Item 5. Other Events

As previously announced on November 26, 2001, XOMA Ltd. ("XOMA") has entered into a development and license agreement with Millennium Pharmaceuticals, Inc. ("Millennium").

## Edgar Filing: XOMA LTD /DE/ - Form 8-K/A

Under the related investment agreement, Millennium committed to purchase, at XOMA's option, up to \$50 million worth of XOMA common shares over the 30 months following the effective date of the investment agreement, through a combination of convertible debt and equity at then prevailing market prices. As previously announced, on May 16, 2003, XOMA and Millennium agreed to delay the maturity of the convertible debt until February 26, 2004 and to adjust the timing of Millennium's obligation to purchase the remaining \$37.5 million worth of XOMA common shares. As previously announced, on October 10, 2003, XOMA announced that it discontinued development of MLNM2201 (formerly known as LDP-01), one of the two products being developed under its collaboration with Millennium, which had the effect of reducing Millennium's obligation to purchase XOMA common shares under the investment agreement by 40% from up to \$33.5 million remaining to up to \$20.1 million. On February 24, 2004, XOMA and Millennium agreed to delay the maturity of the convertible debt until April 15, 2004 (or the third business day after the date the related registration statement is declared effective, if later) and to further adjust the timing of Millennium's obligation to purchase the remaining \$14.7 million worth of XOMA common shares. At each of four subsequent closings over the following 13 months, XOMA may issue up to \$3,675,000 worth of its common shares. At each closing, the precise number of shares to be purchased by Millennium will be determined using a formula based on the average of certain sale prices per common share as reported on the Nasdaq National Market for a specified period of time prior to the applicable closing date (subject to certain adjustments and limitations). The formula is intended to reflect the current market price per common share at the time of each closing, without any discount or premium.

A copy of the letter agreement is attached hereto as Exhibit 8 and incorporated herein by reference.
