director elections. As so amended, Section 1.04 of Registrant's By-laws now reads as follows:

SECTION 1.04. Method of Voting.

"A. The vote upon any question before the meeting need not be by ballot. Except as expressly provided otherwise by the General Corporation Law of the State of Delaware, the Certificate of Incorporation or this Section 1.04, at a meeting at which a quorum is present, each matter other than the election of directors shall be decided by the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the matter.

"B. At each meeting of the stockholders for the election of directors at which a quorum is present, each director shall be elected by the vote of the majority of the votes cast; provided, that if as of the record date for such meeting the number of nominees exceeds the number of directors to be elected, the directors, not exceeding the authorized number of directors as fixed by the Board of Directors in accordance with the Certificate of Incorporation, shall be elected by a plurality of the votes cast. For purposes of this Section 1.04, a majority of the votes cast means that the number of shares voted "for" a director must exceed the number of shares voted "against" that director. If, for any cause, the Board of Directors shall not have been elected at an annual meeting, they may be elected thereafter at a special meeting of the stockholders called for that purpose in the manner provided in these Bylaws."
