Introduction

This pricing supplement describes a particular issuance of floating rate notes under our Medium-Term Note Program. It adds to or supplements the section entitled "Description of the Notes" in the accompanying prospectus and prospectus supplement by providing specific pricing and other information about the notes issued in this particular transaction. This pricing supplement also amends the prospectus and prospectus supplement to the extent that the description of the notes in this pricing supplement is different from the terms that are set forth in the prospectus and prospectus supplement.

Supplemental Plan of Distribution

Credit Suisse First Boston Corporation is acting as agent in this transaction for the sale to the public of the notes described herein, in the total principal amount of \$100,000,000 at the issue price set forth above.
