PROXY STATEMENT

Introduction

This Proxy Statement is provided to stockholders of Consolidated Edison, Inc. (Con Edison or the Company) in connection with the Annual Meeting of Stockholders and any adjournments or postponements of the meeting. The Annual Meeting will be held at the Company's principal executive offices at 4 Irving Place, New York, New York 10003, on Monday, May 16, 2005, at 10:00 a.m.

Solicitation of Proxies

The Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Con Edison for use at the 2005 Annual Meeting of Stockholders (the Annual Meeting). The Proxy Statement and the form of proxy are being mailed to stockholders on or about April 6, 2005.

The Company's Annual Report to Stockholders, which includes the consolidated financial statements and accompanying notes for the year ended December 31, 2004, and other information relating to the Company's financial condition and results of operations, also accompanies the mailing of this Proxy Statement.

This solicitation of proxies for the Annual Meeting is being made by management on behalf of the Board of Directors and will be made by mail, telephone, the Internet, facsimile and electronic transmission or overnight delivery. The Company will pay the expenses associated with the solicitation of proxies. The expenses will include reimbursement for postage and clerical expenses to brokerage houses and other custodians, nominees or fiduciaries for forwarding proxy material and other documents to beneficial owners of stock held in their names. In addition, Morrow & Co., Inc. has been retained to assist in the solicitation of proxies by the means described above. The estimated cost of Morrow's services is \$20,000, plus out-of-pocket expenses.

Record Date, Outstanding Voting Securities and Voting Rights

The Board of Directors has established March 28, 2005, as the record date for the determination of Con Edison's stockholders entitled to receive notice of and to vote at the meeting. On the record date, there were 243,004,214 shares of Common Stock, which are entitled to one vote per share upon the proposals to be presented. The holders will vote on the election of Directors, the ratification of the appointment of independent accountants and the stockholder proposal.

The enclosed proxy card is for the number of shares registered in your name with Con Edison, together with any additional full shares held in your name in Con Edison's Automatic Dividend Reinvestment and Cash Payment Plan. The instructions on the proxy card provide that any shares registered in your name and any full shares held for your account in the plan will be voted in the same manner.

Edgar Filing: CONSOLIDATED EDISON INC - Form DEF 14A

In all matters other than the election of Directors, the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting, entitled to vote and voting on the subject matter, will be the act of the stockholders. Directors will be elected by a plurality of the votes present in person or represented by proxy at the Annual Meeting, entitled to vote and voting on the election of Directors. Abstentions and broker non-votes are voted neither for nor against, and have no effect on the vote, but are counted in the determination of the quorum.

Voting and Revocation of Proxies

All shares represented by properly executed proxies received in time for the Annual Meeting will be voted at the Annual Meeting in the manner specified by the persons giving those proxies. If the proxy is signed but no voting instructions are made, the shares represented by the proxy will be voted for the election of Directors and in accordance with the recommendations of the Board on other proposals.

Instead of submitting a signed proxy card, if you are a stockholder of record you may vote your proxy by telephone or on the Internet using the instructions set forth on the proxy card. Voting by telephone or on the Internet eliminates the need to return the proxy card. Telephone voting is not available to stockholders of record outside the United States.

If your shares are held in a stock brokerage account or by a bank or other nominee, you must vote your shares in the manner prescribed by your broker or nominee. The telephone and Internet voting procedure may or may not be available to stockholders who hold their shares through a broker, bank or other nominee.

Voting by use of a proxy on the enclosed proxy card, by telephone or on the Internet does not preclude a stockholder from voting in person at the Annual Meeting. A stockholder may revoke a proxy at any time prior to its exercise by mailing to the Secretary of the Company a duly executed revocation or by submitting a duly executed proxy, telephone or Internet vote to the Company with a later date or by appearing at the Annual Meeting and voting in person. A stockholder may revoke a proxy by any of these methods, regardless of the method used to cast his or her previous vote. Attendance at the Annual Meeting without voting will not by itself revoke a proxy.

Attendance and Procedures at the Annual Meeting

Attendance at the Annual Meeting will be limited to stockholders of record, beneficial owners of Common Stock entitled to vote at the meeting having evidence of ownership, the authorized representative (one only) of an absent stockholder, and invited guests of management. If you plan to attend the Annual Meeting and you hold your shares directly in your name, please vote your proxy but keep the admission ticket attached to your proxy card and bring it with you to the meeting. Stockholders who hold their shares through a broker, nominee, or other custodian will need to bring a copy of a brokerage statement reflecting their stock ownership as of the record date. You will be asked to present valid picture identification. Any person claiming to be an authorized representative of a stockholder must, upon request, produce written evidence of the authorization. In order to assure the holding of a fair and orderly meeting and to accommodate as many stockholders as possible who may wish to speak at the Annual Meeting, management will limit the general discussion portion of the meeting to one hour and permit only stockholders or their authorized representatives to address the meeting. In addition, management will require that all signs, banners, placards, handouts and similar materials be left outside the meeting room.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

Eleven Directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting and until their respective successors are elected and qualified. Directors are permitted to stand for election until they reach the mandatory retirement age of 72. Of the Board members standing for election, two (Eugene R. McGrath and Joan S. Freilich) are officers of the Company.

All of the nominees were elected Directors at the last Annual Meeting. The Company's management believes that all of the nominees will be able and willing to serve as Directors of the Company. All of the Directors also serve as Trustees of Con Edison's subsidiary, Consolidated Edison Company of New York, Inc. (Con Edison of New York). Mr. McGrath also serves on the Board of Con Edison's subsidiary, Orange and Rockland Utilities, Inc. (O&R).

The Board of Directors held fifteen meetings in 2004. At these meetings the Board considered a wide variety of matters involving, among other things, the Company's strategic planning, its financial condition and results of operations, its capital and operating budgets, personnel matters, succession planning, risk management, industry issues, accounting practices and disclosure, and corporate governance practices.

In accordance with the Company's Corporate Governance Guidelines, the Chair of the Corporate Governance and Nominating Committee will serve as Lead Director, and as such chair the executive sessions of the non-management Directors and the independent Directors. The Company's independent Directors meet in executive session at least annually. The non-management Directors are scheduled to meet a minimum of three times in executive session during 2005.

Shares represented by every properly signed proxy will be voted at the Annual Meeting for the election of Directors, except where the stockholder giving the proxy withholds the right to vote or instructs otherwise. If one or more of the nominees is unable or unwilling to serve, the shares represented by the proxies will be voted for the other nominees and for any substitute nominee or nominees as may be designated by the Board.

Information About Nominees

The name and age of each of the nominees, the years in which each was first elected a Director of the Company and Trustee of Con Edison of New York, the principal occupation and business experience of each during the past five years, the number of shares of Common Stock beneficially owned by each as of the close of business on January 31, 2005, their directorships in other publicly held business corporations and the more significant of their directorships in charitable and educational organizations as of January 31, 2005, are set forth below, based on information provided by the nominees.

The current nominees bring to the Company the benefit of their broad expertise and experience in many diverse fields. The Board has determined that the service by its members as directors of other public companies, including service by Mr. Salerno, a retired executive, on more

Edgar Filing: CONSOLIDATED EDISON INC - Form DEF 14A

than three audit committees of public companies, does not impair their ability to effectively serve on Con Edison's Board of Directors or its Committees. The Company's Corporate Governance Guidelines provide that members of the Board should limit their service on publicly held company and investment company boards to no more than six. The guidelines, revised in March 2005, also provide that the Board understands and expects that a Director who changes his or her principal business association will offer his or her resignation from the Board (which offer the Board will be free to accept or reject).

For purposes of the guidelines, share ownership includes the Directors' deferred stock units and the officers' vested restricted stock units. Directors and officers have five years to meet the guidelines.

Certain Beneficial Owners

The following table provides, as of December 31, 2004, information with respect to persons who are known to the Company to beneficially own more than five percent of the common shares of Con Edison.

<u>Name and Address of Beneficial Owner</u>	<u>Shares of Common Stock</u>	
	<u>Beneficially Owned</u>	<u>Percent of Class</u>
Capital Research and Management Company 333 South Hope Street Los Angeles, CA 90071	14,178,700	5.9%(1)

(1) Capital Research and Management Company has sole dispositive power and no voting power over the 14,178,700 shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Directors and executive officers of the Company to file reports of ownership and changes in ownership of the equity securities of the Company and its subsidiaries with the Securities and Exchange Commission and to furnish copies of these reports to the Company. Based upon its review of the reports furnished to the Company for 2004 pursuant to Section 16(a) of the Act, the Company believes that all of the reports were filed on a timely basis.

Board Members Fees and Attendance

Those members of the Board who are not employees of the Company or its subsidiaries are paid an annual retainer of \$40,000, a fee of \$1,500 for each meeting of the Board or of the Boards of its subsidiaries attended and a fee of \$1,500 for each meeting of a Committee of the Board or of the Boards of its subsidiaries attended. Con Edison will reimburse Board members who are not currently officers of the Company for expenses incurred in attending Board and Committee meetings. No person who serves on both the Con Edison Board and on the Board of its subsidiary, Con Edison of New York, and corresponding Committees, is paid additional compensation for concurrent service.

The Chairs of the Corporate Governance and Nominating; Environment, Health and Safety; Finance; Management Development and Compensation and Planning Committees each receive an annual retainer fee of \$5,000. The Audit Committee Chair receives an annual retainer of \$10,000, and each Audit Committee member other than the Chair receives an annual retainer of \$5,000. The Acting Chair of any Board Committee, at meetings where the regular Chair is absent, is paid an additional meeting fee of \$200 for any Committee meeting at which he or she presides.

Members of the Board who are officers of the Company or its subsidiaries receive no retainer or meeting fees for their service on the Board.

Members of the Board participate in Con Edison's Long Term Incentive Plan (LTIP). Pursuant to the LTIP, which was approved at the 2003 Annual Meeting, each non-management Director is allocated an annual award of 1,300 deferred stock units on the first business day following each Annual Meeting. If a non-management Director is first appointed to the Board after an Annual Meeting, his or her first annual award will be prorated. In mid-2002, the Company terminated its retirement plan for Directors, converted each Director's accrued benefits under the retirement plan into deferred stock units and allocated each Director 400

deferred stock units. The 2002 deferred stock units and all annual awards of stock units will be deferred until the Director's termination of service from the Board of Directors. At the Director's option, they may be paid at that time or further deferred for payment over a maximum of ten years. Each Director may defer all or a portion of his or her retainers and meeting fees into additional deferred stock units, which would be deferred until the Director's termination of service or, at the option of the Director and if earlier than the date of termination, for five years or more after the year in which the units were deferred. Dividend equivalents are payable on deferred stock units in the amount and at the time that dividends are paid on Con Edison's common stock and, at the Director's option, are paid in cash or invested in additional deferred stock units. All payments on account of deferred stock units will be made in shares of Con Edison common stock except that fractional stock units will be paid in cash.

Directors are eligible to participate in the Stock Purchase Plan, which was approved at the 2004 Annual Meeting. The Stock Purchase Plan permits employees of Con Edison of New York, including executive officers, to contribute up to 20 percent of their salaries into the plan, but not more than \$25,000 per year. Non-employee members of the Boards of Directors of Con Edison and its subsidiaries may invest under the plan through optional cash payments, subject to a maximum, excluding dividend reinvestments, of \$25,000 during any calendar year. The Company contributes \$1 for each \$9 contributed by a participant in the plan. The contributions are used to purchase common stock of the Company. The Company pays brokerage and other expenses relating to the plan.

The law firm of LeBoeuf, Lamb, Greene & MacRae, LLP, of which Mr. Davis is a Senior Partner, provided services to Con Edison of New York in 2004 and will provide services in 2005. Ms. Futter's brother provided legal services to Con Edison of New York in 2004 and will provide legal services in 2005. The fees for his services in 2004 totaled \$147,280. Citigroup Inc., of which Mr. Volk is Vice Chairman, participated as an underwriter in financings by Con Edison and its subsidiaries in 2004. It also provided commercial banking services to the Company and its subsidiaries and administers the Company's Stock Option Plan. It will provide commercial banking and may provide additional banking and other services for Con Edison and its subsidiaries in 2005.

During 2004 each incumbent member of the Board attended more than 75 percent of the combined meetings of the Board of Directors and the Board Committees on which he or she served.

Directors are expected to attend the Annual Meeting. All of the Directors attended the last Annual Meeting.

Board Members Independence

The Board of Directors has affirmatively determined that each Director, other than Mr. McGrath and Ms. Freilich (because they are officers of the Company) and Ms. Futter (because her brother received over \$100,000 for his services to the Company), is independent as defined in the New York Stock Exchange's listing standards. The Board has adopted the following categorical standards to assist it in making the determination of each Director's independence. Unless the Board determines otherwise and discloses the basis for such determination in the annual proxy statement, a Director is not independent if:

- (i) the Director is a partner or the owner of 5% or more of the voting stock of another company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.
- (ii) the Director is a partner, the owner of 5% or more of the voting stock or an executive officer of another company which is indebted to the Company, or to which the Company is indebted, and the total amount of the indebtedness exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, in any of the last three fiscal years.

Edgar Filing: CONSOLIDATED EDISON INC - Form DEF 14A

- (iii) the Director is an executive officer of a non-profit organization if the Company's contributions or payments to the organization exceed the greater of \$1 million, or 2% of such organization's consolidated gross revenues, in any of the last three fiscal years.

All of the independent Directors meet these standards.

Standing Committees of the Board

The Audit Committee, composed of three independent Directors (currently Mr. Calarco, Chair; Mr. Del Giudice and Mr. Salerno), is responsible for the appointment of the independent accountants for the Company, subject to stockholder approval at the Annual Meeting. The Committee also meets with the Company's management, including Con Edison of New York's General Auditor and General Counsel, and the Company's independent accountants, several times a year to discuss internal controls and accounting matters, the Company's financial statements and the scope and results of the auditing programs of the independent accountants and of Con Edison of New York's internal auditing department. Each member of the Committee is independent as defined in the New York Stock Exchange's listing standards. Con Edison's Board of Directors has determined that each Director on the Audit Committee is an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K and is independent as such term is defined in Rule 10A-3 under the Securities and Exchange Act of 1934. The Audit Committee held fourteen meetings in 2004.

The Corporate Governance and Nominating Committee, composed of four independent Directors (currently Mr. Del Giudice, Chair; Mr. Calarco; Dr. Campbell; Ms. Hernandez and Dr. Likins), is responsible for recommending candidates to fill vacancies on the Board. In addition, the Committee assists with respect to the composition and size of the Board and of all Committees of the Board. The Committee also makes recommendations to the Board as to the compensation of Board members as well as other corporate governance matters, including Board independence criteria and determinations and corporate governance guidelines. All of the members of the Committee are independent as defined in the New York Stock Exchange's listing standards. Con Edison's Corporate Governance Guidelines provide that the Board of Directors will be comprised of a majority of Directors who meet the independence criteria set forth therein and any other standards that the New York Stock Exchange may adopt or as may otherwise be required by law. Among its duties, the Committee will review the skills and characteristics of Director candidates as well as their integrity, judgment, business experience, areas of expertise and availability for service, factors relating to the composition of the Board (including its size and structure) and the Company's principles of diversity. The Committee retains a professional search firm to identify director candidates. The Committee considers candidates recommended by stockholders. Recommendations for candidates, accompanied by biographical material for evaluation, may be sent to the Secretary of the Company. Each recommendation should include information as to the qualifications of the candidate and should be accompanied by a written statement (presented to the Secretary of the Company) from the suggested candidate to the effect that the candidate is willing to serve. The Corporate Governance and Nominating Committee held three meetings in 2004.

The Environment, Health and Safety Committee, composed of four non-management Directors (currently Ms. Futter, Chair; Mr. Davis; Ms. Hernandez and Dr. Likins), provides advice and counsel to the Company's management on corporate environment, health and safety policies and on such other environment, health and safety matters as from time-to-time the Committee deems appropriate; reviews significant issues relating to the Company's environment, health and safety programs and its compliance with environment, health and safety laws and regulations; and makes such other reviews and recommends to the Board such other actions as it may deem necessary or desirable to help promote sound planning by the Company with due regard to the protection of the environment, health and safety. The Environment, Health and Safety Committee held five meetings in 2004.

The Executive Committee, composed of Mr. McGrath, the Chairman of the Board and of the Committee, and three non-management Directors (currently Mr. Del Giudice; Dr. Likins and Mr. Volk), may exercise during intervals between the meetings of each Board all the powers vested in the Board, except for certain specified matters. No meetings of the Executive Committee were held in 2004.

The Finance Committee, composed of five non-management Directors (currently Mr. Volk, Chair; Mr. Davis; Ms. Hernandez; Dr. Likins and Mr. Salerno), reviews and makes recommendations to the Board with respect to the Company's financial condition and policies, its dividend policy, bank credit arrangements, financings, investments, capital and operating budgets, major contracts and real estate transactions and litigation

and other financial matters and reviews financial forecasts. The Finance Committee held eleven meetings in 2004.

The Management Development and Compensation Committee, composed of five independent Directors (currently Dr. Campbell, Chair; Mr. Calarco; Mr. Del Giudice; Ms. Hernandez and Mr. Salerno), reports and makes recommendations to the Board relating to officer and senior management appointments and compensation. In addition, the Committee makes awards to officers participating in the Company's incentive compensation plans subject to confirmation by the Board, and administers the plans. The Committee also reviews and makes recommendations as necessary to provide for orderly succession and transition in the executive management of the Company and receives reports and makes recommendations with respect to minority and female recruitment, employment and promotion. It also oversees and makes recommendations to the Board with respect to compliance with the Employee Retirement Income Security Act of 1974 (ERISA), and reviews and makes recommendations with respect to benefit plans and plan amendments, the selection of plan trustees and the funding policy and contributions to the funded plans, and reviews the performance of the funded plans. Each of the members of the Committee is independent as defined in the New York Stock Exchange's listing standards. The Management Development and Compensation Committee held five meetings in 2004.

The Planning Committee, composed of seven non-management Directors (currently Ms. Hernandez, Chair; Mr. Calarco; Mr. Davis; Mr. Del Giudice; Ms. Futter; Dr. Likins and Mr. Volk), reviews and makes recommendations to the Board regarding long-range planning for the Company. The Planning Committee held two meetings in 2004.

The current charters of the Audit, Corporate Governance and Nominating and Management Development and Compensation Committees, as well as Con Edison's Corporate Governance Guidelines and Code of Ethics, are available in the corporate governance section of Con Edison's website: www.conedison.com. Con Edison stockholders may obtain printed copies of these documents by contacting the Company's Corporate Secretary, Con Edison, 4 Irving Place, New York, New York 10003.

Compensation Committee Interlocks and Insider Participation

Mr. Calarco, Dr. Campbell (Chair), Mr. Del Giudice, Ms. Hernandez and Mr. Salerno were on Con Edison's Management Development and Compensation Committee in 2004. The Company believes that there are no interlocks with the members who serve on this Committee.

MANAGEMENT PROPOSAL

(Item 2 on Proxy Card)

Proposal No. 2 Ratification of the Appointment of PricewaterhouseCoopers LLP (PwC) as Independent Accountants for the Year 2005.

At the Annual Meeting, stockholders will be asked to ratify and approve the selection of PwC as independent accountants for the Company for the year 2005. PwC has acted in the same capacity for the Company for many years. The Audit Committee's charter provides that at least once every five years, the Audit Committee will evaluate whether it is appropriate to rotate the Company's independent accountants.

Before the Audit Committee determined to appoint PwC, it considered the firm's qualifications. This included a review of PwC's performance in prior years, as well as PwC's reputation for integrity and for competence in the fields of accounting and auditing. The Audit Committee has expressed its satisfaction with

PwC in these respects. The Audit Committee reviewed information provided by PwC concerning litigation involving the firm and the existence of any investigations by the Securities and Exchange Commission into the financial reporting practices of companies audited by them. As to these matters, the Audit Committee has concluded that the ability of PwC to perform services in 2005 for the Company does not in any way appear to be adversely affected by any litigation or investigations reflected in such information.

Representatives of PwC will be present at the Annual Meeting and will be afforded the opportunity to make a statement if they desire to do so and to respond to appropriate questions.

The Board Recommends a Vote FOR Proposal No. 2.

Adoption of Proposal No. 2 requires the affirmative vote of a majority of the shares of Common Stock voted on the proposal at the Annual Meeting.

STOCKHOLDER PROPOSAL

(Item 3 on Proxy Card)

Proposal No. 3 Mrs. Evelyn Y. Davis, Watergate Office Building, 2600 Virginia Avenue, N.W., Suite 215, Washington, D.C. 20037, who owns 200 shares of Common Stock, has submitted the following proposal:

RESOLVED: That the stockholders recommend that the Board take the necessary steps that Con Edison specifically identify by name and corporate title in all future proxy statements those executive officers, not otherwise so identified, who are contractually entitled to receive in excess of \$500,000 annually as a base salary, together with whatever other additional compensation bonuses and other cash payments were due them.

The statement made in support of this proposal is as follows:

In support of such proposed Resolution it is clear that the stockholders have a right to comprehensively evaluate the management in the manner in which the Corporation is being operated and its resources utilized. At present only a few of the most senior executive officers are so identified, and not the many other senior executive officers who should contribute to the ultimate success of the Corporation. Through such additional identification the stockholders will then be provided an opportunity to better evaluate the soundness and efficacy of the overall management.

Last year the owners of 20,154,798 shares, representing approximately 14.84% of shares voting, voted FOR this proposal.

If you AGREE, please mark your proxy FOR this proposal.

The Board of Directors Recommends That You Vote AGAINST Proposal No. 3 for the Following Reasons:

Disclosure of executive compensation is governed by the Securities and Exchange Commission's proxy solicitation rules. In accordance with those rules Con Edison currently provides information on pages 14 through 22 of the Proxy Statement concerning compensation for the five highest paid executive officers. From the information already provided in the compensation table and the notes pertaining thereto, stockholders can determine the Con Edison executives who are contractually entitled to receive compensation that exceeds \$500,000. Therefore, the proposal would not result in any additional disclosure in the Proxy Statement.

The Board of Directors Recommends a Vote AGAINST Proposal No. 3.

Adoption of the preceding stockholder proposal (Proposal 3) would require the affirmative vote of a majority of shares of Common Stock voted on the proposal at the Annual Meeting.

Amounts equal to dividends payable on the Common Stock are payable on these units. For 2004, an aggregate of 33,496 restricted stock units were awarded under the Company's Long Term Incentive Plan (LTIP) to these officers. These units vest on January 1, 2006 and amounts equal to dividends payable on the Common Stock are payable on these units generally following vesting. Each restricted stock unit represents the right to receive, upon vesting, one share of Common Stock or, in the case of the units awarded under the LTIP, the cash value of a share or

Report on Executive Compensation

The Management Development and Compensation Committee of the Board, which was composed of five independent Board members, administers the Company's executive compensation policies. The Committee submits the following report related to compensation matters for 2004:

The Committee's Compensation Policy The Committee believes that total executive compensation should be such as to attract to and retain in the Company, motivate and reasonably reward individuals of the highest professional and personal qualifications, and at the same time, secure substantial and proportionate value for the Company. For 2004, compensation of the Company's executive officers consisted primarily of (i) base salaries, which are reviewed by the Committee annually, (ii) awards under Con Edison of New York's Executive Incentive Plan (EIP), an award under the O&R Annual Team Incentive Plan (ATIP), in the case of the President of O&R, or an award under Con Edison's Annual Incentive Plan (AIP), in the case of the Group President Energy and Communications, which are shown in the Summary Compensation Table on page 14 under the caption Bonus, and (iii) awards under Con Edison's Long Term Incentive Plan (the LTIP). For executive officers other than himself, Mr. McGrath made recommendations to the Committee regarding salaries, any awards under the EIP or AIP and any grants under the LTIP. The Committee considered these recommendations in making its determinations and consulted with an outside compensation consulting firm to assist with benchmarking and compensation analyses. The Committee initiated the recommendations that were made to the Board with respect to Mr. McGrath's salary, the award under the EIP and the grants the Committee made to him under the LTIP. O&R's Board established the goals and award under O&R's ATIP plan, which were reviewed and concurred in by the Committee.

Individual performance is the primary factor considered in determining base salary, within a range appropriate to that individual's position, although in some cases corporate performance may also be relevant to base salary determinations. Awards under the EIP, AIP and ATIP were based on both individual and corporate performance. Grants under the LTIP were based on individual performance and on an assessment of the individual's responsibility for the success and growth of the Company and its subsidiaries. Base salary ranges are identified for the officers with reference to salaries paid by other utilities and industry in general, as reflected in surveys by compensation consulting firms. In addition, an attempt is made to assure internal equity by maintaining appropriate salary relationships. Increases for individuals are based on the current salary's relationship to the range for the position (but not to any specific level within the range) and on the individual's performance with respect to the requirements of the individual's position.

In considering the level of Mr. McGrath's compensation, the Committee reviewed surveys of the total compensation, including base salary and incentive compensation, paid to the chief executive officers of other large utilities with a comparison based on a compensation consultant's analysis developed from a survey of the compensation paid to chief executive officers in energy industry companies and a comparison based on chief executive officer compensation data from a survey of comparably sized general industry companies. The Committee does not target Mr. McGrath's compensation to any specific level within the ranges of compensation paid by these comparison techniques but uses the surveys as references. The utilities included in the surveys referred to in this paragraph and the previous paragraph are some but not all of the utilities included in the Standard & Poor's (S&P) Electric Utilities Index shown on the performance graph on page 23 of the Proxy Statement. None of the non-utility companies in the surveys are in the Index.

The Committee believes that an evaluation of corporate performance must take into account many factors affecting the Company's operations, over some of which management has total or considerable control and over others of which it has little or no control. In this context, the Committee looks not only at current reported financial operating results and financial condition (as reflected in such factors as earnings per share and return on common equity) but also at a wide range of other information relating to the quality of service provided to customers, the efficiency of operations, the development and management of personnel and the effectiveness of management's efforts to strengthen the Company for the future. In recommending the base salaries and awards

under the EIP and AIP or LTIP, the Committee does not have a predetermined list of criteria nor does it have a formula for weighing or applying the criteria the Committee members consider. The process is neither arithmetic nor formulaic, but judgmental.

2004 Base Salary Determinations In 2004, individual performance and overall compensation ranges relevant to officers were the factors considered by the Committee in determining the base salaries recommended for such individuals.

2004 Incentive Plan Awards Each year under the EIP, a maximum fund is established by the Committee, subject to the approval of the Board, based on the salaries of the eligible participants at the end of the prior year. The Committee, subject to approval by the Board, may make awards to eligible executives based on their performance during the year. Payment of one-third of the award is deferred for five years and is subject to forfeiture in certain circumstances. Portions of awards that are required to be deferred are treated during the mandatory deferral period as if the portions were invested in Con Edison's Common Stock and are credited with dividend equivalents and credited or debited for increases or decreases in the market value of an equivalent number of shares.

In recommending the amount awarded under the EIP for year 2004, the Committee considered the following financial factors for 2004: earnings per share for 2004 in comparison to the budget and 2003 earnings per share; earnings available for common stock for 2004 in comparison to the budget and 2003 earnings; Con Edison's Common Stock price performance compared to the S&P 500 Stock Index and the S&P Electric Utilities Index; the total market return on Con Edison's Common Stock for 2004; the rate of return on stockholders' equity in 2004 compared to 2003; the total average annual return on Con Edison's Common Stock for the five-year period ending December 31, 2004 compared to the average for the S&P Electric Utilities Index; the increase in the Company's dividend (0.9% in 2004 compared with an average increase of 2.9% for 26 of the 53 largest electric companies that did not decrease or eliminate their dividends at any time in the past decade), and the continued strength of Con Edison's credit quality, with senior unsecured debt ratings of A2 by Moody's and A- by Standard and Poor's.

The Committee also considered additional factors, including the following: employee and public safety; the Company's progress in meeting future energy demands, including the completion of three new substations and progress toward completion of the East River Repowering project; the good performance of the company's energy systems; the Company's initiatives to further enhance system reliability, security and emergency preparedness and response capabilities; the Company's progress in meeting its environmental goals; and the naming of the Company by *Fortune Magazine* as one of the Best Companies for Minorities.

Based on the Committee's review of the Company's performance in 2004, as reflected in the factors mentioned above, for 2004 the Committee recommended, and the Board approved, that the total amount awarded under the EIP to all participants as a group be 75% percent of the target amount provided by the plan.

In making the award under the AIP to the Group President Energy and Communications, the Committee also considered the progress and performance of the Company's unregulated subsidiaries. The Committee also reviewed and concurred in the factors considered by the O&R Board in making an award under O&R's ATIP to the President of O&R.

2004 Long-Term Incentive Plan Awards In 2004, stock options and restricted stock units were awarded under the LTIP to the Company's officers. See *Stock Options* and *Restricted Stock Units* starting on page 19 of the Proxy Statement.

CEO Compensation With respect to both the base salary and the EIP award for 2004 to Mr. McGrath and the LTIP grant in 2004, the Committee considered among other things, the Company's financial and operating results; the Company's financial condition; Mr. McGrath's leadership in positioning the Company for the future;

and the compensation levels of the chief executive officers of the other companies included in the compensation surveys referred to on page 15 of the Proxy Statement.

I.R.S. Limitations on Deductibility of Executive Compensation Federal law restricts the deductibility, for federal income tax purposes, of certain executive compensation above a specified threshold. In 2004, a portion of the compensation paid to Messrs. McGrath, Burke and McMahon and Ms. Freilich exceeded the threshold. In the Committee's judgment, the non-deductibility of the compensation is not material. The Committee intends to take into account these tax law provisions in structuring the Company's executive compensation in future years.

Employment Contracts and Termination of Employment

and Change in Control Arrangements

The Company has entered into employment agreements (the "Employment Agreements") with Messrs. McGrath, Burke and McMahon and Ms. Freilich, four of the officers named in the Summary Compensation Table.

Each Employment Agreement provides that the officer will serve in the positions shown on the Summary Compensation Table. Mr. McGrath and Ms. Freilich's agreements provide that the Board shall nominate each of them for re-election to the Board of Directors through the term of their agreements. The initial employment periods of the agreements continue until August 31, 2005. The initial employment period in each agreement has been automatically extended to August 31, 2006. The employment periods will be automatically extended for additional one-year periods unless either party terminates the agreement on six months' prior notice; provided that Mr. McGrath's agreement may not be automatically extended more than once more and the extension shall expire on February 28, 2007. Each Employment Agreement provides for an annual base salary and provides that the Executive Personnel and Pension Committee, now known as the Management Development and Compensation Committee, will review the salaries at least annually for possible increase. The current salaries payable under the agreements are the following: Mr. McGrath-\$1,498,000; Ms. Freilich-\$615,000; Mr. Burke-\$649,000 and Mr. McMahon-\$610,000. The agreements, as amended, also provided for restricted stock awards that were made in 2000 and 2002. Mr. McGrath's agreement also provides for supplemental term life insurance, the premiums for which are included in the Summary Compensation Table.

The employment periods under the Employment Agreements may also be ended by the Company for "cause," as defined in the agreements, or without cause. Mr. McGrath may end his employment period with or without "good reason" as defined in his agreement. The other officers may end their employment periods without "good reason" or, following a change in control, with "good reason," as such terms are defined in the agreements. If Mr. McGrath is terminated other than for "cause," death or disability or he resigns for "good reason," or if the other officers are terminated prior to a change in control other than for "cause," death or disability, the officer will receive: (i) a lump sum equal to the officer's target award under the Company's Executive Incentive Plan, prorated through the termination date; (ii) a lump sum equal to two times the sum of the officer's annual salary and target award under the EIP (or in the case of Mr. McMahon, the ATIP); (iii) a lump sum equal to the net present value of two years of additional service credit under the Company's pension plans (assuming compensation at the officer's annual salary and target award); (iv) continued participation in the Company's health and life insurance plans for two years following termination and (v) two years of additional service credit toward eligibility for (but not for commencement of) retiree benefits. In addition, stock options will fully vest. In the event such a termination occurs after a change in control, the two becomes a three in clauses (ii), (iii), (iv) and (v) above. In addition, the officer would receive a gross-up for excise taxes, if any, due under the Internal Revenue Code on any termination payments. If the Company terminates Mr. McGrath's employment without "cause," or he terminates his employment for "good reason," or he dies or becomes disabled, any unvested restricted stock units become fully vested on termination of employment. If the other officers die or become disabled, or if, following a change in control, the Company terminates their employment without "cause," or the officer terminates his or her employment for "good reason," any unvested restricted stock units become fully vested on termination of employment. The restricted stock agreement the Company has with Mr. Bram provides that his restricted stock units would also vest in the circumstances described in the immediately preceding sentence.

The Employment Agreements provide that the officers are prohibited from competing with or recruiting employees from the Company or its subsidiaries or affiliates for two years after termination of employment, other than following a change in control.

Severance Plan

The Company has a severance plan to provide officers of Consolidated Edison, Inc., and certain officers of its subsidiaries, including Mr. Bram, certain benefits in the event their employment is involuntarily terminated by

the Company without cause, at any time. Enhanced severance benefits (as described below) would be payable if, within two years following a change of control, the officer is involuntarily terminated, other than for cause, or the officer resigns for good reason (all such terms as defined in the plan). For an involuntary termination of employment before a change of control, benefits under the plan include: (i) a lump sum equal to the officer's target award under the Executive Incentive Plan, prorated through the termination date; (ii) a lump sum equal to one times the sum of the officer's annual salary and target award under the Executive Incentive Plan; (iii) a lump sum payment equal to the net present value of one additional year's service credit under the Company's pension plans (assuming compensation at the officer's annual salary and target award); (iv) one year's additional service credit toward eligibility for (but not for commencement of) retiree benefits; (v) continued participation for one year in the Company's health and life insurance plans and (vi) outplacement services for one year. In the event the involuntary termination occurs or the officer resigns for good reason after a change of control, the officer becomes a two in clauses (ii), (iii), (iv) and (v) above. Payments under the plan are subject to reduction if the reduction would result in greater after-tax proceeds to the officer than if full payments were made and were subject to taxation to the officer as an excess parachute payment under Section 4999 of the Internal Revenue Code.

Stock Options

The Management Development and Compensation Committee may grant options under the LTIP. All grants of stock options outstanding under the LTIP and its predecessor, the 1996 Stock Option Plan, have a term of ten years from the date of grant and an exercise price equal to 100 percent of fair market value on the date of grant. The stock options are non-transferable and become exercisable three years after the date of grant. The exercise price cannot be reduced. In the event of a change in control of the Company, the Management Development and Compensation Committee may provide for appropriate adjustments including accelerating any exercisability or expiration dates and settlement of options either at the time the option is granted or at a subsequent date.

The market value on the grant date is the closing price of the Common Stock on the day preceding the grant date. No discount was made for restrictions on transfer or vesting.

In 2004, the Management Development and Compensation Committee made three grants of restricted stock units under the LTIP to the officers shown on the Summary Compensation Table. The value of the first award, which had a performance period of January 1, 2004 to December 31, 2004 and will vest on January 1, 2006, is shown in the Summary Compensation Table under the heading Restricted Stock Awards. The second grant, which is shown above, has a performance period of January 1, 2004 to December 31, 2005 and will vest on January 1, 2006. The third grant, which is also shown above, has a performance period of January 1, 2004 to December 31, 2006 and will vest on January 1, 2007.

Each restricted stock unit represents the right to receive, upon vesting, one share of Con Edison common stock, the cash value of a share or a combination thereof. The number of units in each award is subject to adjustment as follows: (i) 50 percent of the units awarded will be multiplied by a factor that may range from 0 to 150 percent based on Con Edison's total stockholder return relative to the Standard & Poor's Electric Utilities Index during the specified performance period; and (ii) 50 percent of the units awarded will be multiplied by a factor that may range from 0 to 150 percent based on determinations made in connection with the EIP (or, for two officers, the O&R Annual Team Incentive Plan or goals relating to Con Edison's unregulated subsidiaries).

Pension Plans

The following table shows, for the salary levels and years of service indicated, the annual pension benefit payable commencing at age 65 under the Consolidated Edison Retirement Plan, a funded, tax-qualified, defined benefit pension plan, and Con Edison of New York's Supplemental Retirement Income Plan, an unfunded, non-qualified plan (together referred to as the Plans), as supplemented in the case of Mr. McGrath by his employment agreement. Con Edison does not have a separate supplemental pension plan.

The Plans provide pension benefits based on: (i) the participant's highest average salary for 48 consecutive months within the 120 consecutive months prior to retirement (final average salary); (ii) the portion of final average salary in excess of the Social Security taxable wage base in the year of retirement, and (iii) the participant's length of service. For purposes of the Plans, a participant's salary for a year is deemed to include any award under the annual incentive plans (See Report on Executive Compensation above) for that year; provided that the portions of awards that are required to be deferred will not be included in the pension calculation if such portions are forfeited in accordance with the Plan. Participants in the Plans whose age and years of service equal 75 are entitled to an annual pension benefit for life, payable in equal monthly installments. Participants may earn increased pension benefits by working additional years. Benefits payable to a participant who retires between ages 55 and 59 with less than 30 years of service are subject to a reduction of 1 1/2 percent for each full year of retirement before age 60. Early retirement reduction factors are not applied to pensions of employees electing retirement at age 55 or older with at least 30 years of service. However, benefits payable on the portion of final average salary in excess of the Social Security taxable wage base to a participant who retires before age 65 are subject to IRS reduction factors. The years of service covered by the Plans are for: Mr. McGrath, 42 years; Mr. Burke, 32 years; Ms. Freilich, 27 years; Mr. McMahon, 28 years, and Mr. Bram, 42 years.

Current compensation rates covered by the Plans for Messrs. McGrath, Burke, McMahon and Bram and Ms. Freilich are approximately equal to the sum of the amounts set forth under the captions "Salary" and "Bonus" in the Summary Compensation Table on page 14. The Plans provide an annual adjustment equal to the lesser of 3% or $\frac{3}{4}$ of the annual increase in the Consumer Price Index to offset partially the effects of inflation.

Mr. McGrath's agreement provides that under certain circumstances, if he elects upon termination of his employment to defer the commencement of his pension as permitted by the Plans, the Company will accrue and later pay with interest the amounts that Mr. McGrath would have been entitled to receive under the Plans during the deferral period, as supplemented by his agreement.
