EX-99.1: PRESS RELEASE

Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2014 (the “Signing Date”), Dealertrack Technologies, Inc., a Delaware corporation (“Dealertrack”) and Dealertrack Canada, Inc., a corporation organized under the laws of Ontario and a subsidiary of Dealertrack (the “Canadian Borrower” and, together with Dealertrack, the “Borrowers”), entered into a credit agreement (the “New Credit Agreement”) with JPMorgan Chase Bank, N.A., as Administrative Agent (the “Administrative Agent”), the several lenders from time to time party thereto and the other agents from time to time party thereto. The New Credit Agreement provides the Borrowers with credit facilities aggregating \$800 million, including a \$575 million term loan B facility (the “Term Facility”) and a \$225 million revolving credit facility (the “Revolving Facility”). The proceeds of the Term Facility were used to pay the cash consideration for the Merger (as defined below) to the Sellers (as defined below), to effectuate the payment in full of any amounts due under that certain Credit Agreement dated as of April 20, 2011, by and among Dealertrack, the Canadian Borrower, the several lenders party thereto from time to time, JPMorgan Chase Bank, N.A., as administrative agent and the other agents from time to time party thereto (as amended, supplemented or otherwise modified from time to time, the “2011 Credit Agreement”), to pay the fees and expenses related to the Merger and the refinancing of the 2011 Credit Agreement and for general corporate purposes of Dealertrack and its subsidiaries. The proceeds of the Revolving Facility may be used for general corporate purposes of Dealertrack and its subsidiaries (including certain acquisitions, capital expenditures and investments). Up to \$25 million of the Revolving Facility may be used to obtain letters of credit, up to \$25 million of the Revolving Facility may be used to obtain swing line loans, and up to \$35 million of the Revolving Facility may be used to obtain revolving loans and letters of credit in Canadian Dollars. The 2011 Credit Agreement was terminated on the Signing Date.

The New Credit Agreement provides that, subject to certain conditions, Dealertrack may request, at any time and from time to time, the establishment of one or more additional term loan facilities and/or the Borrowers may request increases to the Revolving Facility in an aggregate principal amount not to exceed the sum of (i) \$200 million plus (ii) an additional amount if, after giving effect to such additional amount on a pro forma basis, Dealertrack’s consolidated first lien leverage ratio (the calculation of which is subject to certain adjustments for purposes of this test) does not exceed 4.00 to 1.00.

Interest on loans made under the New Credit Agreement's Term Facility accrues, at Dealertrack's option, at a rate per annum equal to (1) the ABR (as defined below) plus a margin ranging from 1.50% to 1.75% depending upon Dealertrack's consolidated first lien leverage ratio or (2) LIBOR for an interest period to be selected by Dealertrack plus a margin ranging from 2.50% to 2.75% depending upon Dealertrack's consolidated first lien leverage ratio. Interest on loans made under the New Credit Agreement's Revolving Facility in U.S. Dollars accrues, at the Borrowers' option, at a rate per annum equal to (1) the ABR plus a margin ranging from 0.50% to 1.25% depending upon Dealertrack's consolidated first lien leverage ratio or (2) LIBOR for an interest period to be selected by Dealertrack plus a margin ranging from 1.50% to 2.25% depending upon Dealertrack's consolidated first lien leverage ratio. Interest on loans made under the New Credit Agreement's Revolving Facility in Canadian Dollars accrues at a rate per annum equal to (1) the ABR plus a margin ranging from 0.50% to 1.25% depending upon Dealertrack's consolidated first lien leverage ratio or (2) the CDOR Rate (as defined below) for an interest period to be selected by Dealertrack plus a margin ranging from 2.50% to 2.75% depending upon Dealertrack's consolidated first lien leverage ratio. The "ABR" is equal to (i) for loans denominated in U.S. Dollars, a fluctuating rate equal to the highest of (a) the prime rate, (b) ½ of 1% above the federal funds effective rate and (c) one-month LIBOR plus 1% and (ii) for loans denominated in Canadian Dollars, equal to the higher of (a) the Canadian prime rate and (b) the one-month CDOR Rate plus 1%. The "CDOR Rate" for any interest period is the rate equal to the sum of (a) the annual rate of interest determined with reference to the arithmetic average of the discount rate quotations of all institutions listed in respect of the relevant interest period for Canadian Dollar-denominated bankers' acceptances displayed and identified as such on the "Reuters Screen CDOR Page" as defined in the International Swap Dealer Association, Inc. definitions, as modified and amended from time to time, as of 10:00 a.m., Toronto local time, on such day and, if such day is not a business day, then on the immediately preceding business day (as adjusted by the Administrative Agent after 10:00 a.m., Toronto local time, to reflect any error in the posted rate of interest or in the posted average annual rate of interest) plus (b) 0.10% per annum. Commitment fees on the unused portion of the Revolving Facility accrue at a rate per annum ranging from 0.25% to 0.375% depending upon Dealertrack's consolidated first lien leverage ratio.

All obligations of Dealertrack under the New Credit Agreement are unconditionally guaranteed by substantially all of Dealertrack's U.S. subsidiaries (the "U.S. Guarantors"), under the U.S. Guarantee and Collateral Agreement that was entered into by Dealertrack, the U.S. Guarantors and the Administrative Agent (the "U.S. Guarantee Agreement"). Pursuant to the U.S. Guarantee Agreement, the obligations of Dealertrack and the U.S. Guarantors under the New Credit Agreement and the related guaranties are secured by a first priority security interest in substantially all of the assets of Dealertrack and the U.S. Guarantors, subject to certain customary exceptions. All obligations of the Canadian Borrower under the New Credit Agreement will be unconditionally guaranteed by substantially all of Dealertrack's Canadian subsidiaries (the "Canadian Guarantors"). The Canadian Borrower entered into (and future Canadian subsidiaries will be required to become party to) the Canadian Guarantee and Collateral Agreement with the Administrative Agent (the "Canadian Guarantee Agreement"). Pursuant to the Canadian Guarantee Agreement, the obligations of the Canadian Borrower under the New Credit Agreement are, and the obligations of any Canadian Guarantor under the related guaranties will be, secured by a first priority security interest in substantially all of the assets of the Canadian Borrower and the Canadian Guarantors, subject to certain customary exceptions.

The New Credit Agreement contains certain mandatory prepayments, representations and warranties, affirmative covenants, negative covenants and conditions that are customarily required for similar financings. The New Credit Agreement includes, for the benefit of the Revolving Facility only, a financial covenant (based on a maximum consolidated first lien leverage ratio). The New Credit Agreement also contains customary events of default including, but not limited to, the failure to make payments of interest or principal under the New Credit Agreement, the failure to comply with certain covenants and agreements specified in the New Credit Agreement for a period of time after notice has been provided, the failure to pay principal on certain other indebtedness, the acceleration of such other indebtedness and certain events of insolvency. If any event of default occurs, the principal, interest and any other monetary obligations on all the then outstanding amounts under the New Credit Agreement may become due and payable immediately.
