Hadera Paper Ltd. (AMEX:AIP) (the “Company”) announced on May 27, 2010, that Mondi Hadera Paper (“Mondi”), an associated company, reported that the Supervisor of Anti-Dumping Charges and Homogenization Charges at the Ministry of Industry, Trade and Employment in Israel (the “Supervisor”) announced his decision to terminate an investigation concerning the import in dumping prices of fine paper products from several European countries to Israel, due to the recent developments in the paper market and certain information provided to him. The Supervisor’s investigation was based on a complaint filed by Mondi in February 2009. Albeit the damages caused to it due to the import in dumping prices, Mondi does not object the Supervisor’s decision, due to the recent market developments. Mondi will retain the right to file a new complaint if it is apparent that import in dumping prices continues.

The Supervisor is in a process of review in regards to an additional complaint filed in connection with the import of packing paper in dumping prices.
