Report of Independent Auditors

MP3.com as Plan Administrator of
MP3.com 401(k) Plan

We have audited the accompanying statements of net assets available for benefits of MP3.com 401(k) Plan as of December 31, 2002 and 2001, and the related statement of changes in net assets available for benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2002 and 2001, and the changes in its net assets available for benefits for the year ended December 31, 2002, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2002, and of nonexempt transactions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

December 31, 2002

1. SIGNIFICANT ACCOUNTING POLICIES

GENERAL

The financial statements of MP3.com 401(k) Plan (the "Plan") are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in registered investment company mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Units of the Retirement Savings Trust are valued at the net asset value at year-end. The shares of Vivendi Universal common stock are valued at quoted market prices at year-end. The participant loans are valued at their outstanding balance, which approximates fair value.

The Vivendi Universal Common Stock Fund consists of the underlying company stock and a short-term cash component to provide liquidity for daily trading.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

ex-dividend date. Capital gain distributions are included in interest and dividend income. The realized gain or losses on investments is included with net depreciation in fair value of investments.

BENEFITS

Benefits are recorded when paid.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution profit sharing and retirement plan covering all eligible employees of MP3.com (the "Company"). The effective date of the Plan was July 1, 2000. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company pays most administrative expenses of the Plan. Certain investment management fees and other charges paid to the trustee are offset against fund performance in the net appreciation (depreciation) section of the statement of changes in net assets available for benefits and are not, therefore, separately reflected as administrative expenses.

The Plan is exposed to credit risk in the event of default by the issuers of the investments to the extent of amounts recorded on the statement of net assets available for benefits.

Effective June 2002, the trustee and recordkeeper of the Plan was changed from Prudential Retirement Services to The Vanguard Group.

ELIGIBILITY

The Plan covers all employees of the Company. There is no service requirement. Employees may elect to join the Plan on the first day of the month after their date of hire.

CONTRIBUTIONS

Each year, participants may contribute from 1% to 20% of pretax compensation, as defined in the Plan and subject to the annual limits of the Internal Revenue Code. The Company may contribute to the Plan subject to its own discretion; however, no such contributions were made in 2002.

2. DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the participant's share of the employer's contributions, if any, and the Plan's earnings or losses. The benefit to which a participant is allowed is limited to the vested balance in his account.

VESTING

Participants are immediately vested in their elective contributions and employer contributions, plus actual earnings thereon, and such amounts are nonforfeitable.

PARTICIPANTS NOTES RECEIVABLE

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balance. The total of all outstanding loans from all defined contribution plans sponsored by the Company or its affiliates may not exceed \$50,000 less the highest outstanding loan balance within the prior 12 months. Loan transactions are treated as a transfer from (to) the investment fund to (from) the loan fund. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate on the first business day of the month as published by The Wall Street Journal plus one percentage point. Interest rates range from 5.25% to 10.5% at December 31, 2002. Principal and interest is paid through bi-weekly payroll deductions.

2. DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service for any reason, a participant's account is generally distributed in a single lump-sum payment upon request. At the Plan sponsor's option, if the account balance is \$5,000 or less, the entire balance may be distributed.

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants remain fully vested in their accounts.

3. INVESTMENTS

During 2002, the Plan's investments (including investments purchased, sold, as well as held during the year) appreciated (depreciated) in fair value as determined by quoted market prices as follows:
