### Edgar Filing: FIRST NATIONAL COMMUNITY BANCORP INC - Form 8-K

#### CURRENT REPORT ON FORM 8-K

#### Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On August 28, 2009, First National Community Bancorp, Inc. (OTCBB:FNCB) (the "Company") approved for issuance, an aggregate of \$25 million of subordinated notes (the "Notes"), on a private placement basis, only to accredited investors. The Notes have a term of approximately ten years, and have a maturity date of September 1, 2019. The Notes bear interest, payable on the 1<sup>st</sup> of September, December, March, and June each year, at a fixed interest rate of 9.0% per year. For the first five years of issuance, the Company will only pay interest on the Notes. Beginning on September 1, 2015, payments of principal will be payable annually. The Notes may be redeemed at the option of the Company, in whole or in part, at any time, subject to any required regulatory approvals.

The Notes are intended to qualify as Tier 2 capital for regulatory purposes, to the extent permitted. It is expected that in accordance with applicable regulatory treatment one-fifth of the original principal amount of the Notes will be excluded each year from Tier 2 capital during the last five years prior to maturity.

The Company expects to contribute most of the net proceeds from the sale of the Notes to strengthen the Company's capital position, improve liquidity and increase the regulatory lending authority of its subsidiary, First National Community Bank.

This description of the Notes does not purport to be complete and is qualified in its entirety by reference to the form of Subordinated Note which is attached as Exhibit 4.1 hereto and is incorporated herein by reference. The press release dated August 28, 2009 regarding the issuance of the Notes is attached as Exhibit 99.1 and incorporated herein by reference.
