PROXY STATEMENT

2016 ANNUAL MEETING OF STOCKHOLDERS

To be held on Thursday, June 23, 2016, at 10:00 a.m., local time
at the offices of Morrison & Foerster LLP
2000 Pennsylvania Avenue, N.W.
Suite 6000, Room 5A,
Washington, D.C. 20006

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why did you furnish me this proxy statement?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or “Board”) of STG Group, Inc., a Delaware corporation (the “Company,” “we,” “us,” and “our”), for use at the annual meeting of stockholders (the “Annual Meeting”) to be held on Thursday, June 23, 2016 at 10:00 a.m., local time, at the offices of Morrison & Foerster LLP, located at 2000 Pennsylvania Avenue, N.W. Suite 6000, Room 5A, Washington, D.C. 20006, or at any adjournments or postponements thereof. This proxy statement summarizes the information that you need to make an informed decision on the proposals to be considered at the Annual Meeting. This proxy statement and the enclosed proxy card were first sent to the Company’s stockholders on or about April 29, 2016.

What is included in these materials?

These materials include:

• This Proxy Statement for the Annual Meeting; and
• The Company’s Annual Report on Form 10-K for the year ended December 31, 2015, as filed with the Securities and Exchange Commission (the “SEC”) on March 30, 2016.

What proposals will be addressed at the Annual Meeting?

Stockholders will be asked to consider the following proposals at the Annual Meeting:

1. To elect the two Class I directors named in the Proxy to serve on the Board until the 2019 annual meeting of stockholders or until their successors are elected and qualified; and
2. To ratify the selection by our Audit Committee of BDO USA LLP to serve as our independent registered public accounting firm for fiscal year 2016.

We will also consider any other business that properly comes before the Annual Meeting.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that stockholders vote **“FOR”** each nominee for Director and **“FOR”** the ratification of the selection of BDO USA LLP as our independent registered public accounting firm.

Who may vote at the Annual Meeting of stockholders?

Stockholders who owned shares of the Company’s common stock, par value \$0.0001 per share, as of the close of business on April 28, 2016 (the “Record Date”) are entitled to vote at the Annual Meeting.

As of the Record Date, there were 16,107,071 issued and outstanding shares of common stock.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the Annual Meeting and vote in person, if you properly submit your proxy or if your shares are registered in the name of a bank or brokerage firm and you do not provide voting instructions and such bank or broker casts a vote on the ratification of accountants. In order for us to conduct the Annual Meeting, a majority of our outstanding shares of common stock as of April 28, 2016 must be present at the Annual Meeting. This is referred to as a quorum. On April 28, 2016, there were 16,107,071 shares of common stock outstanding and entitled to vote.

How many votes do I have?

Each share of common stock is entitled to one vote on each matter that comes before the Annual Meeting. Information about the stock holdings of our directors and executive officers is contained in the section of this Proxy Statement entitled “Security Ownership of Certain Beneficial Owners and of Management and Related Stockholder Matters” beginning on page 16.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company’s transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and the proxy materials were sent directly to you by the Company.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in “street name,” and the proxy materials were forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. Those instructions are contained in a “vote instruction form.”

What is the proxy card?

The proxy card enables you to appoint Charles L. Cosgrove, our Chief Financial Officer, as your representative at the Annual Meeting. By completing and returning the proxy card, you are authorizing Mr. Cosgrove to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is strongly recommended you complete and return your proxy card before the Annual Meeting date just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

If I am a stockholder of record of the Company's shares, how do I vote?

There are three ways to vote:

In person. If you are a stockholder of record, you may vote in person at the Annual Meeting. The Company will give you a ballot when you arrive.

By Internet. You may vote your shares at www.voteproxy.com.

By Mail. You may vote by proxy by filling out the proxy card and sending it back in the envelope provided.

If I am a beneficial owner of shares held in street name, how do I vote?

There are two ways to vote:

In person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the brokerage firm, bank, broker-dealer or other similar organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy.

By Internet. You may vote your shares at www.voteproxy.com.

By Mail. You may vote by proxy by filling out the vote instruction form and sending it back in the envelope provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including the ratification of accountants. At the Annual Meeting, these shares will be counted as voted by the brokerage firm in the ratification of accountants.

Brokers are prohibited from exercising discretionary authority on non-routine matters. Proposals one and two are considered non-routine matters, and therefore brokers cannot exercise discretionary authority regarding these proposals for beneficial owners who have not returned proxies to the brokers (so-called "broker non-votes"). In the case of broker non-votes, and in cases where you abstain from voting on a matter when present at the Annual Meeting and entitled to vote, those shares will still be counted for purposes of determining if a quorum is present.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast at the Annual Meeting. Shares not voted on the election of directors will have no effect on the vote for election of directors.

What vote is required to ratify the selection by our Audit Committee of BDO USA LLP as our independent registered public accounting firm?

Approval of the proposal to ratify the selection of BDO USA LLP as our independent registered public accounting firm requires the affirmative vote of the majority of the shares present in person or by proxy and entitled to vote on the matter at the Annual Meeting. An abstention will be counted as a vote against this proposal.

Are the Company's major stockholders obligated to vote "FOR" either of the preceding proposals?

Global Defense & National Security Holdings, LLC ("Global Defense LLC"), and Simon S. Lee Management Trust, Simon Lee Family Trust, AHL Descendants Trust, JSL Descendants Trust and Brian Lee Family Trust (the foregoing trusts, collectively, the "Stockholder Trusts") are parties to a Voting Agreement, dated as of November 23, 2015 (the "Voting Agreement"). Pursuant to the Voting Agreement, Global Defense LLC and the Stockholder Trusts are obligated to vote "FOR" the proposal to elect the two Class I directors named in the Proxy to serve on the Board until the 2019 annual meeting of stockholders. Global Defense LLC and the Stockholder Trusts may direct the vote with respect to 90.5% of our outstanding common stock in the aggregate.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again by signing and returning a new proxy card or vote instruction form with a later date or by attending the Annual Meeting and voting in person if you are a stockholder of record. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering to the Company's Chief Financial Officer at 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190, a written notice of revocation prior to the Annual Meeting.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the Annual Meeting and vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

What happens if I do not indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be voted "FOR" for all the director nominees and the proposals being placed before our stockholders at the Annual Meeting.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the Annual Meeting?

We will announce voting results at the Annual Meeting. The final voting results will be tallied by the inspector of election and published in the Company's Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the Annual Meeting.

Who bears the cost of soliciting proxies?

The Company will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to solicitations by mail, the Company, through its directors and officers, may solicit proxies in person, by telephone or by electronic means. Such directors and officers will not receive any special remuneration for these efforts.

Who can help answer my questions?

You can contact our Chief Financial Officer, Charles L. Cosgrove, at (703) 691-2480 or by sending a letter to Charles L. Cosgrove at the offices of the Company at 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190 with any questions about the proposals described in this proxy statement or how to execute your vote.

THE ANNUAL MEETING

We are furnishing this proxy statement to you as a stockholder of STG Group, Inc. as part of the solicitation of proxies by our Board for use at our Annual Meeting to be held on Thursday, June 23, or any adjournment or postponement thereof.

Date, Time, Place and Purpose of the Annual Meeting

The Annual Meeting will be held at the offices of Morrison & Foerster LLP, located at 2000 Pennsylvania Avenue, N.W. Suite 6000, Room 5A, Washington, D.C. 20006, on Thursday, June 23, at 10:00 a.m., local time. You are cordially invited to attend the Annual Meeting, at which stockholders will be asked to consider and vote upon the following proposals, which are more fully described in this proxy statement:

- To elect the two Class I directors named in the Proxy to serve on the Board until the 2019 annual meeting of stockholders or until their successors are elected and qualified; and
- To ratify the selection by our Audit Committee of BDO USA LLP to serve as our independent registered public accounting firm for fiscal year 2016.

Record Date, Voting and Quorum

Our Board fixed the close of business on April 28, 2016, as the Record Date for the determination of holders of our outstanding common stock entitled to notice of and to vote on all matters presented at the Annual Meeting. As of the record date, there were 16,107,071 shares of common stock issued and outstanding and entitled to vote. Each share of common stock entitles the holder thereof to one vote.

The holders of common stock entitled to cast a majority of all votes that could be cast by the holders of all of the outstanding common stock, present in person or represented by proxy at the Annual Meeting, constitute a quorum.

Required Vote

The affirmative vote of a plurality of the votes cast at the Annual Meeting by the holders of common stock entitled to vote in the election directors is required to elect directors. Global Defense LLC, and the Stockholder Trusts are parties to the Voting Agreement, pursuant to which Global Defense LLC and the Stockholder Trusts are obligated to vote “FOR” the proposal to elect the two Class I directors named in the Proxy to serve on the Board until the 2019 annual meeting of stockholders;. Global Defense LLC and the Stockholder Trusts may direct the vote with respect to 90.5% of our outstanding common stock in the aggregate.

The approval of the proposal to ratify the selection of BDO USA LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the common stock present in person or represented by proxy and entitled to vote on this matter at the Annual Meeting.

Voting

You can vote your shares at the Annual Meeting by proxy or in person.

You can vote by proxy by having one or more individuals who will be at the Annual Meeting vote your shares for you. These individuals are called “proxies” and using them to cast your ballot at the Annual Meeting is called voting “by proxy.”

If you wish to vote by proxy, you must complete the enclosed form, called a “proxy card,” and mail it in the envelope provided.

If you complete the proxy card as described above, you will designate our Chief Financial Officer to act as your proxy at the Annual Meeting. He will then vote your shares at the Annual Meeting in accordance with the instructions you have given him through the proxy card or voting instructions, as applicable, with respect to the proposals presented in this proxy statement. Proxies will extend to, and be voted at, any adjournment(s) or postponement(s) of the Annual Meeting.

Alternatively, you can vote your shares in person by attending the Annual Meeting. You will be given a ballot at the meeting.

While we know of no other matters to be acted upon at this year’s Annual Meeting, it is possible that other matters may be presented at the Annual Meeting. If that happens and you have signed and not revoked a proxy card, your proxy will vote on such other matters in accordance with the best judgment of Mr. Lee.

A special note for those who plan to attend the Annual Meeting and vote in person: if your shares are held in the name of a broker, bank or other nominee, you must bring a statement from your brokerage account or a letter from the person or entity in whose name the shares are registered indicating that you are the beneficial owner of those shares as of the record date. In addition, you will not be able to vote at the Annual Meeting unless you obtain a legal proxy from the record holder of your shares.

Our Board is asking for your proxy. Giving the Board your proxy means you authorize it to vote your shares at the Annual Meeting in the manner you direct. You may vote for or withhold your vote for each nominee or proposal or you may abstain from voting. All valid proxies received prior to the Annual Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted “FOR” the election of each nominee for Director and “FOR” the ratification of the selection of BDO USA LLP as our independent registered public accounting firm and as the proxy holders may determine in their discretion with respect to any other matters that may properly come before the Annual Meeting.

Stockholders who have questions or need assistance in completing or submitting their proxy cards should contact our Chief Financial Officer, Charles L. Cosgrove, at (703) 691-2480.

Stockholders who hold their shares in “street name,” meaning the name of a broker or other nominee who is the record holder, must either direct the record holder of their shares to vote their shares or obtain a legal proxy from the record holder to vote their shares at the Annual Meeting.

Revocability of Proxies

Any proxy may be revoked by the person giving it at any time before the polls close at the Annual Meeting. A proxy may be revoked by filing with our Chief Financial Officer, (STG Group, Inc., 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190) either (i) a written notice of revocation bearing a date later than the date of such proxy or (ii) a subsequent proxy relating to the same shares, or (iii) by attending the Annual Meeting and voting in person.

Simply attending the Annual Meeting will not constitute revocation of your proxy. If your shares are held in the name of a broker or other nominee who is the record holder, you must follow the instruction of your broker or other nominee to revoke a previously given proxy.

Attendance at the Annual Meeting

Only holders of common stock, their proxy holders and guests we may invite may attend the Annual Meeting. If you wish to attend the Annual Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and identification with a photo at the Annual Meeting. For example, you may bring an account statement showing that you beneficially owned shares of STG Group, Inc. as of the record date as acceptable proof of ownership.

Solicitation of Proxies

The Company will bear the cost of soliciting proxies on behalf of the Company. Some banks and brokers have customers who beneficially own common stock listed of record in the names of nominees. We intend to request banks and brokers to solicit such customers and will reimburse them for their reasonable out-of-pocket expenses for such

solicitations. The solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers, directors and other employees of the Company, but no additional compensation will be paid to such individuals.

No Right of Appraisal

Neither Delaware law nor our amended and restated Certificate of Incorporation provide for appraisal or other similar rights for dissenting stockholders in connection with any of the proposals to be voted upon at the Annual Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares.

Other Business

We are not currently aware of any business to be acted upon at the Annual Meeting other than the matters discussed in this proxy statement. The form of proxy accompanying this proxy statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Annual Meeting and with respect to any other matters which may properly come before the Annual Meeting. If other matters do properly come before the Annual Meeting, or at any adjournment(s) or postponement(s) of the Annual Meeting, we expect that shares of our common stock, represented by properly submitted proxies will be voted by the proxy holders in accordance with the recommendations of our Board.

Corporate Governance

The Board of Directors

Our amended and restated certificate of incorporation provides for a Board of Directors classified into three classes as nearly equal in number as possible, whose terms of office expire in successive years. Our Board of Directors now consists of five directors as set forth below.

Director Independence

The Board of Directors has determined that each of the Hon. David C. Gompert, Vice Admiral (ret.) Murrett and the Hon. Ronald R. Spoehel are independent. The Board of Directors affirmatively determined that no director (other than Messrs. Perl and Lee) has a material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company.

We currently have the following standing committees: the Audit Committee, the Nominating and Governance Committee, the Compensation Committee, the Business Performance Committee and the Government Security Committee. Each of the standing committees of the Board of Directors is composed entirely of independent directors.

Lead Director

In April 2016, the Board, on the recommendation of the independent directors of the Board, created the position of Lead Director. The Hon. Ronald R. Spoehel serves as the Lead Director. In that role, he presides over the Board's executive sessions, during which our independent directors meet without management, and he serves as the principle liaison between management and the independent directors of the Board. The Lead Director also:

- determines the agenda of the executive sessions in consultation with the other independent directors;
- provides timely agreed upon feedback to the Board and the Chairman from the executive sessions;
- has the authority to call meetings of the independent directors, which is in addition to the authority that any director of any committee of directors may have to call meetings in accordance with the Board resolutions or the charter controlling the governance of such committee;
- consults with and advises the Chairman and Chief Executive Officer regarding Board meeting agendas and frequency
- and all information sent to the Board, including the quality, quantity, appropriateness and timeliness of such information;
- provides such assistance and cooperation in preparation for and conduct of Board meetings as the Chairman may request;
- is available, when appropriate, for consultation and direct communication with major stockholders, lenders and relevant financial institutions; and
- works in conjunction with the Compensation Committee and members of the Board and other committees as appropriate to evaluate the performance of the Chief Executive Officer and deliver the annual performance evaluation to the Chief Executive Officer together with the Chairman of the Compensation Committee.

Committee Membership, Meetings and Attendance

During the fiscal year ended December 31, 2015, 7 meetings of the Board were held.

The Nominating and Governance, Audit and Compensation Committees each adopted new charters in December 2015. During the fiscal year ended December 31, 2015:

- the Nominating and Governance Committee held 1 meeting;
- the Audit Committee held 3 meetings;
- the Compensation Committee held 1 meeting;

Each of our incumbent directors attended or participated in at least 75% of the meetings of the Board of Directors and the respective committees of which he is a member held during the period such incumbent director has been a director during fiscal year ended December 31, 2015.

We encourage all of our directors to attend our annual meetings of stockholders. There was 1 member of the Board in attendance at our last Annual Meeting.

Audit Committee

We have an Audit Committee of the Board of Directors which consists of the Hon. David C. Gompert, Vice Admiral (ret.) Murrett and the Hon. Ronald R. Spoehel (Chair). Our Board of Directors has determined that each of the Hon. David C. Gompert, Vice Admiral (ret.) Murrett and the Hon. Ronald R. Spoehel is an independent director. The Audit Committee's duties, which are specified in our Audit Committee Charter, include, but are not limited to:

- reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the Board whether the audited financial statements should be included in our Form 10-K;
- discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;
- discussing with management major risk assessment and risk management policies;
- monitoring the independence of the independent auditor;
-

verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;

- reviewing and approving all related-party transactions;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- appointing or replacing the independent auditor;
- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies.

The Audit Committee will at all times be composed exclusively of “independent directors” who are “financially literate.” We define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

In addition, we have and intend to continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual’s financial sophistication. The Board has determined that the Hon. Ronald R. Spoehel qualifies as an “audit committee financial expert,” as defined under rules and regulations of the SEC.

Our Audit Committee has a formal written charter, which has been posted on the Company’s website and can be found at www.stginc.com.

Nominating and Governance Committee

We have a Nominating and Governance Committee (the “Nominating Committee”) of the Board, which consists of the Hon. David C. Gompert (Chair), Vice Admiral (ret.) Murrett and the Hon. Ronald R. Spoehel. The Nominating Committee is responsible for overseeing the selection of persons to be nominated to serve on our Board of Directors. The Nominating Committee considers persons identified by its members, management, stockholders, investment bankers and others.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees, which are specified in our Nominating Committee Charter, generally provide that persons to be nominated:

- should have demonstrated notable or significant achievements in business, education or public service;
- should possess the requisite intelligence, education and experience to make a significant contribution to the board of directors and bring a range of skills, diverse perspectives and backgrounds to its deliberations; and
- should have the highest ethical standards, a strong sense of professionalism and intense dedication to serving the interests of our stockholders.

The Nominating Committee has a formal written charter, which has been posted on the Company's website and can be found at www.stginc.com.

The Nominating Committee will consider a number of qualifications relating to management and leadership experience, background, integrity and professionalism in evaluating a person's candidacy for membership on the board of directors. The Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time and will also consider the overall experience and makeup of its members to obtain a broad and diverse mix of board members. The Nominating Committee does not distinguish among nominees recommended by stockholders and other persons.

Stockholders wishing to recommend a nominee for director are to submit such nomination in writing, along with any other supporting materials the stockholder deems appropriate, to our Secretary at the Company's corporate offices at 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190.

Compensation Committee

The Compensation Committee has overall responsibility for succession planning and determining and approving the compensation of our Chief Executive Officer and reviewing and approving the annual base salaries and annual incentive opportunities of our executive officers. The Company may utilize the services of independent consultants to perform analyses and to make recommendations relative to executive compensation matters. These analyses and recommendations are conveyed to the Compensation Committee, and the Compensation Committee takes such information into consideration in making its compensation decisions. The Compensation Committee has adopted a formal written charter, which has been posted to the Company's website and can be found at www.stginc.com. The

Compensation Committee consists of the Hon. David C. Gompert (Chair), the Hon. Ronald R. Spoehel, and Vice Admiral (ret.) Murrett.

Audit Committee Report*

The Audit Committee has reviewed and discussed our audited financial statements with management, and has discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 16, as amended (Codification of Statements on Auditing Standards, AU sec. 380), as adopted by the Public Company Accounting Oversight Board (the “PCAOB”). Additionally, the Audit Committee has received the written disclosures and the letter from our independent registered public accounting firm, as required by the applicable requirements of the PCAOB, and has discussed with the independent registered public accounting firm the independent registered public accounting firm’s independence. Based upon such review and discussion, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the last fiscal year for filing with the SEC.

Audit Committee of the Board of Directors

The information contained in this Audit Committee Report shall not be deemed to be “soliciting material” or “filed” or *incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

Board Leadership Structure and Role in Risk Oversight

Currently, we have a President, Mr. Fernandes, but we do not have a Chief Executive Officer. Pursuant to the Stock Purchase Agreement dated June 8, 2015, by and among the Company, the Stockholder Trusts and the other parties thereto (the “Business Combination Agreement”), at the closing of the Business Combination, Mr. Lee was appointed as our Chairman of the Board, and he continues to serve in that position. Additionally, Mr. Lee is Trustee for three of the five Stockholder Trusts, which collectively own 57.9% of our outstanding common stock. In light of the foregoing, the Board has created the position of Lead Director, upon the recommendation of the independent directors, as further described above. The Hon. Ronald R. Spoehel is our Lead Director. Our Board of Directors believes the Company and its stockholders are well-served by this leadership structure.

The Board is actively involved in overseeing our risk management processes. The Board focuses on our general risk management strategy and ensures that appropriate risk mitigation strategies are implemented by management. Further, operational and strategic presentations by management to the Board include consideration of the challenges and risks of our business, and the Board and management actively engage in discussion on these topics. In addition, each of the Board's committees considers risk within its area of responsibility. For example, the Audit Committee provides oversight to legal and compliance matters and assesses the adequacy of our risk-related internal controls. The Compensation Committee considers risk and intends to structure our executive compensation programs to provide incentives to reward appropriately executives for growth without undue risk taking.

Director Recommendations and Nominations

The Nominating and Governance Committee of the Board is responsible for assembling and maintaining a list of qualified candidates to serve on the Board, and it periodically reviews this list and researches the talent, skills, expertise, and general background of these candidates. The Board will from time to time review and consider candidates recommended by stockholders. Stockholder recommendations should be submitted in writing to: STG Group, Inc., 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190, Attention: Secretary.

Whether recommended by a stockholder or chosen by the independent directors, a candidate will be selected for nomination based on his or her talents and the needs of the Board. Although the Board does not have a formal diversity policy, it is expected that the independent directors will consider such factors as they deem appropriate to assist in developing a Board and committees that reflect a diversity of experience and are comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable purpose and size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. Director candidates are evaluated in view of the criteria described above, as well as other factors deemed to be relevant by the Board, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments.

Procedures for Contacting Directors

The Board has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to the Company's Secretary, STG Group, Inc., 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190, Attention: Secretary. We review all messages received, and forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Board or the Lead Director, if appropriate. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board.

Code of Ethics

We have adopted a code of ethics that applies to all of our directors, executive officers and employees. The code of ethics codifies the business and ethical principles that govern all aspects of our business.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Securities Act of 1934, the Company's directors and executive officers, and any persons holding 10% or more of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons, the Company believes that during the fiscal year ended December 31, 2015 all Section 16(a) filing requirements applicable to such persons were met in a timely manner, except that due to an administrative error by the Company, there was a late Form 3 filed by the Hon. Ronald R. Spoehel and Vice Admiral (ret.) Murrett.

EXECUTIVE COMPENSATION

As an emerging growth company, the Company has reduced disclosure obligations regarding executive compensation and is subject to the rules applicable to “smaller reporting companies,” as such term is defined under the Securities Act, which require compensation disclosure for the Company’s principal executive officer and the next two most highly-compensated executive officers.

Included in this discussion is information for our named executive officers. All executive officers of the Company prior to the Business Combination resigned in connection with the Business Combination, and were not compensated by the Company for their services.

The tabular disclosure and discussion that follow describe the Company’s executive compensation program during the most recently completed fiscal year, ended December 31, 2015, with respect to the Company’s named executive officers, including Paul A. Fernandes, the Company’s President, Charles L. Cosgrove, the Company’s Chief Financial Officer and Dale R. Davis, the Company’s Chief Integration Officer.

Compensation Policies

We seek to provide total compensation packages that are competitive, tailored to the unique characteristics and needs of the Company within our industry, and that adequately reward our executives for their roles in creating value for our stockholders. The Company’s goal is to be competitive in our executive compensation with other similarly situated companies in our industry. The compensation decisions regarding the Company’s executives are based on our need to attract individuals with the skills necessary to achieve our business plan, to reward those individuals fairly over time, and to retain those individuals who continue to perform at or above the Company’s expectations.

Our executives’ compensation consists of three primary components: salary, incentive bonus and stock-based awards issued under an incentive plan. We are in the process of determining the appropriate level for each compensation component based in part, but not exclusively, on our view of internal equity and consistency, individual performance, our performance and other information deemed relevant and timely.

Summary Compensation Table

The following table presents summary information regarding the total compensation for the years ended December 31, 2015 and 2014, for our named executive officers. The information for 2014 relates to compensation paid to our named executive officers by Holdings. Charles Cosgrove

In connection with the closing of the Business Combination, we entered into an employment agreement with Charles L. Cosgrove (the “Cosgrove Employment Agreement”), providing that Mr. Cosgrove would serve as the Company’s Chief Financial Officer beginning on the Closing Date. Pursuant to the Cosgrove Employment Agreement, the Company will pay Mr. Cosgrove an annual salary of \$330,000. Mr. Cosgrove will be eligible to participate in the Company’s Annual Incentive plan, at up to a 50% target of his salary, and will be eligible to participate in the Company’s deferred compensation plan. Mr. Cosgrove also will be entitled to participate in all of the employee benefit plans and arrangements generally provided from time to time to senior executive officers of the Company.

In addition, upon any termination of Mr. Cosgrove’s employment by the Company without Cause (as defined in the Cosgrove Employment Agreement) or by Mr. Cosgrove for Good Reason (as defined in the Cosgrove Employment Agreement) within one year of his start date for any reason other than for Cause, he will be eligible for one month of severance equal to his then-current base salary, for each completed month of service. If the Company terminates Mr. Cosgrove’s employment on or after one year of his start date for any reason other than for Cause, he will be eligible for twelve months’ severance equal to his current base salary.

Dale R. Davis

On November 30, 2015, we entered into an employment agreement with Dale Davis, which was amended on April 29, 2016 (as amended, the “CIO Employment Agreement”), providing that Mr. Davis would serve as the Company’s Chief Integration Officer beginning on November 30, 2015. Pursuant to the CIO Employment Agreement, the Company will pay Mr. Davis an annual salary of \$346,000. Mr. Davis will be eligible to participate in the Company’s Annual Incentive plan, at up to a 50% target of his salary, and will be eligible to participate in the Company’s deferred compensation plan. Annual Cash Incentive Awards

None of the named executive officers received a cash incentive bonus under this plan in 2015. The Company is in process of adopting its annual incentive plan for 2016.

Deferred Compensation

Mr. Fernandes participated in a deferred compensation plan sponsored by Holdings prior to closing the Business Combination for employees classified as Vice Presidents and above. The deferred compensation plan provided that participants could make deferral contributions, which could range from 0% to 75% of an employee's non-bonus compensation and 0% to 100% of an employee's bonus compensation. Holdings could make discretionary employer contributions, as determined by Holdings in its sole discretion from time-to-time in writing. No matching contributions were available under the plan. The vesting schedule for employer contributions was: (i) zero years of service = 33% vested; (ii) one year of service = 33% vested; (iii) two years of service = 66% vested; (iv) three years of service = 100% vested. A participant was 100% vested in his employer contributions upon retirement eligibility (age 55 and 0 years of service), death, or disability. Participants could elect to receive distributions in a lump-sum or installments for deferral contributions and employer contributions, upon (i) a specified date or (ii) separation from service. Mr. Fernandes elected to have his service end date as the date of payment (or beginning of payments in the event of installments). Participants received a lump-sum payment in the event of death. Lump sums were paid on the 1st day of the month following the payment-triggering event. Installment payments started on that date and were payable annually thereafter over a time period of 2 to 10 years as elected by the participant. Employer contributions automatically vested upon a change in control. A change in control also triggered payment to the participant in a lump sum. The Business Combination triggered the automatic vesting of employer contributions and payment to Mr. Fernandes in a lump sum.

Phantom Stock Appreciation Awards

Prior to closing the Business Combination, Holdings sponsored a management incentive plan under which participants, including Mr. Fernandes, received phantom stock appreciation rights called "participation rights" which shared in the increase in the value of Holdings. This plan was terminated in connection with closing the Business Combination. The value of each participation interest was the increase in the value of Holdings since the award date multiplied by the percentage stated in the award agreement. Participants vested on a daily basis over a three-year period. If the participant remained employed through the 5th anniversary date, payments were made in three installments: (i) 1/3 of the participant's plan account on the first business day on or immediately after the 5th anniversary of the grant date; (ii) 1/2 of the participant's plan account is paid on the 6th anniversary date of the grant date; and (iii) the remaining balance in the participant's plan account is paid as of the 7th anniversary date of the grant date. If there was a change in control, a participant became fully vested in his or her plan account if the participant had not had a separation from service on the date a change of control occurred. Upon a change of control, all earned amounts payable that had not been fully paid were paid in a single lump sum within five (5) business days of such change of control. Upon closing of the Business Combination this plan was terminated.

In 2015, Mr. Fernandes received no compensation under the Management Incentive Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

As of December 31, 2015, amounts due from this entity totaled \$0.02 million. The Company recorded revenue of \$0.01 million and \$0.11 million, respectively, for the periods from November 24, 2015 through December 31, 2015 and January 1, 2015 through November 23, 2015.

All ongoing and future transactions between us and any of our officers and directors and their respective affiliates, including loans by our officers and directors, will be on terms believed by us to be no less favorable than are available from unaffiliated third parties. Such transactions or loans, including any forgiveness of loans, will require prior approval by a majority of our disinterested “independent” directors (to the extent we have any) or the members of our Board who do not have an interest in the transaction, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our disinterested “independent” directors (or, if there are no “independent” directors, our disinterested directors) determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties. We will not enter into a business combination or invest alongside any of our directors, officers, any affiliate of ours or of any of our directors or officers or a portfolio company of any affiliate of our directors or officers.

**PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

We are asking stockholders to ratify the Audit Committee's selection of BDO USA LLP ("BDO") as our independent registered public accounting firm for the fiscal year ending December 31, 2016. The Audit Committee is directly responsible for appointing the Company's independent registered public accounting firm. Although this appointment does not require ratification, the Board has directed that the appointment of BDO be submitted to stockholders for ratification due to the significance of their appointment. If stockholders do not ratify the appointment of BDO, the Audit Committee will consider the appointment of another independent registered public accounting firm for the fiscal year ending December 31, 2016. Representatives of BDO are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will respond to appropriate questions.

Change in Auditors

As previously reported, on November 28, 2015, the Company appointed BDO as the Company's new independent registered public accounting firm, effective immediately. The Audit Committee of the Board of Directors approved the change in the auditors. During the fiscal year ended December 31, 2014, and during all subsequent interim periods through November 28, 2015, the Company did not consult BDO regarding the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on the Company's financial statements. KPMG previously served as the principal accountants of the Company, which was previously a special purpose acquisition company ("SPAC") prior to the consummation of the Business Combination.

The report of KPMG LLP on the Company's financial statements for the fiscal year ended December 31, 2014 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

"As discussed in Note 2 to the financial statements, the Company has adopted Financial Accounting Standards Board Accounting Standards Update No. 2014-10 for the year ended December 31, 2014, which resulted in the Company revising its financial statement presentation by removing references to being a development stage company and eliminating incremental financial reporting requirements to present inception-to-date financial information in the statements of operations, stockholders' equity and cash flows."

“As discussed in Note 1 to the financial statements, the Company will cease all operations, except for the purpose of winding up, redeem all public shares outstanding and dissolve and liquidate in the event that the Company does not consummate an initial business combination by July 24, 2015. This condition raises substantial doubt about its ability to continue as a going concern. Management’s plans regarding those matters are also discussed in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.”

During the fiscal year ended December 31, 2014, and in the subsequent interim periods through November 28, 2015, there were no disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope and procedure, which disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused KPMG LLP to make reference to the subject matter of the disagreement in their opinion.

During the fiscal year ended December 31, 2014, and in the subsequent interim periods through November 28, 2015, there were no “reportable events” as that term is defined in Item 304(a)(i)(v) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended (“Regulation S-K”).

As previously reported, on June 30, 2014, KPMG LLP acquired certain assets of Rothstein Kass, P.A. (d/b/a Rothstein Kass & Company, P.C.) and certain of its affiliates (“Rothstein Kass”), our then-prior independent registered public accounting firm. As a result of this transaction, on June 30, 2014, Rothstein Kass resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Audit Committee approved the engagement of KPMG LLP as the new independent registered public accounting firm for the Company. On August 10, 2014, KPMG LLP completed its client evaluation procedures and accepted the engagement.

The audit report of Rothstein Kass on the Company’s financial statements for the year ended December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass’s resignation, there were no disagreements between the Company and Rothstein Kass on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Rothstein Kass would have caused them to make reference thereto in their report on the Company’s financial statements for such year. During the year ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass’ resignation, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Our Board of Directors recommends a vote “FOR” the ratification of the selection by the Audit Committee of BDO as our independent registered public accounting firm.

The Chairman of the Board may refuse to acknowledge the introduction of any stockholder proposal not made in compliance with the foregoing procedures.

Householding Information

Unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions:

-

If the shares are registered in the name of the stockholder, the stockholder should contact us at our offices at STG Group, Inc., 11091 Sunset Hills Road, Suite 200, Reston, Virginia 20190, to inform us of his or her request; or If a bank, broker or other nominee holds the shares, the stockholder should contact the bank, broker or other nominee directly.
