Explanatory Note

Lakeland Industries, Inc. (the “Company”), hereby amends Part II, Item 8 of its Annual Report on Form 10-K for the year ended January 31, 2014, as filed with the Securities and Exchange Commission on April 28, 2014 (the “Original Form 10-K”). The Company is filing this Amendment No. 1 on Form 10-K/A (this “Amendment No. 1”) solely to add the conformed signature of its independent auditors and the header of the opinion, Warren Averett, LLC, to the Independent Auditors Report (the “Report”) relating to the financial statements included in Item 8 of Part II of the Original Form 10-K. The conformed signature and the header of the opinion of Warren Averett, LLC was inadvertently omitted from the electronic version on the Original Form 10-K, although the Company had a manually signed copy of the Report when the Original Form 10-K was filed. In accordance with the rules of the Securities and Exchange Commission, updated certifications pursuant to Section 302 of the Sarbanes-Oxley Act 2002 have been added as Exhibits 31.1 and 31.2 and updated certifications pursuant to Section 906 of the Sarbanes-Oxley Act of 2002 have been added as Exhibits 32.1 and 32.2 to this Amendment No. 1. No other modifications or changes have been made to the Original Form 10-K or the Company’s financial statements included therein.

This amendment does not reflect the effect of any events subsequent to the filing of the Original Form 10-K for the year ended January 31, 2014, except for the inclusion of the aforementioned conformed signature.

REPORT OF WARREN AVERETT, LLC, INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of Lakeland Industries, Inc. and Subsidiaries

Ronkonkoma, New York

We have audited the accompanying consolidated balance sheets of Lakeland Industries, Inc. and Subsidiaries (the Company) as of January 31, 2014 and 2013, and the related consolidated statements of operations, comprehensive loss, stockholders' equity, and cash flows for each of the years in the two-year period ended January 31, 2014. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits. For the year ended January 31, 2014, we did not audit the financial statements of Lakeland Brazil, S.A. and Weifang Lakeland Safety Products Co., Ltd., wholly-owned subsidiaries, which statements reflect total assets and revenues constituting 22% and 14%, respectively, of the related consolidated totals in 2014. Those statements were audited by other auditors whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for Lakeland Brazil, S.A., and Weifang Lakeland Safety Products Co., Ltd., China, is based solely on the report of other auditors. For the year ended January 31, 2013, we did not audit the financial statements of Lakeland Brazil, S.A., a wholly-owned subsidiary, which statements reflect total assets and revenues constituting 19% and 18%, respectively, of the related consolidated totals in 2013. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included in Lakeland Brazil, S.A., is based solely on the report of other auditors.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, based on our audit and the reports of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of January 31, 2014 and 2013, and the consolidated results of their operations and their cash flow for each of the years in the two-year period ended January 31, 2014, in conformity with accounting principles generally accepted in the United States of America.

The other auditor's report on the 2014 and 2013 financial statements of Lakeland Brazil, S.A. referred to the VAT Tax Issue in Brazil as discussed in Note 10 to the consolidated financial statements. Our opinion is not modified with respect to that matter.
