PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 27, 2004**

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Unity Bancorp, Inc. (the "Company") of proxies to be voted at the Company's 2004 Annual Meeting of Shareholders (the "Annual Meeting"), to be held on May 27, 2004, and at any meeting following postponement or adjournment of the Annual Meeting.

You are cordially invited to attend the Annual Meeting, which will begin at 6:00 p.m. local time. The Annual Meeting will be held at the Grand Colonial at the Coach and Paddock Restaurant, Route 173 West, Clinton, New Jersey. Shareholders will be admitted beginning at 5:00 p.m. local time. (Directions: Route 78 West to Exit 12 to end of ramp, turn left onto Route 173 West and proceed to restaurant on right; or Route 78 East to Exit 11 to end of ramp, turn left on Route 614, continue on Route 173 and proceed to restaurant.)

The Company is first mailing this proxy statement and proxy card (including voting instructions) on or about April 15, 2004, to persons who were Unity Bancorp shareholders at the close of business on March 31, 2004, the record date for the Annual Meeting.

PROXIES AND VOTING PROCEDURES

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of Unity Bancorp's common stock, no par value per share (the "Common Stock"), that you held as of the close of business on the record date. Each share of Common Stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

On March 31, 2004, there were 5,473,218 shares of Common Stock outstanding.

In accordance with New Jersey law, a list of shareholders entitled to vote at the meeting will be available at the Annual Meeting.

Who Is the Record Holder?

You may own Common Stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares of Common Stock are registered directly in your name, the Company is sending these proxy materials directly to you. If the record holder of your shares of Common Stock is a nominee, you will receive proxy materials from such record holder.

How Do I Vote?

Record Holders:

By Mail. If you choose to vote by mail, mark your proxy, date and sign it, and return it in the postage-paid envelope provided. Your vote by mail must be received by the close of voting at the Annual Meeting on May 27, 2004.

By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares of Common Stock in person.

Stock Held by Brokers, Banks and Nominees:

If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of Common Stock on March 31, 2004.

The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

How Many Votes Are Required?

A quorum is required to transact business at the Annual Meeting. The Company will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares of Common Stock entitled to vote are present at the Annual Meeting, either in person or by proxy.

If a quorum is present, a plurality of votes cast at the Annual Meeting is required to elect Directors. Thus, a Director may be elected even if the Director receives less than a majority of the shares of Common Stock represented at the Annual Meeting. Proxies cannot be voted for a greater number of nominees than are named in this Proxy Statement.

How Are Votes Counted?

All shares that have been properly voted, and not revoked, will be voted at the Annual Meeting in accordance with the instructions given. If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy will be voted as recommended by the Board of Directors: "for" the nominees for Director.

Proxies marked as abstaining, and any proxies returned by brokers as "non-votes" on behalf of shares held in street name because beneficial owners' discretion has been withheld as to one or more matters to be acted upon at the Annual Meeting, will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, any shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting.

Who Will Pay the Expenses of Proxy Distribution?

The Company will pay the expenses of the preparation of the proxy materials and the solicitation of proxies. Proxies may be solicited on behalf of the Company by Directors, officers or employees of the Company, who will receive no additional compensation for soliciting, in person or by telephone, e-mail or facsimile or other electronic means. In accordance with the regulations of the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. ("NASD"), the Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of Common Stock.

**PROPOSAL 1
ELECTION OF DIRECTORS**

In accordance with the Certificate of Incorporation and the Bylaws of the Company, the Board of Directors has fixed the number of directors constituting the Board at 11. The Board of Directors is divided into three classes. One class is elected each year for a term of three years.

Three Directors will be elected at this Annual Meeting to serve for a three-year term expiring at the Company's Annual Meeting in 2007. The Board has nominated Donna S. Butler, James A. Hughes and Allen Tucker to fill these positions. Each of the nominees is a current member of the Company's Board of Directors.

The following tables set forth, as of the record date, the names of the nominees and the names of those directors whose terms continue beyond the Annual Meeting and their ages, a brief description of their recent business experience, including present occupations and employment, certain directorships held by each, the year in which each became a director of the Company and the year in which their terms (or in the case of the nominees, their proposed terms) as director of the Company expire.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

The persons named in the enclosed proxy card will vote such proxy "for" the election of each of the nominees named above unless you indicate that your vote should be withheld. If elected, each nominee will continue in office until his successor has been duly elected and qualified, or until the earliest of his death, resignation, retirement or removal. Each of the nominees has indicated to the Company that he or she will serve if elected. The Company does not anticipate that any of the nominees will be unable to stand for election, but if that happens, your proxy will be voted in favor of another person nominated by the Board.

The Board of Directors has nominated and recommends a vote **FOR** the election of Ms. Butler, Mr. Hughes and Mr. Tucker.

PROPOSAL 2
APPROVAL OF UNITY BANCORP, INC. 2004 STOCK BONUS PLAN

Description of the 2004 Plan and Vote Required

On March 18, 2004, the Board of Directors adopted the Unity Bancorp, Inc. 2004 Stock Bonus Plan (the "2004 Plan") and directed that the 2004 Plan be submitted to the shareholders for approval at the 2004 Annual Meeting. The 2004 Plan will become effective if approved by a majority of the votes cast by holders of the shares of the Company's Common Stock voting in person or by proxy at the Annual Meeting. The Company believes that the 2004 Plan will enable it to attract and continue to

4

appoint and employ qualified directors, officers and employees, and, accordingly, the Company believes that it is in the best interests of the Company to adopt the 2004 Plan.

The purpose of the 2004 Plan is to provide directors, officers and employees of the Company, the Bank, and any subsidiaries the Company may acquire or form, with a proprietary interest in the Company as an incentive to encourage such persons to promote the growth and profitability of the Company and the Bank and remain in service with the Company and the Bank, and to reward such persons for the past performance of the Company and the Bank. The following summary of the material features of the 2004 Plan is qualified in its entirety by the full text of the 2004 Plan, a copy of which is attached to this Proxy Statement as Exhibit A.

Summary of the 2004 Plan

Up to 100,000 shares of the Company's Common Stock may be awarded under the 2004 Plan, subject to adjustment in the event of certain capital changes in the Company. Directors, officers and employees of the Company, the Bank, and of any subsidiaries that the Company may acquire or form, are eligible to be awarded bonuses under the 2004 Plan in the form of shares of the Company's Common Stock. At the date hereof, there are approximately 10 Directors, 5 executive officers and 165 employees who would be eligible to receive stock bonuses under the 2004 Plan.

The 2004 Plan will be administered by the Board of Directors of the Company, who will have the authority to determine the persons to whom share bonuses will be granted, the amount of each share bonus, and any other terms and conditions applicable to a share bonus (which terms and conditions may not be identical for all participants or with respect to all awards). The Board of Directors also has the authority to establish such rules and regulations as it may deem necessary or appropriate for the proper administration of the 2004 Plan. The Company

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

anticipates filing a registration statement under the Securities Act of 1933, as amended, with respect to the shares of Common Stock issuable under the 2004 Plan.

Federal Income Tax Consequences of the 2004 Plan

In general, bonus share grants will be taxed as compensation income to the grant recipient at the full fair market value of the Common Stock underlying the grant on the date of grant. The Company is entitled to an income tax deduction for the amount of compensation paid to a participant under the 2004 Plan. If the bonus shares are subject to forfeiture, absent an election under section 83 of the Internal Revenue Code of 1986, as amended (the "Code"), the bonus share grant will be taxed to the grant recipient as compensation income at the fair market value of the Common Stock underlying the grant, and the Company will be entitled to an income tax deduction for such amount, as of the date the risk of forfeiture is eliminated. If the grant recipient makes a timely election under section 83(b) of the Code, the bonus share grant will be taxed as compensation income to the grant recipient at the fair market value of the Common Stock underlying the grant, without regard to any risk of forfeiture, on the date of grant, and the Company will be entitled to an income tax deduction in such amount as of the same date.

Termination of and Amendments to the 2004 Plan

No awards may be made under the 2004 Plan after the expiration of ten years from the date of adoption of the 2004 Plan. The Board of Directors may amend the 2004 Plan from time to time, or terminate the 2004 Plan at any time, in each case in its discretion, but no such action shall reduce any award granted prior to the date of such action, or change any of the terms or conditions applicable to such existing award without the consent of the award recipient.

5

The number of shares that would be awarded to the Company's Chief Executive Officer and the other four most highly compensated executive officers of the Company pursuant to the 2004 Plan are not currently determinable.

The following table provides information with respect to the equity securities that are authorized for issuance under our equity compensation plans as of December 31, 2003:

GOVERNANCE OF THE COMPANY

Meetings of the Board of Directors and Committee Meetings

During the fiscal year ended December 31, 2003, the Board of Directors of the Company held 17 meetings. During the fiscal year ended December 31, 2003, no director attended fewer than 75% of the aggregate of (i) the meetings of the Board of Directors, and (ii) meetings of the Committees of the Board of Directors on which such director served. The Board of Directors has determined that each of the following Directors of the Company is "independent" within the meaning of the NASD's listing standards: Donna Butler, Allen Tucker, Frank Ali, Mark Brody, Peter DeTommaso, Charles Loring and Samuel Stothoff. The Company's policy is to require all Directors to attend annual meetings of shareholders absent extenuating circumstances. Ten out of eleven of the Company's Directors attended the Company's 2003 Annual Meeting of Shareholders.

Audit Committee

The Company maintains an Audit Committee of the Board of Directors, which consisted of Messrs. Ali, Brody, Loring and Tucker during the fiscal year ended December 31, 2003. Ms. Butler was appointed as an additional member of the Audit Committee on January 13, 2004. The Audit Committee met 13 times in 2003. All Directors who serve on the Audit Committee are "independent" for purposes of NASD listing standards. The Board has determined that Mr. Loring is an "audit committee financial expert" as defined in Item 401(h) of Securities and Exchange Commission Regulation S-K, and has the financial sophistication and experience required by NASD listing standards.

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Board has adopted a written charter setting out the functions of the Audit Committee. The audit functions of the Audit Committee are to: (i) monitor the integrity of the Company's financial reporting process and systems of internal controls; (ii) monitor the independence and performance of the Company's independent external audit and internal audit functions; (iii) provide avenues of communication among the independent auditor, management, internal auditors and the Board of Directors; and (iv) encourage the adherence to, and continuous improvement of, the Company's policies, procedures and practices at all levels. The Audit Committee also reviews and evaluates the recommendations of the independent certified public accountant, receives all reports of examination of the Company and the Bank by regulatory agencies, analyzes such regulatory reports, and informs the Board of the results of their analysis of the regulatory reports. In addition, the Audit Committee receives reports directly from the Company's internal auditors and recommends any action to be taken in connection therewith.

The Board has adopted a written charter for the Audit Committee setting forth the audit-related functions that the Audit Committee is to perform. The Audit Committee reviews this charter annually in order to assure compliance with current SEC and NASDAQ rulemaking and to make sure that Audit Committee functions and procedures are appropriately defined and implemented. Pursuant to this review, the Audit Committee charter was amended and restated as of February 26, 2004 to conform to recently revised standards of conduct, independence and operation applicable to audit committees and their members. A copy of the Charter as so amended and restated is attached as Exhibit B to this Proxy Statement.

H/R Compensation Committee

The Company has an H/R Compensation Committee of the Board of Directors, which consisted of Robert H. Dallas (as Chairman), Frank Ali, Donna Butler and Peter DeTommaso during the fiscal year ended December 31, 2003. The H/R Compensation Committee met 3 times in 2003. On March 18, 2004, Mr. Dallas resigned from his position on the H/R Compensation Committee and Dr. Mark S.

Brody was appointed to take his place. As of the date hereof, all Directors who serve on the H/R Compensation Committee are "independent" for purposes of NASD listing standards.

The H/R Compensation Committee is appointed by the Board of Directors to assist the Board in fulfilling its responsibilities with respect to human resources issues, policies relating to human resources and compensation of employees, including executive compensation. The H/R Compensation Committee does not have a formal charter, but performs functions that include monitoring human resources and compensation issues and practices both internally and in the marketplace, conducting surveys and studies as to these issues, keeping abreast of current

developments in the relevant fields, developing compensation ranges/grades, human resource policies and employment manual updates. Based on the results of its activities, the H/R Compensation Committee makes recommendations to the Board as to matters of compensation and human resources. The H/R Compensation Committee is not authorized to make final decisions as to these matters; rather, the Board of Directors makes all final determinations regarding compensation and human resources matters, and takes into account, but is not required to follow, the recommendations of the H/R Compensation Committee. All decisions regarding compensation of executive officers of the Company are made by a majority of independent Directors, in accordance with NASD listing standards.

The Company does not maintain a separate Nominating Committee. The full Board of Directors, which is comprised of a majority of independent directors within the meaning of the NASD listing standards, performs the functions and fulfills the role of a nominating committee. In accordance with NASD listing standards, each nominee selected by the Board must be approved by a majority of the independent Directors. The Company does not believe that a nominating committee is needed in light of the foregoing approval requirement and the fact that the Board consists largely of independent Directors. Although the Board has not adopted a formal written charter relating to its nominating procedures, it has adopted a resolution regarding the nomination process. The Board of Directors carefully considers all director candidates recommended by the Company's stockholders, and the Board does not and will not evaluate such candidate recommendations any differently from the way it evaluates other candidates. In its evaluation of each proposed candidate, the Board considers many factors including, without limitation, the individual's experience, character, demonstrations of judgment and ability, and financial and other special expertise. The Board is also authorized to obtain the assistance of an independent third party to complete the process of finding, evaluating and selecting suitable candidates for director. Candidates must; be at least 30 years old, be an individual of high character and integrity, be accomplished in his or her respective field with superior credentials and recognition, have relevant expertise and experience upon which to be able to offer advice and guidance to management, have sufficient time available to devote to the affairs of the Company, represent the long-term interest of shareholders and have a broad understanding of financial matters. Any shareholder who wishes to recommend an individual as a nominee for election to the Board of Directors should submit such recommendation in writing to the President of the Company, together with information regarding the experience, education and general background of the individual and a statement as to why the shareholder believes such individual to be an appropriate candidate for Director of the Company. Such recommendation should be provided to the Company no later than the deadline for submission of shareholder proposals with respect to the annual meeting at which such candidate, if nominated by the Board, would be proposed for election.

Communications with the Board of Directors

The Company encourages shareholder communications with the Board of Directors but does not have a formal process. All such communications should be directed to Mr. Hughes, who will circulate them to the other members of the Board. The Board does not screen shareholder communications.

8

Compensation of Directors

Directors of the Company do not receive cash compensation for their service on the Company's Board of Directors. However, Directors do receive cash compensation for their service on the Board of Directors of the Bank. Directors receive \$600 for attendance at each Bank Board of Directors meeting, and between \$150 and \$250 for attendance at each Bank Committee meeting. In addition, Directors are eligible to participate in the Company's stock bonus and stock option plans. During 2003, no members of the Company's Board of Directors received grants of Common Stock under the Company's stock bonus plans. During 2003, a total of 67,000 options to purchase shares of Common Stock were granted to non-employee Directors at an exercise price of \$11.28 per share.

Code of Ethics

The Company has adopted a Code of Ethics in accordance with SEC regulations, applicable to the Company's Chief Executive Officer, Chief Operating Officer, senior financial officers and the Board of Directors, which Code was filed as Exhibit 14 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

INDEPENDENT PUBLIC ACCOUNTANTS

Appointment of Auditors for Fiscal 2004

The Company's independent auditor for the fiscal year ended December 31, 2003 was KPMG LLP. The Company's Audit Committee has appointed KPMG LLP to continue as independent auditor for the Bank and the Company for the year ending December 31, 2004. Representatives of KPMG LLP are expected to be present at the Annual Meeting with an opportunity to make a statement if they desire to do so

and to be available to respond to appropriate questions.

Fees Paid to the Company's Independent Auditors During Fiscal 2003 and Fiscal 2002

Audit Fees

The Company was billed the aggregate amount of \$110,000 for fiscal year ended December 31, 2003 for professional services rendered by KPMG LLP for its audit of the Company's Financial Statements for 2003 and review of the financial statements included in the Company's Forms 10-Q during 2003. The Company was billed the aggregate amount of \$110,000 for fiscal year ended December 31, 2002 for professional services rendered by KPMG LLP for its audit of the Company's Financial Statements for 2002 and review of the financial statements included in the Company's Forms 10-Q during 2002.

Audit-Related Fees

In fiscal 2003, KPMG LLP billed the Company \$94,500 for services in connection with an internal inquiry into certain expense reimbursement requests made by the Company's former President and Chief Executive Officer, and the related assurance that such requests were isolated incidents and did not necessitate restatement of the Company's previously issued financial statements.

Tax Fees

KPMG LLP billed the Company \$7,600 and \$4,950 in for the fiscal years ended 2003 and 2002, respectively, for tax compliance services.

9

All Other Fees

In addition to the fees set forth above under Audit Fees, the Company was billed \$31,536 for the implementation of cash management software in the fiscal year ended December 31, 2002. The Company was also billed \$2,000 by KPMG LLP for professional services related to Securities and Exchange Act filings of the Company in fiscal year 2002.

The Audit Committee has considered whether the provision of these services is compatible with maintaining the independence of KPMG LLP.

Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may pre-approve particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval. All audit and permissible non-audit services provided by KPMG LLP to the Corporation for the fiscal years ended 2003 and 2002 were approved by the Audit Committee.

Report of the Audit Committee

The Audit Committee meets monthly to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent auditors and the Company's internal auditors, who have unrestricted access to the Audit Committee.

Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent auditors audit the financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations, and cash flows of the Company in conformity with generally accepted accounting principles and discuss with us any issues they believe should be raised with us.

Edgar Filing: UNITY BANCORP INC /DE/ - Form DEF 14A

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and KPMG LLP, the Company's independent auditors. We have discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). We also have received the written disclosures and letters from KPMG LLP, that are required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and have discussed with representatives of KPMG LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the U.S. Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Board of Directors Interlocks and Insider Participation

During 2003, the entire Board of Directors of the Company and the Bank made all decisions with regard to executive compensation, taking into consideration the recommendations of the H/R Compensation Committee. The approval of a majority of the independent Directors is required with respect to all executive compensation. None of the members of the Board of Directors except James A. Hughes and David D. Dallas are or at any time have been an employee of the Company or the Bank. David D. Dallas is currently serving as the Company's interim Chief Executive Officer, but receives no compensation for his services in that capacity. (Anthony J. Feraro was both an employee and a Director of the Company and the Bank during 2003, but resigned from all positions with the Company and the Bank as of December 31, 2003.)

Board of Directors Report on Executive Compensation

The Board of Directors is responsible for establishing the compensation levels and benefits for executive officers of the Company and the Bank. The Board of Directors has the following goals for compensation programs affecting the executive officers of the Company and the Bank:

to align the interests of executive officers with the long-term interests of shareholders through awards that can result in ownership of Common Stock;

to retain the executive officers who the Board of Directors believes will increase the Company's level of performance and to allow the Company to attract high quality executive officers in the future by providing total compensation opportunities which are consistent with competitive norms of the industry; and

to maintain "fixed" compensation at competitive amounts for the industry and the geographic area of the Company.

Anthony J. Feraro was the Company's President and Chief Executive Officer and was also the President and Chief Executive Officer of the Bank during 2003. Mr. Feraro resigned from all of his positions with the Company and the Bank as of December 31, 2003, and James A. Hughes was appointed President of the Company and the Bank as of January 1, 2004. David D. Dallas is currently serving as the Company's interim Chief Executive Officer, but is not compensated by the Company for his services in this capacity. In determining Mr. Feraro's compensation for 2003, the Board of Directors took into account the continued profitability of the Company during the year. The Board of Directors also took into account Mr. Feraro's performance in repositioning the Company's funding mix, improving the Company's net interest margin, decreasing the Company's cost of funds and increasing the Company's loan portfolio.

Although, as stated above, David Dallas has served as the Company's interim Chief Executive Officer since January 1, 2004, in view of his service in that capacity without compensation, the Board of Directors presently anticipates that Mr. Hughes will be the Company's most highly compensated executive officer in 2004. Consequently, for 2004, the Board of Directors will review Mr. Hughes' total compensation package in light of the Company's continued efforts to increase its profitability, augment its capital and increase its base of earning assets.

Employment and Change in Control Agreements

In connection with the resignation of Anthony J. Feraro as of December 31, 2003, the Company and the Bank entered into a Settlement Agreement and General Release dated as of December 31, 2003 pursuant to which; (i) Mr. Feraro is entitled to receive from the Bank, in installments through 2004, an amount equal to \$320,000 (Mr. Feraro's annual salary during 2003); (ii) the Company has agreed to provide medical benefits for Mr. Feraro and his immediate family through 2004; (iii) Mr. Feraro was permitted to exercise, through March 31, 2004, all options to purchase the Company's Common Stock granted to Mr. Feraro and vested as of December 31, 2003; (iv) mutual general releases were provided by Mr. Feraro and the Company and the Bank; and (v) Mr. Feraro agreed to a one-year covenant not to compete with the Company or the Bank. The Employment Agreement of Mr. Feraro formerly in effect was terminated, and superseded and replaced, by the Settlement Agreement and General Release.

The Company and the Bank entered into an Employment Agreement with Mr. Hughes on March 23, 2004 (superseding and replacing a Retention Agreement with Mr. Hughes formerly in effect) with respect to his services as President of the Company and the Bank. Under this Employment Agreement, Mr. Hughes will receive an annual base salary of \$185,000, subject to annual review and, in the discretion of the Board of Directors, adjustment based on factors deemed appropriate by the Board. Mr. Hughes may also receive such additional cash bonuses as the Board of Directors may authorize, in its discretion. Mr. Hughes is entitled to participate in such benefit programs as are made available to employees of the Company, and to participate in such stock option or stock bonus plans as the Board of Directors may, in its discretion, determine.

Mr. Hughes' employment may be terminated at any time for "cause" as defined in the Employment Agreement, or without "cause." In the event that Mr. Hughes is terminated without "cause" or resigns for "good cause" (as defined under the Employment Agreement and discussed below), he is entitled to receive a severance amount equal to 18 months of his then current base salary. Such amount shall be paid, at the option of Mr. Hughes, over an 18-month period or in one lump sum payment (within 30 days of the termination of Mr. Hughes' employment). In the event Mr. Hughes elects to receive such amount over an 18-month period, Mr. Hughes will also continue to receive medical, life insurance and other benefits to which he had been entitled at the date of termination for such 18-month period unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. "Good Cause" under the Employment Agreement includes a material reduction in Mr. Hughes' duties and responsibilities or any reduction in his base salary. In addition, if Mr. Hughes' employment with the Company or any successor terminates within 18 months after a "change in control" of the Company, as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be

entitled to receive, an amount equal to the greater of (i) 36 times Mr. Hughes' monthly base salary (prorated based upon his annual base salary at the date of termination), or (ii) the amount of Mr. Hughes' annual base salary at the date of termination plus the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid, at the option of Mr. Hughes, in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a "Change in Control") or over a 36-month period. In the event Mr. Hughes elects to receive such amount over a 36-month period, the Company, or its successor, will be required to maintain Mr. Hughes' hospital, health, medical and life insurance coverage during such 36-month period unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. All unvested stock options and stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, If Mr. Hughes' employment with the Company terminates within 18 months after the Company consummates a "Significant Acquisition", as defined under the Employment Agreement (regardless of the reason for such termination), Mr. Hughes will be entitled to receive an amount equal to the greater of (a) 36 times Mr. Hughes' monthly base salary (pro-rated based upon his annual base salary at the date of termination), or (b) the amount of Mr. Hughes' annual base salary at the date of termination plus the aggregate amount of any cash bonuses paid to Mr. Hughes during the preceding fiscal year. Such amount shall be paid, at the option of Mr. Hughes, in one lump sum payment (within 30 days of the termination of Mr. Hughes subsequent to a "Significant Acquisition") or over a 36-month period. In the event Mr. Hughes elects to receive such amount over a 36-month period, the Company will be required to maintain Mr. Hughes' hospital, health, medical and life insurance benefits coverage during such 36-month period unless and until Mr. Hughes obtains new employment during such period and such new employment provides for such benefits to be provided to Mr. Hughes. In the event Mr. Hughes becomes entitled to the foregoing amounts due to this termination within 18 months of a Significant Acquisition, all unvested stock options or stock awards previously granted to Mr. Hughes shall accelerate and immediately vest upon such termination. "Significant Acquisition" under the Employment Agreement means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Mr. Hughes' Employment Agreement has a term of three years; however, for each day elapsed during the term, a day will be added at the end of the term so that the term will be extended on a rolling basis to be three years at any point in time, unless either party shall have provided written notice to the other of its desire to cease such extensions. In addition, the term of Mr. Hughes' Employment Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the FDIC or the New Jersey Department of Banking and Insurance; or (iii) the receipt by the Company of any notice under a federal or state law which (in any way) restricts the payment of any amounts or benefits which may become due under Mr. Hughes' Employment Agreement.

The Company also entered into Retention Agreements on March 23, 2004 with each of its executive vice presidents, Messrs. Bedner, Bono, Downes, Kauchak and Ms. Stashko (superseding and replacing, in the case of Messrs. Bono, Downes and Kauchak, change in control agreements formerly in effect) setting forth the rights of such persons upon termination of employment and upon a change in control of the Company. Each of these Retention Agreements provides that the executive may be terminated at any time for "cause" as defined in the applicable Retention Agreement, or without "cause." In the event that the executive is terminated without "cause" or resigns for "good cause" (as defined under the applicable Retention Agreement and discussed below), the executive is entitled to receive a severance amount equal to 9 months of the executive's then current base salary. Such amount

shall be paid, at the executive's election in a lump sum payment (within 30 days of the termination of the executive) or over a 9-month period. In the event the executive elects to receive such amount over a 9-month period, the executive will continue to receive medical, life insurance and other benefits to which the executive had been entitled at the date of termination for such 9-month period unless and until the executive obtains

new employment during such period and such new employment provides for such benefits to be provided to the executive. "Good Cause" under the Retention Agreements includes a material reduction in the executive's duties and responsibilities or any reduction in the executive's base salary.

In addition, if the executive's employment with the Company or any successor terminates within 18 months after a "change in control" of the Company, as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive, an amount equal to the greater of (i) 18 times the executive's monthly base salary (prorated based upon the executive's annual base salary at the date of termination), or (ii) the amount of the executive's annual base salary at the date of termination plus the aggregate amount of any cash bonuses paid to the executive during the preceding fiscal year. Such amount shall be paid, at the executive's option, in one lump sum payment (within 30 days of the executive's termination subsequent to a "change in control") or over an 18-month period. In the event the executive elects to receive such amount over an 18-month period, the Company, or its successor, will be required to maintain the executive's hospital, health, medical and life insurance coverage for such 18-month period. All unvested stock options and stock option grants previously granted to the executive shall accelerate and immediately vest upon the occurrence of a change in control.

Furthermore, if the executive's employment with the Company terminates within 18 months after the Company consummates a "Significant Acquisition", as defined under the Retention Agreements (regardless of the reason for such termination), the executive will be entitled to receive an amount equal to the greater of (a) 18 times the executive's monthly base salary (pro-rated based upon its annual base salary at the date of termination), or (b) the amount of the executive's annual base salary at the date of termination plus the aggregate amount of any cash bonus paid to the executive during the preceding fiscal year. Such amount shall be paid, at the option of the executive, in one lump sum payment (within 30 days of the termination of the executive subsequent to a "Significant Acquisition") or over an 18-month period. In the event the executive elects to receive such amount over an 18-month period, the Company will be required to maintain the executive's hospital, health, medical and life insurance benefits coverage during such 18-month period unless and until the executive obtains new employment during such period and such new employment provides for such benefits to be provided to the executive. In the event the executive becomes entitled to the foregoing amounts due to termination within 18 months of a Significant Acquisition, all unvested stock options and stock awards previously granted to the executive shall accelerate and immediately vest upon such termination. "Significant Acquisition" under the Retention Agreements means an acquisition by the Company pursuant to which, as all or part of the consideration for such acquisition, the Company issues to the shareholders of the acquired entity such number of voting securities as shall equal 25% or more of the then outstanding voting securities of the Company. Each Retention Agreement has a term of three years; however, in the event that the term of the Retention Agreement would terminate at any time after the Company has engaged in substantive negotiations regarding a transaction that would lead to a change in control, the Retention Agreement shall continue to remain in full force in effect until the earlier to occur of (i) the effectuation of the transaction leading to the change in control or (ii) the termination of the negotiations for the proposed transaction which would have resulted in the change in control. In addition, the term of each Retention Agreement shall terminate immediately upon the occurrence of any of the following: (i) the Company's entering into a Memorandum of Understanding with the FDIC or the New Jersey Department of Banking and Insurance; (ii) a cease-and-desist order being issued with respect to the Company by the Bank or the New Jersey Department of Banking and Insurance; or

17

(iii) the receipt by the Company of any notice under a federal or state law which in any way restricts the payment of an award or benefits under the Retention Agreement.

Stock Benefit Plans for Employees

The Company has several stock option plans that allow the Board of Directors to grant stock options to the Company's officers, employees and directors. The exercise price of options is equal to the fair market value of the Common Stock on the date of grant. Options typically vest over a period of time determined by the Board and may not be exercised more than ten years after the date of grant.

401(k) Plan

The Bank has a 401(k) savings plan covering substantially all employees. Under this plan, an employee can contribute up to 20% of his or her salary on a tax deferred basis. The Bank may also make discretionary contributions to the plan.

Certain Transactions with Management

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e., corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

The Company leases its Clinton, New Jersey headquarters from a partnership in which Messrs. D. Dallas and R. Dallas are partners. Under the lease for such facility, such partnership received aggregate rental payments of \$593,588 in 2003. On September 19, 2003, the Company entered into an amendment to such lease, which, among other things: extended the term thereof through December 31, 2009; increased the rental amounts due thereunder to \$422,256 per annum (\$35,188 per month) through December 31, 2003; increased the rental amounts due thereunder to \$430,704.36 per annum (\$35,892.03 per month) during the period of January 1, 2004 through October 31, 2005; increased the rental amounts thereunder to \$553,247.40 per annum (\$46,103.95 per month) for the period of November 1, 2005 through December 31, 2009, which includes an additional 5,600 sq feet of rental space located on the third floor of the Company's headquarters; gave the Company an option to rent, from April 1, 2004 through November 1, 2005, an additional 3,519 square feet at 54 Old Highway 22, Clinton, New Jersey (a building adjacent to the Company's Clinton, New Jersey headquarters owned by an affiliate of the partnership in which Messrs. D. Dallas and R. Dallas are partners) at the rate of \$68,536.04 per annum (\$5,711.34 per month); and gave the Company option to purchase its Clinton, New Jersey headquarters for a purchase price of \$5,000,000 which must be exercised prior to June 30, 2009. In addition to the base rental amounts, the Company is also responsible to pay its pro rata share of common area maintenance charges through the remainder of the lease term. The Company believes that such rent payments reflected market rent and that such lease reflects terms that are comparable to those which could have been obtained in a lease with an unaffiliated third party. During 2003, the Company also leased its Scotch Plains, New Jersey offices from a partnership in which Messrs. D. Dallas and R. Dallas are partners. Under the lease for such office, such partnership received aggregate rental payments of \$75,246 in 2003. On January 1, 2004, the Company purchased such Scotch Plains, New Jersey offices for \$750,000 from such partnership. The Company believes that such 2003 rent payments reflected market rent, that the lease therefor reflected terms that are comparable to those which could have been obtained in a lease with an unaffiliated third party, and that the purchase of its Scotch Plains, New Jersey offices reflects a fair market price that is comparable to the price that would have been paid to an unaffiliated third party for the purchase of similar offices either in or in the vicinity of Scotch Plains, New Jersey. A majority of the Company's independent Directors approved the foregoing payments and arrangements.
