TO BE HELD ON AUGUST 8, 2013

Notice is hereby given to the owners of shares of common stock (the “Stockholders”) of WhiteHorse Finance, Inc. (the “Company”) that:

The 2013 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company will be held at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, on August 8, 2013 at 12:00 p.m., Eastern Time, for the following purposes:

You have the right to receive notice of, and to vote at, the Annual Meeting if you were a Stockholder of record at the close of business on June 13, 2013. We are furnishing proxy materials to our Stockholders on the Internet, rather than mailing printed copies of those materials to each Stockholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request them. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials, and vote your proxy, on the Internet.

Your vote is extremely important to us. If you are unable to attend the Annual Meeting, we encourage you to vote your proxy on the Internet by following the instructions provided on the Notice of Internet Availability of Proxy Materials. You may also request from us, free of charge, hard copies of the proxy statement and a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials. In the event there are not sufficient votes for a quorum or to approve the proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

THE BOARD OF DIRECTORS, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR EACH OF THE PROPOSALS.

By Order of the Board of Directors,

Richard Siegel

Secretary

PROXY STATEMENT

For
2013 Annual Meeting of Stockholders
To Be Held on August 8, 2013

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders (“Notice of Annual Meeting”). Much of the information in this proxy statement (“Proxy Statement”) is required under rules of the Securities and Exchange Commission (“SEC”), and some of it is technical in nature. If there is anything you do not understand, please contact us at (305) 381-6999.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of WhiteHorse Finance, Inc. (the “Company,” “WhiteHorse Finance,” “we,” “us” or “our”) for use at our 2013 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Thursday, August 8, 2013 at 12:00 p.m., Eastern Time, at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, and at any postponements or adjournments thereof. This Proxy Statement, the Company’s annual report on Form 10-K (the “Annual Report”) for the fiscal year ended December 31, 2012 and the Company’s quarterly report on Form 10-Q (the “Quarterly Report”) for the quarter ended March 31, 2013 are being provided to stockholders (“Stockholders”) of the Company of record as of June 13, 2013 (the “Record Date”) via the Internet on or about June 25, 2013. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of the Record Date.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by voting by proxy, which means that you authorize someone else to vote your shares. Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board’s recommendation. If any other business is brought before the Annual Meeting, your shares will be voted at the Board’s discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Company’s Secretary in writing, by submitting a properly executed, later-dated proxy or by voting in person at the Annual Meeting. Any Stockholder entitled to vote at the Annual Meeting may attend the Annual Meeting and vote in person, whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect one Class I director of the Company who will serve for a term of three years or until his successor is duly elected and qualifies (“Proposal 1”); and
2. To ratify the selection of Crowe Horwath LLP (“Crowe”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013 (“Proposal 2”).

Voting Securities

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on the Record Date. There were 14,965,624 shares of the Company’s common stock (the “Common Stock”) outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals (which are considered “broker non-votes” with respect to such proposals) will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, the chairman of the Annual Meeting will adjourn the Annual Meeting to permit the further solicitation of proxies.

Votes Required

Election of Director

The election of a director requires the vote of a majority of the shares of Common Stock cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. If you vote to “Withhold Authority” with respect to the nominee, your shares will have the effect of a vote against the person indicated.

Ratification of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the appointment of Crowe to serve as the Company’s independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Broker Non-Votes

Broker non-votes are described as votes cast by a broker or other nominee on behalf of a beneficial holder who does not provide explicit voting instructions to such broker or nominee and who does not attend the Annual Meeting. Proposal 1 is a non-routine matter. As a result, if you hold shares in “street name” through a broker, bank or other nominee, your broker, bank or nominee will not be permitted to exercise voting discretion with respect to Proposal 1, the election of one Class I director. Therefore, if you do not give your broker or nominee specific instructions on how to vote for you or you do not vote for yourself via the Internet by returning a proxy card or by other arrangement with your broker or nominee, then your shares will have no effect on Proposal 1.

Proposal 2, the ratification of the selection of Crowe to serve as the Company's independent registered public accounting firm, is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker or nominee with proxy instructions, then by voting via the Internet, returning a proxy card or other arrangement with your broker or nominee, your broker or nominee will be able to vote your shares for you on Proposal 2.

Adjournment and Additional Solicitation. If there appears not to be enough votes to approve the proposals at the Annual Meeting, then either the presiding officer of the Annual Meeting or the Stockholders who are represented in person or by proxy may vote to adjourn the Annual Meeting to permit further solicitation of proxies. Jay Carvell and Alastair G. C. Merrick are the persons named as proxies and will vote proxies held by one of them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A Stockholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement, the Annual Report and the Quarterly Report to the Internet and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. The Company reimburses brokers, trustees, fiduciaries and other institutions for their reasonable expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

In addition to the solicitation of proxies by use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of H.I.G. WhiteHorse Advisers, LLC, the Company's investment adviser ("WhiteHorse Advisers"), H.I.G. WhiteHorse Administration, LLC, the Company's administrator ("WhiteHorse Administration"), and/or by a retained solicitor. No additional compensation will be paid to such directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$5,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm. The address of each of WhiteHorse Advisers and WhiteHorse Administration is 1450 Brickell Avenue, 31st Floor, Miami, Florida 33131.

Stockholders may provide their voting instructions through the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the control number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.proxyvote.com and inputting your control number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders that vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by the Internet, the Stockholder may attend the Annual Meeting in person or request and submit a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, by attending the Annual Meeting or by a notice, provided in writing and signed by the Stockholder, delivered to the Company's Secretary on any business day before the date of the Annual Meeting.

Based on the Company's review of Forms 3, 4 and 5 filed by such persons and information provided by the Company's directors and other executive officers, the Company believes that, during the fiscal year ended December 31, 2012, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

After this election, the terms of Class I, II and III will expire in 2016, 2014 and 2015, respectively. Each director will hold office for the term to which he is elected or until his successor is duly elected and qualifies.

In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominee named below. Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

Director Independence

NASDAQ corporate governance requirements require listed companies to have a board of directors with at least a majority of Independent Directors. Under NASDAQ corporate governance requirements, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his responsibilities. On an annual basis, each of our directors is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance requirements, the 1940 Act and our corporate governance guidelines. Our Board has determined that each of our directors, other than Messrs. Carvell and Bolduc, is independent under the listing standards of The NASDAQ Global Select Market and the 1940 Act. Our corporate governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and the Secretary of any change in circumstance that may cause his status as an Independent Director to change. The Board limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to Independent Directors.

The Board's Oversight Role in Management

The Board's role in management of the Company is one of oversight. Oversight of the Company's investment activities extends to oversight of the risk management processes employed by WhiteHorse Advisers as part of its day-to-day management of our investment activities. The Board reviews risk management processes at both regular and special Board meetings throughout the year, consulting with appropriate representatives of WhiteHorse Advisers as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board's risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board's oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of the Company's investments.

The Board's Composition and Leadership Structure

The 1940 Act requires that at least a majority of the Company's directors not be "interested persons" (as defined in the 1940 Act) of the Company. Currently, three of the Company's five directors are Independent Directors (and are not "interested persons"). Jay Carvell, a Managing Director of an investment adviser affiliated with H.I.G. Capital, and therefore an interested person of the Company, serves as Chief Executive Officer and as a director of the Company. John Bolduc, an Executive Managing Director of H.I.G. Capital, and therefore an interested person of the Company, serves as Chairman of the Board. Our Board believes that it is in the best interests of our investors for Mr. Bolduc to lead the Board because of his familiarity with our portfolio companies, his broad experience with the day-to-day management and operation of other investment funds and his significant background in credit investing and in the financial services industry, as described below. The Board does not have a lead Independent Director. However, Rick D. Puckett, the Chairman of the Audit Committee, is an Independent Director and acts as a liaison between the Independent Directors and management between meetings of the Board. Mr. Puckett is involved in the preparation of agendas for Board and committee meetings. The Board believes that its leadership structure is appropriate because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates an efficient corporate governance structure that provides opportunity for direct communication and interaction between WhiteHorse Advisers and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses and which the Board believes has prepared each director to be an effective member of the Board. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's professional experience, education and/or other personal experiences. The Company's counsel has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

The Board believes that, collectively, the directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Company and protecting the interests of its Stockholders. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to each director considered by the Board.

The Nominating and Corporate Governance Committee has adopted a written charter that is available on our website at www.whitehorsefinance.com.

The Nominating and Corporate Governance Committee considers Stockholders' recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with our bylaws, the Nominating and Corporate Governance Committee charter and any applicable law, rule or regulation regarding director nomination. Our bylaws provide that a Stockholder who wishes to nominate a person for election as a director at a meeting of Stockholders must deliver written notice to our Secretary, Richard Siegel, c/o WhiteHorse Finance, Inc., 1450 Brickell Avenue, 31st Floor, Miami, Florida 33131. This notice must contain, as to each nominee, all of the information relating to such person as would be required to be disclosed in a proxy statement meeting the requirements of Regulation 14A under the Exchange Act and certain other information set forth in our bylaws, including the following information for each director nominee: full name, age and address; principal occupation during the past five years; directorships on publicly held companies and investment companies during the past five years; number of shares of our Common Stock owned, if any; and a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the Stockholders. Certain Relationships and Related Party Transactions

Policies and Procedures for Managing Conflicts

Our executive officers and directors and the members of WhiteHorse Advisers and members of our investment committee serve or may serve as officers, directors or principals of entities that operate in the same, or related, lines of business as we do or of investment funds, accounts or other investment vehicles managed by our affiliates. WhiteHorse Advisers and its affiliates have both subjective and objective procedures and policies in place that are designed to manage the potential conflicts of interest between WhiteHorse Advisers' fiduciary obligations to us and its similar fiduciary obligations to other clients. For example, such policies and procedures are designed to ensure that investment opportunities are allocated in a fair and equitable manner among us and WhiteHorse Advisers' other clients. An investment opportunity that is suitable for multiple clients of WhiteHorse Advisers and its affiliates may not be capable of being shared among some or all of such clients and affiliates due to the limited scale of the opportunity or other factors, including regulatory restrictions imposed by the 1940 Act. There can be no assurance that WhiteHorse Advisers' or its affiliates' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

WhiteHorse Advisers may manage investment vehicles with similar or overlapping investment strategies with us and has put in place a conflict-resolution policy that addresses the co-investment restrictions set forth under the 1940 Act

and seeks to ensure the equitable allocation of investment opportunities when we are able to invest alongside other accounts managed by WhiteHorse Advisers and its affiliates. When we invest alongside such other accounts as permitted, such investments are made consistent with the allocation policy of H.I.G. Capital and WhiteHorse Advisers. Under this allocation policy, a fixed calculation, based on the type of investment, will be applied to determine the amount of each opportunity to be allocated to us. This allocation policy will be periodically reviewed by WhiteHorse Advisers and approved by our Independent Directors. We expect that these determinations will be made similarly for other accounts sponsored or managed by WhiteHorse Advisers and its affiliates. Where we are able to co-invest consistent with the requirements of the 1940 Act, if sufficient securities or loan amounts are available to satisfy our and each such account's proposed demand, we expect that the opportunity will be allocated in accordance with WhiteHorse Advisers' pre-transaction determination. If there is an insufficient amount of an investment opportunity to satisfy us and other accounts sponsored or managed by WhiteHorse Advisers or its affiliates, the allocation policy further provides that allocations among us and such other accounts will generally be made pro rata based on the amount that each such party would have invested if sufficient securities or loan amounts were available. However, we can offer no assurance that investment opportunities will be allocated to us fairly or equitably in the short-term or over time. We expect that these determinations will be made similarly for other accounts sponsored or managed by H.I.G. Capital and its affiliates. In situations where co-investment with other accounts managed by WhiteHorse Advisers or its affiliates is not permitted or appropriate, H.I.G. Capital and WhiteHorse Advisers will need to decide which client will proceed with the investment. WhiteHorse Advisers' allocation policy provides, in such circumstances, for investments to be allocated on a random or rotational basis to assure that all clients have fair and equitable access to such investment opportunities.

Co-Investment Opportunities

We have in the past and expect in the future to co-invest on a concurrent basis with other affiliates, unless doing so is impermissible with existing regulatory guidance, applicable regulations and our allocation procedures. Certain types of negotiated co-investments may be made only if we receive an order from the SEC permitting us to do so. We, H.I.G. Capital and WhiteHorse Advisers have submitted an exemptive relief application to the SEC to permit greater flexibility to negotiate the terms of co-investments if our Board determines that it would be advantageous for us to co-invest with other accounts managed by WhiteHorse Advisers or its affiliates in a manner consistent with our investment objectives, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors. However, there can be no assurance that we will obtain any such order.

Material Non-Public Information

Our senior management, members of our investment committee and other investment professionals from WhiteHorse Advisers may serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of such public company under its policies, our policies or applicable law.

Interim Investment Advisory Agreement

Prior to our conversion to a Delaware corporation on December 4, 2012, Bayside Capital, LLC, an affiliate of H.I.G. Bayside Debt & LBO Fund II, L.P. and H.I.G. Bayside Loan Opportunity Fund II, L.P., served as our interim investment adviser through an interim advisory agreement (the “Interim Investment Advisory Agreement”). Under the terms of the Interim Investment Advisory Agreement, Bayside Capital, LLC waived all fees payable by us and, as a result, no fees were paid or are due to Bayside Capital, LLC. The Interim Investment Advisory Agreement was terminated effective December 4, 2012 and was replaced by the investment advisory agreement described below.

Investment Advisory Agreement

We have entered into an investment advisory agreement (the “Investment Advisory Agreement”) with WhiteHorse Advisers pursuant to which we pay WhiteHorse Advisers a base management fee and an incentive fee. The Investment Advisory Agreement became effective upon the pricing of our initial public offering on December 4, 2012. WhiteHorse Advisers also provides us with access to the resources necessary for us to perform our obligations as

collateral manager of our wholly owned subsidiary, WhiteHorse Finance Warehouse, LLC (“WhiteHorse Warehouse”), under the \$150 million secured revolving credit facility between WhiteHorse Warehouse, as borrower, and the lender, for which Natixis, New York Branch, provides liquidity support. Our incentive fee structure may create incentives for our investment adviser that are not fully aligned with the interests of our Stockholders and may induce WhiteHorse Advisers to make speculative investments. For the fiscal year ended December 31, 2012, WhiteHorse Advisers earned a base management fee of \$306,000 and an incentive fee of \$0.

Administration Agreement

We have entered into an administration agreement (the “Administration Agreement”), pursuant to which WhiteHorse Administration furnishes us with office facilities, equipment and clerical, bookkeeping, recordkeeping and other administrative services to enable us to operate. Under the Administration Agreement, WhiteHorse Administration performs, or oversees the performance of, our required administrative services, which include being responsible for the financial records which we are required to maintain and preparing reports to our Stockholders and reports filed with the SEC. For the fiscal year ended December 31, 2012, WhiteHorse Administration received \$109,000 for the services described above.

License Agreement

We have entered into a license agreement (the “License Agreement”) with an affiliate of H.I.G. Capital pursuant to which we have been granted a non-exclusive, royalty-free license to use the “WhiteHorse” name. Under this agreement, we have a right to use the WhiteHorse name for so long as WhiteHorse Advisers or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we have no legal right to the “WhiteHorse” name.

Staffing Agreement

WhiteHorse Advisers has entered into a staffing agreement (the “Staffing Agreement”) with an affiliate of H.I.G. Capital under which the affiliate has agreed to make experienced investment professionals available to WhiteHorse Advisers and to provide access to its senior investment personnel to enable WhiteHorse Advisers to perform all of its obligations under the Investment Advisory Agreement. In addition, under the Staffing Agreement, H.I.G. Capital is obligated to allocate investment opportunities among its managed affiliates fairly and equitably over time in accordance with its allocation policy.

Related Party Transactions Policy

The Audit Committee, in consultation with the Company’s Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company’s Code of Conduct or Joint Code of Ethics.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Crowe Horwath LLP, an independent registered public accounting firm, audited our consolidated financial statements for the fiscal year ended December 31, 2012 and has been selected as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2013. The Audit Committee selected Crowe, and that selection was ratified by a majority of our Board, including all of the Independent Directors. We do not know of any direct or indirect financial interest of Crowe in WhiteHorse Finance. Representative(s) of Crowe will attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to answer questions.

The following table sets forth Crowe’s fees pertaining to the fiscal year ended December 31, 2012 (dollars in thousands):

	Fiscal Year Ended December 31, 2012
Audit Fees	\$ 495

Audit-Related Fees	—
Tax Fees	—
All Other Fees	—
Total Fees	\$ 495

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by Crowe in connection with statutory and regulatory filings.

Audit-Related Fees: Audit-related fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “Audit Fees.” These services include attestation services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state and local tax compliance.

All Other Fees: Other fees include fees billed for products and services other than the services described above.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by Crowe. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. All audit, audit-related, tax and other services provided by Crowe to the Company during the fiscal year ended December 31, 2012 were approved by the Audit Committee in accordance with such policy. Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF CROWE HORWATH LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

The Audit Committee has reviewed and discussed the Company’s Audited Financial Statements with management and Crowe Horwath LLP (“Crowe”), the Company’s independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of Crowe’s examinations, the Company’s internal controls and the quality of the Company’s financial reporting. The Audit Committee also reviewed the Company’s procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company’s chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Securities and Exchange Commission (the “SEC”). The Audit Committee is satisfied that the Company’s internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with Crowe matters relating to Crowe’s judgments about the quality, as well as the acceptability, of the Company’s accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Auditor’s Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with Crowe their independence from management and the Company, as well as the matters in the written disclosures received from Crowe and required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committee Concerning Independence). The Audit Committee received a letter from Crowe confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with Crowe the Company’s critical accounting policies and practices, internal controls, other material written communications to management and the scope of Crowe’s audit and all fees paid to Crowe during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and audit-related services performed by Crowe for the Company. The Audit Committee has reviewed and considered the compatibility of Crowe’s performance of audit-related services with the maintenance of Crowe’s independence as the Company’s independent registered public accounting firm.

Based on the Audit Committee’s review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the Company’s Audited Financial Statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2012 filed with the SEC. In addition, the Audit Committee has engaged Crowe to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013 and has directed that the selection of Crowe should be submitted to the Company’s stockholders for ratification.
