(1) Our Series A Convertible Preferred Stock accrues dividends on the original issue price of \$25 per share at the rate of 8% per annum. The dividends are payable upon conversion of the Series A Convertible Preferred Stock into common stock in additional shares of common stock or, subject to the consent of our senior secured lender, in cash. The registration statement to which this prospectus supplement relates registers 800,000 shares that we may issue as dividends on outstanding shares of our Series A Convertible Preferred Stock. The dividend shares which may be offered for sale by the selling security holders are not included in the table because the number of such shares will not be determined until the selling security holders convert their Series A Convertible Preferred Stock into common stock.
