Dear Shareholder:

The 2003 Annual Meeting of Shareholders will be held in the Oak Room of  
Massachusetts Mutual Life Insurance Company, 1295 State Street, Springfield,  
Massachusetts 01111, at 2:00 p.m., Eastern Time, on Friday, April 11, 2003. A  
Notice and a Proxy Statement regarding the meeting, a proxy card for your vote  
at the meeting and a postage prepaid envelope in which to return your proxy card  
are enclosed.

BY PROMPTLY RETURNING THE ENCLOSED PROXY CARD YOU CAN HELP THE TRUST AVOID  
THE EXPENSE OF SENDING FOLLOW-UP LETTERS TO OBTAIN THE ATTENDANCE OF A MAJORITY  
OF THE OUTSTANDING SHARES. You are earnestly requested to sign and return the  
proxy card in order that the necessary quorum may be represented at the meeting.  
If you find you can be present in person, you may, if you wish, revoke your  
proxy then and vote your shares in person.

At the meeting, shareholders will be asked to elect one Trustee and to  
re-elect two Trustees, ratify the selection of Deloitte & Touche LLP as  
auditors, and approve the existing Investment Services Contract dated July 1,  
1988, with David L. Babson & Company Inc.

The Trustees recommend that shareholders elect the nominated Trustees,  
ratify the selection of Deloitte & Touche LLP, and approve the continuance of  
the contract with David L. Babson & Company Inc.

I look forward to your attendance at this meeting because it will provide  
us with an opportunity to inform you about the progress of the Trust.

Sincerely,

/s/ Stuart H. Reese

MASSMUTUAL CORPORATE INVESTORS  
NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

TO THE SHAREHOLDERS OF  
MASSMUTUAL CORPORATE INVESTORS:

The Annual Meeting of Shareholders of MASSMUTUAL CORPORATE INVESTORS (the "Trust") will be held in the Oak Room of Massachusetts Mutual Life Insurance Company, 1295 State Street, Springfield, Massachusetts 01111, on Friday, April 11, 2003, at 2:00 p.m., Eastern Time, for the following purposes:

(1) To elect Robert E. Joyal for a one-year term as Trustee, and to re-elect Stuart H. Reese and Martin T. Hart as Trustees for three-year terms, and until their successors are duly elected and qualified;

(2) To ratify the selection of Deloitte & Touche LLP as auditors of the Trust for the fiscal year ending December 31, 2003;

(3) To approve the Trust's existing Investment Services Contract with David L. Babson & Company Inc. dated July 1, 1988 and last submitted to a vote of the Trust's shareholders on April 19, 2002 for ratification; and

(4) To transact such other business as may properly come before the meeting or any adjournment or adjournments thereof.

Holders of record of the shares of the Trust at the close of business on February 11, 2003, are entitled to vote at the meeting or any adjournment thereof.

By order of the  
Board of Trustees,

/s/ Stephen L. Kuhn

Stephen L. Kuhn  
VICE PRESIDENT AND SECRETARY

Springfield, Massachusetts

PROXY STATEMENT  
GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees of MASSMUTUAL CORPORATE INVESTORS (the "Trust") for use at the Annual Meeting of its Shareholders, to be held in the Oak Room of Massachusetts Mutual Life Insurance Company (the "Insurance Company"), 1295 State Street, Springfield, Massachusetts 01111, on Friday, April 11, 2003, at 2:00 p.m., Eastern time.

Any person giving a proxy has power to revoke it by mail or in person at any time prior to its exercise by executing a superseding proxy or by submitting

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

a notice of revocation to the Trust. All properly executed and unrevoked proxies received in time for the meeting will be voted in accordance with the instructions contained therein.

Holders of common shares of the Trust ("shares") of record at the close of business on February 11, 2003 will be entitled to one vote per share on all business of the meeting and any adjournments. There were 8,836,464 shares outstanding on the record date. To the best knowledge of the Trust, the only beneficial owner of more than 5% of the outstanding shares of the Trust is the Insurance Company. The Insurance Company may be deemed a beneficial owner of more than 5% of the outstanding shares of the Trust by reason of its owning a \$20,000,000 Senior Fixed Rate Convertible Note due November 15, 2007 (the "Note") issued by the Trust. The Insurance Company, at its option, can convert the principal amount of the Note into shares. The dollar amount of principal would be converted into an equivalent dollar amount of shares based upon the average price of the shares for ten business days prior to the notice of conversion.

This Proxy Statement and the accompanying letter to shareholders from the Chairman of the Trust, Notice of Annual Meeting of Shareholders and proxy card are being mailed on or about February 28, 2003, to shareholders of record on February 11, 2003, the record date. The Trust's principal business office is

3

1500 Main Street, Suite 1100, Springfield, Massachusetts 01115.

Pursuant to the Trust's By-Laws, the presence at the Annual Meeting, in person or by proxy, of shareholders entitled to cast a majority of the votes shall be a quorum for the transaction of business. A plurality of votes cast is required to elect Trustees. Thus, the three nominees for Trustees at the Annual Meeting who receive the greatest number of votes properly cast for the election of trustees shall be elected Trustees. Under the Trust's Declaration of Trust a majority of the shares voted is required to ratify the selection of independent accountants.

To the extent that a vote is legally required, an affirmative "majority vote" of the Trust's shares is required to approve the Trust's existing Investment Services Contract dated July 1, 1988 (the "Contract") with David L. Babson & Company Inc. ("Babson"). An affirmative "majority vote" means either (1) the holders of at least 67% of the Trust's shares present in person or by proxy, if more than 50% of the Trust's outstanding shares are present or represented by proxy, or (2) a majority of the outstanding shares of the Trust, whichever is less.

Votes cast by proxy or in person at the Annual Meeting will be counted by persons appointed by the Trust to act as election inspectors for the meeting. The election inspectors will count the total number of votes cast "for" approval of the proposals for purposes of determining whether sufficient affirmative votes have been cast. The election inspectors will count shares represented by proxies that withhold authority to vote for a nominee for election as a Trustee or that reflect abstentions or "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not exercise the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. As to the continuance of the Contract, abstentions or broker non-votes have the effect of a negative vote. With respect to the election of

4

Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

Trustees and the ratification of the selection of an independent accountant, abstentions and broker non-votes have no effect on the outcome of the proposal so long as a quorum is present.

(1) ELECTION OF TRUSTEES

The Board of Trustees is currently comprised of eight Trustees with terms expiring in 2003, 2004 and 2005. The terms of Stuart H. Reese, Richard G. Dooley and Martin T. Hart expire this year. Mr. Dooley, who is 73, will be retiring from the Board. Mr. Reese and Mr. Hart have been nominated for re-election for three-year terms. Mr. Robert E. Joyal has been nominated for a one-year term. All nominees, if elected, are to serve their respective terms, and until each of their successors is duly elected and qualified.

### INFORMATION CONCERNING COMMITTEES AND MEETINGS OF THE BOARD OF TRUSTEES

The Board of Trustees has an Audit Committee composed exclusively of Trustees who are not "interested persons" of the Trust, which operates pursuant to a written Charter appearing on page 38 of this proxy as Appendix A. Its present members are Messrs. Benson and Hart, and Ms. Norgaard. Each member of the Audit Committee qualifies as an "independent" Trustee under the current listing standards of the New York Stock Exchange and the rules of U.S. Securities and Exchange Commission. The Audit Committee reviews the independence of the Trust's independent accountants and the Trust's financial statements and operation. The Committee also recommends to the Board of Trustees the engagement of the Trust's independent auditors, and reviews with the auditors the plan and scope of their audit for each year, the results of the audit when completed and their fees for services performed. The Audit Committee also supervises investigations into matters relating to audit function. During the twelve months ended December 31, 2002, the Audit Committee held three meetings, one of which was by telephone.

The Trust also has a Joint Transactions Committee, made up of the independent Trustees, that reviews certain investment transactions. This Committee acts primarily by written consent, and 15 consents were executed by Committee members, approving 15 investments during the past fiscal year. The Committee met informally four times during the year in conjunction with the quarterly meetings of the full Board.

In addition, the Trust has a Nominating Committee whose members are also the independent Trustees. The Nominating Committee is responsible for nominating independent Trustees. The Nominating Committee may consider nominations submitted by the Trust's shareholders at its discretion. This Committee met once

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

during fiscal year 2002.

During the past fiscal year, the Board of Trustees held five regular meetings (one of which was held by means of a telephone conference). All Trustees attended

19

at least 80% of all of the meetings of the Board of Trustees.

### TRANSACTIONS WITH AND REMUNERATION OF OFFICERS AND TRUSTEES

Pursuant to the Contract, Babson paid the compensation and expenses of the Trust's officers and employees and of all Trustees of the Trust who were officers or employees of Babson, with the exception of Mr. Reese and Mr. Dooley, whose compensation and expenses were paid by the Insurance Company. Thus, during its fiscal year ended December 31, 2002, the Trust did not pay any compensation to any of its officers or employees or to any of its Trustees who also were officers or employees of Babson or the Insurance Company. Mr. Kandarian, who is the executive director of a U.S. Government agency, does not receive any compensation for his services as a Trustee other than out-of-pocket expenses incurred to attend meetings. Babson will pay the compensation of and expenses of the Trust's officers and employees and all Trustees of the Trust who are officers or employees of Babson. The Insurance Company will pay the compensation of and expenses of the Trust's officers and employees and all Trustees of the Trust who are officers or employees of the Insurance Company.

Trustees who are not officers or employees of the Insurance Company or Babson receive fees of \$2,000 for each Trustees' meeting which they attend and annual Trustees' fees of \$12,000. No fees are paid for Trustees' meetings conducted by telephone conference call or by written consent. Members of the Audit Committee and Nominating Committee receive an additional fee of \$1,000 per meeting attended, including meetings conducted by telephone. The fees were increased by the Board of Trustees on October 19, 2001, effective as of January 1, 2002. Pursuant to a deferred compensation plan, Trustees may defer receipt of their fees until their retirement from the Board or some other time at their election. The aggregate direct remuneration of these Trustees and reimbursement of their travel expenses paid by the Trust during the fiscal year ended December 31, 2002 was approximately \$111,704.

(2) RATIFICATION OR REJECTION OF APPROVAL OF AUDITORS

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

Upon the recommendation of the Audit Committee, the Trust's Board of Trustees, including a majority of the independent Trustees, approved the appointment of Deloitte & Touche LLP to act as auditors for the Trust for the fiscal year ending December 31, 2003. Deloitte & Touche LLP has assured the Trust that they are independent public accountants and have no direct or material indirect interest in the Trust.

Shareholder approval of the Trust's auditors is not a requirement of law. The Board of Trustees, however, believes it is desirable for the Trust's shareholders to have an opportunity to give or withhold such approval. If such approval is withheld the Trustees will determine what action to take in the best interests of shareholders of the Trust. Approval of the auditors will require the affirmative "majority vote" of the shareholders.

A representative of Deloitte & Touche LLP is expected to be present at the forthcoming Annual Meeting. This representative shall have the opportunity to make a statement if he or she desires to do so, and it is expected that such representative will be available to respond to appropriate questions from shareholders.

### AUDIT COMMITTEE REPORT

The Audit Committee oversees the Trust's financial reporting process on behalf of the Board of Trustees and operates under a written Charter adopted by the Board of Trustees. The Audit Committee meets with the Trust's management ("Management") and independent public accountants and reports the results of its activities to the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process including the system of internal controls. In connection with the Committee's and independent accountant's responsibilities, Management advised that the Trust's financial statements were prepared in conformity with generally accepted accounting principles.

Accordingly, the Audit Committee has:

- o Reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2002 with Management and Deloitte & Touche LLP, the Trust's independent public accountants;
- o Discussed with Deloitte & Touche LLP those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards); and
- o Received the written disclosure and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Deloitte & Touche LLP its independence.

The Audit Committee has also reviewed the aggregate fees billed for professional services rendered by Deloitte & Touche LLP for the Trust and for the non-audit services provided to Babson, and Babson's parent, the Insurance Company. As part of this review, the Audit Committee considered whether the provision of such non-audit services were compatible with maintaining the principal accountant's independence.

22

In reliance on the reviews and discussions referred to above, the Audit Committee presents this Report to the Trust's Board of Trustees and recommends that the Board of Trustees (1) include the December 31, 2002 audited financial statements in the Annual Report to shareholders for the fiscal year ended

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

December 31, 2002, and (2) file such Annual Report with the Securities and Exchange Commission and the New York Stock Exchange. The Audit Committee and the Board have also recommended reappointment of Deloitte & Touche LLP as the Trust's independent auditors.

### (3) APPROVAL OF THE EXISTING INVESTMENT SERVICES CONTRACT

The Contract entitles the Trust to certain investment services. Under the Contract, the Trust paid an advisory fee of \$2,658,551 to Babson for the fiscal year ended December 31, 2002.

At a meeting of the Board of Trustees of the Trust held on January 17, 2003, the Board of Trustees (including a majority of the independent Trustees), approved, and voted to recommend that the shareholders approve the continuance of the existing Contract with Babson. Among other things, the Board considered the nature of the services provided to the Trust by Babson, including the nature

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

of the private placement market compared to public markets. Babson is required to provide the Trust with a continuing investment program consistent with its objectives, which includes investments in a wide variety of private placement securities with equity features, short-term investments and publicly-traded securities. The Trustees concluded that Babson has a sizeable, experienced and competent staff of investment professionals (including analysts, traders, and other support personnel) to support investment activities for a wide variety of investments.

The Trustees also considered the expenses of the Trust assumed by Babson under the Contract; the actual fees paid to Babson by the Trust for the services provided and expenses assumed; a comparison of the

24

Trust's fee schedule to fees charged by other investment advisers whose investment activities include private placement securities (including possible economy of scale and incentive fee features); and possible benefits to Babson as a result of the Contract (including intangibles such as increased visibility in the financial community).

In connection with the investment and administrative services provided to the Trust by Babson, the Trustees concluded that the administration of private placement securities (and particularly private mezzanine securities) is more extensive, expensive, and requires greater time and expertise than a portfolio of only public securities. Valuation of private placement securities, for example, is more time consuming and requires significantly more expertise than valuation of publicly-traded securities. In making comparisons with other funds, therefore, the Trustees considered the percentage of the Trust's portfolio comprised of private placement securities.

The Trustees also considered Babson's abilities to find and negotiate private placement securities having equity features; the Trust's investment performance over various periods of time; comparisons of the Trust's investment performance to other funds investing in restricted securities and equities and to stock and bond indices; the quality of service provided by Babson (including the size, experience and professionalism of Babson's investment, compliance and accounting staffs); the profitability of the Contract to Babson; the Trust's expenses and its expense ratio compared to other similar funds; and Babson's soft dollar practices, and possible alternatives to the engagement of Babson.

The Trustees concluded, among other things, that the investment performance of the Trust's portfolio for the one and three year periods ended September 30, 2002 was satisfactory and that its expense ratio (excluding interest expenses) for the fiscal year ended December 31, 2002 was competitive. Based on their consideration of these and other factors, the Trustees, including a majority of the Trustees who are not "interested persons" (as defined by the Investment Company Act of 1940), of the Trust or of Babson, approved, and recommended that shareholders approve, the continuation of the Contract

25

with Babson as now in effect. Prior to the Annual Meeting of Shareholders on April 11, 2003, the Trustees will meet again to review their approval and recommendation. Subject to such further review by the Board of Trustees, the Contract will be submitted to the Trust's shareholders for their approval or disapproval at the forthcoming Annual Meeting.

### SUMMARY OF THE CONTRACT

Under the Contract, Babson has agreed to use its best efforts to present to the Trust a continuing and suitable investment program consistent with the

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

investment objectives and policies of the Trust. The Insurance Company has retained its obligation under the Contract to request each issuer of securities that the Insurance Company is prepared to purchase at direct placement, and that would be consistent with the investment policies of the Trust, to also offer such securities to the Trust. The Insurance Company agreed to use its best efforts to insure that such request is acceded to.

Babson, at its expense, investigates and conducts relations with the issuers of securities purchased or to be purchased directly by the Trust and represents the Trust in any negotiations with issuers, investment banking firms, securities brokers or dealers and other institutions or investors relating to the Trust's investments. Babson provides administration of the day-to-day investment operations of the Trust and provides the Trust with office space and office equipment, safekeeping facilities, accounting and bookkeeping services, and necessary executive, clerical and secretarial personnel for the performance of the foregoing services.

Either Babson or the Insurance Company pays the compensation and expenses of all officers and executive employees of the Trust, and of all Trustees of the Trust who are officers or employees of Babson or the Insurance Company, as well as the expenses of office rent, telephone, utilities, office furniture, equipment and other office expenses of the Trust.

The Trust pays the fees and expenses of Trustees who are not officers or employees of Babson or the

26

Insurance Company, and of independent advisers, independent contractors, consultants, managers and other agents which it employs other than through Babson. In addition, the Trust is responsible for the payment of legal fees and expenses; the fees and disbursements of auditors, transfer agents, dividend disbursing agents, registrars and custodians and depositories of its assets; taxes or governmental fees; the cost of preparing and mailing dividends, reports, notices and proxy material to shareholders; brokers' commissions or underwriting fees; and insurance for its Trustees.

Expenses incurred jointly by the Trust, Babson, the Insurance Company, MassMutual Participation Investors (another closed-end investment company advised by Babson), and other investment funds advised by Babson, or any of them which are directly associated with the joint purchase or sale of securities by any such parties are shared by such parties in proportion to the relative amounts of such securities each is purchasing or selling.

Under the Contract, the Trust pays Babson a quarterly base rate (the "Base Fee Rate") of  $\frac{5}{16}$  of 1% of the net asset value of the Trust (approximately equivalent to 1.25% on an annual basis), plus or minus a performance adjustment (the "Performance Adjustment") of up to  $\frac{1}{16}$  of 1% of the net asset value of the Trust (approximately equivalent to .25% on an annual basis).

The Performance Adjustment is based on the Trust's performance as compared to a benchmark rate of return (the "Target Rate") equal to 5.0 percentage points plus an unweighted, arithmetic average of the rates of return on the Standard & Poor's Industrials Stock Price Index (the "S&P Industrials") and the Lehman Brothers Intermediate Credit Bond Index (the "Intermediate Bond Index," formerly named "Lehman Brothers Intermediate Corporate Bond Index") over a rolling three-year period (the "Measurement Period") comprising the twelve quarters ending on the last day of each quarter (the "Valuation Date"). The Performance Adjustment is equal to 5% of the difference between the Trust's actual rate of return

27

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

over the Measurement Period and the Target Rate. If the Trust's actual rate of return exceeds the Target Rate, the Base Fee Rate is increased by an amount equal to the Performance Adjustment; if the Trust's actual rate of return is less than the Target Rate, the Base Fee Rate is reduced by the Performance Adjustment. The Performance Adjustment is subject to a maximum and minimum range of 1/16 of 1% of the net asset value of the Trust (approximately equivalent to .25% on an annual basis). The advisory fee payable by the Trust is equal to the Base Fee Rate (as adjusted by the Performance Adjustment) times the net asset value of the Trust as of the Valuation Date.

At a meeting on January 17, 2003, the Board of Trustees of the Trust valued the Trust's portfolio securities as of the close of business on December 31, 2002, and arrived at a net asset value of \$171,028,431.

The Contract provides that Babson will reimburse the Trust for any amount, not exceeding the advisory fee payable by the Trust to Babson, for any year, by which the aggregate annual expenses (including the management fee, but excluding interest, taxes, brokerage expenses and extraordinary expenses) incurred by the Trust in such year exceed any expense limitation imposed by any state securities law or regulations thereunder applicable to the Trust. This requirement for reimbursement of expenses may be amended or rescinded with the approval of a majority of the Trustees of the Trust who are not "interested persons" of the Trust or of Babson in response to changes in the requirements of state law, provided that no amendment or rescission shall be given retroactive effect unless required by the change in state law.

Under the Contract, the Trust may use the name "MassMutual" or any name derived from or similar to the name "Massachusetts Mutual" or "Massachusetts Mutual Life Insurance Company" only for so long as the Contract or any extension, renewal or amendment thereof remains in effect. When it is no longer in effect, the Trust will (to the extent that it lawfully can) cease to use such a name or any other name indicating that it is advised by or otherwise connected with the Insurance Company. The

28

assignment of the Contract to Babson did not affect the Trust's right to use the name "MassMutual."

The Contract also provides that Babson shall not be liable for any error of judgment or mistake of law or for any loss suffered by the Trust except a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Babson in the performance of its duties or from reckless disregard by Babson of its obligations and duties under the Contract.

The Contract is terminable on 60 days' written notice by the Trust's Board of Trustees, by a "majority vote" of the Trust's shares or by Babson. It will terminate automatically in the event of its assignment within the meaning of the Investment Company Act.

Until terminated, the Contract will remain in force from year to year to the extent approved at least annually (a) by vote of a majority of Trustees of the Trust who are not "interested persons" of the Trust or of Babson, cast in person at a meeting called for the purpose of voting on such approval, and (b) specifically either by the Trust's Board of Trustees or by a "majority vote" of the Trust's shares.

Shareholder approval of the continuance of the Contract is not a requirement of law. The Board of Trustees, however, believes it is desirable for the Trust's shareholders to have an opportunity to give or withhold such approval. If such approval is withheld the Contract will not automatically

## Edgar Filing: MASSMUTUAL CORPORATE INVESTORS - Form DEF 14A

terminate, but the Trustees will determine what action to take in the best interests of shareholders of the Trust. Approval of the continuance of the Contract will require the affirmative "majority vote" of the shareholders.

### ALLOCATION OF PORTFOLIO BROKERAGE

Transactions in direct placement securities are on a negotiated basis. Brokers and dealers who execute any portfolio transaction for the Trust will be selected primarily on the basis of obtaining the best price and execution of each transaction. In seeking the best price and execution for securities traded only in the over-the-counter market, the Trust will normally deal directly with

29

the principal market-makers unless a more favorable price may be obtained through other brokers or dealers.

When it can be done consistent with the policy of obtaining best price and execution, Babson may place orders with brokers and dealers who supply market quotations to the Trust or its agents for portfolio valuation purposes, or who supply research, market and statistical information to the Trust or Babson. Except for implementing the policy stated above, there is no intention to place portfolio transactions with particular brokers or dealers or groups thereof. Although certain research, market and statistical information from brokers and dealers can be useful to the Trust and Babson, it is the opinion of Babson that such information is only supplementary to Babson's own research effort, since the information must still be analyzed, weighed and reviewed by Babson's staff. Such information may be useful to Babson in providing services to clients other than the Trust, and not all such information is used by Babson in connection with the Trust. Conversely, such information provided to Babson by brokers and dealers through whom other clients of Babson effect securities transactions may be useful to Babson in providing services to the Trust.

During the fiscal year ended December 31, 2002, the Trust paid an aggregate sum of \$13,649 in brokerage commissions. Portfolio turnover for the fiscal year ended December 31, 2002, was 34.02%.
