**Item 1.01. Entry into a Material Definitive Agreement**

On September 12, 2008, Gulfstream International Group, Inc. ( Gulfstream ) entered into an agreement to sell to Shelter Island Opportunity Fund, LLC ( Shelter Island ), \$5.10 million in aggregate face amount of secured original issue discount debentures (the senior debentures ) and a warrant to purchase 578,870 shares of Gulfstream s common stock (the senior warrant ).

The senior debentures will bear interest at an annual rate of the higher of: (i) the prime rate plus 4.0% or (ii) 11.0%, payable monthly, and will have a term of 36 months, subject to prepayment or acceleration under certain circumstances. The senior debentures will be secured by Gulfstream s assets and guaranteed by its subsidiaries.

The senior warrant will be exercisable for 578,870 shares of Gulfstream s common stock at any time following the closing and on or prior to the six-year anniversary of the closing, at a nominal exercise price. The senior warrant will be subject to an anti-dilution adjustment for certain future issuances or deemed issuances of common stock at an equity valuation of Gulfstream less than \$5.0 million. If the anti-dilution adjustment is triggered, the shares of Gulfstream common stock issuable under the senior warrant would increase so as to maintain the percentage interest in Gulfstream represented by those shares. From the earlier of the repayment of the senior debentures and August 31, 2011 and until August 31, 2014, Shelter Island will have the right to require Gulfstream to repurchase the warrant shares at \$5.18 per share.

As a result of the sale of the senior debentures, Gulfstream will be subject to certain covenants, including covenants that it have (i) consolidated minimum quarterly EBITDA starting in the quarter ending December 31, 2008, (ii) six month EBITDA averages starting in the six months ending June 30, 2011, (iii) minimum monthly accounts receivable balances of \$3.5 million, and (iv) minimum monthly cash balances of \$750,000.

On September 15, 2008, Gulfstream entered into an agreement to sell to Gulfstream Funding, LLC, \$1.00 million in aggregate principal amount of junior subordinated debentures (the junior debentures ) and a warrant to purchase 225,000 shares of Gulfstream s common stock (the junior warrant ).

The junior debentures will bear interest at an annual rate of 12.0% and will have a term of 38 months. Gulfstream will pay \$50,000 of accrued interest 12 months after the closing. The remaining accrued and unpaid interest on the junior debentures will be payable 24 months and 36 months after the closing and at maturity. At the option of the holder, the junior debentures may be converted into Gulfstream common stock at a conversion price of \$3.00 per share.

The junior warrant will be exercisable for 225,000 shares of Gulfstream common stock, at an exercise price of \$3.20 per share. Upon conversion of the junior debentures, the number of shares issuable under the junior warrant will decrease by 58,333. The warrant will be subject to an anti-dilution adjustment for certain future issuances or deemed issuances of common stock at a price per share of less than \$3.20.

Upon consummation of these transactions, Gulfstream expects to receive proceeds of approximately \$5.17 million, net of fees and expenses, which it intends to use to repay its line of credit
