PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach Extra Sheets if Needed)

Under the Company's plan of liquidation, the Company will be required to transfer its assets and liabilities to a liquidating trust on May 30, 2005 if the Company's business is not sold by such date. The liquidating trust would then succeed to all of the Company's remaining assets and liabilities.

Currently, due to the uncertainty as to whether the Company will be sold prior to May 30, 2005, the Company and its accountants, BDO Siedman, LLP, have determined that it is more appropriate to present the Company's financial statements on a liquidation basis. As a result, the Company will be required to determine the value of its assets on a liquidation basis. The Company is currently in the process of conducting the required appraisals and will not be able to timely file its annual report on Form 10-K for the fiscal year ended November 27, 2004.

PART IV - OTHER INFORMATION

If answer is no, identify report(s).

Yes       No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

[X] Yes [ ] No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As described in Part III hereof, the Company is currently in the process of conducting appraisals to present its financial statements on a liquidation basis. It is likely that following the completion of these appraisals, the carrying value of certain of the Company's assets will need to be reduced. Any impairment in the carrying value of the Company's assets will negatively affect the Company's operating results recorded for the fiscal year ended November 27, 2004. As the Company's appraisals have not yet been completed, the Company cannot reasonably quantify the extent to which the Company's results of operations for its fiscal year ended November 27, 2004 will differ from those for its fiscal year ended November 30, 2003.
