**CITIZENS & NORTHERN CORPORATION**

**90-92 Main Street**

**Wellsboro, Pennsylvania 16901**

**PROXY STATEMENT**

**Annual Meeting of Stockholders April 18, 2006**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Citizens & Northern Corporation to be used at the Annual Meeting of Stockholders of the Corporation to be held on Tuesday, April 18, 2006, at 2:00 P.M. at the Arcadia Theatre, located at 50 Main Street, Wellsboro, Pennsylvania, and at any adjournment thereof. The approximate date upon which this Proxy Statement and proxy will first be mailed to stockholders is March 21, 2006.

Shares represented by properly completed proxies will be voted in accordance with the instructions indicated thereon unless such proxies have previously been revoked. If no direction is indicated, such shares will be voted in favor of the election as directors of the nominees named below, and in the discretion of the proxy holder as to any other matters that may properly come before the Annual Meeting or any adjournment thereof. A proxy may be revoked at any time before it is voted by written notice to the Secretary of the Corporation or by attending the Annual Meeting and voting in person.

The Corporation will bear the entire cost of soliciting proxies for the Annual Meeting. In addition to the use of the mails, proxies may be solicited by personal interview, telephone, telegram or other electronic means by the Corporation's directors, officers and employees. American Stock Transfer & Trust Company, the transfer agent and registrar for the Corporation, will assist in the distribution of proxy materials and the solicitation and tabulation of votes. Arrangements also may be made with custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of stock held of record by such persons, and the Corporation may reimburse such custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

The Board of Directors has fixed the close of business on February 28, 2006 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and at any adjournment thereof. On the record date, there were outstanding and entitled to vote 8,295,569 shares of common stock. Common stockholders will be entitled to one vote per share on all matters to be submitted at the meeting. The presence, in person or by proxy, of stockholders entitled to cast at least 50% of the votes that all stockholders are entitled to cast shall constitute a quorum at the Annual Meeting. An abstention will be considered present at the meeting for purposes of determining a quorum, but will not be counted as voting for or against the issue to which it relates. Neither abstentions nor broker non-votes will be counted as votes cast and neither will have any effect on the result of the vote, although both will count toward the determination of the presence of a quorum. The Articles of Incorporation of the Corporation do not permit cumulative voting.

No person is known by the Corporation to have beneficially owned 5% or more of the outstanding common stock of the Corporation as of February 28, 2006.

**PROPOSAL 1 ELECTION OF DIRECTORS**

The Articles of Incorporation of the Corporation provide that the Board of Directors shall consist of not less than five nor more than twenty-five directors and that within these limits the numbers of directors shall be as established by the Board of Directors. The Board of Directors has set the number of directors at thirteen. The Articles further provide that the Board shall be classified into three classes, as nearly equal in number as possible. One class of directors is to be elected annually. Three directors in Class I are to be elected at the Annual Meeting to serve for a three-year term. It is the intention of the persons named as proxyholders on the enclosed form of proxy, unless other directions are given, to vote all shares which they represent for the election of management's nominees named in the tabulation below. Directors are elected by a plurality of the votes cast. Assuming the presence of a quorum, the three nominees for Class I directors receiving the highest number of votes cast at the Annual Meeting will be elected to the Board of Directors. Any stockholder who wishes to withhold authority from the proxyholders to vote for the election of directors, or to withhold authority to vote for any individual nominee, may do so by marking the proxy to that effect. Each director elected will continue in office until a successor has been elected. **The Board of Directors recommends a vote FOR the election of the nominees listed below, each of whom**

**has consented to be named as a nominee and to serve if elected.** If for any reason any nominee named is not a candidate (which is not expected) when the election occurs, proxies will be voted for a substitute nominee determined by the Board of Directors.

The following table sets forth certain information about the director nominees, all of whom are presently members of the Board, and about the other directors whose terms of office will continue after the Annual Meeting.

**BOARD OF DIRECTOR COMMITTEES,  
ATTENDANCE AT MEETINGS AND COMPENSATION OF DIRECTORS**

Both the Corporation's and the Bank's by-laws provide that the Board may create any number of committees of the Board as it deems necessary or appropriate from time to time.

**Executive Committee of the Corporation.** The Corporation has an Executive Committee whose purpose is to monitor and oversee the Corporation's management succession plan and leadership development processes, review and provide advice and counsel to the CEO regarding the Corporation's strategic plan, mission, goals and objectives and action plans as well as other various matters and to act on behalf of and with full authority of the Board of Directors in matters that may arise between the regular monthly meetings of the Board, which require immediate Board level action. This committee consists of the following seven members of the Board of Directors: R. Robert DeCamp, R. Bruce Haner, Leo F. Lambert, Craig G. Litchfield, Edward H. Owlett, III, Leonard Simpson and James E. Towner. During 2005, the Executive Committee held six meetings.

**Nominating Committee.** The Nominating Committee for each of the Corporation and the Bank consists of the following six independent members of the Board of Directors: R. Robert DeCamp, Jan E. Fisher, R. Bruce Haner, Edward H. Owlett, III, Leonard Simpson and James E. Towner. The purpose of the Nominating Committee is to establish criteria for Board member selection and retention, identify individuals qualified to become Board members, and recommend to the Board the individuals to be nominated and re-nominated for election as directors. The Nominating Committee held two meetings during 2005.

All members of the Nominating Committee are independent directors within the meaning of Rule 4200 of the NASD. The Board of Directors of the Corporation has adopted a written charter for the Nominating Committee, a copy of which was attached to the Proxy Statement for the 2004 Annual Meeting. A current copy is also available on our website at [www.cnbankpa.com](http://www.cnbankpa.com) by clicking on "Shareholder News & Info.", then "Corporate Governance", then "Nominating Committee Charter of C&N Corp".

Qualifications considered by the Nominating Committee in assessing director candidates include but are not limited to the following:

- § An understanding of business and financial affairs. A career in business is not essential, but the candidate should have a proven record of competence and accomplishments and should be willing to commit the time and energy necessary to be an effective director;
- § A genuine interest in representing all of Citizens & Northern's stakeholders, including the long-term interest of the stockholders;
- § A willingness to support the Values, Mission and Vision of Citizens & Northern;
- § An open-mindedness and resolve to independently analyze issues presented for consideration. Additionally, a candidate should be inquisitive and feel a duty to ask questions of management and challenge the status quo;
- § A reputation for honesty and integrity;
- § A high level of financial literacy;
- § A mature confidence and ability to approach others with self-assurance, responsibly and supportively;
- § The ability, capacity and willingness to serve as a conduit of business referrals to the organization;
- § Diversity (in terms of gender, race or other factors) that would reflect representation of different perspectives;
- § Residency in the geographically defined market area of the Bank, with emphasis placed on maintaining representation throughout the market area; and

§ Knowledge, judgment, skill diversity, business experience, as well as the interplay or fit of the candidate's experience and skill with the experience and skills of other Board members.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating Committee may also consider such other factors as it may deem are in the best interests of the Corporation and its stockholders and such factors may change from time to time. The Nominating Committee does, however, believe it appropriate that at least one director meet the criteria for audit committee financial expert as defined by the SEC rules, even though no one currently meets this criteria, and that a majority of the Board members meet the definition of independent director under NASD rules.

The Committee identifies nominees by first evaluating the current directors who are willing to continue in service. If any member of the Board does not wish to continue its service or the Board determines not to re-nominate

a current director for re-election, the Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria above. The evaluation procedure for candidates recommended by the stockholders would be the same as is done for those recommended by the Board of Directors and management. The Committee recommends a director nominee to the Board, and the Board makes the final determination as to the nominees who will stand for election.

Current members of the Board of Directors are polled for suggestions as to prospective candidates meeting criteria for the Nominating Committee. The Committee has the prerogative to employ and pay third party search firms, but to date has not done so.

**Corporate Governance Committee.** The Corporate Governance Committee of the Corporation, which met four times in 2005, consists of the following five independent members of the Board of Directors: Dennis F. Beardslee, R. Bruce Haner, Susan E. Hartley, Karl W. Kroeck and Ann M. Tyler. This committee is responsible for reviewing and reporting to the Board periodically on matters of corporate governance.

**Executive Committee.** The Bank has an Executive Committee consisting of seven members of the Board of Directors who are as follows: R. Robert DeCamp, R. Bruce Haner, Leo F. Lambert, Craig G. Litchfield, Edward H. Owlett, III, Leonard Simpson and James E. Towner. The function of this committee is to monitor and oversee the Bank's management succession plan and leadership development processes, review and provide advice and counsel to the CEO regarding the Bank's strategic plan, mission, goals and objectives and action plans and other various matters, as well as recommend policies and procedures. During 2005, the Executive Committee held eleven meetings.

**Compensation Committee.** The Compensation Committee of the Bank, which held three meetings in 2005, consists of the following six independent members of the Board of Directors: R. Robert DeCamp, R. Bruce Haner, Leo F. Lambert, Edward H. Owlett, III, Leonard Simpson and James E. Towner. The purpose of the committee is to discharge the responsibilities of the Board of Directors relating to compensation of the executive officers and to provide oversight of the Bank's compensation, benefit, perquisite and employee equity programs.

**Trust Investment Committee.** The Trust Investment Committee of the Bank, which met twelve times in 2005, consists of four members of the Board of Directors; namely, Dennis F. Beardslee, Susan E. Hartley, Edward L. Learn and Leonard Simpson. Deborah E. Scott, Executive Vice President and Senior Trust Officer of the Bank, is also a member of this committee, which determines the policy and investments of the Trust Department, the acceptance of all fiduciary relationships and relinquishments of all fiduciary relationships.

**Asset Liability Committee.** The Bank also has an Asset Liability Committee, which consists of Board members R. Robert DeCamp, Jan E. Fisher, Craig G. Litchfield, Edward H. Owlett, III and Ann M. Tyler, as well as Mark A. Hughes, Executive Vice President and Chief Financial Officer of the Bank. The Asset Liability Committee met twelve times during 2005. The purpose of the committee is to stabilize and improve profitability by balancing the relationship between risk and return over an extended period of time and to function as an investment committee.

**Finance and Loan Committee.** The Bank has a Finance and Loan Committee consisting of nine members of the Board of Directors who are as follows: Dennis F. Beardslee, Susan E. Hartley, Karl W. Kroeck, Leo F. Lambert, Edward L. Learn, Craig G. Litchfield, Edward H. Owlett, III, Leonard Simpson and Ann M. Tyler. The primary purpose of this committee is to evaluate and act on loan requests that exceed management's lending authority. During 2005, the Finance and Loan Committee held eight meetings.

**Audit Committee.** The Audit Committee of the Corporation, which held six meetings in 2005, consists of six independent members of the Board of Directors. The members of the Committee are R. Bruce Haner, Karl W. Kroeck, Leo F. Lambert, Edward H. Owlett, III, James E. Towner and Ann M. Tyler. In addition to the six meetings of the Audit Committee, the chairman and a rotating member of the Committee met with representatives of Parente Randolph, LLC, the Bank's internal audit department and management in May, August and November, 2005 to discuss the Corporation's quarterly 10-Q filings. The primary function of the Audit Committee is to review the internal audit program as performed by the internal auditors, recommend to the Board of Directors the independent auditors for the year, and review the examinations and reports from those persons. None of the members of the Audit Committee meet the definition of Audit Committee financial expert as defined in the rules adopted by the Securities and Exchange Commission. The Board of Directors has determined that each of the present members of the Audit Committee have sufficient knowledge and experience in financial matters to effectively perform their duties.

The Board of Directors of the Corporation has adopted a written charter for the Audit Committee, which was attached to the 2004 Proxy Statement. The current Audit Committee Charter is also available on our website at [www.cnbankpa.com](http://www.cnbankpa.com). The policies and procedures for pre-approval of engagements for non-audit services are included in the Charter.

On March 2, 2006, the Audit Committee of the Board of Directors reviewed and discussed the audited financial statements dated December 31, 2005 with management. They also have discussed with Parente Randolph, LLC, the independent auditors of the Corporation, the matters for discussion as specified by the AICPA Statement of Auditing Standards No. 61. The Audit Committee has received from Parente Randolph, LLC the written communications required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees* and has discussed with Parente Randolph, LLC, its independence. Based on its review and discussions referred to above, the Committee has recommended to the Board of Directors that the audited financial statements be included in the Corporation's annual report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

**Directors Attendance and Compensation.** The Board of Directors of the Corporation met thirteen times and the Board of Directors of the Bank met thirteen times in 2005. The Board of Directors also held four quarterly Executive Sessions and Independent Directors Meetings in 2005. The Executive Sessions include only members of the Board of Directors and the Independent Directors Meetings include only non-employee members. All of the directors attended at least 75% or more of the meetings of the Board of Directors of the Corporation and of the board committees on which he or she served.

Although the Company does not have a formal policy with respect to Board member attendance at the Annual Meeting of Stockholders, each member is encouraged to attend the Annual Meeting. All Directors attended the Annual Meeting of Stockholders held in April 2005, with the exception of Mr. Towner, who was unable to attend due to a business commitment.

All directors of the Corporation are directors of the Bank. Each director who is not an officer of the Corporation or Bank received an annual retainer of \$14,000 and an attendance fee of \$400 for each meeting of the Board attended. In addition, each such director received a fee of \$200 for attendance at each committee meeting. The chairpersons of the Audit and Executive Committees also received an annual retainer of \$2,500 and the chairpersons of the Trust, Compensation, Nominating and Corporate Governance Committees received an annual retainer of \$1,500. The aggregate amount of directors' retainers and fees paid during 2005 was \$315,450.

Under the Independent Directors' Stock Incentive Plan, for 2004, each director who is not an officer of the Corporation or Bank was awarded, as of January 3, 2005, 473 stock options and 54 shares of restricted stock. The awards of options and restricted shares are based on the Corporation's three-year cumulative earnings per share growth as compared to the Plan's growth target. Since this target was not met in 2005, there were no awards for 2005 in 2006. The present value of the stock options and restricted shares awarded to each director for 2004 was approximately \$9,000. The present value calculations use as the discount rate the 5-year U.S. Treasury rate and are based on assumptions including a five-year projected future market value and an assumed growth in dividends.

Each member of the Corporation's Board of Directors and Advisory Board who receives retainers and fees may elect to receive such retainers and fees in the form of either cash or Corporation common stock, or a combination of cash and Corporation common stock. To the extent such members elect to receive payment of retainers and fees in the form of Corporation common stock, such stock is purchased through the Corporation's dividend reinvestment plan.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee ( Committee ) of the Board of Directors of the Bank establishes compensation policies, plans and programs which are intended to accomplish three objectives: to attract and retain highly capable and well qualified executives; to focus executives' efforts on increasing long-term stockholder value; and to reward executives at levels which are reasonable and competitive within the marketplace for similar positions and commensurate with the performance of each executive and of the Corporation. Each member of the Committee is an independent non-employee director. The Committee establishes the salaries of the other executive officers with input from the Chief Executive Officer and the Board of Directors reviews all decisions relating to the compensation of the executive officers.

The key elements in the Corporation's executive compensation program, all determined by individual and corporate performance, are base salary compensation, annual cash bonus incentive compensation, long-term incentive compensation, and equitable retirement benefits.

Annual compensation for the Chief Executive Officer is determined in essentially the same way as for other executives, recognizing that the CEO has overall responsibility for the performance of the Corporation. The Committee believes that the CEO compensation should be heavily influenced by the performance of the Corporation. Base salaries and compensation programs are set at levels competitive with peer banking institutions and are adjusted for individual performance. To develop peer groups for the Corporation, Ben S Cole Financial Incorporated (Cole Financial) collected market pay data from surveys covering the banking industry. Cole Financial then analyzed the compensation of the Corporation's executive officers as compared with compensation packages offered by U.S. financial institutions of similar asset or revenue size, as applicable.

In establishing Mr. Litchfield's base salary for 2005, the Committee reached their conclusion using the directors' evaluation of Mr. Litchfield's performance and the information provided by the Cole Financial CEO Compensation

Survey. The survey established a Peer Group of 40 financial institutions with a 2004 average asset

- 8 -

---

size approximately equal to the Corporation, and further narrowed their Peer Group to a Core Group of 25 bank holding companies with Returns on Assets of 1.10% or better. According to the survey, the Corporation's return on average assets (ROA) for 2004 was 1.33%, while the Core Group's projected average ROA was 1.38% and the Peer Group's projected average ROA was 1.20%. Mr. Litchfield's 2004 base salary of \$303,849 is 3% below the average base salary of CEOs in the 40 Peer Group. Mr. Litchfield's total compensation with bonus and incentives for 2004 was 88% of the average total compensation of CEOs in the 40 Peer Group and 85% of the average total compensation of CEOs in the Core Group of 25 bank holding companies. In December 2004, the Committee established the Chief Executive Officer's 2005 base salary at \$320,000, representing a 5.32% increase over 2004.

The compensation of the Chief Executive Officer and executive officers is reviewed annually by the Committee, except for decisions about cash bonuses under the Incentive Award Plan. The incentive opportunities in the Incentive Award Plan apply to meeting the Threshold, Target and Maximum levels of the Corporation's Return on Average Assets as compared to peers and growth in Core Bank Earnings as defined in the Incentive Award Plan, compared to selected benchmarks. The CEO Performance Criteria Weighting for 2004 applied 90% to corporate performance and 10% for individual performance. The Corporation's Incentive Award Plan target and maximum awards for 2004 were 40% and 60% of base compensation for the CEO. For 2003 performance, the CEO Incentive Award was 32% of base compensation and 83% of the average cash bonuses awarded to the Peer Group CEOs in 2003. In December 2004, for 2004 performance, the Committee established the Chief Executive Officer's Incentive Award of 31% of base compensation, which equates to a cash bonus of \$94,204.

The Corporation approved a non-qualified Supplemental Executive Retirement Plan effective January 1, 1989. It was designed for the purpose of retaining talented executives and to promote in these executives a strong interest in the long-term, successful operation of the Corporation. Since the Bank's Pension Plan provides a substantially reduced benefit as a percentage of final compensation for the executive officers as compared to non-executives, the Supplemental Executive Retirement Plan is intended to supplement the total retirement benefit package of the covered executives. The Supplemental Executive Retirement Plan is an unfunded plan and is subject to the general creditors of the Corporation.

The Corporation approved a Stock Incentive Plan effective January 1, 1995. The Stock Incentive Plan is designed to advance the development, growth and financial condition of the Corporation while attracting, retaining and rewarding executives.

The Committee believes that the programs discussed above further the stockholders' interests since a significant part of executive compensation is based on obtaining results for the stockholders. The Committee bases its review on experience of its own members, on information requested from management and information compiled by various independent compensation consultants. The Committee believes that the program encourages responsible management of the Corporation.

### STOCK INCENTIVE PLAN

In 1995, the Corporation's Board of Directors adopted and the stockholders approved the Citizens & Northern Corporation Stock Incentive Plan. The purpose of the Plan is to advance the development, growth and financial condition of the Corporation by providing incentives through participation in the appreciation of the capital stock in order to secure, retain and motivate personnel responsible for the operation and management of the Corporation and its subsidiaries. Participants in the Stock Incentive Plan include the officers named in the Summary Compensation Table, as set forth herein, as well as other officers and key employees.

No stock options or shares of restricted stock were granted by the Board of Directors under the Stock Incentive Plan in January 2006, as the performance for the year ended December 31, 2005 did not meet the earnings per share growth threshold of the Plan.

The Board of Directors granted 31,500 qualified stock options in January 2005 for key officers of the Bank, based on performance for the year ended December 31, 2004, and 29,325 shares under options in January 2004, based on performance for 2003. (The number of options granted in 2003 have been adjusted for the 3-for-2 stock split issued in April 2003.) The period of the options is ten (10) years, commencing from the date of the grant, and become exercisable six (6) months from the grant date. Once the options are exercisable, all or a portion of the available exercisable options may be exercised at any time within the ten (10) year period from the grant date. If employment with the Bank terminates, except in the event of death or disability, the optionee has three (3) months from the date of termination to exercise any exercisable options outstanding as of the date of cessation of employment. In the event of an optionee's death or disability, the optionee or their legal representative may exercise any options to which the optionee was entitled as of the date of cessation of employment.

The Board of Directors also granted 3,480 shares of restricted stock under the Stock Incentive Plan in January 2005 based on 2004 performance and 3,270 shares were granted in January 2004 for 2003 performance. (The number of awards granted in 2003 have been adjusted for the 3-for-2 stock split issued in April 2003.) Restricted stock awards require no payment from the selected officers and vest ratably over three (3) years.

There are 130,252 shares reserved for future grants under the Stock Incentive Plan.

**PERFORMANCE GRAPH**

Set forth below is a chart comparing the Corporation's cumulative return to stockholders against the cumulative return of the Russell 2000 and a Peer Group Index of similar banking organizations selected by the Corporation for the five year period commencing December 31, 2000 and ended December 31, 2005. The index values are market-weighted dividend-reinvestment numbers which measure the total return for investing \$100.00 five years ago. This meets Securities & Exchange Commission requirements for showing dividend reinvestment share performance over a five year period and measures the return to an investor for placing \$100.00 into a group of bank stocks and reinvesting any and all dividends into the purchase of more of the same stock for which dividends were paid.

### PENSION PLAN

The Citizens & Northern Bank Pension Plan (the Plan) is a qualified defined benefit plan under Section 401(a) of the Internal Revenue Code. The Plan is intended to provide a defined retirement benefit to participants without regard to the profits of the Bank. Employees are neither required nor permitted to contribute to the Plan. Annual contributions by the Bank are determined actuarially. To participate in the Plan, an employee must be 18 years of age and have completed one year of service. A participant's retirement benefit, which becomes fully vested after 5 years of service, is based on compensation and credited service with the Bank. For purposes of determining a retirement benefit, the term compensation is defined to include an employee's total remuneration received from the Bank, including base salary, bonus and overtime. Benefits are a percentage of the average compensation for the five consecutive years of highest compensation preceding retirement, multiplied by the number of years of completed service, up to 25 years. The Bank's Trust and Financial Services Department serves as Trustee under the Plan.

The following table indicates, for purposes of illustration, the approximate amounts of annual retirement income which would be payable under the terms of the Plan, in the form of a straight life annuity, to a participant who retired as of December 31, 2005, at age 65, under various assumptions as to compensation and years of credited service. For 2005, the Pension Plan benefits are determined on only the first \$210,000, as indexed, in compensation as determined by the Commissioner of the Internal Revenue Service and as prescribed by law.

PENSION PLAN TABLE

Average Annual Compensation	Years of Credited Service		
	15	20	25(or more)
\$100,000	\$18,502	\$24,670	\$30,837
\$125,000	\$24,315	\$32,420	\$40,524
\$150,000	\$30,127	\$40,170	\$50,212
\$175,000	\$35,940	\$47,920	\$59,899

\$205,000	\$42,915	\$57,220	\$71,524
\$210,000 and over	\$44,077	\$58,770	\$73,462

The credited years of service under the Plan as of December 31, 2005 was 33 years for Mr. Litchfield, 5 years for Mr. Hughes, 8 years for Mrs. Scott, 5 years for Mrs. Besse, and 6 years for Mr. Rudy.

In December 1989, the Bank established a non-qualified supplemental executive retirement plan for certain key executive employees ( Executive Plan ). The Executive Plan provides a retirement benefit for executives who retire after attaining age 55 and 5 years of plan service in an amount determined annually by the Directors. The Board of Directors may terminate the Executive Plan at any time. In 2005, the amounts accrued pursuant to the Executive Plan for the accounts of the officers named in the Summary Compensation Table set forth herein, is included in All Other Compensation .

### SAVINGS PLAN

The Citizens & Northern Savings and Retirement Plan ( Savings Plan ) is qualified under Section 401(k) of the Internal Revenue Code. It allows a participant to authorize the deposit into the Plan of before tax earnings of from 1% to 15% of his compensation. Under the Tax Reform Act, the maximum amount of elective contributions that could be made by a participant during 2005 was Fourteen Thousand Dollars (\$14,000.00) plus a Four Thousand Dollar (\$4,000.00) catch-up contribution if over age 50, also subject to a \$210,000 compensation limit. All officers and employees of the Bank, including the officers named in the Summary Compensation Table set forth herein, are eligible to participate in the 401(k) Plan. A participant also may make voluntary contributions to the Savings Plan from after tax savings of up to 10% of the participant's compensation. The Bank is required to contribute a basic employer contribution equal to 2% of each eligible participant's compensation; in addition, the Bank may make a discretionary basic contribution. The total actual basic employer contribution for 2005 was equal to 4%. In addition, the Bank makes matching contributions equal to 100% of a participant's before tax contributions up to 3% of compensation and equal to 50% of such contributions between 3% and 5% of compensation. The Bank's basic

employer contributions are invested in the common stock of the Corporation. All participants' contributions and the

- 14 -

Bank's matching contributions for 2005, at the participants' election, were invested in a choice of investment funds maintained by the Bank as Trustee. In 2005, the Bank's contribution to the Savings Plan for the accounts of the officers named in the Summary Compensation Table set forth herein is included as "All Other Compensation".

#### **INCENTIVE AWARD PLAN**

The Board of Directors has adopted an Incentive Award Plan for certain members of the management group of the Bank in order to promote a superior level of performance regarding the Bank's financial goals and to attract and retain competent management. Under the Incentive Award Plan, if predetermined performance goals are realized by the Bank in a given fiscal year, the participants will receive awards based upon the target or maximum levels of payout as determined by the Plan.

Pursuant to the terms of the Incentive Award Plan, immediately before the beginning of each year the Compensation Committee of the Board of Directors of the Bank will designate the participants in the Incentive Award Plan and set a minimum and maximum level of awards for each class of participants and the individual performance and financial goals of the Bank or appropriate unit to be achieved. The Compensation Committee, at its discretion, may adjust award payments under the Incentive Award Plan based on extraordinary circumstances, conflicts with long-term financial and development objectives, or below standard individual participant performance. All awards under the Incentive Award Plan are paid in cash as soon as practical after the end of a plan year.

#### **CHANGE IN CONTROL AGREEMENTS**

The Corporation and the Bank (the "Employer") have entered into Change in Control Agreements (the "Agreements") with Messrs. Litchfield, Hughes, Mrs. Scott, Mrs. Besse, Mr. Rudy and certain other officers (each an "Employee"), effective December 31, 2003. The purpose of the Agreements is to retain and secure key employees and encourage their continued attention and dedication to their assigned duties without the distraction of potential disturbing circumstances arising from the possibility of a change in control of the Corporation and Bank.

The Change in Control Agreements are not employment agreements. The Agreements provide for a lump sum severance benefit in the event certain events take place after there is a change in control, as defined in the Agreement, of the Corporation, or for a period of twenty-four (24) months thereafter. If the Employee remains employed for more than twenty-four (24) months after a change in control, nothing is payable.

Under the Agreements, the term "termination" means the termination of the employment of the officer either by the Employer for any reason other than death, disability, or "cause", or by resignation of the Employee upon the occurrence of one or more of the following events: a significant change in the Employee's authorities or duties, a reduction in annual salary, or a material reduction in benefits; the relocation of the Employee's office to a location more than 35 miles from the location of the Employee's office immediately prior to the employment period; the Employee is unable to exercise the authorities, powers, functions or duties associated with the Employee's position; or the failure of the Corporation to obtain a satisfactory agreement from any successor to assume and agree to perform the Agreement in the same manner and extent as if no succession had taken place.

In the event of a termination, the Agreements provide severance benefits of (i) Employer-paid group medical insurance continuation premiums for a period of eighteen (18) months after the date of termination, and (ii) a lump sum payment in cash no later than thirty (30) business days after the date of termination equal to the sum of the Employee's unpaid salary, accrued vacation pay and unreimbursed business expenses through and including the date of termination; and an amount equal to one (1) times the Employee's base salary in effect immediately prior to the date of termination.

The original Agreements terminated on December 31, 2005, but are automatically extended for additional one-year periods unless written notice is provided by the Employer or Employee that such party does not wish to extend the term. If a change in control occurs during the original or extended term of the Agreements, the term shall continue for a period of twenty-four (24) months and end upon the expiration of such twenty-four (24) month period.

The amount of severance salary benefits that each of the above-named executive officers would be entitled to, pursuant to the Agreements, if an event which triggered the payment occurred on the date of the Proxy Statement,

is as follows: Messrs. Litchfield \$336,000, Hughes \$176,005, Mrs. Scott \$135,018, Mrs. Besse \$124,800 and Mr. Rudy \$110,240. The total of such severance salary benefit payments for all covered Employees would be \$1,356,287.

### **INDEMNIFICATION AGREEMENTS**

On April 20, 2004, the Stockholders of the Corporation authorized the Corporation to enter into Indemnification Agreements with the Directors of the Corporation and the Bank and certain officers of the Bank, as designated by the Board of Directors. The primary purpose of the Agreements is to ensure the ability of the Corporation and the Bank to continue to attract and retain responsible, competent and otherwise qualified directors and officers. The Indemnification Agreements were entered into with all Directors of the Bank and Corporation, as well as the Corporation's and Bank's Executive Officers as named on page 8, beginning in late May 2004.

The indemnification agreements provide to covered directors and officers the most advantageous of any combination of benefits under (i) the benefits provided by the Bylaws of the Corporation in effect as of the date the agreements were entered into; (ii) the benefits provided by the Bylaws, the Articles of Incorporation or their equivalent of the Corporation in effect at the time indemnification expenses are incurred by an indemnitee; (iii) the benefits allowable under Pennsylvania law in effect on the date of the agreements; (iv) the benefits allowable under the law of the jurisdiction under which the Corporation exists at the time indemnifiable expenses are incurred by an indemnitee; (v) the benefits available under a liability insurance policy obtained by the Corporation and its subsidiaries in effect on the date of the agreements; (vi) the benefits available under a liability insurance policy obtained by the Corporation and its subsidiaries, in effect at the time the indemnifiable expenses are incurred by an indemnitee; and (vii) such other benefits as are or may otherwise be available to the indemnitee.

The Corporation is not obligated to, nor has it agreed to provide funding for its obligations under the agreements. The Corporation is obligated, however, to pay its obligations under the agreements from general assets or insurance. The agreements do require the Corporation to continue to purchase D&O Coverage for so long as it is available on a commercially reasonable basis.

The indemnification available pursuant to the agreements is subject to a number of exclusions. No indemnification is required under the agreements with respect to any claim as to which it is finally proven by clear and convincing evidence in a court of competent jurisdiction that the covered person acted or failed to act with deliberate intent to cause injury to the Corporation or a subsidiary thereof or with reckless disregard for the Corporation's best interest. The Corporation is also not required to make any payment finally determined by a court to be unlawful or any payment required under Section 16(b) of the Securities and Exchange Act of 1934, as amended. In addition, any claim (or part thereof) against an indemnitee which falls within the prohibitions of 12 C.F.R. §7.5217 (i.e. a prohibition on indemnification or insurance coverage for expenses, penalties or other payments incurred in connection with an action by a banking regulatory agency which results in a final order assessing monetary penalties or requiring affirmative action in the form of payment to said bank) is excluded from indemnification under the agreements.

### **CERTAIN TRANSACTIONS**

Certain directors and officers of the Corporation and the Bank and their associates (including corporations of which such persons are officers or 10% beneficial owners) were customers of, and had transactions with the Bank in the ordinary course of business during the year ended December 31, 2005. Similar transactions may be expected to take place in the future. Such transactions included the purchase of certificates of deposit and extensions of credit in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risks of collectibility or present other unfavorable features. The Bank expects that any other transactions with directors and officers and their associates in the future will be conducted on the same basis.

### **INDEPENDENT ACCOUNTANTS**

Parente Randolph, LLC, formerly Parente, Randolph, Orlando, Carey & Associates, has been the independent public accounting firm appointed by the Bank since 1981, and was selected by the Board as the independent public accounting firm for the Corporation and the Bank for the fiscal year ended December 31, 2005. The engagement of Parente Randolph, LLC as its independent accountants for the year 2006 is subject to the review and approval by the Audit Committee. No member of the firm or any of its associates has a financial interest in the Corporation. A representative of Parente Randolph, LLC is expected to be present at the Annual Meeting to answer appropriate questions from stockholders and will be afforded an opportunity to make any statement that the firm desires.

### **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

Messrs. DeCamp, Haner, Lambert, Owlett, Simpson and Towner served as members of the Compensation Committee during 2005 and none of them was an officer or employee of the Corporation or any of its subsidiaries during that time. There are no interlocking relationships, as defined in regulations of the SEC, involving members of the Compensation Committee.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16 of the Securities Exchange Act of 1934 requires the Corporation's officers and directors, and persons who own more than ten percent of the Corporation's common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to the Corporation during 2005 and Forms 5 and amendments thereto furnished to the Corporation with respect to 2005, the Corporation believes that no director, officer or ten percent stockholder or any other person subject to Section 16 of the Exchange Act, failed to make on a timely basis during 2005 any reports required to be filed by Section 16(a) of the Exchange Act, except as follows. Mr. Owlett had four delinquent Form 4 filings due to purchases made with the cash dividends for his children's accounts that are managed by a brokerage firm. Mrs. Besse had one late filing reporting two sales that were inadvertently missed.

### **STOCKHOLDER PROPOSALS**

The Corporation's Articles of Incorporation contain provisions that address the process by which a stockholder may nominate an individual to stand for election to the Board of Directors. Stockholder recommendations for members of the Board should be submitted in writing to the President of the Corporation, and must include the stockholder's name, address, and the number of shares owned. The recommendation must also include the name, address and principal occupation of the proposed nominee as well and number of shares owned by the notifying stockholder and the total number of shares that will be voted for the proposed nominee. Stockholder recommendations must also include the information that would be required to be disclosed in the solicitation of proxies for the election of directors under federal securities laws, including the candidate's consent to be elected and to serve. The Articles of Incorporation specify that nominations from stockholders must be delivered or mailed not less than fourteen (14) days nor more than fifty (50) days prior to the stockholder meeting at which directors will be elected, except in the case where less than twenty-one (21) days notice is given of a stockholder meeting, in which case a notifying stockholder can mail or deliver a nomination not later than the close of business on the seventh day after the day the meeting notice was mailed.

The Corporation's 2007 Annual Meeting of stockholders is scheduled to be held in April 2007. Any stockholder who intends to present a proposal at the 2007 Annual Meeting and who wishes to have the proposal included in the Corporation's proxy statement and form of proxy for that meeting must deliver the proposal to the Corporation's executive offices, 90-92 Main Street, P.O. Box 58, Wellsboro, Pennsylvania 16901, by November 20,

2006. Citizens & Northern must receive notice of all other stockholder proposals for the 2006 annual meeting delivered or mailed no less than 14 days nor more than 50 days prior to the Annual Meeting; provided, however, that if less than twenty-one days notice of the annual meeting is given to stockholders then the Corporation must receive notice not less than seven days following the date on which notice of the annual meeting was mailed. If notice is not received by the Corporation within this time frame, the Corporation will consider such notice untimely. The Corporation reserves the right to vote in its discretion all of the shares of common stock for which it has received proxies for the 2007 annual meeting with respect to any untimely shareholder proposals.

#### **OTHER MATTERS**

The management of the Corporation does not intend to bring any other matters before the Annual Meeting and is not presently informed of any other business which others may bring before such meeting. However, if any other matters should properly come before such meeting or any adjournment thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, determine.
