ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On January 16, 2006, Tenneco Inc.'s Compensation/Nominating/Governance Committee approved an amendment and restatement of the Tenneco Automotive Value Added Incentive Compensation Plan (the "Plan"). The Plan provides that 75% of an individual's annual bonus is tied to the company's Economic Value Added ("EVA") performance against targets established by the Committee. Prior to the amendment and restatement, the Plan required that each individual's EVA-based bonus be credited to a bonus bank before payout. For any year, an individual's payout would be equal to the sum of: (i) his or her EVA-based bonus for that year, if positive (but not exceeding 120% of his or her EVA-based target bonus), plus (ii) one-third of the individual's remaining bonus bank as of the end of that year, if any. The amendment and restatement eliminated the bonus banking provisions with respect to bonuses paid for periods beginning January 1, 2006, so that an individual will receive his or her full EVA-based bonus for any year within 2 1/2 months after the end of that year. Amounts credited to individual bonus banks for prior periods will be paid out in accordance with the Plan terms as they existed prior to the amendment and restatement (generally one-third of the bonus bank each year).
