PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS OF
FIRST NATIONAL COMMUNITY BANCORP, INC.
TO BE HELD ON MAY 15, 2002

GENERAL INFORMATION

Date, Time and Place of Annual Meeting

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

This proxy statement is being furnished for the solicitation by the Board of Directors of First National Community Bancorp, Inc., a Pennsylvania business corporation and registered financial holding company, of proxies to be voted at the company's Annual Meeting of Shareholders. The annual meeting will be held at the company's Exeter Office, 1625 Wyoming Avenue, Exeter, Pennsylvania 18643 on Wednesday, May 15, 2002, at 9:00 a.m., prevailing time. All inquiries regarding the annual meeting should be directed to William S. Lance, Treasurer. This proxy statement and the enclosed form of proxy are first being sent to shareholders of the company on or about April 15, 2002.

Purpose of the Annual Meeting

At the annual meeting, shareholders will be requested:

- o to elect four Class A Directors to serve for a three-year term and until their successors are duly elected and qualified;
- o to transact any other business as may properly come before the annual meeting and any adjournment or postponement of the meeting.

We have not authorized anyone to provide you with information about the company; therefore, you should rely only on the information contained in this document or on documents to which we refer you. Although we believe we have provided you with all the information helpful to you in your decision to vote, events may occur at First National Community Bancorp, Inc. subsequent to printing this proxy statement that might affect your decision or the value of your stock.

Record Date, Quorum, Voting Rights

The company's Board of Directors fixed March 31, 2002 as the record date for the determination of shareholders entitled to notice of and to vote at the annual meeting. On the record date, the company had 2,566,786 outstanding shares of common stock, par value \$1.25 per share, the only authorized class of stock, which was held by approximately 1,000 shareholders.

1

Under Pennsylvania law and the company's By-laws, the presence of a quorum, in person or by proxy, is required for each matter to be acted upon at the annual meeting. The presence of a quorum, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast, constitutes a quorum for the transaction of business at the annual meeting. Votes withheld and abstentions will be counted in determining the presence of a quorum. Broker non-votes will not be counted in determining the presence of a quorum for the particular matter as to which the broker withheld authority.

Each holder of common stock is entitled to one vote, in person or by proxy, for each share of common stock held in his or her name in the company's books as of the record date. Assuming the presence of a quorum, the four nominees for director receiving the highest number of votes will be elected.

Solicitation of Proxies

The cost of preparing, assembling, printing, mailing and soliciting proxies, and any additional material that the company sends to its shareholders in connection with the annual meeting, will be paid by the company. In addition

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

to solicitation by mail, directors, officers and employees of the company and First National Community Bank may solicit proxies from shareholders personally or by telephone, telegram, facsimile or other similar means without additional compensation. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of the common stock held of record by these persons, and upon their request, the company will reimburse them for their reasonable forwarding expenses.

If your shares are registered directly in your name with First National Community Bancorp, Inc.'s transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the company. As the shareholder of record, you have the right to grant your voting proxy directly to the proxy holders or to vote in person at the meeting. The company has enclosed a proxy card for your use.

2

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of the shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the meeting. However, because you are not the shareholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

Voting and Revocation of Proxies

Shares represented by proxies properly signed, executed and returned, unless subsequently revoked, will be voted at the annual meeting in accordance with the instructions made by the shareholders. If a proxy is signed, executed and returned without indicating any voting instructions, the shares represented by the proxy will be voted FOR the election of all nominees. Execution and return of the enclosed proxy will not affect your right to attend the annual meeting and vote in person, after giving notice to Michael J. Cestone, Jr., Secretary of the company.

A shareholder of the company who returns a proxy may revoke the proxy prior to the time it is voted in any one of the following ways:

- o by giving written notice of revocation to Michael J. Cestone, Jr., Secretary of First National Community Bancorp, Inc., 102 East Drinker Street, Dunmore, Pennsylvania 18512-2491; or
- o by executing a later-dated proxy and giving written notice to the Secretary of the company; or

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

- o by voting in person after giving written notice to the Secretary of the company.

Attendance by a shareholder at the annual meeting will not itself constitute a revocation of the proxy.

You have the right to vote and, if desired, to revoke your proxy any time before the annual meeting. Should you have any questions, please contact William S. Lance, Treasurer at (570) 346-7667.

PROPOSAL 1:

ELECTION OF DIRECTORS

In accordance with Sections 9.2 and 9.3 of the company's By Laws, the company has a classified Board of Directors with staggered three-year terms of office. In a classified board, the directors are generally divided into separate classes of equal number. The terms of the separate classes expire in successive years. The company's Board of Directors is classified into three classes - Class A, Class B, and Class C. Thus, at each annual meeting of shareholders, successors to the class of directors whose term then expires are elected to hold office for a term of three years. Therefore, the term of office of one class of directors expires in each year. The Board of Directors is authorized to increase the number of directors that constitutes the whole Board of Directors; provided that the total number of directors in each class remains relatively proportionate to the others.

Pursuant to Section 9.1 of the company's By-Laws, nominations for election to the Board of Directors may be made by the Board of Directors or any shareholder entitled to vote for the election of directors. Any shareholder who intends to nominate a candidate for election to the Board of Directors (other than a candidate proposed by the company's then existing Board of Directors) must notify the company's Secretary in writing not less than 60 days prior to the date of any shareholder meeting called for the election of directors. The notification must contain the following information to the extent known by the notifying shareholder:

- a) the name and address of each proposed nominee;
- b) the age of each proposed nominee;
- c) the principal occupation of each proposed nominee;

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

- d) the number of shares of the company's common stock owned by each proposed nominee;
- e) the total number of shares that, to the knowledge of the notifying shareholder, will be voted for each proposed nominee;
- f) the name and residential address of the notifying shareholder; and
- g) the number of shares of the company's common stock owned by the notifying shareholder.

Any nomination for director not made in accordance with Section 9.1 will be disregarded by the presiding officer of the annual meeting, and votes cast for each such nominee will be disregarded by the judges of election. In the event that the same person is nominated by more than one shareholder, if at least one nomination for such person complies with Section 9.1, the nomination will be honored and all votes cast for the nominee will be counted.

6

Unless otherwise instructed, the proxy holders will vote the proxies received for the election of the four nominees for Class A Director named below. If any nominee should become unavailable to serve for any reason, proxies will be voted in favor of a substitute nominee as designated by the Board of Directors. The Board of Directors has no reason to believe that the nominees named will be unable to serve, if elected. Any vacancy on the Board of Directors, including vacancies resulting from an increase in the number of directors, will be filled by a majority of the remaining members of the Board of Directors and each person so appointed will be a director until the expiration of the term of office of the class to which he or she was appointed. Election of a director requires an affirmative vote of a majority of the shares of common stock represented at the annual meeting.

Cumulative voting rights do not exist with respect to the election of directors. Except as may otherwise be provided by statute or by the Articles of Incorporation, at every shareholders meeting, each shareholder entitled to vote has the right to one vote for each common share owned on the record date fixed for the meeting. For example, if a shareholder owns 100 shares of common stock, he or she may cast up to 100 votes for each of the nominees for director in the class to be elected.

In-the-money stock options are stock options with exercise prices that are below the year-end stock price because the stock value increased since the date of the grant.

Compensation of Directors

During 2001, the company's Board of Directors held five meetings. Directors received no remuneration for attendance at these board meetings. Members of the bank's Board of Directors are compensated at the rate of \$1,000 per board meeting, including four compensated absences at full compensation, after which members are not paid for any unexcused absence. Excused absences are limited to non-attendance due to other bank business. The aggregate amount of fees paid in 2001 was \$275,000. In 2001, Michael J. Cestone, Jr. and John R. Thomas were compensated \$14,000, in the aggregate, for special services (respectively Secretary and Investment Advisor) rendered to the bank. All bank directors also received a bonus of \$8,500 in 2001. Members of the bank's Senior Loan Committee do not receive a fee for attendance at Senior Loan Committee meetings. Members of the Audit Committee of both the company and the bank do not receive remuneration for attending Audit Committee meetings.

Employment Agreement

The bank entered into an employment agreement with Mr. J. David Lombardi, President and Chief Executive Officer effective on January 1, 1990, and as amended on September 28, 1994. On July 8, 1998 the company's Board of Directors approved and adopted an amendment to the employment agreement which added the company as a party to the agreement. This agreement is designed to assist the company and the bank in retaining a highly qualified executive and to help ensure that if the company is faced with an unsolicited tender offer proposal, Mr. Lombardi will continue to manage the company without being unduly distracted by the uncertainties of his personal affairs and thereby will be better able to assist in evaluating such a proposal in an objective manner.

The agreement provides for a base annual salary of \$195,000 in 2002. Additional compensation by way of salary increases, bonuses or fringe benefits may be established from time to time by appropriate board action. The agreement does not preclude Mr. Lombardi from serving as a director of the company and the bank or from receiving related fees.

The agreement may be terminated by the company with or without "just cause" (as defined in the agreement), or upon death, permanent disability, or normal retirement of Mr. Lombardi, or upon the termination of Mr. Lombardi's employment by resignation or otherwise. In the event employment is terminated with "just cause," Mr. Lombardi shall receive salary payments at his then effective base salary, as if his employment had not been terminated, for a period of three months, excluding bonuses or fringe or supplemental payments previously authorized by the Board of Directors. In the event that the employment termination is occasioned by the company without "just cause," Mr. Lombardi shall continue to receive each month, for a period of two years from the effective date of termination;

- o his monthly base salary payments from the bank at the rate in effect on the date of the termination
- o his monthly Board of Directors fees
- o one twelfth of the average of the bonuses paid to him over the preceding three years, all computed as if his employment had not been terminated.

If a "change in control" (as defined in the agreement), occurs and as a result thereof, Mr. Lombardi's employment is terminated or his duties or authority are substantially diminished or he is removed from the office of Chief Executive Officer of the reorganized employer, Mr. Lombardi may terminate his employment by giving notice to the company within sixty days of the occurrence of the "change in control." Upon such termination, the company is obligated to pay Mr. Lombardi the total sum of the following:

- o three times his then annual base salary which was in effect as of the date of the change in control
- o three times his then annual Board of Director's fee
- o three times the average of his bonuses for the prior three years.

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

Subsequent to termination, Mr. Lombardi may not accept employment in any office or branch of any financial institution or subsidiary in Lackawanna County, Pennsylvania for a period of three years, unless such severance was made by the company without "just cause".

Profit Sharing Plan

In 1969, the bank adopted a Profit Sharing Plan which was subsequently amended to comply with the Employee Retirement Income Security Act of 1974 and the Tax Equity and Fiscal Responsibility Act of 1982. Under the plan, any employee who has attained the age of twenty-one is eligible to become a plan participant on the earlier of the first day of the seventh month or the first day of the plan year coinciding with or following the date on which he/she has met the eligibility requirement. In no event shall participation commence later than six months after the date an employee satisfies the service requirements. The plan provides for progressive vesting of an employee's interest in the amount accrued to his/her respective account calculated by the percentage portion of the value of the account which is nonforfeitable based upon years of service.

The vesting schedule is as follows:

Years of Service -----	Nonforfeitable Percentage -----
less than 3	0%
3 but less than 4	20%
4 but less than 5	40%
5 but less than 6	60%
6 but less than 7	80%
7 years and at Normal Retirement	100%

Upon normal retirement, death prior to retirement, or permanent disability, the employee is entitled to 100% of the amount credited to his/her account, except that, in the event of voluntary termination or termination for cause prior to the end of three years of continuous employment, the amount credited to the employee's account is forfeited. The maximum amount of the bank's annual contribution is 15% of the aggregate salaries of all participants under the plan, or such other amount as determined by the bank's Board of Directors considering net profits for the year. In no event may such contribution exceed the amount deductible by the company for federal income tax purposes. During the year ended December 31, 2001, the bank contributed \$330,000 to this plan for all participants. The following amounts were contributed on behalf of the individuals named in the summary compensation table: Mr. Lombardi, \$16,320, Mr. Tulaney, \$16,064, Mr. Champi, \$15,297, Mr. Kavulich, \$9,771 and Mr. Lance, \$9,536. Directors who are not also bank officers or employees are not eligible to participate in this plan.

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

The full board of directors advises our Chief Executive Officer on compensation matters, determines the compensation of the Chief Executive Officer, reviews and takes action on the recommendation of the Chief Executive Officer as to the appropriate compensation of other officers and key personnel and approves the grants of bonuses to officers and key personnel. The Stock Option Administration Committee is responsible for the administration of the company's Stock Incentive Plan and the Independent Directors Stock Option Plan.

This report of the board of directors shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

CHIEF EXECUTIVE OFFICER COMPENSATION

Compensation for Mr. Lombardi's services as President and Chief Executive Officer is paid under the terms of an employment agreement between the company and Mr. Lombardi. The terms of the Employment Agreement are described under "Employment Agreements". In addition to his base salary, Mr. Lombardi received a \$275,000 bonus in 2001. The Board of Directors considers the amounts paid to Mr. Lombardi for his services to the company to be reasonable in light of the responsibilities assumed by Mr. Lombardi during 2001. Mr. Lombardi does not participate in the Board's determination of his own compensation.

COMPENSATION POLICY FOR EXECUTIVE OFFICERS OTHER THAN THE CHIEF EXECUTIVE OFFICER

The Board of Director's fundamental policy is to provide our executive officers with competitive compensation opportunities based upon their contribution to our development and financial success and their personal performance. The Board's objective is to have a portion of each executive officer's compensation contingent upon our performance as well as upon each executive officer's own level of performance. Therefore, the compensation package for each executive officer is comprised of three different elements:

- o base salary which reflects individual performance and is designed primarily to be competitive with salary levels in the industry;
- o cash bonuses which reflect the achievement of performance objectives and goals; and
- o long-term stock-based incentive awards which strengthen the mutuality of interest between the executive officers and our shareholders.

17

Factors. The principal factors that the Board of Directors considered with respect to each executive officer's compensation for fiscal 2001 are summarized below. The Board of Directors may, however, in its discretion, apply entirely different factors for executive compensation in future years.

- o Base Salary. The base salary for each executive officer was determined on the basis of the following factors: experience, expected personal performance, the salary levels in effect for comparable positions within and without the industry, internal base salary comparability considerations

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

and the responsibilities assumed by the executive. The weight given to each of these factors differed from individual to individual, as the Board of Directors believed appropriate.

- o Bonus. Bonus represents the variable component of the executive compensation program that is tied to our performance and individual achievement. Our policy is to base a significant portion of our executive officer's cash compensation on bonus. In determining bonuses, the Board of Directors considers factors such as relative performance of the company during the year and the individual's contribution to our performance, the need to attract, retain and motivate high quality executives as well as the degree to which the executive officer met or exceeded certain objectives established for him/her.
- o Long-term Incentive Compensation. Long-term incentives are provided through grants of stock options. The grants are designed to align the interests of each executive officer with those of the shareholders and provide each individual with a significant incentive to manage the company from the perspective of an owner with an equity stake. Each option grant allows the individual to acquire shares of our common stock at a fixed price per share over a specified period of time up to ten years. The number of shares subject to each option grant is set at a level intended to create meaningful opportunity for appreciation based on the executive officer's current position with the company, the size of comparable awards made to individuals in similar positions within the industry and the individual's personal performance in recent periods. However, the Board of Directors does not adhere to any specific guidelines as to the granting of options to our executive officers. Options to acquire an aggregate of 27,000 shares of our common stock were granted to executive officers in fiscal 2001.

18

INTERNAL REVENUE CODE LIMITS ON THE DEDUCTIBILITY OF COMPENSATION

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies publicly-held corporations a federal income tax deduction for compensation exceeding \$1,000,000 paid to the Chief Executive Officer or any of the four other highest paid executive officers, excluding performance-based compensation. Through December 31, 2001, this provision has not limited our ability to deduct executive compensation, but the Board of Directors will continue to monitor the potential impact of Section 162(m) on our ability to deduct executive compensation. The First National Community Bancorp, Inc. Stock Incentive Plan has been designed, and, to the extent deemed advisable by the Stock Option Administration Committee, will be administered in a manner that will enable the company to deduct compensation attributable to options and without regard to such deduction limitation.

We believe that our compensation philosophy of paying our executive officers with competitive salaries, cash bonuses and long-term incentives, as

Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form DEF 14A

described in this report, serves the best interests of First National Community Bancorp, Inc. and its shareholders.
