California Resources Corporation (the Company), a wholly-owned subsidiary of Occidental Petroleum Corporation (Occidental) (NYSE: OXY), announced today the pricing of \$5.0 billion in aggregate principal amount of its senior notes, including \$1.00 billion of 5.00% senior notes due 2020 (the 2020 Notes), \$1.75 billion of 5.50% senior notes due 2021 (the 2021 Notes) and \$2.25 billion of 6.00% senior notes due 2024 (the 2024 Notes) and, together with the 2020 Notes and 2021 Notes, the notes, in a private placement under Rule 144A and Regulation S of the Securities Act of 1933, as amended (the Securities Act), to eligible purchasers in connection with the Company's planned spin-off from Occidental. The 2020 Notes will mature on January 15, 2020, the 2021 Notes will mature on September 15, 2021 and the 2024 Notes will mature on November 15, 2024. The notes will be issued at par and will initially be fully and unconditionally guaranteed on a senior unsecured basis by all of the Company's material subsidiaries.

The offering of the notes is expected to close on October 1, 2014, subject to customary conditions, and the Company intends to use the net proceeds from the private placement to make a cash distribution to Occidental.

The notes are being offered only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S under the Securities Act. The notes and the related guarantees have not been registered under the Securities Act, or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

This Current Report on Form 8-K shall not constitute an offer to sell, or the solicitation of an offer to buy, any of these securities, nor shall there be any sale of these securities in any state in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of such states.
