PRELIMINARY PROSPECTUS

ENERGY PARTNERS, LTD.

2,500,000 Shares of Common Stock

---

Evercore Capital Partners L.P. and certain of its affiliates, the selling securityholders, are offering up to 2,500,000 shares of our common stock. The selling securityholders currently own 7,044,572 shares, or 22.0% of our common stock. These selling securityholders may include "affiliates," as defined in Rule 405 under the Securities Act of 1933, as amended.

We expect that sales made pursuant to this prospectus will be made:

- o in broker's transactions;
- o in transactions directly with market makers; or
- o in negotiated sales or otherwise.

The selling securityholders will determine when they will sell their shares, and in all cases they will sell their shares at the current market price or at prices negotiated at the time of the sale. We will not receive any proceeds from these sales.

The brokers and dealers the selling securityholders utilize in selling these shares may receive compensation in the form of underwriting discounts, concessions or commissions from the sellers or purchasers of the shares. Any compensation may exceed customary commissions. The selling securityholders and the brokers and dealers they utilize may be deemed to be "underwriters" within the meaning of the securities laws, and any commissions received and any profits realized by them upon the sale of shares may be considered to be underwriting compensation.

Our common stock is listed on the New York Stock Exchange under the symbol "EPL." On July 2, 2003, the last reported sale price of our common stock as reported on the New York Stock Exchange was \$11.20 per share.

### RISK FACTORS

You should consider carefully the following factors, as well as those discussed elsewhere in this prospectus. In addition to the factors below, please refer to the disclosure contained in our latest annual report on Form 10-K for the fiscal year ended December 31, 2002. Please read "Items 1 & 2. Business and Properties -- Regulatory Matters" and "-- Additional Factors Affecting Business" in our latest annual report for these risk factors. Please also read "Where You Can Find More Information."

The market price of our common stock could be adversely affected by sales of substantial amounts of our common stock in the public markets.

Our largest stockholders, Evercore Capital Partners L.P. and affiliates ("Evercore"), Energy Income Fund, L.P. and Richard A. Bachmann, our chairman, president and chief executive officer, could sell a substantial number of shares of our common stock in the public market, either pursuant to exemptions afforded to affiliates under Rule 144 under the Securities Act of 1933, as amended (the "Securities Act") or pursuant to an effective registration statement. Evercore and Energy Income Fund, L.P. together sold approximately 3,600,000 shares in a public offering in April 2003 and Evercore may sell up to an additional 2,500,000 shares pursuant to this prospectus. Affiliates may sell under Rule 144 of the Securities Act the greater of 1% of the number of shares of common stock then outstanding and the average weekly trading volume of our common stock on the New York Stock Exchange during the four calendar weeks preceding the filing of a required notice of such sale. Such sales by our largest stockholders, sales by other securityholders or the perception that such sales might occur, could have a material adverse effect on the price of our common stock or could impair our ability to obtain capital through an offering of equity securities.

Additionally, in connection with the acquisition of Hall-Houston Oil Company ("Hall-Houston"), we issued warrants and Series D exchangeable convertible preferred stock that can be exchanged or exercised for a total of up to approximately 8,400,000 shares of our common stock. All of the common stock underlying the warrants and Series D preferred stock are freely tradable upon resale pursuant to a prospectus filed with the Securities and Exchange Commission. Also in connection with our acquisition of Hall-Houston, we entered into an earnout agreement which, depending on the performance of the oil and natural gas properties subject to the agreement, could obligate us to issue up to \$40,000,000 market value of our common stock to the participants in the agreement, and such common stock is required to be publicly registered under the agreement.

The market price of our common stock has experienced substantial volatility and may continue to do so in the future.

Since our initial public offering in November 2000 at a price of \$15.00 per share, the trading price for our common stock on the New York Stock Exchange has declined to \$11.20 as of July 2, 2003. The market price of our common stock may not exceed or even remain at current levels. The following factors may have an adverse impact on the market price of our common stock:

- o lack of success in our drilling activities, including exploratory drilling;

## Edgar Filing: ENERGY PARTNERS LTD - Form S-3

- o fluctuations in oil and natural gas prices;
- o market conditions for oil and natural gas stocks;
- o market conditions generally;
- o governmental regulation; and
- o fluctuations in our operating results.

Provisions in our organizational documents and under Delaware law could delay or prevent a change in control of our company, which could adversely affect the market price of our common stock.

The existence of some provisions in our organizational documents and under Delaware law could delay or prevent a change in control of our company, which could adversely affect the market price of our common stock. The provisions in

our certificate of incorporation and bylaws that could delay or prevent an unsolicited change in control of our company include:

- o the board of directors' ability to issue shares of preferred stock and determine the terms of the preferred stock without securityholder approval; and
- o a prohibition on the right of securityholders to call meetings and a limitation on the right of securityholders to act by written consent and to present proposals or make nominations at securityholder meetings.

In addition, Delaware law imposes some restrictions on mergers and other business combinations between us and any holder of 15% or more of our outstanding common stock. Evercore is generally exempted from these provisions.

### OUR COMPANY

We are an independent oil and natural gas exploration and production company focused on the shallow to moderate depth waters of the Gulf of Mexico Shelf. We concentrate on the Gulf of Mexico Shelf region because that area provides us with favorable geologic and economic conditions, including multiple reservoir formations, regional economies of scale, extensive infrastructure and comprehensive geologic databases. We believe that this region offers a balanced and expansive array of existing and prospective exploration, exploitation and development opportunities in both established productive horizons and deeper geologic formations. As of December 31, 2002, we had estimated proved reserves of approximately 127.0 billion cubic feet of natural gas and 26.4 million barrels of oil, or an aggregate of approximately 47.5 million barrels of oil equivalent, with a present value of estimated pre-tax future net cash flows of \$608.3 million, and of estimated after-tax future net cash flows of \$476.9 million based upon year-end 2002 prices and a discount rate of 10%.

Since our incorporation in January 1998 by Richard A. Bachmann, our

## Edgar Filing: ENERGY PARTNERS LTD - Form S-3

founder, chairman, president and chief executive officer, we have assembled a team of geoscientists and management professionals with considerable region-specific geological, geophysical, technical and operational experience. We have grown through a combination of exploration, exploitation and development drilling and multi-year, multi-well drill-to-earn programs, as well as strategic acquisitions of mature oil and natural gas fields in the Gulf of Mexico Shelf area, and in particular the acquisition of Hall-Houston in early 2002.

Our strategy is to grow our reserves and production through a balanced investment program including low risk exploitation and development activities in and around our existing fields and moderate risk exploration activities in the shallow to moderate depth waters of the central region of the Gulf of Mexico Shelf. A limited amount of our exploration budget each year will be allocated to higher risk, higher potential exploration prospects in this region.

Our principal executive offices are located at 201 St. Charles Avenue, Suite 3400, New Orleans, Louisiana 70170. Our telephone number is (504) 569-1875. We also maintain a web site at [www.eplweb.com](http://www.eplweb.com) which contains information about us, including links to our annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and related amendments. Our web site and the information contained in it and connected to it shall not be deemed incorporated by reference into this prospectus.

### USE OF PROCEEDS

We will not receive any of the proceeds from the offer and sale of the shares of our common stock by the selling securityholders.

-3-

### SELLING SECURITYHOLDERS

We have filed a registration statement, of which this prospectus forms a part, in order to permit the selling securityholders to resell to the public up to 2,500,000 shares of our common stock.

The table below sets forth with respect to the selling securityholders, based upon information available to us as of June 13, 2003, the number of shares of common stock beneficially owned, the number of shares of our common stock which may be offered by this prospectus and the number and percentage of outstanding common stock that will be owned assuming the sale of all of the registered shares of our common stock under this prospectus. The shares offered by this prospectus may be sold by selling securityholders from time to time. The number of shares, if any, offered by each selling securityholder and the corresponding number of shares beneficially owned by each selling securityholder after each sale will vary depending upon the terms of the individual sales. Beneficial ownership is determined in accordance with Securities and Exchange Commission rules and generally includes voting or investment power with respect to securities. Shares of our common stock that are issuable upon the exercise of outstanding options, warrants, conversion of preferred stock or exercise of other purchase rights are treated as outstanding for purposes of such selling securityholder's ownership, to the extent exercisable or convertible within sixty days of the date of this prospectus.

PLAN OF DISTRIBUTION

The selling securityholders have not advised us of any specific plan for distribution of the shares offered hereby, but it is anticipated that the shares will be sold from time to time by the selling securityholders or by permitted pledgees, donees, transferees or other permitted successors in interest. Such sales by the selling securityholders may be made in any of the following

## Edgar Filing: ENERGY PARTNERS LTD - Form S-3

manners:

- o on the New York Stock Exchange in transactions pursuant to and in accordance with the rules of such exchange;
- o in the over-the-counter market;
- o in public or privately negotiated transactions;
- o in transactions involving principals or brokers;
- o in a combination of such methods of sale; or
- o any other lawful methods.

Although sales of the shares are, in general, expected to be made at market prices prevailing at the time of sale, the shares may also be sold at prices related to such prevailing market prices or at negotiated prices, which may differ considerably.

In offering the shares covered by this prospectus, each of the selling securityholders and any broker-dealers who sell the shares for the selling securityholders may be "underwriters" within the meaning of the Securities Act, and any profits realized by such selling securityholders and the compensation of such broker-dealers may be underwriting discounts and commissions.

Sales through brokers may be made by any method of trading authorized by any stock exchange or market on which the shares may be listed, including block trading in negotiated transactions. Without limiting the foregoing, such brokers may act as dealers by purchasing any or all of the shares covered by this prospectus, either as agents for others or as principals for their own accounts, and reselling such shares pursuant to this prospectus. The selling securityholders may effect such transactions directly, or indirectly through underwriters, broker-dealers or agents acting on their behalf. In connection with such sales, such broker-dealers or agents may receive compensation in the form of commissions, concessions, allowances or discounts, any or all of which might be in excess of customary amounts.

Each of the selling securityholders is acting independently of us in making decisions with respect to the timing, manner and size of each sale of shares. We have not been advised of any definitive selling arrangement at the date of this prospectus between any selling securityholder and any broker-dealer or agent.

To the extent required, the names of any agents, broker-dealers or underwriters and applicable commissions, concessions, allowances or discounts, and any other required information with respect to any particular offer of the shares by the selling securityholders, will be set forth in a prospectus supplement.

The expenses of preparing and filing this prospectus and the related registration statement with the Securities and Exchange Commission will be paid entirely by us. Shares of common stock covered by this prospectus also may qualify to be sold pursuant to Rule 144 under the Securities Act, rather than pursuant to this prospectus. The selling securityholders have been advised that they are subject to the applicable provisions of the Securities Exchange Act of 1934, as amended, including, without limitation, Rule 10b-5 thereunder.

Neither we nor the selling securityholders can estimate at the present time the amount of commissions or discounts, if any, that will be paid by the selling securityholders on account of their sales of the shares from time to time.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

General Corporation Law

EPL is incorporated under the laws of the State of Delaware. Section 145 ("Section 145") of the General Corporation Law of the State of Delaware (the "DGCL") as the same exists or may hereafter be amended, inter alia, provides that a Delaware corporation may indemnify any persons who were, are or are threatened to be made parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful. A Delaware corporation may indemnify any persons who are, were or are threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation by reasons of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, provided further that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where a present or former director or officer is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such director or officer has actually and reasonably incurred. Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise, against any liability asserted against him and incurred by him in any such capacity, arising out of his status as such, whether or not the corporation would have the power to indemnify him under Section 145.

Certificate of Incorporation and By-laws

EPL's certificate of incorporation provides for the indemnification of directors, officers, employees and agents to the fullest extent permitted by the DGCL, as it now exists or may hereafter be amended. Article VIII of EPL's by-laws requires indemnification to the full extent permitted under Delaware law as from time to time in effect. Subject to any restrictions imposed by Delaware law, EPL's by-laws provide an unconditional right to indemnification for all expense, liability, and loss (including attorneys' fees, judgments, fines, ERISA excise taxes, or penalties and amounts paid in settlement) actually and reasonably incurred or suffered by any person in connection with any actual or threatened proceeding by reason of the fact that such person is or was serving as a director or officer of EPL, or is or was serving at the request of EPL as a

## Edgar Filing: ENERGY PARTNERS LTD - Form S-3

director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, or other enterprise, including service with respect to an employee benefit plan. EPL's by-laws also provide that it may, by action of its board of directors, provide indemnification to its agents with the same scope and effect as the foregoing indemnification of directors

II-1

and officers. All of EPL's directors and officers will be covered by insurance policies maintained by EPL against some liabilities for actions taken in their capacities as such, including liabilities under the Securities Act.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: ENERGY PARTNERS LTD - Form S-3

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent,

submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
