Item 7.01 Regulation FD

This Current Report on Form 8-K/A amends the Current Report on Form 8-K of Customers Bancorp, Inc. (the "Corporation"), originally furnished on August 24, 2012 (the "Initial Filing"). The sole purpose for filing this Form 8-K/A is to correct a typographical error in the Initial Filing with respect to the Corporation's Net Income guidance. No other changes have been made to the Initial Filing.

Anticipated Third Quarter Results

Customers Bancorp, Inc. consolidated financial statements for the quarter ended September 30, 2012 are not yet available. The following expectations regarding our results for this period are solely estimates prepared by management based on currently available information. Our independent registered public accounting firm has not audited, reviewed or performed any procedures with respect to preliminary financial data and, accordingly, does not express an opinion or any other form of assurance with respect to this data. Our actual results may differ from these expectations. Any such differences could be material. Accordingly, you should not place undue reliance on such data.

We currently expect that, for the quarter ended September 30, 2012:

- Net interest income will be between \$17.2 million and \$18.2 million;
- Provision for loan and lease losses will be between \$2 million and \$4 million;
  - Net income will be between \$4.0 million and \$4.7 million;
  - Weighted average diluted share count will be 12.0 million;
    - Diluted EPS will be between \$0.33 and \$0.39;
    - Loan-to-Deposit ratio will be between 95% and 105%;
    - Return on Assets will be between 0.6% and 0.8%; and
    - Return on Equity will be between 9.5% and 10.5%.

We currently expect that, as of September 30, 2012:

- Average net loans held for investment will be approximately \$1.0 billion in September 2012; up from \$824 million in June 2012;
- Average Loans Held for Sale (warehouse loans including repos at fair value) will be approximately \$1.1 billion in September 2012 up from \$894 million in June 2012;
  - Average total assets will be approximately \$2.5 billion in September 2012; and
  - Average deposits will be approximately \$2.2 billion in September 2012.

We currently expect that, for the quarter ended September 30, 2012:

Our net interest margin will be between 3.0% and 3.1%;

Originated non-performing assets as a percentage of total assets will be between 0.9% and 1.1%.

We currently expect that our net income for the quarter ended September 30, 2012 will be between \$4.0 million and \$4.7 million, compared with net income of \$6.5 million for the quarter ended June 30, 2012. This decrease is expected to be primarily due to (1) a decrease of approximately \$8.8 million in security gains, (2) a decrease in expenses due to \$1.3 million of non-recurring IPO expenses in the quarter ended June 30, 2012, and (3) an increase in net interest income of 20% to 25% from the quarter ended June 30, 2012 levels due to strong loan growth while the quarterly average loan-to-deposit ratio is currently expected to increase from 83% to close to 100%. Our loans held for investment to deposits ratio is currently expected to be 45% to 50% by the quarter ending September 30, 2012.

---

We currently expect that our average net loans held for investment as of September 30, 2012 will be approximately \$1.0 billion, an increase of 25% from net loans held for investment of \$0.8 billion as of June 30, 2012. The increase is expected to be driven primarily by organic loan production from our new lending initiatives in multifamily lending, commercial lending and a purchase of some consumer loans.

We currently expect that our deposits as of September 30, 2012 will be approximately \$2.2 billion, an increase of 15% from deposits of \$1.9 billion as of June 30, 2012. Deposit growth is expected to be driven by increases in noninterest-bearing DDA's, CDs and brokered money market deposits.
