Item 1.01 Entry into a Material Definitive Agreement

On February 26, 2007, Healthcare Realty Trust Incorporated (the Company) announced its intention to dispose of its portfolio of senior living assets. The Company estimates that it will receive approximately \$401.6 million in cash from the disposition which will be used to pay a special dividend of \$227.2 million, or \$4.75 per share, to pay transaction costs of approximately \$3.7 million, and to reduce debt by approximately \$170.7 million.

In connection with this disposition, on April 25, 2007, the Company and certain of its wholly-owned subsidiaries entered into a definitive purchase agreement (the Purchase Agreement) with Nationwide Health Properties, Inc. (NHP). This transaction will result in the disposition of 33 properties and 11 mortgage and note investments in which the Company had a \$217.8 million gross investment at December 31, 2006 (\$191.4 million, net) for aggregate consideration of \$201.5 million. The properties consist of three independent living facilities, 16 skilled nursing facilities, and 14 assisted living facilities which are located in 10 states. The Purchase Agreement contains terms and conditions customary for a transaction of this type.

Item 2.01 Completion of Acquisition or Disposition of Assets

On April 26, 2007, pursuant to the Purchase Agreement with NHP, the Company completed the disposition of 29 properties and 10 mortgage and note investments. The total consideration paid by NHP was \$169.0 million, all cash at closing. The Company expects that the disposition of the remaining four properties and one note investment to NHP will be completed by July 15, 2007.

As of April 30, 2007, the Company had disposed of, in a series of closings, a total of 49 of the 62 properties and 15 of the 16 mortgage and note investments included in its portfolio of senior living assets for consideration totaling \$336.1 million in which the Company had a gross investment of \$367.9 million (\$306.9 million, net). The Company anticipates that the remaining properties and note investment in the portfolio will be sold during the second and third quarters of 2007 for estimated aggregate consideration of \$65.5 million. The buyers, other than NHP, were Emeritus Corporation, Ruxton Meadows Holding Company, and Affiliates of Senior Lifestyle Management, L.L.C., each of whom were tenant/operators of the properties acquired and who purchased the assets pursuant to rights of first refusal in their respective lease agreements with the Company.
