**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On February 22, 2008, Harbin Tian Di Ren Medical Science and Technology Company, a limited liability company organized under the laws of the People's Republic of China ("Harbin"), which is a wholly-owned subsidiary of American California Pharmaceutical Group, Inc., a California corporation wholly-owned by China Sky One Medical, Inc., a Nevada corporation (the "Registrant"), entered into an Equity Transfer Agreement (the "Equity Transfer Agreement") with Heilongjiang Tianlong Pharmaceutical, Inc., a corporation organized under the laws of the People's Republic of China ("HTP"), which is in the business of manufacturing external-use pharmaceuticals. The Registrant previously reported entry into the Equity Transfer Agreement in a Form 8-K filed on February 28, 2008, as amended on April 9, 2008.

On April 3, 2008, Harbin acquired 100% of the issued and outstanding capital stock of HTP (the "HTP Stock") from HTP's sole stockholder, Wu Jiechen, a resident of China (the "Seller"), in consideration for an aggregate purchase price of approximately \$8,300,000, consisting of (i) approximately \$8,000,000 in cash, and (ii) approximately \$300,000 of shares of common stock (24,809 shares, \$.001 par value per share) of the Registrant. The Seller has no material relationship with the Registrant or any of its affiliates, or any director or officer of the registrant, or any associate of any such director or officer.

As a result of its purchase of the existing business of HTP, Harbin acquired all of HTP's assets, including, without limitation, land use rights, GMP-certified manufacturing facilities, state-of-the-art manufacturing equipment, an research and development center, approximately \$500,000 in inventory, sixty-nine (69) SFDA-approved medicines, and an additional thirty-eight (38) new medicines, which have been submitted for approval to the State Food and Drug Administration of China (SFDA). In addition, approximately 130 employees of HTP have agreed to continue in their current capacities as employees of HTP. The acquisition was approved by China's Department of Industry and Commerce as of April 3, 2008.

**Item 3.02. Unregistered Sales Of Equity Securities.**

As partial consideration for the purchase of the HTP Stock by Harbin on April 3, 2008 (as further described in Item 1.01 above), the Registrant issued to the Seller approximately \$300,000 of shares of its common stock (24,809 shares, \$.001 par value per share).

The Registrant believes that this transaction is exempt from registration under the Securities Act of 1933, as amended, pursuant to Section 4(2), or Regulation D promulgated thereunder, as a transaction by an issuer not involving a public offering.
