Press Release dated February 8, 2006\*

This press release contains various remarks about the future expectations, plans and prospects of SI International, Inc. that constitute forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. The actual results of SI International, Inc. may differ materially from those indicated by these forward-looking statements as a result of various risks and uncertainties, including the following risks and uncertainties that relate specifically to the acquisition: (i) the risk that the transaction will not be consummated, including as a result of any of the conditions precedent; (ii) the ability to obtain government approvals required for closing the acquisition; (iii) the risk that the Zen Technology businesses will not be integrated successfully into SI International; (iv) the risk

that the expected benefits of the acquisition may not be realized, including the realization of accretive effects from the acquisition and cross-selling opportunities; and (v) SI International s increased indebtedness after the acquisition. Other non-acquisition related risks and uncertainties include: differences between authorized amounts and amounts received by SI International under government contracts; government customers or prime contractor s failure to exercise options under contracts; changes in Federal government (or other applicable) procurement laws, regulations, policies and budgets; SI International s ability to attract and retain qualified personnel; and the important factors discussed in the Risk Factors section of the annual report on Form 10-K filed by SI International, Inc. with the Securities and Exchange Commission and available directly from the Commission at www.sec.gov.
