you to set orders that trigger based on predetermined market conditions.
