GENERAL INFORMATION

Persons Making the Solicitation

Proxies in the form enclosed are being solicited by the Board of Directors. The persons named in the accompanying proxy card have been designated as proxies by the Board. Such persons designated as proxies serve as officers of the Company.

Persons Entitled to Vote and Voting Procedures

The Board of Directors has set March 23, 2009 as the record date for the Annual General Meeting. If you were an owner of our common shares at the close of business on that date, you are entitled to notice of, and may vote at, the Annual General Meeting.

As of March 23, 2009, 84,804,844 common shares were issued and outstanding. The presence, in person or by proxy, of holders of more than 50% of the common shares outstanding and entitled to vote on the matters to be considered at the Annual General Meeting is required to constitute a quorum for the transaction of business at the Annual General Meeting. Holders of common shares are entitled to vote on each matter to be voted upon by the shareholders at the Annual General Meeting in accordance with the voting rights afforded under bye-laws 4 and 30 of the Company.

If you are entitled to vote at the Annual General Meeting, you may do so in person at the Annual General Meeting or by proxy without attending the meeting. To vote by proxy, you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope. If you receive more than one proxy card, sign and return each proxy card in order to ensure that all of your shares are voted.

If no instructions are provided in an executed proxy, it will be voted "FOR" each of the proposals, and, as to any other business as may properly come before the Annual General Meeting, in accordance with the proxyholder's judgment as to such business.

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the Annual General Meeting. Member brokerage firms of The New York Stock Exchange, Inc. that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for shareholder action, vote in their discretion upon all of the proposals. Any broker non-votes and abstentions will not be counted as shares present in connection with proposals with respect to which they are not voted.

The Board of Directors has not proposed for consideration at the Annual General Meeting any transaction for which the laws of Bermuda entitle shareholders to appraisal rights.

Solicitation and Revocation

In accordance with our bye-laws the nominees for election as directors at the Annual General Meeting who receive the highest number of "FOR" votes will be elected as directors. This is called plurality voting. All common shares represented by properly executed proxies that are returned and not revoked will be voted in accordance with the instructions, if any, given thereon. Unless you indicate otherwise on your proxy card, or if no instructions are given, the persons named as your proxies will vote your shares "FOR" all the nominees for director named in this Proxy

Statement. All other proposals require the affirmative “FOR” vote of a majority of those shares present at the meeting and entitled to vote on the proposal. A hand vote will be taken unless a poll is requested pursuant to the bye-laws. You may revoke your voted proxy at any time prior to the Annual General Meeting or vote in person if you attend.

The Company will bear the cost of this solicitation of proxies. Solicitation may be made by our directors, officers and employees personally, by telephone, internet or otherwise, but such persons will not be specifically compensated for such services. We may also make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the common shares. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual General Meeting to the beneficial owners of common shares which such persons hold of record.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We describe below the transactions we entered into with parties that are related to our Company during the year ended December 31, 2008. We believe that each of the transactions described below was on terms no less favorable to us than we could have obtained from unrelated parties.

Policies and Procedures for Related Party Transactions

The Company adopted a written Code of Conduct and Ethics on June 16, 2006 which specifies the Company's policy relating to conflicts of interest. The Code of Conduct and Ethics defines a "conflict of interest" as any situation in which the private interest of any director, board observer or employee of the Company interferes in any way (or even appears to interfere) with the interests of the Company as a whole. Under the Code of Conduct and Ethics, an individual who becomes aware of a potential conflict of interest must report this conflict to the Chairman of the Audit Committee for consideration by the Audit Committee. The Audit Committee will determine whether a conflict of interest exists on a case-by-case basis and will memorialize its determinations and the reasons behind such determinations. The Audit Committee will ensure that the directors voting on an issue are informed, disinterested and independent with respect to that issue. If the Audit Committee determines that a conflict of interest exists, then the director, board observer or employee shall not participate, directly or indirectly, in the matter or activity that has given rise to such conflict of interest unless expressly approved by the Audit Committee. The Audit Committee Charter requires the Audit Committee to review and discuss with management the reasonableness of the price, terms and conditions for all related party transactions. Each of the transactions described below has been reviewed by Audit Committee in accordance with this mandate.

In connection with the three closings of the private placement of our common shares in December 2005, January 2006 and February 2006, we issued a Warrant to Haverford to purchase 8,585,747 common shares of the Company (which equaled 12.0% of the issued share capital of the Company through the completion of the private placement in February 2006) at an exercise price of \$14.00 per share (subject to adjustment for share subdivisions, share dividends, stock splits and similar events). Our Executive Chairman, Mr. Byrne, and our Chief Executive Officer, Mr. Brown, control and may be deemed to have an interest in Haverford. See "Security Ownership of Certain Beneficial Owners, Management and Directors" below.

The Warrant was granted in recognition of the efforts of Mr. Byrne and Mr. Brown in creating the Company, assembling the resources and taking financial risk by covering all of the start-up costs in advance of the Company being funded by additional investors. In accordance with U.S. GAAP we have recognized the Warrant as a compensation expense.

The fair value of the Warrant when issued in December 2005 was \$12.2 million, and this amount was included as compensation expense for the period ended December 31, 2005. We amended the Warrant in connection with the additional closings of the private placement in February 2006 to increase the number of shares for which the Warrant is exercisable in proportion to the amount of additional capital raised in the private placement. The increase in the fair value of the Warrant as a result of this amendment was \$3.4 million, and this amount was included as a compensation expense for the year ended December 31, 2006.

At a meeting of the Board of Directors held on November 14, 2008, the Warrant was amended to change the exercise dates from December 1, 2010 to December 31, 2010, to December 1, 2013 to December 31, 2013, change the strike price to \$14.80 from \$14.00 and include a provision that amends the strike price for all dividends paid by the Company from the issuance of the Warrant to its exercise date. The increase in the fair value of the Warrant as a result of these amendments was \$3.6 million, and this amount was included as

compensation expense for the year ended December 31, 2008.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The named executive officers, Messrs. Byrne, Brown, Boisvert, Flitman, Prestia and O'Shaughnessy, are compensated according to the terms of their employment contracts, which are described below. The Compensation Committee of the Board of Directors has determined that these six officers are the "Named Executive Officers."

Our executive compensation programs are designed to encourage our executive officers to think and act like, and over time to themselves become, shareholders of the Company. We want our executive officers to take appropriate risks with our capital in order to generate returns for our shareholders but at the same time to share the downside risk if those risks cause poor performance or even loss. Through our performance management and rewards processes and programs, we endeavor to create an environment that fosters and rewards:

- finding and assuming attractively priced risk;
- managing our overall risk exposure to mitigate loss;
- ensuring we have optimal capital to run our business;
- working hard and cooperating with colleagues; and
- providing excellent service to clients and colleagues.

We foster an attitude of shared risk-taking between our executive officers and our shareholders by providing a significant portion of our executive officers' incentive compensation through equity-based awards. We emphasize "at risk" pay tied to performance as the majority of total compensation potential. We evaluate and reward our executive officers based on dynamic factors such as whether they are willing and able to challenge existing processes, adapt to sudden or frequent changes in priorities and capitalize on "windows of opportunity."

Our Compensation Committee reviews and approves all of our compensation policies.

Executive Compensation Policy

Overview

The Company's performance-driven compensation policy consists of the following three components:

base salary (and, in some cases, housing allowance or mortgage subsidy);

annual cash bonuses; and

long-term incentive awards (in the form of Performance Share Units or "PSUs").

We use short-term compensation (base salaries and annual cash bonuses) and long-term compensation (PSUs) to achieve our goal of driving long-term growth in diluted book value per share. The long-term compensation element, the PSUs, are designed to emphasize the performance measures our executive officers need to address in order to deliver shareholder value. The PSUs awarded to our Named Executive Officers (other than our Executive Chairman, who does not participate in the Amended and Restated Performance Share Unit Plan (the "PSU Plan")) vest over three years (except for the special 2009-2010 series discussed below). PSUs issued prior to December, 2008 may have converted into a quantity of shares ranging from zero to two based upon the Company's achievement of diluted return on equity goals over the three-year period. The factor with respect to the PSUs granted in December 2008 and January 2009 range between 0.5 and 1.5, depending on the diluted return on equity goals achieved during the vesting period. In the future, the Company may award to Named Executive Officers PSUs which have a different index with a portion of the award tied more closely to the performance of a specific business unit for which a Named Executive Officer is responsible. However, a portion would also remain tied to the Company's achieving diluted return on equity goals. The Compensation Committee of the Board of Directors of the Company reviews its assumptions in relation to the PSUs on a quarterly basis. During 2008, the Company issued PSUs of the 2006-2008, and 2007-2009, and 2008-2010 series. At a meeting of the Compensation Committee of the Board of Directors on November 13, 2008 the members of the Compensation Committee voted to cancel the PSUs previously granted to the Named Executive Officers in light of the Company's then current diluted return on equity estimates, subject to receiving such Named Executive Officer's consent. On December 8, 2008, the Named Executive Officers each consented to this cancellation and all PSUs previously granted in 2006, 2007 and 2008 were cancelled. In lieu of this cancellation, two special series, 2009-2010 and 2009-2011, were issued as replacement PSUs to those employees who were holders of the cancelled series. The diluted return on equity goals in respect of the previous 2006-2008, 2007-2009 and 2008-2010 series are different from those issued for the 2009-2010 and 2009-2011 special series. See " Long-Term Incentive Awards" below. The Company may also issue in the future PSUs whose diluted return on equity goals are different from those issued for the 2009-2010 and 2009-2011 series.

We carefully determine the percentage mix of compensation structures we think is appropriate for each of our Named Executive Officers. This is not a mechanical process, and we use our judgment and experience and work with our Named Executive Officers to determine the appropriate mix of compensation for each individual. The number of PSUs each Named Executive Officer (other than our Executive Chairman) receives is based on the expectations we have for the individual and, over time, on their performance against those expectations. The mix of short-term and long-term compensation may sometimes be adjusted to reflect an individual's need for current cash compensation. While we expect all Named Executive Officers to receive the majority of their compensation in PSUs, family size or geographical location could mean an executive officer needs a larger and more predictable amount of current cash compensation than a peer. In such circumstances, instead of issuing PSUs the Company typically pays cash compensation equal to approximately one-third to two-thirds of the product of the number of PSUs foregone and the fair value per share of the Company's common shares at the time of the grant. This practice is designed to reward the

executive officer for shared risk-taking.

During fiscal 2008, none of the Named Executive Officers participated in the Amended and Restated Flagstone Reinsurance Holdings Limited Restricted Share Unit Plan (the “RSU Plan”).

Base salary typically will constitute a minority portion of the total compensation of our Named Executive Officers. We set salary to provide adequate cash compensation to support a reasonable standard of living, so that our Named Executive Officers are prepared to have “at risk” the portion of their compensation received in PSUs. We anticipate that if the Company meets its diluted return on equity goals the Named Executive Officers will receive significantly more long-term value (in some cases a multiple) from their PSUs than from their annual cash bonuses.

Base salary

Base salary is used to recognize particularly the experience, skills, knowledge and responsibilities required of the executive officers in their roles. When establishing the 2008 base salaries of the Named Executive Officers, the Compensation Committee and management considered a number of factors, including the seniority of the individual, the functional role of the individual’s position, the level of the individual’s responsibility, the ability to replace the individual, the base salary of the individual at his prior employment and the limited number of well-qualified candidates available in Bermuda and Switzerland. For purposes of determining competitive compensation levels for our Named Executive Officers in Bermuda, we subscribed to the PricewaterhouseCoopers Bermuda International Compensation Survey in 2008, an independent local market annual survey. In addition, we informally consider competitive market practices with respect to the salaries of our Named Executive Officers. We speak with recruitment agencies and review annual reports on Form 10-K, proxy statements or similar information of other Bermuda and Swiss reinsurance companies with market capitalizations greater than \$500.0 million and less than \$3.0 billion, in particular Aspen Insurance Holdings Ltd., Endurance Specialty Holdings Ltd., Allied World Assurance Company Holdings, Ltd, Montpelier Re Holdings Ltd. and Platinum Underwriters Holding Ltd. We do not use compensation consultants at this time, however, in the future we may seek such advice.

Table of Contents

The salaries of the Named Executive Officers are reviewed on an annual basis, as well as at the time of promotion or other changes in responsibilities. The leading factor in determining increases in salary level is the employment market in Bermuda and, solely in respect of Mr. Boisvert, Switzerland for senior executives of insurance and reinsurance companies. We expect the salaries of our Named Executive Officers to stay relatively constant, increasing when the insurance and reinsurance market moves or when an executive officer assumes a larger role within the Company.

Annual cash bonuses

Annual cash bonuses are intended to reward individual performance during the year and can therefore be highly variable from year to year. These bonuses are determined on a discretionary basis. Our Executive Chairman and our Chief Executive Officer agree with each of the other executive officers upon short-term and long-term goals as part of an evaluation process, and then subsequently rate each executive officer in writing against those goals before deciding the bonus. Such goals include but are not limited to finding and assuming attractively-priced risk; managing our overall risk exposure to mitigate loss; ensuring we have optimal capital to run our business; working hard and cooperating with colleagues; and providing excellent service to clients and colleagues. In the case of the Chief Executive Officer, these goals are established by the Compensation Committee in consultation with the Executive Chairman, and in the case of the Executive Chairman, these goals are established by the Compensation Committee. The Named Executive Officer's performance of non-goal specific items is also taken into account in determining the Named Executive Officer's bonus. Awards for the subject year are based on the financial statements for that year, and are based on an assessment of each Named Executive Officer's achievement of the established goals and non-goal specific items. This range is based on the seniority of the position and our view of the degree to which the Named Executive Officer's performance could affect the Company's overall results. The employment agreements for Messrs. Byrne and Brown do not limit the amount of their annual bonuses. The bonus allocation to executive officers, other than Named Executive Officers, are set by the Executive Chairman in consultation with the Chief Executive Officer and approved by the Compensation Committee. Messrs. Byrne and Brown play no role in setting their own bonuses. Instead, the bonuses for each of them are set and approved independently by the Compensation Committee. Bonuses for the Named Executive Officers are accrued quarterly in the consolidated financial statements and are updated based on the amounts approved by the Compensation Committee.

The Compensation Committee approves the bonus of all Named Executive Officers. Bonuses for all Named Executive Officers were paid in the first quarter of 2009.

Long-Term Incentive Awards

PSUs. The Company has adopted the PSU Plan to provide PSUs as incentive compensation to certain key employees (including the Named Executive Officers) of the Company. Our Executive Chairman does not participate in the PSU Plan but is responsible for recommending grants under the PSU Plan to the Compensation Committee.

The PSUs are designed to align management's performance objectives with the interests of our shareholders. We believe that PSUs (which are based on diluted return on equity) align the compensation of our Named Executive Officers more closely to shareholder value than other alternatives such as options (which place 100% weight on growth in market value). The Compensation Committee has exclusive authority to select the persons to be awarded PSUs. At the time of each award, the Compensation Committee determines the terms of the award, including the performance period (or periods) and the performance objectives relating to the award.

Following the final performance period of a PSU, the Compensation Committee determines whether the performance objectives were met in whole or in part, and the payment due on the PSU as a result. The Compensation Committee has no discretion to change the growth in diluted return on equity goals for PSUs which have already been granted.

The PSU grants made entitle the recipient to receive the number of common shares of the Company (or cash equivalent or combination of cash and common shares) equal to the product of the number of PSUs granted times a “multiplier”. The applicable multiplier for each series of PSUs is determined as follows:

- (i) Cancelled PSU grants, see “– Executive Compensation Policy – Overview” above, are as follows:

Table of Contents

2006-2008 (all series): The multiplier is determined based on the geometric average return on equity of the Company during the fiscal years 2006-2008 measured in accordance with accounting principles generally accepted in the U.S. (“U.S. GAAP”) on a fully diluted basis. The multiplier is 100% if return on equity is 17%, 200% if return on equity is 27% or greater, and 0% if return on equity is 7% or less. The multiplier scales ratably between return on equity endpoints of 7% and 27%.

2007-2009 (all series): The multiplier is determined based on the arithmetic average return on equity of the Company during the fiscal years 2007-2009 measured in accordance with U.S. GAAP on a fully diluted basis. The multiplier is 100% if return on equity is 16%, 200% if return on equity is 26% or greater, and 0% if return on equity is 8% or less. The multiplier scales ratably between a return on equity endpoint of 8% and a midpoint of 16%, and between a return on equity midpoint of 16% and an endpoint of 26%.

2008-2010 (Series A): The multiplier is determined based on the geometric average return on equity of the Company during the fiscal years 2008-2010 measured in accordance with U.S. GAAP on a fully diluted basis. The multiplier is 100% if return on equity is 16%, 200% if return on equity is 26% or greater, and 0% if return on equity is 8% or less. The multiplier scales ratably between a return on equity endpoint of 8% and a midpoint of 16%, and between a return on equity midpoint of 16% and an endpoint of 26%.

2008-2010 (Series B): The multiplier is determined based on the geometric average return on equity of the Company during the fiscal years 2008-2010 measured in accordance with U.S. GAAP on a fully diluted basis. The multiplier is 100% if return on equity is 17%, 200% if return on equity is 24% or greater, and 0% if return on equity is 10% or less. The multiplier scales ratably between return on equity endpoints of 10% and 24%.

(ii) Current PSU grants, see “– Executive Compensation Policy – Overview” above, are as follows:

- 2009-2011 (Series A, B, C and D): The multiplier is determined based on the arithmetic average return on equity of the Company during the fiscal years 2009-2011 measured in accordance with U.S. GAAP on a fully diluted basis. The multiplier is 100% if return on equity is 13.5%, 150% if return on equity is 18.5% or greater, and 50% if return on equity is 8.5% or less. The multiplier scales ratably between return on equity endpoints of 8.5% and 18.5%.
- 2009-2010 (Special Series F): The multiplier is determined based on the arithmetic average return on equity of the Company during the fiscal years 2009 and 2010 measured in accordance with U.S. GAAP on a fully diluted basis. The multiplier is 100% if return on equity is 13.5%, 150% if return on equity is 18.5% or greater, and 50% if return on equity is 8.5% or less. The multiplier scales ratably between return on equity endpoints of 8.5% and 18.5%.

In the future, the Company may award to Named Executive Officers PSUs which have a different index with a portion of the award tied more closely to the performance of a specific business unit for which a Named Executive Officer is responsible. However, a portion would also remain tied to the Company achieving its diluted return on equity goals.

The Company has no policy to recover payments if the relevant performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of a payment. With the exception of the special 2009-2010 series which vest in two years, the PSUs vest over a period of three years. To enhance retention, PSUs generally will be cancelled without value by the Company if the participant’s continuous employment terminates prior to the end of the performance period.

Settlement of a PSU may be made in cash or by issuance of common shares or a combination of both, at the discretion of the Compensation Committee. The Company expects generally to settle the PSUs in common shares. As of April 14, 2009, the maximum number of common shares that may be issued under the PSU Plan is 11,200,000 common shares, subject to adjustment for share subdivisions, share dividends, stock splits and similar events. Our long-term expectation is that PSU grants equal in number to approximately 1% of outstanding common shares will be made each year. Thus, an increase in the maximum number of common shares that may be issued under the PSU Plan will need to be authorized in due course.

We generally grant PSU awards annually, prior to the commencement of the performance period they track. In the case of new hires, we generally award PSUs that have a performance period commencing at the beginning of the year of hire.

Warrant. In connection with the three closings of the private placement of our common shares in December 2005, January 2006 and February 2006, we issued a Warrant to Haverford to purchase 8,585,747 common shares of the Company (which equaled 12.0% of the issued share capital of the Company through the completion of the private placement in February 2006) at an exercise price of \$14.00 per share (subject to adjustment for share subdivisions, share dividends, stock splits and similar events). Our Executive Chairman, Mr. Byrne, and our Chief Executive Officer, Mr. Brown, control and may be deemed to have an interest in Haverford. See “Security Ownership of Certain Beneficial Owners, Management and Directors” below.

Table of Contents

The Warrant was granted in recognition of the efforts of Mr. Byrne and Mr. Brown in creating the Company, assembling the resources and taking financial risk by covering all of the start-up costs in advance of the Company being funded by additional investors. In accordance with U.S. GAAP we have recognized the Warrant as a compensation expense.

The fair value of the Warrant when issued in December 2005 was \$12.2 million, and this amount was included as compensation expense for the period ended December 31, 2005. We amended the Warrant in connection with the additional closings of the private placement in February 2006 to increase the number of shares for which the Warrant is exercisable in proportion to the amount of additional capital raised in the private placement. The increase in the fair value of the Warrant as a result of this amendment was \$3.4 million, and this amount was included as a compensation expense for the year ended December 31, 2006.

At a meeting of the Board of Directors held on November 14, 2008, the Warrant was amended to change the exercise date from December 1, 2010 to December 31, 2010, to December 1, 2013 to December 31, 2013, change the strike price to \$14.80 from \$14.00 and include a provision that amends the strike price for all dividends paid by the company from the issuance of the Warrant to its exercise date. The increase in the fair value of the Warrant as a result of these amendments was \$3.6 million, and this amount was included as compensation expense for the year ended December 31, 2008. The Company does not expect to further amend the Warrant.

The Company does not currently intend to grant any options or additional awards to purchase common shares of the Company.

Competitive Market Review

We consider competitive market practices with respect to the salaries and total compensation of our Named Executive Officers. For purposes of determining competitive compensation levels for our Named Executive Officers in Bermuda, we subscribed to the PricewaterhouseCoopers Bermuda International Compensation Survey in 2008, an independent local market annual survey. We review the market practices by speaking to recruitment agencies and reviewing annual reports on Form 10-K, proxy statements or similar information of other Bermuda and Swiss reinsurance companies with market capitalizations greater than \$500.0 million and less than \$3.0 billion, in particular Aspen Insurance Holdings Ltd., Endurance Specialty Holdings Ltd., Allied World Assurance Company Holdings, Ltd, Montpelier Re Holdings Ltd. and Platinum Underwriters Holding Ltd. We do not use compensation consultants at this time, however, in the future we may seek such advice.

Common Share Ownership Requirements

The Company seeks to weight its compensation scheme to ownership of our common shares. The Company believes that broad-based stock ownership by its employees (including the Named Executive Officers) enhances its ability to deliver superior shareholder returns by increasing the alignment between the interests of our employees and our shareholders. The goal of the PSU program is to engage all of our Named Executive Officers as partners in the Company's success and help the Company realize the maximum gain from its strategy. The Company does not have a formal requirement for share ownership by any group of employees.

Change in Control and Severance

Upon termination of employment, the Named Executive Officers may receive payments under the Company's PSU Plan and severance payments under their employment agreements.

PSUs. The PSU Plan has a “double trigger”: PSUs held by any participant may settle in full if: (i) the Company undergoes a transaction that is deemed to be a change of control and (ii) the participant is terminated, constructively terminated or the PSU Plan is changed adversely. If the change of control is “hostile,” meaning that it is opposed by our Executive Chairman and our Chief Executive Officer, all PSUs held by a participant will become fully payable in shares or cash, or a mixture of both, at the discretion of the Compensation Committee immediately upon any termination of the employment of the participant by the Company. If the double trigger occurs, the Named Executive Officer may receive all or a portion of the maximum award under the PSU Plan.

We believe this double trigger requirement maximizes shareholder value because it prevents an unintended windfall to management in the event of a friendly (non-hostile) change in control. Under this structure, unvested PSUs would continue to incentivize the Named Executive Officers to remain with the Company after the friendly change in control.

If, by contrast, the PSU plan had only a “single trigger,” and a friendly change of control occurred, management’s PSUs would all vest immediately creating a windfall, and the new owner would then likely find it necessary to replace the compensation with fresh unvested compensation in order to retain management. This is why we believe a “double-trigger” is more shareholder-friendly, and thus more appropriate, than a single trigger.

Table of Contents

Severance. The Named Executive Officers' employment agreements entitle each officer to compensation if such officer's employment is terminated without cause. Severance payments include a cash payment equal to one year's annual salary and a bonus calculated by averaging the sum of the most recent three bonuses paid to the Named Executive Officer. In the event a Named Executive Officer has been employed with the Company for fewer than three years and is terminated without cause, the bonus will be calculated by averaging the sum of such lesser number of bonuses paid to the Named Executive Officer.

David Brown's employment agreement provides that, in the event he is terminated without cause, Mr. Brown generally shall be entitled to a lump sum cash payment of the greater of: (i) one year's annual salary and a bonus calculated by averaging the sum of the three most recent bonuses paid to him (or such lesser number of bonuses if fewer than three bonuses have been paid since the commencement of his employment agreement), or (ii) the cash value mark-to-market per the Company's books and records for the most recently ended quarter of the PSUs he lost due to termination, pro-rated for the portion of the performance period served under the PSUs. However, if he is terminated without cause following a change of control of the Company, Mr. Brown will be entitled to a cash payment equal to one year's annual salary and a bonus calculated by averaging the sum of the three most recent bonuses (or such lesser number of bonuses if fewer than three bonuses have been paid since the commencement of his employment agreement) paid to him.

Severance payments for each Named Executive Officer under his employment agreement are in addition to the Company's obligation to pay such officer's salary during the requisite notice period. The severance payments are in addition to each Named Executive Officer's rights to payment under the PSU Plan discussed above.

Each employment agreement includes a covenant by the Named Executive Officer not to solicit employees of the Company during a period following notice of termination, and, except for a termination of Mr. Brown without cause following a change of control of the Company, provides for these severance payments in a lump sum only after the officer shall have complied with such non-solicitation requirement (in the reasonable judgment of the Company). In the case of Messrs. Byrne and Brown, that period is 730 days. In the case of the other Named Executive Officers, that period is 545 days.

The level of severance payments determined as follows: prior to the commencement of our IPO process the level of severance payments was determined as follows: (i) all executive officer contracts were terminable by either party upon 90 days' notice; (ii) there were no restrictions on the executive officer, following the termination of his employment with the Company, from soliciting employees of the Company; (iii) and there were no severance payments other than payment of salary during the notice period. It was determined by the Compensation Committee, in conjunction with our advisors in the IPO process, that these provisions were generally less protective of the Company's interest than the provisions adopted by comparable public firms. It was thus decided, in conjunction with the relevant executive officers, to amend the employment agreements in two ways beneficial to the Company (longer notice and the addition of non-solicitation provisions) and two ways beneficial to the employee (severance arrangements and use of the Company's aircraft at marginal cost). It was considered by the Compensation Committee that, given the lengthy notice period to which the Named Executive Officers are now committed, a decision to resign would effectively freeze such executive officer's career for at least a year. Thus the payment of one year's pay, in the event the Company decided to terminate the Named Executive Officer without cause, was considered roughly proportionate.

Mr. Brown's severance provisions are more generous than those of the other Named Executive Officers and reflect the high opportunity costs he would bear if the Company decided to change its Chief Executive Officer.

Role of Executive Officers in Executive Compensation

The Compensation Committee approves the final determination of compensation for Messrs. Boisvert, Flitman, Prestia and O'Shaughnessy acting on the recommendation of our Executive Chairman, Mr. Byrne, with advice from our Chief Executive Officer, Mr. Brown. The Compensation Committee determines the compensation (excluding the annual bonus) of Mr. Brown acting with advice from Mr. Byrne. The Compensation Committee determines the compensation (excluding the annual bonus) of Mr. Byrne acting with advice from Mr. Brown. Messrs. Brown and Byrne do not play a role in determining their own bonuses. Instead, the bonuses for each of them are set independently by the Compensation Committee. Our Executive Chairman does not receive PSUs but is responsible for recommending grants under the PSU Plan to the Compensation Committee.

Conclusion

The Company's compensation policies are designed to retain and motivate our senior executive officers, align their performance objectives with the interests of our shareholders and ultimately reward them for outstanding performance.

- (1) The amounts shown in this column are bonuses paid in fiscal year 2008 and reflecting performance in fiscal year 2007, and bonuses paid in fiscal year 2009 reflecting performance in fiscal year 2008.
- (2) The amounts shown in this column are based on the dollar amount recognized for financial statement reporting purposes for the 2008 fiscal year in accordance with SFAS No. 123(R), "Share-Based Payments" ("SFAS 123(R)"). All share awards are expensed ratably over the vesting period and thus the amounts shown reflect the portion of stock awards granted in the 2006, 2007 and 2008 fiscal years. At a meeting of the Compensation Committee of the Board of Directors on November 13, 2008, the members of the Compensation Committee voted to cancel the PSUs previously granted to the Named Executive Officers in light of the Company's then current diluted return on equity estimates, subject to receiving such executive officer's consent. On December 8, 2008, the executive officers each consented to this cancellation and the PSUs previously granted in 2006, 2007 and January 2008 were cancelled. In lieu of this cancellation, two special series, 2009-2010 and 2009-2011, were issued as replacement PSUs to those employees who were holders of the cancelled series. The value of the stock awards noted above reflects the reversal of the expense previously recognized for the prior fiscal years in relation to the cancelled awards pursuant to SFAS No. 123(R), and takes into account the replacement PSUs from December 8, 2008 through December 31, 2008.
- (3) The amounts shown in this column are based on the dollar amount recognized for financial statement reporting purposes for the 2008 fiscal year in accordance with SFAS 123(R). The amounts shown in this column represent the respective interests of Mr. Byrne and Mr. Brown in the fair value of the amendment to the Warrant during 2008, based upon their respective contributions to the capital of Haverford.
- (4) The amounts shown in this column represent housing allowances, school subsidies and mortgage subsidies provided to the Named Executive Officers. During 2008, on flights of Company aircraft, the Company allowed employees and their family members to occupy seats that otherwise would have been vacant. This benefit had no incremental cost to the Company as each Named Executive Officer reimbursed the marginal cost to the Company for any such personal use.
- (5) Mr. Boisvert received his salary and a portion of his housing allowance in U.S. dollars from January 1, 2008 until June 30, 2008. Mr. Boisvert then received his salary and a portion of his housing allowance in Swiss francs beginning July 1, 2008. The Swiss franc amounts were converted in U.S. dollars at an average foreign exchange rate for the period of \$0.89871. Prior to his relocation to Switzerland in July 2008, Mr. Boisvert was paid a bonus of \$120,000 relating to his performance up to that date for fiscal year 2008.

Grants of Plan-Based Awards

The Compensation Committee makes awards to all of our Named Executive Officers, except our Executive Chairman. Our Executive Chairman does not participate in the PSU Plan because he contributed the significant majority of capital to Haverford and we therefore consider him to have sufficient indirect interest in the value of the Company's equity, and because this allows him to participate meaningfully in the allocation of PSU grants to others without conflict of interest.

At a meeting of the Compensation Committee of the Board of Directors on November 13, 2008, the members of the Compensation Committee voted to cancel the PSUs previously granted to the Named Executive Officers in light of the Company's then current diluted return on equity estimates, subject to receiving such executive officer's consent. On December 8, 2008, the executive officers each consented to this cancellation and the PSUs previously granted in 2006, 2007 and January 2008 were cancelled. In lieu of this cancellation, two special series, 2009-2010 and 2009-2011, were issued as replacement PSUs to those employees who were holders of the cancelled series. On January 1, 2009 the Compensation Committee awarded PSUs for the 2009-2011 performance period. Under the non-discretionary formula set forth in the PSUs, upon vesting, the executive officers holding PSUs shall be entitled to receive a number of common shares of the Company (or the cash equivalent, or a combination of both, in each case at the election of the Compensation Committee) equal to the product of the number of PSUs granted multiplied by a factor. The factor will range between 0.5 and 1.5, depending on the diluted return on equity achieved during the vesting period. The PSUs vest over a period of approximately three years. If the diluted return on equity goals are not met, no compensation cost is recognized.

To enhance retention, if the participant's continuous employment terminates prior to the end of the performance period, PSU grants generally will be cancelled without value by the Company at the end of the next performance period.

In the event of a hostile takeover termination, the Compensation Committee would have the option to pay the maximum award due to the participant in either cash or by the issuance of common shares in the cash value of the common shares based on market value rather than net asset value as of the date of the hostile takeover termination. Under the PSU Plan, a hostile takeover termination would occur if an employee is terminated or there is an adverse change in the PSU Plan, following a change in control of the Company that was opposed by the Executive Chairman and the Chief Executive Officer.

(1) There is no minimum, or “threshold,” number of common shares of the Company payable under a PSU Plan award. “Target” means the number of common shares issuable if the performance objectives of the award were met in full (factor of one), and “maximum” means maximum number of shares issuable under the award (factor of 2 with respect to PSUs issued prior to December 8, 2008 and factor of 1.5 in respect of PSUs issued on December 8, 2008).

(2) At a meeting of the Compensation Committee of the Board of Directors on November 13, 2008, the members of the Compensation Committee voted to cancel the PSUs previously granted to the Named Executive Officers in light of the Company's then current diluted return on equity estimates, subject to receiving such executive officer's

consent. On December 8, 2008, the executive officers each consented to this cancellation and the PSUs previously granted in 2006, 2007 and January 2008 were cancelled. The issuance of shares with respect to the PSUs is contingent upon the attainment of certain levels of average diluted return on equity over a three year period. Considering the net loss incurred in the nine months ended September 30, 2008, the Company reviewed its diluted return on equity estimates for the applicable performance periods and accordingly revised the number of PSUs expected to vest. The impact of this revision was that the PSU's issued on January 1, 2008 were valued at Nil.

- (3) The amounts shown in this column are based on the fair value at time of grant of the PSUs. It assumes the performance objectives of the PSU grant were met in full (factor of one). The ultimate value of the PSUs is highly dependent on the Company's diluted return on equity. See " Long Term Incentive Awards." The value of the stock awards noted above reflects the reversal of prior fiscal years' income on the cancelled awards and the income on the replacement PSUs from December 8, 2008 through December 31, 2008.

Compensation Mix

We use short-term compensation (base salaries and annual cash bonuses) and long-term compensation (PSUs) to achieve our goal of driving long-term growth in book value per share. The long-term compensation element (the PSUs) are designed to emphasize the performance measures executive officers need to address in order to deliver shareholder value.

The cumulative number of outstanding PSUs granted to each of the Named Executive Officers as at December 31, 2008 was as follows: (i) Mr. Byrne (none); (ii) Mr. Brown 547,587; (iii) Mr. Boisvert 89,735; (iv) Mr. Flitman 169,551; (v) Mr. Prestia 188,390; and (vi) Mr. O'Shaughnessy 97,962.

The cumulative number of outstanding PSUs granted to each of the Named Executive Officers as at January 1, 2009 was as follows: (i) Mr. Byrne (none); (ii) Mr. Brown 722,587; (iii) Mr. Boisvert 139,735; (iv) Mr. Flitman 244,551; (v) Mr. Prestia 263,390; and (vi) Mr. O'Shaughnessy 109,962.

The amount of annual base salary for each of the Named Executive Officers in fiscal 2008 was as follows: (i) Mr. Byrne \$650,000; (ii) Mr. Brown \$650,000; (iv) Mr. Boisvert \$246,336; (iv) Mr. Flitman \$500,000; (v) Mr. Prestia \$520,000; and (vi) Mr. O'Shaughnessy \$330,000.

For the Named Executive Officers, no PSUs vested during 2008. The Compensation Committee of the Board of Directors of the Company reviews its assumptions in relation to the PSUs on a quarterly basis. At a meeting of the Compensation Committee of the Board of Directors on November 13, 2008, the members of the Compensation Committee voted to cancel the PSUs previously granted to the Named Executive Officers in light of the Company's then current diluted return on equity estimates, subject to receiving such executive officer's consent. On December 8, 2008, the executive officers each consented to this cancellation and the PSUs previously granted in 2006, 2007 and January 2008 were cancelled.

Base salary typically will constitute a minority portion of the total compensation of our Named Executive Officers. We set salary to provide adequate cash compensation to support a reasonable standard of living, so that our Named Executive Officers are prepared to have "at risk" the portion of their compensation received in PSUs. We anticipate that if the Company meets its diluted return on equity goals the Named Executive Officers will receive significantly more long-term value (in some cases a multiple) from their PSUs than from their annual cash bonuses, the other form of incentive compensation.

We maintain a defined contribution pension plan in accordance with the National Pension Scheme (Occupational Pensions Act) 1998, as amended, for the benefit of employees that are Bermudians or spouses of Bermudians.

We maintain a defined contribution pension plan in accordance with the Occupational Pensions Act in Switzerland for the benefit of employees that are resident in Switzerland.

The named executive officers do not participate in any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified, except for those contributions to the Swiss social pension plan, or l'Assurance-Vieillesse et Survivant.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of four non-executive directors, Messrs. Gross, James, Knap and Thorn, and Mr. James serves as Chairman. No member has ever been an officer or employee of the Company

or of any of its subsidiaries. As discussed above under “Certain Relationships and Related Transactions,” E. Daniel James, who is a director of the Company, is also a senior manager of the Merchant Banking Group and a managing director of Lehman Brothers Inc. LB I, an affiliate of Lehman Brothers Inc., has invested \$50.0 million in Mont Fort Re Ltd. (“Mont Fort”) in respect of its segregated account “ILW” (“Mont Fort ILW”) and owns 50.0 million, or 90.9%, of the Mont Fort ILW preferred shares. LB I invested \$55.0 million in Mont Fort Re Ltd. in respect of its segregated account “ILW 2” (“Mont Fort ILW2”) and which owned 55.0 million, or 100.0%, of the Mont Fort ILW 2 preferred shares. In August 2007, LBI transferred 5,000,000 preferred shares in Mont Fort ILW2 to its affiliate, Lehman Brothers PEP Investments L.P. (“Lehman PEP”). In March 2008, at the request of Lehman PEP, Mont Fort redeemed the 5,000,000 preferred shares held by Lehman PEP. We own all of the common shares of Mont Fort and have 100% control of its board of directors.

Potential Payments Upon Termination or Change-in-Control

The following summarizes potential payments payable to our Named Executive Officers upon termination of their employment or a change in control of the Company under their current employment agreements and our PSU Plan.

Employment Agreements

The employment agreement of each Named Executive Officer entitles him to a severance payment if the Company terminates his employment without cause.

As used in these employment agreements, “cause” means:

a material breach by the Named Executive Officer of any contract between such executive officer and the Company;

the willful and continued failure or refusal by such executive officer to perform any duties reasonably required by the Company, after notification by the Company of such failure or refusal, and failing to correct such behavior within 20 days of such notification;

commission by the executive officer of a criminal offence or other offence of moral turpitude;

perpetration by the executive officer of a dishonest act or common law fraud against the Company or a client thereof; or

the Named Executive Officer’s willful engagement in misconduct which is materially injurious to the Company, including without limitation the disclosure of any trade secrets, financial models, or computer software to persons outside the Company without the consent of the Company.

The employment agreement of Mr. Byrne provides for cash payment equal to one year’s annual salary and a bonus calculated by averaging the sum of the most recent three bonuses paid to the Named Executive Officer. In the event that Mr. Byrne has been employed with the Company for fewer than three years and is terminated without cause, the bonus will be calculated by averaging the sum of such lesser number of bonuses paid to Mr. Byrne. The amounts the Company would pay to Mr. Byrne under this provision for a termination as of December 31, 2008 would be \$1,233,333.

David Brown’s employment agreement provides that, in the event Mr. Brown is terminated without cause, Mr. Brown generally shall be entitled to a lump sum cash payment of the greater of: (i) one year’s annual salary and a bonus calculated by averaging the sum of the three most recent bonuses (or such lesser number of bonuses if fewer than three bonuses have been paid since the commencement of his employment agreement) paid to him, or (ii) the cash value determined on a mark-to-market basis per the Company’s books and records for the most recently ended quarter, of the PSUs he lost due to termination, pro-rated for the portion of the performance period served under the PSUs. Under this provision, for a termination as of December 31, 2008, the Company would be obligated to pay \$1,233,333 to Mr. Brown.

If the Company terminates Mr. Brown's employment without cause following a change of control of the Company, the Company will be obligated immediately to pay Mr. Brown a lump sum cash payment equal to one year's annual salary and a bonus calculated by averaging the sum of three most recent bonuses (or such lesser number of bonuses if fewer than three bonuses have been paid since the commencement of his employment agreement) paid to him. Under this provision, for a termination as of December 31, 2008, the Company would be obligated to pay \$1,300,000 to Mr. Brown.

Prior to the commencement of our IPO process the level of severance payments was determined as follows: (i) all executive officer contracts were terminable by either party upon 90 days' notice; (ii) there were no restrictions on the executive officer, following the termination of his employment with the Company, from soliciting employees of the Company; (iii) and there were no severance payments other than payment of salary during the notice period. It was determined by the Compensation Committee, in conjunction with our advisors in the public offering process, that these provisions were generally less protective of the Company's interest than those provisions at comparable public firms. It was thus decided, in conjunction with Messrs. Byrne and Brown, to amend the employment agreements in two ways beneficial to the Company (longer notice and the addition of non-solicitation provisions) and two ways beneficial to the employee (severance arrangements and use of the Company's aircraft at marginal cost). It was considered by the Compensation Committee that, given the lengthy notice period to which the executive officers are now committed, a decision to resign would effectively freeze such an executive officer's career for at least a year. Thus the payment of one year's pay, in the event the Company decided to terminate the executive officer without cause, was considered roughly proportionate.

Table of Contents

Mr. Brown's severance provisions are slightly more generous than those of the other Named Executive Officers and reflect the high opportunity costs he would bear if the Company decided to change its Chief Executive Officer.

Severance payments for each Named Executive Officer under his employment agreement are in addition to the Company's obligation to pay such Named Executive Officer's salary during the requisite notice period, and are in addition to the Company's obligations under the PSU Plan.

Each employment agreement includes a covenant by the Named Executive Officer not to solicit employees of the Company during a period following notice of termination, and, except for a termination of Mr. Brown without cause following a change of control of the Company, provides for these severance payments in a lump sum only after the officer shall have complied with such non-solicitation requirement (in the reasonable judgment of the Company). In the case of Messrs. Byrne and Brown, that period is 730 days. In the case of the other Named Executive Officers, that period is 545 days.

PSU Plan

Within 24 months following a change of control, and prior to the end of the performance period, the PSU Plan provides for payment in the event of a termination without cause, constructive termination or adverse change in the plan. As used in the PSU Plan:

A "change of control" means any person or group, other than the initial subscribers of the Company, becomes the beneficial owner of 50% or more of the Company's then outstanding shares, or the business of the Company for which the participant's services are principally performed is disposed of by the Company pursuant to a sale or other disposition of all or substantially all of the business or business related assets of the Company (including shares of a subsidiary of the Company).

"Cause" has the meaning set forth above under "—Employment Agreements."

A participant who terminates employment at his own initiative may, by prior written notice to the Company, declare the termination to be a "constructive termination" if it follows (a) a material decrease in his salary or (b) a material diminution in the authority, duties or responsibilities of his position with the result that the participant makes a determination in good faith that he cannot continue to carry out his job in substantially the same manner as it was intended to be carried out immediately before such diminution. The Company has 30 days to cure the circumstances that would constitute a constructive termination.

An "adverse change in the plan" principally includes a termination of the plan, an amendment that materially diminishes the value of PSU grants, or a material diminution of the rights of the holder of the PSU.

In these circumstances, if the Compensation Committee shall have determined, prior to the change in control and based on the most recent performance status reports, that the performance objectives for the particular grant were being met at the date of the determination, the participant shall receive the maximum award for those PSUs, which is a number of common shares equal to 1.5 times the number of his PSUs. If the Compensation Committee shall have determined that the performance objectives were not being met, the participant shall receive a portion of the maximum award to be determined by the Compensation Committee at its discretion, but not less than the pro-rated portion of the maximum award based on the number of full months which have elapsed since the date of the PSU grant plus half of the difference between that amount and the maximum award. For all PSU awards to date, the sole performance objective has been stated as a target diluted return on equity of the Company.

If the change of control is “hostile,” meaning that it was opposed by our Executive Chairman and our Chief Executive Officer, immediately upon any termination of the employment of the participant by the Company, each participant shall be entitled to receive common shares equal to two times the number of his unvested PSUs or, in the discretion of the Company, the cash value of those shares based on the market price per share at the date of termination.

The number of common shares issuable under these provisions for a termination event as of December 31, 2008 would be 821,381 shares to Mr. Brown, 134,603 shares to Mr. Boisvert, 254,327 shares to Mr. Flitman, 282,585 shares to Mr. Prestia, and 146,943 shares to Mr. O’Shaughnessy. Based on the price per common share of \$9.77 at December 31, 2008, the value of those shares would be \$8,024,887, \$1,315,066, \$2,484,770, \$2,760,855, and \$1,435,633 respectively.

Each of these provisions of the PSU Plan provides for payment only upon a change of control and another triggering event, such as a termination without cause. We believe this “double trigger” requirement maximizes shareholder value because this structure would prevent an unintended windfall to management in the event of a friendly (non-hostile) change in control, which could be a transaction maximizing shareholder value. Under this structure, shareholders would have the ability to sell their common shares since the unvested PSUs would continue to incentivize the Named Executive Officers to remain with the Company after the friendly change in control.

Table of Contents

If, by contrast, the PSU plan had only a “single trigger,” and a friendly change of control occurred, management’s PSUs would all vest immediately creating a windfall, and the new owner would then likely find it necessary to replace the compensation with fresh unvested compensation, in order to retain management. This is why we believe a double trigger is more shareholder-friendly, and thus more appropriate, than a single trigger.

The PSU Plan also provides for payment in specified circumstances if the participant shall retire under an approved retirement program of the Company. The Company currently has no retirement program.

Directors who are also employees are not paid any fees or other compensation for services as members of the Board of Directors or of any committee of the Board of Directors. Directors who are not employees of the Company are paid an annual fee of \$75,000. The Company pays a minimum of \$15,000 of the annual fee in RSUs under the RSU Plan. Each RSU will be valued at the market price of the common shares as at January 1 of each fiscal year. Directors receive the remaining portion of the annual fee in cash, or may, at their election, receive RSUs instead of cash for any amount of their annual fee. Some of our directors represent institutions that require them to assign over to the institution any compensation that they receive for serving as directors. The table above includes these amounts.

Each director receives cash in the amount of \$2,000 for each Board of Director or committee meeting attended in person, and \$1,000 for each meeting attended by telephone. Each director receives cash in the amount of \$3,000 per year for each committee the director serves upon. In addition, committee chairs (other than the Audit Committee Chair) receive an annual fee of \$2,000 for each committee chaired. The Audit Committee Chair receives an annual fee of \$100,000. This fee is greater than that received by the other committee chairs due to the substantially greater time and responsibility demands made upon the Audit Committee Chair.

CORPORATE GOVERNANCE

The Board of Directors and its Committees

Our bye-laws provide for a Board of Directors of no less than ten and no more than twelve directors. The Board of Directors met a total of eight (8) times in fiscal 2008 and all incumbent directors attended at least 81% of such meetings and of meetings held by the committees of the Board of Directors of which they were members. The Company expects directors to attend the Annual General Meeting and all of the Company's then-directors attended the 2008 Annual General Meeting.

Our Board of Directors is divided into three classes: four Class A directors whose initial term will expire at the 2009 Annual General Meeting of our shareholders, four Class C directors whose initial term will expire at the 2010 Annual General Meeting of our shareholders, and four Class B directors whose initial term will expire at the 2011 Annual General Meeting of our shareholders. Thereafter, directors will hold office until the next Annual General Meeting at which the term of that class of directors expires or until their successors are duly elected or appointed or their office is otherwise vacated.

Our Board of Directors has established corporate governance measures in compliance with the requirements of the New York Stock Exchange. These include a set of Corporate Governance Guidelines, Independence Guidelines, and charters for each of the Audit Committee, Compensation Committee and Governance Committee and a Code of Conduct and Ethics for directors, officers and employees. Our Board of Directors has also adopted a Code of Business Practices for the Company's principal executive, financial and accounting officers. These documents have been published on the Company's website, www.flagstonere.bm, and will be provided upon written request to the Company's Corporate Secretary at its registered office address, Crawford House, 23 Church Street, Hamilton HM 11, Bermuda.

Our Board of Directors has reviewed the materiality of any relationship that each of the twelve directors of the Company has with the Company either directly or indirectly through another organization. The criteria applied included the director independence requirements set forth in the Company's Independence Guidelines, the independence requirements of the New York Stock Exchange with respect to the Company's Audit Committee, and the audit committee independence rules of the Securities and Exchange Commission (the "SEC"). In conducting this review of the directors' independence, the Board of Directors considered any managerial, familial, professional, commercial or affiliated relationship between a director and the Company or another director. In particular, the Board of Directors considered the following arrangements of certain directors before determining that each is independent under the New York Stock Exchange independence requirements and the Company's Independence Guidelines:

Mr. Black, a director of the Company since June 2006, formerly served as Chief Claims Executive and Senior Vice President of One Beacon Insurance Company, a part of the White Mountains Insurance Group.

Mr. Coley, a director of the Company since January 2006 is Director Emeritus of McKinsey & Company, a group which owns common stock of the Company.

Mr. Thomas Dickson, a director of the Company since December 2005, controls the investment manager of HCP. Haverford has an investment in HCP. HCP pays a performance-based fee to its investment manager. HCP owns approximately 3.0% of the common stock of the Company.

Mr. Gross, a director of the Company since January 2006, is the Managing Director of Lightyear Capital LLC, a group which accounts for approximately 7.1% of the common stock of the Company.

Mr. E. Daniel James, a director of the Company since December 2005, is a senior manager of the Merchant Banking Group and managing director of Lehman Brothers Inc. On December 7, 2007, the Company entered into an interest rate swap agreement with Lehman Brothers Special Financing Inc. Under the terms of the agreement, the Company exchanged interest on a notional amount of \$25.0 million, will receive interest at three month LIBOR and will pay 4.096% interest. The agreement will terminate on September 15, 2012. Also on December 7, 2007, the Company entered into an interest rate swap agreement with Lehman Brothers Special Financing Inc. Under the terms of the agreement, the Company exchanged interest on a notional amount of \$120.0 million, will receive interest at three month LIBOR and will pay 3.962% interest. The fair value of the two swaps was \$0.2 million as at December 31, 2007. The agreement was terminated, as per the terms of the swap agreement, on September 15, 2008 due to the bankruptcy of Lehman Brothers Inc. Affiliates of Lehman Brothers Inc. are shareholders of the Company, and Mr. James is a managing director at Lehman Brothers Inc. Lehman Brothers Inc. acted as an underwriter and provided additional investment banking services to the Company in connection with its IPO, for which it received fees of \$3.4 million.

Audit Committee

The Audit Committee met a total of nine (9) times during fiscal 2008. The Audit Committee has general responsibility for the oversight and surveillance of our accounting, reporting and financial control practices. Among its functions, the Audit Committee:

- reviews and discusses the audited financial statements with management, reviews the audit plans and findings of the independent auditor, reviews the audit plans and findings of our internal audit and risk review staff, reviews the results of regulatory examinations and tracks management's corrective actions plans where necessary;

- reviews our accounting policies and controls, compliance programs, and significant tax and legal matters;

- is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor;

- receive and consider reports from internal auditors on risk assessment, work completed against annual audit plan and other areas proposed by the committee.

- reviews our risk assessment and management processes; and

- performs other tasks in accordance with the terms of its charter.

Mr. Spiering, who is an independent director, is the Chairman of the Audit Committee, and the Board of Directors has designated him as an "audit committee financial expert" as that term is defined in Item 401(k) of Regulation S-K under the Securities Act of 1933, as amended.

Compensation Committee

The Compensation Committee oversees our compensation and benefit plans, including administration of annual bonus awards and long-term incentive plans and reports their findings and opinions to the Board of Directors. The Compensation Committee met four (4) times during fiscal 2008.

Governance Committee

The Governance Committee has responsibility for identifying individuals qualified to become members of the Board of Directors consistent with the criteria approved by the Board of Directors, recommending director nominees to the Board of Directors, recommending Corporate Governance Guidelines to the Board of Directors and overseeing an evaluation of the Board of Directors and management. The Governance Committee met four (4) times during fiscal 2008.

The Board of Directors has accorded to the Governance Committee the responsibility to consider the effectiveness and composition of the Board of Directors, to nominate candidates for election by our shareholders, and to fill vacancies on the Board of Directors that emerge from time to time. The Governance Committee will consider potential nominees to the Board of Directors recommended for election by shareholders. Any such recommendation must be sent to the Corporate Secretary of the Company not less than 120 days prior to the scheduled date of the annual meeting and must set forth for each nominee: (i) the name, age, business address and residence address of the nominee; (ii) the principal occupation or employment of the nominee; (iii) the class or series and number of shares of

capital stock of the Company which are owned beneficially or of record by the nominee; and (iv) any other information relating to the nominee that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act and the rules and regulations promulgated thereunder. The written notice must also include the following information with regard to the shareholders giving the notice: (1) the name and record address of such shareholders; (2) the number of common shares of the Company which are owned beneficially or of record by such shareholders; (3) a description of all arrangements or understandings between such shareholders and each proposed nominee and any other person (including his or her name and address) pursuant to which the nomination(s) are to be made by such shareholders; (4) a representation that such shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (5) any other information relating to such shareholder that would be required to be disclosed in a proxy statement or other required filing. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director if elected. The Governance Committee may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

Table of Contents

Assuming that the shareholder suggesting a nomination follows the procedure outlined above, the Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board of Directors or by other persons. In considering whether to recommend any candidate for inclusion in the Board of Director's slate of recommended director nominees, including candidates recommended by shareholders, the Governance Committee would expect to apply the same criteria which it applies to its own nominations. These criteria typically include the candidate's integrity, business acumen, leadership qualities, experience in the reinsurance, insurance and risk-bearing industries and other industries in which the Company may participate, independence, judgment, mindset, vision, record of accomplishment, ability to work with others and potential conflicts of interest. The Governance Committee does not assign specific weight to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. Our Board of Directors believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

Underwriting Committee

The Underwriting Committee met a total of four (4) times during fiscal 2008. The Underwriting Committee oversees the Company's underwriting policies and approves any exceptions thereto. Among its functions, the Underwriting Committee:

- reviews aggregate underwritten exposures;

- reviews performance targets, including loss ratio targets, combined ratio targets, return on equity targets or other measurement devices employed by the Company to monitor its underwriting performance;

Significant Board Practices

Executive Session

At the majority of physical meetings of the Board of Directors there is an executive session during which Mr. Byrne, our Executive Chairman, and Mr. Brown, our Chief Executive Officer, are excused. In 2008 there were four (4) such sessions. The non-management members of the Board of Directors are at liberty to raise such issues as they deem necessary. The executive session is chaired by Mr. Stephen Coley.

Advance Materials

Information and related materials necessary to provide the directors with an understanding of the topics to be discussed at the Board of Director and committee meetings are, where practicable, circulated in advance of each meeting. The directors are given sufficient time to allow careful review the Board of Director materials.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the Exchange Act, our directors and executive officers, and any persons holding more than 10% of the outstanding common shares, are required to report their initial ownership of common shares and any subsequent changes in that ownership to the SEC. Specific filing dates for these reports have been established by the SEC, and we are required to disclose in this Proxy Statement any failure by such persons to file these reports in a timely manner during the 2008 fiscal year. Based upon our review of copies of such reports furnished to us, we believe that during the 2008 fiscal year our executive officers and directors and the holders of more than 10% of the outstanding common shares complied with all reporting requirements of Section 16(a) of the Exchange Act except that Messrs. Byrne and Brown each inadvertently did not timely file one Form 4 for one transaction.

PROPOSAL 2 – THE AUDITOR’S PROPOSAL

Upon recommendation of the Audit Committee, the Board of Directors propose that the shareholders approve the appointment of Deloitte & Touche to serve as our independent auditor for the 2009 fiscal year until the 2010 Annual General Meeting. Deloitte & Touche have served as our independent auditor since October 2005. A representative from Deloitte & Touche will attend the Annual General Meeting and will be available to respond to any questions and make a statement if he or she so desires. Shareholders at the Annual General Meeting will also be asked to vote to defer the determination of the auditor’s remuneration to the Board of Directors.

The following sets forth the fees billed to us by Deloitte & Touche during the 2008 fiscal year:

Audit Fees

Aggregate audit fees billed to us by Deloitte & Touche for the fiscal years ended December 31, 2008 and 2007 were \$3,612,671 and \$1,606,121, respectively. Audit fees were for (a) the audit of our annual financial statements, (b) review of our quarterly financial statements, (c) statutory audits and (d) assistance with and review of documents filed with the SEC (including comfort letters and consents).

Audit-Related Fees

Audit-related fees billed to us by Deloitte & Touche for the fiscal years ended December 31, 2008 and 2007 were \$98,640 and \$73,491, respectively, for assurance and related services that are related to the audit and review of the financial statements which are not reported as audit fees above.

Tax Fees

Fees billed to us by Deloitte & Touche for all tax-related services for the fiscal years ended December 31, 2008 and 2007 were \$18,890 and \$44,520, respectively. These fees were for professional services rendered for tax compliance.

All Other Fees

The aggregate fees billed by Deloitte & Touche for products and services rendered to the Company, other than the services described above under “Audit Fees”, “Audit-Related Fees” and “Tax Fees”, for the fiscal years ended December 31, 2008 and 2007 were \$157,927 and \$ nil, respectively, which relate to technical consultations and services provided in relation to securities offerings. The Audit Committee has considered whether any information technology and non-audit consulting services provided by Deloitte & Touche could impair the independence of Deloitte & Touche. No such services were provided by Deloitte & Touche during 2008 and thus the Audit Committee concluded that such services did not impair the auditor’s independence.

The Audit Committee must pre-approve all audit services and permitted non-audit services performed for the Company by our auditor, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit. All engagements of Deloitte & Touche to provide audit, audit-related and tax services to the Company during 2008 and 2007 were pre-approved by the Audit Committee.

As noted above, the Audit Committee is responsible for managing our relationship with our independent auditor. The Audit Committee has the sole authority to hire and employ our auditor. The Audit Committee regularly reviews the

auditor's work plan, bills and work product. Accordingly, it is our policy that all proposed engagements by our current audit firm must be approved in advance by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE REAPPOINTMENT OF DELOITTE &
TOUCHE
AS OUR INDEPENDENT AUDITOR FOR THE 2009 FISCAL YEAR UNTIL THE 2010 ANNUAL GENERAL
MEETING.

PROPOSAL 3 – BYE-LAW AMENDMENTS

With a view to modernizing the Companies Act 1981 (as amended) (the “Companies Act”) to take into account various company law reform initiatives in various jurisdictions, the Companies Amendment Act 2006 (the “Amendment Act”), which came into force on December 29, 2006, made a number of important changes to Bermuda’s primary company legislation.

A. Treasury Shares

The Amendment Act permits a company to acquire its own shares to be held as treasury shares provided this is permitted by the company's memorandum of association or its bye-laws. Treasury shares generally represent shares that were issued to shareholders but which have since been reacquired by the issuing company and are available for retirement or later reissuance. Prior to this amendment, such purchased shares would be cancelled. Generally, the rights attaching to treasury shares such as voting and dividend rights are in abeyance while they are held as treasury shares. It is a requirement under the Amendment Act that any company wishing to take advantage of the treasury shares facility will need to change its memorandum or bye-laws to permit this.

Our Bye-laws and Memorandum of Association do not currently authorize the Company to acquire its own shares and subsequently hold them as treasury shares. We believe that having the ability to hold reacquired Common Shares in treasury affords us valuable corporate financial flexibility under various circumstances, and is in our best interest and in the best interests of our shareholders. The recommended amendments to the Bye-laws to accommodate the ability of the Company to acquire its own shares and either cancel such shares or hold them in treasury.

B. Provision for electronic record delivery

The SEC’s “Internet availability of Proxy Materials” rule is known as Notice & Access. It provides the option for corporations to publish proxy materials on a publicly-available website and then mail shareholders a notice of where they can access these materials. Participation in Notice & Access is required by the Company.

Pursuant to the Amendment Act, a company may use electronic delivery to deliver documents required to be provided by the Companies Act or the bye-laws unless the bye-laws of the company preclude this. An electronic record may be delivered by communicating it by electronic means (for example, by e-mail) to an address provided by the recipient for that purpose. An electronic record is also deemed to have been delivered if it is published on a website and the person to whom the document is to be provided has agreed to that method and been given access to the necessary webpage.

We believe that it is in the best interest of the Company our shareholders to amend the Bye-laws to accommodate such changes as it may help to reduce expenses incurred by the Company in the production and mailing of our annual mailing material.

C. Corporate Seals No Longer required by the Companies Act

Our Bye-laws currently require the use of the Company seal. The Companies Act no longer requires that deeds or other documents be executed under seal to be effective as a matter of Bermuda law. The requirements for issuing share certificates under seal have also been amended to provide enhanced flexibility. While the corporate seal still has a role, that role is now limited. We believe it is in the best interest of the Company to amend our Bye-laws to take advantage of the enhanced flexibility of the Amended Act.

D. Ability of a company to Indemnify Directors and Officers Clarified

For the avoidance of doubt, the Companies Act expressly clarifies that we may indemnify our Directors and Officers not only from an eventual award against them, but also against defense costs on the condition that, if fraud or dishonesty is proved, the particular Directors and Officers will be required to repay funds so provided for their defense. The proposed amendment to our Bye-laws seeks only to incorporate such clarifying language in the corporate documents of the Company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE PROPOSAL TO APPROVE
AMENDMENTS TO THE BYE-LAWS OF THE COMPANY.

1.5 The incorporation or application of provisions of the Shareholders Agreement in or to these Bye-laws shall terminate upon the termination of the Shareholders Agreement in accordance with its terms. For this purpose, a certificate from the secretary and any director of the Company stating that the Shareholders Agreement has terminated shall be conclusive evidence of such termination. Upon delivery of such certificate to the Company, a copy of such certificate shall be appended to these Bye-laws by the Secretary and included in every copy of these Bye-laws published by the Company and these Bye-laws shall thenceforth not include any provision of the Shareholders Agreement.

SHARES

2. Power to Issue Shares

2.1 Subject to these Bye-laws and to any resolution of the Members to the contrary, and without prejudice to any special rights previously conferred on the holders of any existing shares or class of shares, the Board shall have the power to issue any unissued shares of the Company on such terms and conditions as it may determine and any shares or class of shares may be issued with such preferred, deferred or other special rights or such restrictions, whether in regard to dividend, voting, return of capital, or otherwise.

2.2 Subject to the provisions of the Act, any preference shares may be issued or converted into shares that (at a determinable date or at the option of the Company or the holder) are liable to be redeemed on such terms and in such manner as may be determined by the Board (before the issue or conversion).

3. Power of the Company to Purchase its Shares

3.1 Subject to these Bye-laws, the Company may purchase its own shares for cancellation or to acquire them as Treasury Shares in accordance with the provisions of the Act on such terms as the Board shall think fit. Subject to these Bye-laws, the Board may exercise all the powers of the Company to purchase or acquire all or any part of its own shares in accordance with the Act.

3.2 Without limiting Bye-law 3.1, subject to Section 42A of the Act and the approval of the Bermuda Monetary Authority or other applicable governmental or regulatory body (such approval restriction being applicable to all this Bye-law 3.2), if the Board reasonably determines in good faith based on an opinion of counsel that share ownership, directly, indirectly or constructively, by any Member is likely to result in adverse tax consequences or materially adverse legal or regulatory treatment to the Company, any of its subsidiaries or any of its Members, the Company will have the option, but not the obligation, to purchase the minimum number of shares which is necessary to avoid or cure such adverse consequences or treatment (but only to the extent the Board reasonably determines in good faith that such action would avoid or cure such adverse consequences or treatment) with immediately available funds in an amount equal to the Fair Market Value of such shares on the date the Company repurchases such shares (the "Purchase Price"), subject to the provisions of this Bye-law 3.2.

The Board shall notify such Member promptly that it has determined that the provisions of this Bye-law 3.2 may apply to such Member, and shall provide such Member with seventy-five (75) days (subject to any extension reasonably necessary to obtain regulatory approvals necessary in connection with any proposed sale by the Member, if being diligently pursued, but in any event not more than an additional ninety (90) days), prior to and in lieu of such repurchase, to remedy the circumstances pursuant to which the ownership of shares by such Member may result in adverse tax consequences or materially adverse legal or regulatory treatment to the Company, any of its subsidiaries or any of its Members (including by such Member selling such shares to a third party, subject to Bye-law 12 and any other relevant provisions of these Bye-laws); provided, that, for the avoidance of doubt, this Bye-law 3.2 does not

release such Member from any contractual restriction on transfer to which such Member is subject and, if applicable, to select an investment bank to determine the Fair Market Value of such shares.

Table of Contents

If a Member subject to application of this Bye-law 3 does not remedy the consequences or treatment described in the preceding two paragraphs within the period referred to above, the Company shall have the right, but not the obligation, to purchase such shares at the Fair Market Value thereof. If the Company shall determine not to purchase such shares at the Fair Market Value pursuant to this Bye-law 3, the Company shall notify each other Member thereof, and shall permit the other Members to purchase such shares at the Fair Market Value in its stead, pro rata, to the number of shares then held by each such Member, and then, to the extent that any Members shall fail to accept such offer, to the other Members who have elected to purchase their portion of such shares. After offering the shares to be repurchased to the other Members in accordance with the preceding sentence, the Company will also be entitled to assign its purchase right to a third party which may purchase such shares at the Fair Market Value. Each Member shall be bound by the determination by the Company to purchase or assign its right to purchase such Member's shares and, if so required by the Company, shall sell the number of shares that the Company requires it to sell.

The Board will use all reasonable efforts to exercise this option equitably and, to the extent possible, equally among similarly situated Members (to the extent possible under the circumstances).

In the event that the Member(s) or the Company or its assignee(s) determine to purchase any such shares, the Company shall provide each Member concerned with written notice of such determination (a "Purchase Notice") at least five (5) calendar days prior to such purchase or such shorter period as each such Member may authorise, specifying the date on which any such shares are to be purchased and the Purchase Price. The Company may revoke the Purchase Notice at any time before the Member(s), the Company or its assignee(s) pay for the shares. The Board may authorise any person to sign, on behalf of any Member who is the subject of a Purchase Notice, an instrument of transfer relating to any of such Member's shares which the Company has an option to purchase. Payment of the Purchase Price by the Member(s), the Company or its assignee(s) shall be by wire transfer or certified check and made at a closing to be held no less than five (5) calendar days after receipt of the Purchase Notice by the selling Member.

4. Rights Attaching to Shares

4.1 Subject to any resolution of the Members to the contrary (and without prejudice to any special rights conferred thereby on the holders of any other shares or class of shares), the share capital of the Company shall be divided into Common Shares the holders of which shall, subject to the provisions of these Bye-laws:

(a) be generally entitled to one vote per share, (but the exercise of any voting right shall be subject to the provisions of Bye-law 30 hereof);

(b) be entitled to such dividends as the Board may from time to time declare;

(c) in the event of a winding-up or dissolution of the Company, whether voluntary or involuntary or for the purpose of a reorganisation or otherwise or upon any distribution of capital, be entitled to the surplus assets of the Company; and

(d) generally be entitled to enjoy all of the rights attaching to shares.

4.2 All the rights attaching to a Treasury Share shall be suspended and shall not be exercised by the Company while it holds such Treasury Shares and, except where required by the Act, all Treasury Shares shall be excluded from the calculation of any percentage or fraction of the share capital or shares of the Company.

5. Calls on Shares

5.1 The Board may make such calls as it thinks fit upon the Members in respect of any monies (whether in respect of nominal value or premium) unpaid on the shares allotted to or held by such Members and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The Board may differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.

5.2 The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

5.3 The Company may accept from any Member the whole or a part of the amount remaining unpaid on any shares held by him, although no part of that amount has been called up.

6. Prohibition on Financial Assistance

The Company shall not give, whether directly or indirectly, whether by means of loan, guarantee, provision of security or otherwise, any financial assistance for the purpose of the acquisition or proposed acquisition by any person of any shares in the Company, but nothing in this Bye-law shall prohibit transactions permitted under the Act.

7. Forfeiture of Shares

7.1 If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward such Member a notice in writing in the form, or as near thereto as circumstances admit, of the following:

Table of Contents

7.2 If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine. Without limiting the generality of the foregoing, the disposal may take place by sale, repurchase, redemption or any other method of disposal permitted by and consistent with these Bye-laws and the Act.

7.3 A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon.

7.4 The Board may accept the surrender of any shares which it is in a position to forfeit on such terms and conditions as may be agreed. Subject to those terms and conditions, a surrendered share shall be treated as if it had been forfeited.

8. Share Certificates

8.1 Every Member shall be entitled to a certificate under the seal of the Company or bearing the signature (or a facsimile thereof) of a Director or the Secretary or a person expressly authorised to sign specifying the number and, where appropriate, the class of shares held by such Member and whether the same are fully paid up and, if not, specifying the amount paid on such shares. The Board may by resolution determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means.

8.2 The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the person to whom the shares have been allotted.

8.3 If any share certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid, or destroyed the Board may cause a new certificate to be issued and request an indemnity for the lost certificate if it sees fit.

9. Fractional Shares

The Company may issue its shares in fractional denominations and deal with such fractions to the same extent as its whole shares and shares in fractional denominations shall have in proportion to the respective fractions represented thereby all of the rights of whole shares including (but without limiting the generality of the foregoing) the right to vote, to receive dividends and distributions and to participate in a winding-up.

REGISTRATION OF SHARES

10. Register of Members

10.1 The Board shall cause to be kept in one or more books a Register of Members and shall enter therein the particulars required by the Act.

10.2 The Register of Members shall be open to inspection without charge at the registered office of the Company on every business day, subject to such reasonable restrictions as the Board may impose, so that not less than two hours in each business day be allowed for inspection. The Register of Members may, after notice has been given in accordance with the Act, be closed for any time or times not exceeding in the whole thirty days in each year.

11. Registered Holder Absolute Owner

The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not be bound to recognise any equitable claim or other claim to, or interest in, such share on the part of any other person.

12. Transfer of Registered Shares and Warrants and Restrictions on Transfer

12.1 Subject to the Act and to such of the restrictions contained in these Bye-laws as may be applicable, any Member may transfer all or any part of his shares or warrants by an instrument of transfer as specified herein.

12.2 An instrument of transfer shall be in writing in the form of the following, or as near thereto as circumstances admit, or in such other form as the Board may accept:

12.3 Such instrument of transfer shall be signed by or on behalf of the transferor and transferee, provided that, in the case of a fully paid share, the Board may accept the instrument signed by or on behalf of the transferor alone. The transferor shall be deemed to remain the holder of such share until the same has been transferred to the transferee in the Register of Members.

12.4 The Board may refuse to recognise any instrument of transfer unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

12.5 The restrictions on transfer authorised or imposed by these Bye-laws shall not be imposed in any circumstances in any way that would interfere with the settlement of trades or transactions entered into through the facilities of a stock exchange or automatic quotation system on which the shares are listed or traded from time to time; provided, that the Company may decline to register transfers in accordance with these Bye-laws and resolutions of the Board after a settlement has taken place.

12.6 The joint holders of any share may transfer such share to one or more of such joint holders, and the surviving holder or holders of any share previously held by them jointly with a deceased Member may transfer any such share to the executors or administrators of such deceased Member.

12.7 The Board may in its absolute discretion and without assigning any reason therefor refuse to register the transfer of a share. The Board shall refuse to register a transfer unless all applicable consents, authorisations and permissions of any governmental or regulatory body or agency in Bermuda, the United States or any other applicable jurisdiction required to be obtained shall have been obtained. For the avoidance of doubt, the

Directors may decline to register the transfer of a share if the Board has determined in good faith that such transfer would result in adverse tax or regulatory treatment to the Company and its subsidiaries or any of its shareholders.

Table of Contents

12.8 The Board may decline to register the transfer of any shares or warrants if the Board reasonably determines in good faith that, based on an opinion of counsel, (i) in the case of a transfer other than (a) pursuant to an effective registration statement under the Securities Act, (b) after an Initial Public Offering of shares pursuant to such a registration statement, in a sale by a Member in accordance with Rule 144 or (c) in connection with the settlement of trades or transactions entered into through the facilities of a stock exchange or automated quotation system on which the shares are listed or traded from time to time, such transfer is likely to expose the Company, any subsidiary thereof, any Member or any subsidiary of the Company, any Member or Person ceding insurance to the Company or any subsidiary of the Company to adverse tax consequences or materially adverse legal or regulatory treatment in any jurisdiction or (ii) registration of such transfer under the Securities Act or under any blue sky or other U.S. state securities laws or under the laws of any jurisdiction is required and such registration has not been duly effected; provided, however, that in this case (ii) the Board shall be entitled to request and rely on an opinion of counsel (such counsel to be reasonably satisfactory to the Board) to the transferor or the transferee (and the Company shall not be obliged to pay any expenses of such counsel), in form and substance reasonably satisfactory to the Board, that no such registration is required, and the Board shall be obliged to register such transfer upon the receipt of such an opinion. A proposed transferee will be permitted to dispose of any shares or warrants purchased that violate these restrictions and as to which registration of the transfer is refused. The transferor of such shares or warrants shall be deemed to own such shares or warrants for dividend, voting and reporting purposes until a transfer of such shares has been registered on the Register of Members or such warrants have been registered in the applicable register of warrants.

12.9 Except in connection with an effective registration statement, a sale in accordance with Rule 144 of the shares of the Company after an Initial Public Offering or in connection with the settlement of trades or transactions entered into through the facilities of a stock exchange or automated quotation system on which the shares are listed or traded from time to time, the Board may require any Member, or any Person proposing to acquire shares or warrants of the Company, to provide the information required by Bye-law 30A. If any such Member or proposed acquiror does not provide such information, or if the Company has reason to believe that any certification or other information provided pursuant to any such request is inaccurate or incomplete, the Board may decline to register any transfer or to effect any issue or purchase of shares or warrants to which such request related.

12.10 If the Board refuses to register a transfer of any share the Secretary shall, within three months after the date on which the transfer was lodged with the Company, send to the transferor and transferee notice of the refusal.

12.11 Any purported transfer (except by operation of law) of any shares in contravention of any of the restrictions on transfer contained in the Shareholders Agreement or these Bye-laws shall be void and of no effect.

13. Transmission of Registered Shares

13.1 In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the shares. Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may, in its absolute discretion, decide as being properly authorised to deal with the shares of a deceased Member.

Table of Contents

13.2 Any person becoming entitled to a share in consequence of the death or bankruptcy of any Member may be registered as a Member upon such evidence as the Board may deem sufficient or may elect to nominate some person to be registered as a transferee of such share, and in such case the person becoming entitled shall execute in favour of such nominee an instrument of transfer in writing in the form, or as near thereto as circumstances admit, of the following:

Transfer by a Person Becoming Entitled on Death/Bankruptcy of a Member
Flagstone Reinsurance Holdings Limited (the "Company")

I/We, having become entitled in consequence of the [death/bankruptcy] of [name and address of deceased/bankrupt Member] to [number] share(s) standing in the Register of Members of the Company in the name of the said [name of deceased/bankrupt Member] instead of being registered myself/ourselves, elect to have [name of transferee] (the "Transferee") registered as a transferee of such share(s) and I/we do hereby accordingly transfer the said share(s) to the Transferee to hold the same unto the Transferee, his or her executors, administrators and assigns, subject to the conditions on which the same were held at the time of the execution hereof; and the Transferee does hereby agree to take the said share(s) subject to the same conditions.

13.3 On the presentation of the foregoing materials to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member. Notwithstanding the foregoing, the Board shall, in any case, have the same right to decline or suspend registration as it would have had in the case of a transfer of the share by that Member before such Member's death or bankruptcy, as the case may be.

13.4 Where two or more persons are registered as joint holders of a share or shares, then in the event of the death of any joint holder or holders the remaining joint holder or holders shall be absolutely entitled to the said share or shares and the Company shall recognise no claim in respect of the estate of any joint holder except in the case of the last survivor of such joint holders.

15. Variation of Rights Attaching to Shares

Subject to Bye-law 59, if, at any time, the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound-up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class at which meeting the necessary quorum shall be two persons at least holding or representing by proxy one-third of the issued shares of the class. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

DIVIDENDS AND CAPITALISATION

16. Dividends

16.1 The Board may, subject to these Bye-laws and in accordance with the Act, declare a dividend to be paid to the Members, in proportion to the number of shares held by them, and such dividend may be paid in cash or wholly or partly in specie in which case the Board may fix the value for distribution in specie of any assets. No unpaid dividend shall bear interest as against the Company.

16.2 The Board may fix any date as the record date for determining the Members entitled to receive any dividend.

16.3 The Company may pay dividends in proportion to the amount paid up on each share where a larger amount is paid up on some shares than on others.

16.4 The Board may declare and make such other distributions (in cash or in specie) to the Members as may be lawfully made out of the assets of the Company. No unpaid distribution shall bear interest as against the Company.

17. Power to Set Aside Profits

18.2

In the case of joint holders of shares, any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or draft sent through the post directed to the address of the holder first named in the Register of Members, or to such person and to such address as the joint holders may in writing direct. If two or more persons are registered as joint holders of any shares any one can give an effectual receipt for any dividend paid in respect of such shares.

Table of Contents

18.3 The Board may deduct from the dividends or distributions payable to any Member all monies due from such Member to the Company on account of calls or otherwise.

19. Capitalisation

19.1 The Board may resolve to capitalise any sum for the time being standing to the credit of any of the Company's share premium or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro rata to the Members.

19.2 The Board may resolve to capitalise any sum for the time being standing to the credit of a reserve account or sums otherwise available for dividend or distribution by applying such amounts in paying up in full partly paid or nil paid shares of those Members who would have been entitled to such sums if they were distributed by way of dividend or distribution.

30. Limitation on Voting Rights of Controlled Shares

30.1 Each share shall entitle or limit the holder thereof to such voting rights attributable to that class (or series) of share, but the exercise of any voting right shall be subject to the provisions of Bye-laws 30.2 through 30.7 below.

30.2 If, as a result of giving effect to the provisions of Bye-law 30.1 or otherwise, the votes conferred by the Controlled Shares of any Person would otherwise cause such Person or any other Person to be treated as a 9.9% U.S. Shareholder (as defined in Section 951(b) of the Code), the votes conferred by the Controlled Shares of such U.S. Person are hereby reduced (and shall be automatically reduced in the future) by whatever amount is necessary so that after any such reduction the votes conferred by the Controlled Shares of such Person shall not result in such Person or any other Person being treated as a 9.9% Shareholder with respect to the vote on the matter in question.

30.3 In determining the reduction in votes conferred by Controlled Shares pursuant to Bye-law 30.2, the reduction in the vote conferred by the Controlled Shares of any Person shall be effected proportionately among all the Controlled Shares of such Person; provided, however, that if a Member owns, or is treated as owning by the application of Section 958 of the Code, interests in another Member, the reduction in votes conferred by Controlled Shares of such Member (determined solely on the basis of shares held directly by such Member and shares attributed from such other Member) shall first be effected by reducing the votes conferred on the shares held directly by the Member. The reduction in the votes of the shares held by such Member effected by the foregoing proviso shall be conferred on the shares held by such Member (and not otherwise reduced by the operation of this Bye-law 30) to the extent that so doing does not cause any Person to be treated as a 9.9% U.S. Shareholder and any remaining reduction in votes shall then be conferred proportionately among the shares held by the other Members; provided, however, that no shares shall be conferred votes to the extent that so doing shall cause any Person to be treated as a 9.9% U.S. Shareholder.

30.4 In the event that the aggregate reductions required by Bye-laws 30.2 and 30.3 result in less than 100 percent of the voting power of the shares being entitled to be cast, the excess of 100 percent of the voting power over the votes entitled to be cast shall be conferred on the shares held by the Members, proportionately, based on the number of shares held by each Member; provided, however, that the shares of a Member shall not be conferred votes to the extent that any U.S. Person would be considered a 9.9% U.S. Shareholder. The maximum votes that shall be conferred pursuant to this paragraph of Bye-law 30 on a corporation organised under the laws of the United Kingdom shall be 24.9%.

30.5 Upon written notification by a Member to the Board, the number of votes conferred by the total number of shares held by such Member shall be reduced to that percentage of the total voting power of the Company, as so designated by such Member (subject to acceptance of such reduction by the Board in its sole discretion) so that (and to the extent that) such Member may meet any applicable insurance or other regulatory requirement (other than tax regulatory) or voting threshold or limitation that may be applicable to such Member or to evidence that such Person's voting power is no greater than such threshold.

30.6 Notwithstanding anything to the contrary in this Bye-law 30, the votes conferred by the Controlled Shares of any Person shall not exceed such amount as would result in any U.S. Person that owns shares of the Company

(within the meaning of Section 958(a) of the Code) being treated as owning (within the meaning of Section 958 of the Code) more than 9.9% (or the lower percentage designated by a Member pursuant to Bye-law 30.5 hereof) of the aggregate voting power of the votes conferred by all the shares of the Company entitled to vote generally at any election of Directors.

Table of Contents

30.7 The Board shall implement the foregoing in the manner set forth in this Bye-law. In addition to any other provision of this Bye-law 30, any shares shall not carry rights to vote or shall have reduced voting rights to the extent that the Board reasonably determines in good faith that it is necessary that such shares should not carry the right to vote or should have reduced voting rights in order to avoid adverse tax consequences or materially adverse legal or regulatory treatment to the Company, any subsidiary of the Company or any Member or its affiliates; provided, however, that the Board will use reasonable efforts to exercise such discretion equally among similarly situated Members (to the extent possible under the circumstances).

30A. Requirement to Provide Information and Notice

(1) The Company shall have the authority to request from any holder of shares, and such holder of shares shall provide, (a) a statement setting forth that the holder is the direct beneficial owner as defined under Rule 13d-3 under the Exchange Act of the shares or, if not, the identity of such direct beneficial owner (and, in the case of more than one beneficial owner, the shares owned by each such beneficial owner), the place of organisation of a direct beneficial owner that is other than a natural person and whether such direct beneficial owner has made an election to be treated as a U.S. Person for any purpose or whether such direct beneficial owner has elected to be treated as a Subchapter S corporation for U.S. federal income tax purposes, the citizenship and residency of any person who is a natural person and whether such Person can be treated as a U.S. resident for U.S. tax purposes, a statement regarding whether the spouse or minor children of any such beneficial owner are also acquiring shares, and the names of the great grandparents, grandparents, parents, siblings, and lineal descendants (if living) of any such beneficial owner, and a statement as to whether such direct beneficial owner holds the power to vote the shares held by such holder and, if not, the identity of the Person empowered to vote those shares, (b) a list setting out the name of every Person holding a direct interest in such beneficial owner, the percentage interest held by such Person therein (including, if applicable, the minimum and maximum percentage interest in the case of a direct beneficial owner the interests in which can vary), and whether such Person has a right to vote to determine the manner in which the direct beneficial owner is to vote the shares owned by such beneficial owner, (c) a list setting out the name of any Person having an option or other right to acquire an interest in any direct beneficial owner of shares and the percentage of interests in such beneficial owner subject to such option or other right and (d) a list of any partnership or limited liability company in which the direct beneficial owner holds a direct interest and the percentage interest held therein (including, if applicable, the minimum and maximum percentage interest in the case of an interest in which can vary); provided, however, that for purposes of clause (b) of this Bye-law 30A(1), if the beneficial owner of the shares is a publicly traded company, such beneficial owner shall be required to provide information only with respect to a Person having a 5% or greater ownership interest in the “beneficial owner”. For the purposes of this Bye-law, a person shall be treated as a “beneficial owner” if such Person is so treated for U.S. federal income tax purposes (without giving effect to any attribution or constructive ownership rules). In addition, the Company shall have the authority to request from any holder of shares, and such holder shall provide, to the extent that it is reasonably practicable for it to do so in such holder’s reasonable discretion, such additional information as the Company may reasonably request to determine the relationship of a holder with other holders.

(2) Any information provided by each Member to the Company pursuant to this Bye-law or other information provided pursuant to this Bye-law or for purposes of making the analysis required by Bye-laws 3, 12 or 30, shall be deemed “confidential information” (the “Confidential Information”) and shall be used by the Company solely for the purposes contemplated by those Bye-laws (except as may be required otherwise by applicable law or regulation). The Company shall hold such Confidential Information in strict confidence and shall not disclose any Confidential Information that it receives, except (i) to the Internal Revenue Service (the “Service”) if and to the extent the Confidential Information is required by the Service, (ii) to any outside legal counsel or accounting firm engaged by the Company to make determinations regarding the relevant Bye-laws, (iii) to officers and employees of the Company, as set forth in Bye-laws 30A(3) or (iv) as otherwise required by law or regulation.

Table of Contents

(3) The Company shall take all measures practicable to ensure the continued confidentiality of the Confidential Information and shall grant the Persons referred to in Bye-law 30A(2) (ii) above access to the Confidential Information only to the extent necessary to allow them to assist the Company in any analysis required by Bye-laws 3, 12 or 30, or to determine whether the Company would realise any income that would be included in the income of any Member (or any interest holder, whether direct or indirect, of any Member) by operation of Section 953 (c) of the Code. Prior to granting access to the Confidential Information to such Persons or to any officer or employee as set out below, the Company shall inform them of its confidential nature and of the provisions of this Bye-law and shall require them to abide by all the provisions thereof. The Company shall not disclose the Confidential Information to any Director (other than a Director that is also Chief Executive Officer, Chairman or Deputy Chairman, except as required by law or regulation, upon request to the Company). The Company shall be permitted to disclose the Confidential Information to an officer (who is not also a Director) of the Company or any of its subsidiaries, but only if such officer requires the Confidential Information to determine whether the Company would realise any income that would be included in the income of any Member by operation of section 953 (c) of the Code or to implement Bye-laws 3, 12 or 30. For the avoidance of doubt, the Company shall be permitted to disclose to the Members and others the relative voting percentages of the Members after application of Bye-law 30. At the written request of a Member, the Confidential Information of such Member shall be destroyed or returned to such Member after the later to occur of (i) such Member no longer being a Member or (ii) the expiration of the applicable statute of limitations with respect to any Confidential Information obtained for purposes of engaging in any tax-related analysis.

(4) The Company shall (i) notify a Member as soon as reasonably practicable of the existence, terms and circumstances surrounding any request made to the Company to disclose any Confidential Information provided by or with respect to such Member and, prior to such disclosure, shall permit such Member a reasonable period of time to seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Bye-law, and (ii) if, in the absence of a protective order, such disclosure is required in the opinion of counsel to the Company, the Company shall make such disclosure without liability hereunder, provided that the Company shall furnish only that portion of the Confidential Information which is legally required, shall give such Member notice of the information to be disclosed as far in advance of its disclosure as practicable and, upon the request of such Member and at its expense, shall use best efforts to ensure that confidential treatment will be accorded to all such disclosed information.

(5) If a Member fails to respond to a request for information from the Company pursuant to this Bye-law, or submits incomplete or inaccurate information in response to such a request, the Company may in its reasonable discretion determine that such Member's shares shall carry no or reduced voting rights, as the case may be, until otherwise determined by the Company in its reasonable discretion.

(6) The Board may rely exclusively on the analysis, deliberation, reports and other communications of those Persons specified in (i)-(iii) of Bye-law 30A(2) above with respect to the collection, disclosure or use of the Confidential Information, including, but not limited to, determining whether the Company would realise any income that would be included in the income of any Member (or any interest holder, whether direct or indirect) or implementing Bye-laws 3, 12 or 30.

31. Certain Subsidiaries

31.1 With respect to any Subsidiary of the Company that is not a U.S. corporation and that is not treated as a pass-through or disregarded entity for U.S. federal income tax purposes (together the "Designated Companies"), (i) the board of directors of each such Designated Company shall consist of the persons who have been elected by the Members of the Company by resolution in a general meeting as Designated Company Directors and (ii) the Members of the Company by resolution in a general meeting may designate the persons to be removed as directors of such Designated Company (the "Removed Company Directors").

Table of Contents

31.2 Notwithstanding the general authority set out in Bye-law 47, the Board shall vote all shares owned by the Company in each Designated Company (i) to elect the Designated Company Directors as the directors of such Designated Company and to remove the Removed Company Directors as directors of such Designated Company, and (ii) to ensure that the constitutional documents of such Designated Company require such Designated Company Directors to be elected and such Removed Company Directors to be removed as provided in this Bye-law. The Board and the Company shall ensure that the constitutional documents of each such Designated Company shall effectuate or implement this Bye-law. The Company shall also enter into agreements with each such Designated Company and take such other actions as are necessary to effectuate or implement this Bye-law.

32. Power to Demand a Vote on a Poll

32.2 Where a poll is demanded, subject to any rights or restrictions for the time being lawfully attached to any class of shares, every person present at such meeting shall have one vote for each share of which such person is the holder or for which such person holds a proxy and such vote shall be counted by ballot as described herein, or in the case of a general meeting at which one or more Members are present by telephone, in such manner as the chairman of the meeting may direct and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded and shall replace any previous resolution upon the same matter which has been the subject of a show of hands. A person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.

32.3 A poll demanded for the purpose of electing a chairman of the meeting or on a question of adjournment shall be taken forthwith and a poll demanded on any other question shall be taken in such manner and at such time and place at such meeting as the chairman (or acting chairman) of the meeting may direct and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

32.4 Where a vote is taken by poll, each person present and entitled to vote shall be furnished with a ballot paper on which such person shall record his vote in such manner as shall be determined at the meeting having regard to the nature of the question on which the vote is taken, and each ballot paper shall be signed or initialed or otherwise marked so as to identify the voter and the registered holder in the case of a proxy. At the conclusion of the poll, the ballot papers shall be examined and counted by a committee of not less than two Members or proxy holders appointed by the chairman for the purpose and the result of the poll shall be declared by the chairman.

15.01 In the event of any change in the issued and outstanding shares of Common Stock of the Company by reason of any share split, share dividend, recapitalization, merger, consolidation, reorganization, amalgamation, combination or exchange of shares of Common Stock or other similar event, and if the Compensation Committee shall determine, in its sole discretion, that such change equitably requires an adjustment in the number or kind of shares of Common Stock of the Company that may be issued pursuant to RSUs under the Plan pursuant to paragraph 6, then such adjustment shall be made by the Compensation Committee and shall be conclusive and binding for all purposes of the Plan.

15.02 Upon the declaration by the Board of Directors of the Company of a dividend in specie or in kind in favor of the holders of Common Shares in the Company, the Compensation Committee shall determine, in its sole discretion, if such dividend equitably requires an adjustment in the number or kind of RSUs that may be issued to a Participant under the Plan in lieu of a dividend payment.

PURPOSE

The purpose of the Island Heritage Long-Term Incentive Plan (the “Plan”) is to advance the interests of Island Heritage Company Ltd. (the “Company”) and its stockholders by providing long-term incentives to certain key executives of the Company and of its subsidiaries.

1. ADMINISTRATION

The Plan shall be administered by the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of the Company. No member of the Committee shall be an employee of the Company or a subsidiary of the Company or shall have been eligible within one year prior to his appointment to receive awards under the Plan (“Awards”) or to receive awards under any other plan of the Company or its subsidiaries under which participants are entitled to acquire stock, stock options or stock appreciation rights of the Company or any of its subsidiaries.

The Committee shall have exclusive authority to select the employees to be granted Awards, to determine the size and terms of the Awards and to prescribe the form of the instruments embodying Awards. The Committee shall be authorized to interpret the Plan and the Awards granted under the Plan, to establish, amend and rescind any rules and regulations relating to the Plan and to make any other determinations which it believes necessary or advisable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent the Committee deems desirable to carry it into effect. Any decision of the Committee in the administration of the Plan, as described herein, shall be final and conclusive. The Committee may act only by a majority of its members in office, except that the members thereof may authorize any one or more of their number or any officer of the Company to execute and deliver documents on behalf of the Committee. No member of the Company shall be liable for anything done or omitted to be done by him or by any other member of the Committee in connection with the Plan, except for his own willful misconduct or as expressly provided by statute.

2. AWARDS

(a) Type of Awards. Awards shall be limited to “Performance Shares”. Maximum Number of Shares That May Be Issued. A maximum of 25,000 Shares, subject to adjustment as provided in paragraph 11, may be issued under the Plan.

3. RIGHTS WITH RESPECT TO SHARES

(i) An employee to whom Performance Shares are granted (and any person succeeding to such employee’s rights pursuant to the Plan) shall have no rights as a shareholder with respect to any Shares issuable pursuant thereto until the date of the issuance of a stock certificate (whether or not delivered) therefor. Except as provided in paragraph 12, no adjustment shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) the record date for which is prior to the date such stock certificate is issued.

4. PERFORMANCE SHARES

The Award of Performance Shares to a participant will entitle him to receive, without payment to the Company, all or part of a specified amount (the “Actual Value”) determined by the Committee, if the terms and conditions specified herein and in the Award are satisfied. Payment in respect of an Award shall be made as provided in subparagraph 5(e). Each Award of Performance Shares shall be subject to the following terms and conditions:

Table of Contents

- (a) The Committee shall determine the number of Performance Shares to be granted to each participant. The “Maximum Value” of each Performance Share shall be the Value per Share on the date the award is paid or becomes payable to participants. Performance Shares may be issued in different classes or series having different terms and conditions.
- (b) The award period (the “Award Period”) in respect of any Award of Performance Shares shall be such period as the Committee shall determine commencing as of the beginning of the fiscal year of the Company in which such Award is made. An Award Period may contain a number of performance periods; each performance period shall commence on or after the first day of the Award Period and shall end no later than the last day of the Award Period; provided, however, that any such performance period must end on December 31 of the relevant fiscal year (“Performance Period”). At the time each Award is made, the Committee shall establish performance objectives to be attained within the Performance Periods as the means of determining Actual Value. The performance objectives shall be approved by the Committee (i) while the outcome for that Performance Period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance objective relates or, if less than 90 days, the number of days which is equal to 25 percent of the relevant Performance Period. The performance objectives shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on stockholders’ equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) stock price; (xi) combined ratio; (xii) operating ratio; (xiii) profitability of an identifiable business unit or product; (xiv) maintenance or improvement of profit margins; (xv) market share; (xvi) revenues or sales; (xvii) costs; (xviii) cash flow; (xix) working capital; (xx) return on assets; (xxi) customer satisfaction; (xxii) employee satisfaction; and (xxiii) economic value per Share (computed based on book value per Share determined in accordance with generally accepted accounting principles (“GAAP”) adjusted for changes in the intrinsic value of assets and liabilities whose value differs from their GAAP carrying value). The foregoing criteria may relate to the Company, one or more of its subsidiaries or one or more of its divisions, units, partnerships, joint venturers or minority investments, product lines or products or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or any combination thereof, all as the Committee shall determine.
- (c) The Actual Value of a Performance Share shall be equal to its Maximum Value only if the performance objectives are attained in full, but the Committee shall specify the manner in which the Actual Value of a Performance Share shall be a portion of such Maximum Value if the performance objectives are met in part. In determining Actual Value, the Committee may either (i) multiply the total number of Shares available for payout at that time with respect to the participant by the Actual Value of each individual Share or (ii) multiply the Maximum Value of each individual Share by a number of Shares equal to or less than the total number of Shares available for payout, provided that the products obtained in (i) or (ii) are the same.
- (d) Performance Shares shall be cancelled if the participant’s continuous employment with the Company or any of its subsidiaries shall terminate for any reason prior to the end of the Award Period except solely by reason of a period of Related Employment as defined in paragraph 7, and except as otherwise specified in this subparagraph 5(d) or in subparagraph 5(e). Notwithstanding the foregoing and without regard to subparagraph 5(b), if a participant shall,
- (i) while in such employment, die or become disabled as described in paragraph 6 prior to the end of the Award Period, the Performance Shares shall be cancelled at the end of the next ending Performance Period and he, or his legal representative, as the case may be, shall receive payment in respect of such Shares which he would have received had he been in continuous employment with the Company through the end of that period and had the

individual performance objectives, if any, that were imposed been achieved; provided, however, that no such continuation shall be deemed to have occurred for purposes of applying subparagraph 5(d) in the event of an Adverse Change in the Plan in respect of the participant following a Change in Control; or

- (ii) retire under an approved retirement program of the Company or a subsidiary (or such other plan as may be approved by the Committee, in its sole discretion, for this purpose) prior to the end of the Award Period, then:
 - (A) if at the time of his retirement, the participant is 65 years old or older, the Performance Shares shall be cancelled at the end of the next ending Performance Period, and he shall become entitled to receive a cash payment equal to the Maximum Value in respect to such Performance Shares he would have received had he been in continuous employment with the Company through the end of the Performance Period and had the performance objectives, if any, that were imposed having been met, or
 - (B) if at the time of retirement the Employee is less than 65 years old and his retirement occurs before 24 months have elapsed since the grant of the Performance Shares, the Performance Shares shall be cancelled and the Employee shall become entitled to receive a cash payment in respect of one-ninth of the Performance Shares he would have received had he been in continuous employment with the Company through the end of the next ending Performance Period and based on the performance objectives, if any, that were imposed having been met, or
 - (C) if at the time of retirement the Employee is less than 65 years old and his retirement occurs after 24 months have elapsed since the grant of the Performance Shares, the Performance Shares shall be cancelled and the Employee shall become entitled to receive a cash payment in respect of two-ninths of the Performance Shares he would have received had he been in continuous employment with the Company through the end of the next ending Performance Period and based on the performance objectives, if any, that were imposed having been met.
- (e) If within 24 months after a Change in Control of the Company as defined in subparagraph 8(a) and prior to the end of an Award Period:
 - (i) there is a Termination Without Cause, as defined in paragraph 9, of the employment of a participant;
 - (ii) there is a Constructive Termination, as defined in paragraph 10, of the employment of a participant; or
 - (iii) there occurs an Adverse Change in the Plan, as defined in paragraph 11, in respect of a participant, then:
 - (A) the participant shall receive the Maximum Value of:
 - (1) that number of Performance Shares which is in the same proportion to the total number of Performance Shares awarded to the participant under such Award as

the number of full months which have elapsed since the first day of the Award Period to the end of the first month in which occurs one of the events described in clauses (i), (ii) or (iii) of subparagraph 7(d) is to

the total number of months in the Award Period, less

Table of Contents

- (2) the number of Performance Shares awarded to the participant under the Award in respect of which payment has already been made to the participant, and
- (B) if the number of Performance Shares determined pursuant to subclause (1) of clause (A) is less than the number of Performance Shares subject to the particular Award, the participant shall receive the Actual Value of the remaining Performance Shares. The Actual Value of the remaining Performance Shares shall be determined as follows:
 - (1) if the Board shall have determined, prior to the Change in Control and based on the most recent performance status reports, that the performance objectives for the particular Award were being met at the date of the determination, the Actual Value of the remaining Performance Shares subject to the particular Award shall be equal to their Maximum Value, and
 - (2) if the determination of the Board was that the performance objectives for the particular Award were not being met at the date of the determination, the Actual Value of the remaining Performance Shares subject to the particular Award shall be such amount as shall have been determined by the Board as provided above in this subparagraph 5(e), but in no event shall Actual Value be less than fifty percent (50%) of Maximum Value. Payment of any amount in respect of Performance Shares as described above in this subparagraph 5(e) shall be made as promptly as possible after the occurrence of one of the events described in clauses 7(e)(i) through 5(e)(iii). Notwithstanding anything herein to the contrary, if, following a Change in Control of the Company as defined in subparagraph 8(a), a participant's employment remains continuous through the end of a performance period, then the participant shall be paid with respect to those Performance Shares for which he would have been paid had there not been a Change in Control and the Actual Value of those Shares shall be determined in accordance with subparagraph 5(f).
- (f) Except as otherwise provided in subparagraph 5(e), as soon as practicable after the end of the performance period or such earlier date as the Committee in its sole discretion may designate, the Committee shall determine whether the conditions of subparagraphs 5(b) and/or 5(d) hereof have been met and, if so, shall certify such fact to the Board of Directors and shall ascertain the Actual Value of the Performance Shares. If the Performance Shares:
 - (i) the Committee shall cause an amount equal to the Actual Value of the Performance Shares earned by the participant to be paid to him or his beneficiary; or
 - (g) Payment of any amount in respect of the Performance Shares shall be made by the Company as promptly as practicable or shall be deferred to such other time or times as the Committee shall determine, and may be made in cash, in Shares, or partly in cash and partly in Shares as determined by the Committee. Such deferred payments may be made by undertaking to pay cash in the future, together with such additional amounts as may accrue thereon until the date or dates of payment, as determined by the Committee in its discretion.

5. **DISABILITY**

For the purposes of this Plan, a participant shall be deemed to be disabled if the Committee shall determine that the physical or mental condition of the participant is such as would entitle him to payment of monthly disability benefits under any disability plan of the Company or a subsidiary in which he is a participant.

6. **RELATED EMPLOYMENT**

For the purposes of this Plan, Related Employment shall mean the employment of an individual by an employer which is neither the Company nor a subsidiary provided: (i) such employment is undertaken by the individual and continued at the request of the Company or a subsidiary; (ii) immediately prior to undertaking such employment, the individual was an officer or employee of the Company or a subsidiary, or was engaged in Related Employment as herein defined; and (iii) such employment is recognized by the Committee, in its sole discretion, as Related Employment for the purposes of this paragraph 7. The death or disability of an individual during a period of Related Employment as herein defined shall be treated, for purposes of this Plan, as if the death or onset of disability had occurred while the individual was an officer or employee of the Company.

- (i) any person or group (within the meaning of Section 13(d) and 14(d)(2) of the Exchange Act), other the Company, becomes the beneficial owner (within the meaning of Rule 13d-3 under the Exchange Act) of fifty percent (50%) or more of the Company’s then outstanding Shares through a transaction that is opposed by the Company’s Chairman and the Company’s Chief Executive Officer, and

Any action, approval of which shall require the approval of a majority of the Continuing Directors, may be authorized by one Continuing Director, if he is the only Continuing Director on the Board, but no such action may be taken if there are not Continuing Directors on the Board.

8. TERMINATION WITHOUT CAUSE

Notwithstanding anything herein to the contrary, Constructive Termination shall not occur within the meaning of this paragraph 10 until and unless 30 days have elapsed from the date the Company receives such written notice without the Company curing or causing to be cured the circumstance or circumstances described in this paragraph 10 on the basis of which the declaration of Constructive Termination is given.

6.5 Notwithstanding any other provision in the Plan, in the event of a Hostile Takeover Termination, the Employee shall immediately become entitled to the Maximum Award with respect to all Awards granted to such Employee. Such Maximum Award shall be payable, in the sole discretion of the Compensation Committee, either in cash based on the market price per Common Share as of the close of trading on the date of a Hostile Takeover Termination or, subject to section 6.7, by issuance of Common Shares.

6.6 Payment of any amount due to an Employee in respect of the Awards shall be made by the Company as promptly as practicable or shall be deferred to such other time or times as the Compensation Committee shall determine, and, subject to section 6.7, may be made in cash, by issuance of Common Shares, or partly in cash and partly by issuance of Common Shares as determined by the Compensation Committee. The Awards will normally be settled by delivery of Common Shares, however, until such time as the Plan is approved by the shareholders of Flagstone and subsequently filed with the United States Securities and Exchange Commission and New York Stock Exchange, the Awards will only be settled by delivery of cash. The amount of cash, if any, to be paid in lieu of issuance of Common Shares shall be determined based on the market price per Common Share (or net book value, if no Common Shares are not freely tradable on an exchange) as of the close of trading on the date on which an Employee becomes entitled to payment, whether or not such payment is deferred. The spot exchange rate will be used on the day, and the payment will be made US dollars (USD). Such deferred payments may be made by undertaking to pay cash in the future, together with such additional amounts as may accrue thereon until the date or dates of payment, as determined by the Compensation Committee in its sole discretion. In the case of issuance of Common Shares to an Employee, such Employee's services rendered to the Company shall be deemed to constitute full payment to the Company of the par value of such Common Shares.

7 DISABILITY

For the purposes of this Plan, an Employee shall be deemed to be disabled if the Compensation Committee shall determine that the physical or mental condition of the Employee is such as would entitle him to payment of monthly disability benefits under any disability plan of the Company or a Subsidiary in which he is a participant.

8 RELATED EMPLOYMENT

For the purposes of this Plan, Related Employment shall mean the employment of an Employee by an employer which is neither the Company nor a Subsidiary provided: (i) such employment is undertaken by the individual and continued at the request of the Company or a Subsidiary; (ii) immediately prior to undertaking such employment, the individual was an officer or employee of the Company or a Subsidiary, or was engaged in Related Employment as herein defined; and (iii) such employment is recognized by the Compensation

Committee, in its sole discretion, as Related Employment for the purposes of this section 8. The death or disability of an individual during a period of Related Employment as herein defined shall be treated, for purposes of this Plan, as if the death or onset of disability had occurred while the individual was an officer or employee of the Company.

9 CHANGE IN CONTROL

For purposes of this Plan, a “Change in Control of the Company” shall occur if:

- 9.1 Any person or group (within the meaning of Section 13(d) and 14(d)(2) of the Exchange Act), excluding Flagstone, becomes the beneficial owner (within the meaning of Rule 13d-3 under the Exchange Act) of fifty percent (50%) or more of the Company’s then outstanding shares; or
- 9.2 the business of the Company for which the participant’s services are principally performed is disposed of by the Company pursuant to a sale or other disposition of all or substantially all of the business or business related assets of the Company (including shares of a Subsidiary of the Company).

Notwithstanding anything herein to the contrary, if the Employee’s employment with the Company or a Subsidiary shall terminate due to a Change in Control of the Company as described in section 9, where the purchaser, as described in such section, formally assumes the Company’s obligations under this Plan or places the Employee in a similar or like plan with no diminution of the value of the grants, such termination shall not be deemed to be a “Termination Without Cause.”

Table of Contents

For purposes of this plan, a “Constructive Termination” shall mean a termination of employment with the Company or a Subsidiary at the initiative of the Employee that the Employee declares by prior written notice delivered to the Secretary of the Company to be a Constructive Termination by the Company or a Subsidiary and which follows (a) a material decrease in his salary or (b) a material diminution in the authority, duties or responsibilities of his position with the result that the Employee makes a determination in good faith that he cannot continue to carry out his job in substantially the same manner as it was intended to be carried out immediately before such diminution. Notwithstanding anything herein to the contrary, Constructive Termination shall not occur within the meaning of this section 11 until and unless 30 days have elapsed from the date the Company receives such written notice without the Company curing or causing to be cured the circumstance or circumstances described in this section 11 on the basis of which the declaration of Constructive Termination is given.

For purposes of this plan, an “Adverse Change in the Plan” shall mean:

- 12.1 termination of the Plan pursuant to section 18.1;
- 12.2 amendment of the Plan pursuant to section 17 that materially diminishes the value of Awards, either to individual Employees or in the aggregate, unless there is substituted concurrently authority to grant Awards of comparable value to individual Employees in the Plan or in the aggregate, as the case may be; or
- 12.3 in respect of any holder of an Award a material diminution in his rights held under such Award (except as may occur under the terms of the Award Certificate as originally granted) unless there is substituted concurrently an Award with a value at least comparable to the loss in value attributable to such diminution in rights.

13 HOSTILE TAKEOVER TERMINATION

For purposes of this plan, a “Hostile Takeover Termination” shall mean an Adverse Change in the Plan as described in section 12 or any termination (including, but not limited to, a Termination Without Cause as described in section 10 or a Constructive Termination as described in section 11) of an Employee’s employment with the Company or a Subsidiary of the Company at any time following a Change in Control of the Company, as described in section 9, that was opposed by the Board members nominated by Flagstone.

14 DILUTION AND OTHER ADJUSTMENTS

- 14.1 In the event of any change in the issued and outstanding Common Shares of Flagstone by reason of any share split, share dividend, recapitalization, merger, consolidation, reorganization, amalgamation, combination or exchange of Common Shares or other similar event, and if the Compensation Committee shall determine, in its sole discretion, that such change equitably requires an adjustment in the number or kind of

Common Shares that may be issued pursuant to Awards under the Plan pursuant to section 6 or in any measure of performance, then such adjustment shall be made by the Compensation Committee and shall be conclusive and binding for all purposes of the Plan.

Table of Contents

- 14.2 Upon the declaration by the Board of Directors of Flagstone of a dividend in specie or in kind in favor of the holders of Common Shares in the Company, the Compensation Committee shall determine, in its sole discretion, if such dividend equitably requires an adjustment in the number or kind of Awards that may be issued to an Employee under the Plan in lieu of a dividend payment.

- 15.1 An Employee may name in writing to the Compensation Committee, or such other person as the Compensation Committee may designate from time to time to receive such instructions, a beneficiary to receive any payment to which he may be entitled in respect of Awards under the Plan in the event of his death. An Employee may change his beneficiary from time to time in the same manner. If no designated beneficiary is living on the date on which any amount becomes payable to an Employee's executors or administrators, the term "beneficiary" as used in the Plan shall include such person or persons.
- 15.2 An Employee may name in writing to the Compensation Committee, or such other person as the Compensation Committee may designate from time to time such instructions, one or more Inter Vivos Designees and successor Inter Vivos Designees who shall be given the rights to all past, present and future grants or series of Awards or to one or more specific grants or series of Awards. An Employee may change the designation of any Inter Vivos Designee in the same manner and such designation shall revoke and supersede all earlier designations. In the event an Employee does not notify the Compensation Committee designating one or more Inter Vivos Designees, or no Inter Vivos Designee survives the Employee, the Awards and any payment of shares in place of cash shall be given to the Employee.

16 MISCELLANEOUS PROVISIONS

- 16.1 No employee or other person shall have any claim or right to receive a grant of Awards under the Plan. Neither the Plan nor any action taken hereunder shall be construed as giving an employee any right to be retained in the employ of the Company or any Subsidiary.
- 16.2 An Employee's rights and interest under the Plan may not be assigned or transferred in whole or in part either directly or by operation of law or otherwise (except in the event of an Employee's death), including but not limited to, execution, levy, garnishment, attachment, pledge, bankruptcy or in any other manner and no such right or interest of any Employee in the Plan shall be subject to any obligation or liability of such Employee.

It shall be a condition to the obligation of Flagstone to issue Common Shares upon payment of an Award that the Employee pay to the Flagstone, upon its demand, such amount as

may be required by Flagstone for the purpose of satisfying any liability to withhold taxes. If the amount requested is not paid, Flagstone may refuse to issue Common Shares.

16.5 The expenses of the Plan shall be borne by the Company. However, if a grant of Awards is made to an employee of a Subsidiary:

16.5.1 if such grant results in payment of cash to the Employee, such Subsidiary shall pay to the Company an amount equal to such cash payment; and

16.5.2 if the grant results in the issuance to the Employee of Common Shares, such Subsidiary shall pay to the Company an amount equal to fair market value thereof, as determined by the Compensation Committee, on the date such Common Shares are issued.

16.6 The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure any payment under the Plan.

16.7 By accepting any grant or other benefit under the Plan, each Employee and each person claiming under or through him shall be conclusively deemed to have indicated his acceptance and ratification of, and consent to, any action taken under the Plan by the Company, the Board or the Compensation Committee.

For the avoidance of doubt, any action taken by the Compensation Committee pursuant to section 14 does not require approval of the shareholders of Flagstone.
