- (1) Assumes conversion of all of the holder's notes at a conversion rate of 48.6914 shares of common stock per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to adjustment as described under "Description of the Notes--Conversion Rights" in the accompanying prospectus. The number of shares of common stock issuable upon conversion of the notes may increase or decrease.
- (2) Includes shares of common stock issuable upon conversion of the notes. Assumes that any holder of the notes or any future pledgees, donees, assignees, transferees or successors of or from any holder of the notes, do not beneficially own any shares of common stock other than the common stock issuable upon conversion of the notes at the initial conversion rate.
- (3) Calculated based on Rule 13d-3(d)(i) of the Exchange Act, using 29,067,538 common shares outstanding as of June 27, 2003. In calculating this amount for each holder, we treated as outstanding the number of shares of common stock issuable upon conversion of all that holder's notes, but we did not assume conversion of the holder's notes.
- (4) Information about other selling securityholders will be set forth in prospectus supplement.
- (5) Represents the number of shares of common stock into which \$140.0 million aggregate principal amount of notes would be convertible at the conversion rate described in footnote 1 above.
- (6) Represents the amount which the selling securityholders may sell under this prospectus supplement of the common stock outstanding as of June 27, 2003, plus the 6,816,796 shares of common stock outstanding as of June 27, 2003, if the \$140.0 million aggregate principal amount of notes is convertible.

Investing in the notes and our common stock issuable upon conversion of the notes involves risks that are described in the "Risk Factors" section of the accompanying prospectus beginning on page 8.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.
