**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On November 16, 2004, ProxyMed, Inc. (the Company ) received a notice from the Nasdaq Listing Qualifications staff indicating that because the Company had failed to timely file its form 10-Q for the period ended September 30, 2004, it is not in compliance with the filing requirements for continued listing required by Nasdaq Marketplace Rule 4310(c)(14). As a result, the Company s securities are potentially subject to delisting from the Nasdaq National Market commencing with the opening of business on November 26, 2004, unless an appeal is made to a Nasdaq Listings Qualifications Panel within seven calendar days of the Company s receipt of such notice. The Company plans to appeal the delisting notification and request a hearing by a Nasdaq Listing Qualifications Panel (the Panel ). The Company s securities will remain listed pending the Panel s determination in the appeals process. Under the direction of the Company s Audit Committee of the Board of Directors, the Company is working diligently with its independent auditors to complete the review of its third quarter financial statements and to file its Form 10-Q as soon as possible.
