Item 8.01 Other Events.

Digital Angel Corporation (the Company) is filing this Current Report on Form 8-K to amend the Company's Consolidated Financial Statements as of December 31, 2006 and December 31, 2005 and for the years ended December 31, 2006, 2005 and 2004, to reflect its former OuterLink Communications (OuterLink) subsidiary as discontinued operations and to modify the related disclosures in accordance with the provisions of Statement of Financial Accounting Standards (SFAS) No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets. On July 2, 2007, the Company sold all of the issued and outstanding shares of stock of OuterLink, as previously announced in the Current Report on Form 8-K filed with the Securities and Exchange Commission (SEC) on July 5, 2007. In the Company's Annual Report on Form 10-K for the year ended December 31, 2006 (the 2006 Annual Report), the Company reported segment information for OuterLink as a part of its GPS and Radio Communications segment. The operating results and financial condition of OuterLink have been included as part of the financial results from discontinued operations in the accompanying consolidated financial statements and, accordingly, the Company's segment information has been modified. Reclassification of discontinued operations has no effect on the Company's reported net income (loss) for any reporting period.

The Company is presenting the following information as exhibits to this Form 8-K, which replaces the corresponding information contained in the 2006 Annual Report:

Item 6. Selected Financial Data;

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations; and

Item 8. Financial Statements and Supplementary Data.

This Form 8-K does not reflect events occurring after the filing of the 2006 Annual Report, originally filed with the SEC on March 8, 2007, and does not modify or update the disclosures therein in any way, other than as required to reflect the changes in discontinued operations for OuterLink as described above. In particular, this Form 8-K does not update the disclosures contained in Management's Discussion and Analysis of Financial Condition and Results of Operations, other than as required to reflect the changes in discontinued operations.

IMPORTANT ADDITIONAL INFORMATION WILL BE FILED WITH THE SEC

On August 9, 2007, the Company and Applied Digital Solutions, Inc. (Applied Digital) issued a joint press release announcing the signing of an Agreement and Plan of Reorganization (the Merger Agreement) by and among the Company, Applied Digital, and Digital Angel Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of Applied Digital (the Acquisition Subsidiary), pursuant to which the Acquisition Subsidiary will be merged with and into the Company, with the Company surviving and becoming a wholly-owned subsidiary of Applied Digital (the Merger).

Upon the consummation of the Merger, each outstanding share of the Company's common stock not currently owned by Applied Digital (or its affiliates) will be converted into 1.4 shares of Applied Digital common stock. In connection with the merger, Applied Digital has filed with the SEC a Registration Statement on Form S-4 that contains a Joint Proxy Statement/Prospectus of Applied Digital and the Company. The Registration Statement has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the Registration Statement becomes effective. Investors and security holders are urged to read the Registration Statement and the Joint Proxy Statement/Prospectus carefully because they contain important information about the Company, Applied Digital and the proposed transaction.
