PROXY STATEMENT

The following statement, first mailed on or about June 30, 2005, is furnished in connection with the solicitation by the Board of Directors (the Board) of World Acceptance Corporation (the Company) of proxies to be used at the Annual Meeting of Shareholders of the Company (the Meeting) to be held on August 3, 2005, at 11:00 a.m., local time, at the Company s main office at 108 Frederick Street, Greenville, South Carolina, and at any adjournment or adjournments thereof.

The accompanying form of proxy is for use at the Meeting if a shareholder is unable to attend in person or plans to attend but prefers to vote by proxy. The proxy may be revoked by the shareholder at any time before it is exercised by submitting to the Secretary of the Company written notice of revocation, or a properly executed proxy of a later date, or by attending the Meeting and electing to vote in person. All shares represented by valid proxies received pursuant to this solicitation, and not revoked before they are exercised, will be voted in the manner specified therein. If no specification is made, the proxies will be voted in **favor** of:

1. The election to the Board of the seven (7) nominees named in this Proxy Statement;
2. The approval of the 2005 Stock Option Plan; and
3. The ratification of the Audit Committee s selection of KPMG LLP as independent public accountants to audit the books of the Company and its subsidiaries for the current fiscal year.

The entire cost of soliciting these proxies will be borne by the Company. In addition to the solicitation of the proxies by mail, the Company will request banks, brokers, and other record holders to send proxies and proxy materials to the beneficial owners of the Company s common stock, no par value (the Common Stock), and secure the beneficial owners voting instructions, if necessary. The Company will reimburse them for their reasonable expenses in so doing. If necessary, the Company may use several of its regular employees, who will not be specially compensated, to solicit proxies from shareholders, either personally or by other forms of communication.

Pursuant to the provisions of the South Carolina Business Corporation Act, the Board of Directors has fixed June 17, 2005 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and, accordingly, only holders of record of outstanding shares (the Shares) of the Common Stock at the close of business on that date will be entitled to notice of and to vote at the Meeting.

The number of outstanding Shares entitled to vote as of the record date was 18,738,507. Each Share is entitled to one vote. In accordance with South Carolina law and the Company's bylaws, a majority of the outstanding Shares entitled to vote, represented in person or by proxy, will constitute a quorum for the election of directors, the approval of the 2005 Stock Option Plan and the ratification of the selection of auditors. Abstentions and broker non-votes (if any) will be counted for purposes of determining the presence or absence of a quorum.

With regard to the election of directors, votes may either be cast in favor of or withheld, and directors will be elected by a plurality of the votes cast. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the election of directors. Approval of the 2005 Stock Option Plan and approval of the auditors will be granted if more votes are cast in favor of such proposal than are cast against it. Accordingly, abstentions will have no effect on the outcome of the vote these proposals. Broker non-votes (if any), will not be counted as votes cast and will have no effect on the outcome of the vote on any proposals. Cumulative voting is not permitted under the Company's articles of incorporation.

On June 17, 2005, the only class of voting securities the Company had issued and outstanding was its Common Stock. The following table sets forth the names and addresses of, and the numbers and percentages of Shares beneficially owned by, persons known to the Company to beneficially own five percent or more of the outstanding Shares. Except as noted otherwise, each shareholder listed below possesses sole voting and investment power with respect to the Shares listed opposite the shareholder's name.

ELECTION OF DIRECTORS

The Company's bylaws provide for seven directors. The Board of Directors, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated the director candidates described below. It is intended that the persons named in the accompanying proxy will vote only for the seven nominees for director named on the following pages, except to the extent authority to so vote is withheld with respect to one or more nominees. Each director will be elected to serve until the next annual meeting of shareholders or until a successor is elected and qualified. Directors will be elected by a plurality of the votes cast.

Although the Board does not expect that any of the nominees named will be unavailable for election, in the event of a vacancy in the slate of nominees occasioned by death or any other unexpected occurrence, it is intended that Shares represented by proxies in the accompanying form will be voted for the election of a substitute nominee selected by the Nominating and Corporate Governance Committee.

During the most recent fiscal year, the Board of Directors held four regularly scheduled meetings. Each director attended all meetings of the Board of Directors and all meetings of each committee on which he served, except that Mr. Gilreath was unable to attend one meeting of the Board of Directors and one meeting each of the Compensation and Stock Option Committee and the Nominating and Corporate Governance Committee. The Board typically schedules a meeting in conjunction with the Company's annual meeting of shareholders and expects that all directors will attend the annual meeting absent a schedule conflict or other valid reason. All of our directors attended the Company's 2004 Annual Meeting.

Each director who is not an employee of the Company currently is paid a \$4,500 quarterly retainer, plus \$1,000 for each meeting of the Board of Directors attended and \$500 for attendance at each meeting of a committee on which he serves. The Chairman of each committee receives an additional \$500 for each committee meeting attended. The Company offers a deferred fee plan for its non-employee directors under which participating directors may defer any or all of their retainer and meeting fees for specified time periods. The deferred fee plan is non-qualified for tax purposes. Deferred fees under the plan earn interest at the prime rate or, at each participating director's option, a return based on the Company's stock price performance over time. During calendar 2004, Mr. Bramlett elected to defer 100% of the retainer and meeting fees to which he was entitled. None of the other directors have elected to participate in this plan. All directors are reimbursed for ordinary and necessary out-of-pocket expenses incurred in attending meetings of the Board of Directors and its committees. In addition, each outside director received options to purchase 6,000 Shares on each April 30 from 1992 through 2001, 1,500 Shares on May 14, 2002, 10,500 Shares on May 16, 2003 and 6,000 on April 30, 2004 and 2005, pursuant to the terms of the Company's 1992, 1994 and 2002 Stock Option Plans. The exercise price for these options was the fair market value of the Shares on the date of grant, and each option is exercisable for 10 years from the date of grant.

The Board of Directors maintains an Audit Committee on which Messrs. Way (Chairman), Bramlett, and Hummers served during fiscal 2005. The Audit Committee reviews the results and scope of each audit, the service provided by the Company's independent accountants and all related-party transactions. The Board has determined, in accordance with NASDAQ independence requirements, that each member of the Audit Committee is an

independent director. In addition, the Board has determined that each member of the Audit Committee meets the heightened standards of independence for audit committee members under the Securities Exchange Act of 1934. The Audit Committee met five times during the most recent fiscal year. This included quarterly conference call meetings with management and the Company's independent auditors to review interim financial information prior to its public release. Additional information regarding the Audit Committee is set forth below under Appointment of Independent Public Accountants.

The Board also maintains a Compensation and Stock Option Committee on which Messrs. Gilreath (Chairman), Bramlett, Hummers and Way serve. This Committee establishes and reviews the compensation criteria and policies of the Company, reviews the performance of the officers of the Company and recommends appropriate compensation levels to the Board of Directors. Additionally, this Committee administers the Company's 1992, 1994, and 2002 Stock Option Plans. The Board has determined, in accordance with NASDAQ independence requirements, that each member of the Compensation and Stock Option Committee is an independent director. The Compensation and Stock Option Committee met three times during the most recent fiscal year.

The Board also maintains a Nominating and Corporate Governance Committee on which Messrs. Bramlett (Chairman), Gilreath, Hummers and Way serve. This committee makes recommendations to the Board regarding nominations for director and senior executive candidates, makes recommendations regarding membership of Board Committees and reviews issues with respect to the structure of Board meetings. This Committee meets at the discretion of the Board or at the call of any two directors. The Board has determined, in accordance with NASDAQ independence requirements, that each member of the Corporate Governance and Nominating Committee is an independent director. This Committee met once in fiscal 2005.

The following is a list of nominees for election to the Board of Directors. Each nominee's name, age, current principal occupation (which has continued for at least five years unless otherwise indicated) and the name and principal business of the organization in which that occupation is carried on, the year each incumbent was first elected to the Board, all positions and offices presently held with the Company, and directorships in other public companies are set forth below. Each of the nominees served on the Board of Directors during the Company's last fiscal year. CORPORATE GOVERNANCE MATTERS

Corporate Governance Policy and Committee Charters

In furtherance of its goal of providing effective governance of the Company's business and affairs for the benefit of shareholders, the Board of Directors of the Company has adopted a corporate governance policy. Box 6429, Greenville, SC 29606. In addition, a copy of the charter for the Nominating and Corporate Governance Committee is attached hereto as Appendix A.

Director Independence

The Board of Directors has determined that a majority of its members are independent and meet the independence requirements of NASDAQ. Douglas R. Jones, President and Chief Executive Officer; Mr. A. Alexander McLean, Executive Vice President and Chief Financial Officer; and Mr. Charles D. Walters, former Chief Executive Officer of the Company, do not meet the independence requirements of NASDAQ.

Audit Committee Financial Experts

The Board of Directors has determined that each member of the Audit Committee, Mr. Way, Mr. Bramlett and Mr. Hummers, is an audit committee financial expert. Each of these members is also independent as that term is defined in accordance with the independence requirements of NASDAQ.

Executive Sessions of Non-Management Directors

Non-management Board members will meet without management present at regularly scheduled executive sessions. In addition, to the extent that the group of non-management directors include directors that are not independent directors, at least once a year an executive session including only independent directors will be scheduled. Mr. Ken R. Bramlett, Jr., or any successor Chairman of the Nominating and Corporate Governance Committee, will preside over meetings of the non-management or independent directors.

Code of Ethics and Code of Business Conduct and Ethics

The Company has adopted a written Code of Business Conduct and Ethics (the Code of Ethics) that applies to all directors, employees and officers of the Company (including the Company's President and Chief Executive Officer (principal executive officer) and Executive Vice President and Chief Financial Officer (principal financial and accounting officer)). The Code of Ethics has been filed as an exhibit to the Company's Annual Report on Form 10-K for the year ended March 31, 2005. A copy of Code of Ethics is available to any shareholder that requests a copy by writing to the Company's Corporate Secretary at P.O. Box 6429, Greenville, South Carolina 29606.

Shareholder Communications with Directors

Any shareholder who wishes to communicate with our board of directors, or one or more individual directors, can write to them at this address:

World Acceptance Corporation
Board Administration
c/o Corporate Secretary
P. O. Box 6429
Greenville, South Carolina 29606

Your letter should indicate that you are a shareholder. Depending on the subject matter, management will:

Forward the communication to the director or directors to whom it is addressed;

Attempt to address the communication directly, for example where it is a request for information about the Company or a stock-related matter; or

Not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

At each meeting of the Board, a member of management will present a summary of all communications received since the last meeting that were not forwarded. Those communications will be available to the directors on request.

Director Nominations

Our Board of Directors is responsible for nominating members of the Board and for filling vacancies on the Board that may exist between annual meetings of shareholders, except to the extent that our bylaws or applicable South Carolina law require otherwise. The Board of Directors has delegated the screening process for other director nominees to the Nominating and Corporate Governance Committee (the Governance Committee). Our Governance Committee consists of four independent directors, as determined by the Board in accordance with applicable NASDAQ standards.

Our corporate governance policy outlines certain minimum criteria for Board membership. These criteria reflect the Board's belief that all directors should have the highest personal and professional integrity and, as a general rule, should be persons who have demonstrated exceptional ability, diligence and judgment. In addition, the policy requires that at least a majority of the Board consist of independent directors. The Governance Committee has not developed or recommended to the Board any specific criteria for Board membership to complement these general criteria. However, the Governance Committee believes that directors should, at a minimum, have expertise that may be useful to the Company. Directors should also be willing and able to devote the required amount of time to Company business.

The Governance Committee applies these criteria when evaluating all nominee candidates. When current Board members are considered for nomination for re-election, the Governance Committee also considers their prior Board contributions and meeting attendance records.

When seeking director candidates, the Governance Committee may solicit suggestions from incumbent directors, management or others. As our corporate governance policy and the Governance Committee charter indicate, the Committee will also consider candidates recommended by shareholders, provided that such nominations are made in writing and are received by the Company at its executive offices not later than, in the case of nominees to be considered for election at the 2006 Annual Meeting of Shareholders, March 2, 2006 (which is 120 days prior to the expected mailing date of the 2006 Proxy Statement). Any nomination should be sent to the attention of the Company Secretary and must include, concerning the director nominee, the following information: full name, age, date of birth, educational background and business experience, including positions held for at least the preceding five years. The nomination must also include home and business addresses and telephone numbers and include a signed representation by the nominee to timely provide all information requested by the Company as part of its disclosure in regard to the solicitation of proxies for the election of directors. The name of each such candidate for director must be placed in nomination at the Annual Meeting by a shareholder present in person. The nominee must also be present in person at the meeting. A vote for a person who has not been duly nominated pursuant to these requirements is void.

The Governance Committee's process for recommending nominees begins with a preliminary assessment of each candidate based on the individual's resume and biographical information, willingness to serve and other background information. This information is evaluated against the criteria stated above and the specific needs of the Company at that time. After these preliminary assessments, the candidates who appear best suited to meet the Company's needs may be invited to participate in a series of interviews to continue the evaluative process. Incumbent directors, however, generally are not required to interview again. On the basis of the information learned during this process, the Governance Committee determines which nominees to recommend to the Board for nomination.

Our Governance Committee does not currently use the services of any third party search firm to assist in identifying or evaluating board candidates. However, the Committee may engage a third party to provide these services in the future, as it deems appropriate at the time.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10 percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Executive officers, directors, and greater-than-10-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, all of the Company's executive officers, directors, and greater-than-10-percent beneficial owners have complied with such reporting requirements during the fiscal year ended March 31, 2005, except that one Form 4 for Mr. Hummers was filed late.

EXECUTIVE COMPENSATION

Report of Compensation and Stock Option Committee

The Compensation and Stock Option Committee is responsible for establishing compensation and benefits for the members of senior management of the Company. This Committee annually evaluates the Company's performance and compensation paid to the Company's executive officers and other senior management. It is also responsible for administering the Company's 1992, 1994, and 2002 Stock Option Plans and meets periodically to consider option grants to newly hired, promoted, and existing members of management.

Objectives and Policies

The Compensation and Stock Option Committee seeks to establish compensation policies, plans, and programs to accomplish two objectives: (i) to attract and retain highly capable and well-qualified executives and other employees and (ii) to focus executives' efforts on increasing shareholder value. To achieve these objectives, the Committee has established a compensation package consisting of base salary, short-term incentive compensation in the form

of annual cash bonuses based on the performance of the Company during the prior fiscal year, and long-term incentive compensation primarily in the form of discretionary stock options and restricted stock awards that vest over a period of time.

The following executive officers have been compensated pursuant to the objectives described above in accordance with employment agreements and in accordance with incentive compensation plans described below: Messrs. Walters and McLean since the beginning of fiscal 1995, and Mr. Jones since August 1999. The Compensation and Stock Option Committee believes that it is desirable to tie a significant percentage of each executive's overall compensation to the achievement of goals designed to maximize shareholder value. Accordingly, the employment agreements provide for minimum base salary levels, subject to adjustment at the discretion of the Committee, potentially significant annual cash bonus awards based on the achievement of objective annual Company performance goals, and potentially significant awards of stock options and restricted stock. As provided under the terms of Mr. Walter's revised employment agreement in connection with his retirement as Chief Executive Officer, he did not participate in the bonus or equity incentive components of the Company's compensation program during fiscal 2005.

For fiscal 2005 Messrs. Walters, Jones, and McLean were paid the minimum base salaries established under their employment agreements. The amount of cash bonuses awarded to Messrs. Jones and McLean for fiscal 2005 were determined in accordance with the Company's Executive Incentive Plan (the Executive Incentive Plan) and based on the Company's achievement of pre-established annual goals related to (1) increases in earnings per share, (2) growth in loans receivable, (3) expense control, and (4) control of loan charge-offs. The Committee selected these goals to motivate and reward the maximization of shareholder value based on its belief that earnings per share is the most direct measure of shareholder value and that growth in loans receivable, expense control and charge-off control are the three most significant determinants of earnings per share. The relative weights assigned to each of these goals in determining the amount of cash bonus compensation for Messrs. Jones and McLean in fiscal 2005 were as follows: earnings per share 40%; growth in loans receivable 30%; expense control 20%; and charge-off control 10%. Possible bonuses ranging from 25% to 150% of base salary for Mr. Jones, and from 20% to 120% of base salary for Mr. McLean were available for fiscal 2005 depending upon whether the Company reached the pre-established minimum, threshold, target, or maximum levels of achievement with respect to a particular goal. During fiscal 2005, the Company achieved the maximum performance level with respect to its goal for expense control; target levels for earnings per share and growth in loans receivable; and threshold level with respect to charge-off control. As a result, the cash bonuses payable under the Executive Incentive Plan amounted to 105.0% and 84.0% of base salary for Messrs. Jones and McLean, respectively.

The compensation of the Company's other two executive officers, Mr. Roland and Mr. Gardner, provide for bonuses which are based 70% and 50% respectively, on the same Company performance goals that determine the compensation of Messrs. Jones and McLean, with the balance of the potential bonus based on the achievement of business unit performance goals.

Historically, the long-term incentive components of the Company's executive compensation have been stock options under the 1992, 1994, and 2002 Stock Option Plans. Options may have a term of up to 10 years, but expire earlier upon an executive's termination of employment. Options granted under the 1992, 1994, and 2002 Stock Option Plans are exercisable at the fair market value of the Shares at the date of grant. Restricted stock awards may contain such transfer restrictions and vesting and other terms as determined by the Compensation and Stock Option Committee.

The Committee believes it appropriate to take into account the tax consequences of employee benefits design and the award of executive compensation in order to balance the Company's interests with those of participants in the Company's plans. With regard to executive compensation, Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the Company's chief executive officer or any of the four most highly compensated executive officers. Certain compensation is specifically exempt from the deduction limit to the extent that it does not exceed \$1 million during any fiscal year or is performance based as defined in Section 162(m). Although the current cash compensation levels of the Company's executives generally remain well below the \$1 million limit, the Committee intends to consider the effect of Section 162(m) in the design and implementation of its executive compensation plans. However, the Committee also believes it is appropriate to take into account considerations other than tax treatment, such that compensation actions may not always qualify for tax deductibility under Section 162(m) or other favorable tax treatment to the Company.

Compensation of Chief Executive Officer

Mr. Jones' compensation for fiscal 2005 was determined in the manner and in accordance with the policies described above.

During fiscal 2005, the Company continued to experience excellent improvement in its operating performance. For the 12 months ended March 31, 2005, the Company earned \$34.0 million, representing an 18.2% increase over the prior year, an 11.8% return on average assets and a 20.1% return on average equity. During fiscal 2005, Mr. Jones oversaw increases in the Company's office network of 53 net new offices, and in gross loans receivable, the Company's primary earning assets, of 13.3%. Additionally, the Committee has compared Mr. Jones' compensation package to those of chief executive officers of similar companies. Based on these factors, the Committee believes that Mr. Jones' compensation as Chief Executive Officer appropriately reflects the Company's short-term and long-term performance.

Employment and Severance Agreements

The Company maintains employment agreements with Messrs. Jones and McLean. The agreement of Mr. Jones was amended and restated effective June 1, 2003 in connection with the transfer of the position of Chief Executive Officer from Mr. Walters to Mr. Jones effective August 6, 2003.

These agreements expire on March 31, 2006. The terms of these agreements are each three years and provide for current annual base salaries of not less than \$285,000 for Mr. Jones and \$230,000, for Mr. McLean, as determined by the Compensation and Stock Option Committee. These salaries are subject to annual increases as determined by the Committee. In addition, the agreements provide for the payment of annual cash incentive payments in accordance with the terms of the Company's Executive Incentive Plan, based on the Company's achievement of certain pre-established performance criteria. For fiscal 2005, the performance criteria related to achievement of a certain level of earnings per common share, a certain amount of growth in loans receivable, the control of general and administrative expense within certain limits, and control over the level of charge-offs.

Under the agreements with Messrs. Jones and McLean, the Company has agreed to provide each with long-term disability insurance benefits equal to 60% of such executive's base salary at the time of disability. These agreements also provide for severance payments and the continuation of certain benefits if the executive is terminated without cause or constructively discharged (as defined in the agreements). In the event of such termination without cause or constructive discharge, including any such termination or discharge that occurs within one year after a change of control of the Company, the executive is entitled to receive (i) severance pay equal to 100% of such executive's base salary at the time of termination or change of control, as the case may be, for the longer of 24 months or the remaining term of the employment agreement, (ii) the continuation of all other perquisites and benefits available under the agreement for a period of 24 months from the date of termination, and (iii) annual incentive compensation payments prorated to the date of termination.

Messrs. Jones and McLean have agreed not to compete with the Company during the term of their employment and for two years thereafter.

In connection with Mr. Walters' retirement from the position of Chief Executive Officer effective August 6, 2003, his employment agreement was amended and restated effective June 1, 2003, and was further amended effective January 28, 2004. Under the salary continuation and severance provisions of the amended and restated agreement, Mr. Walters will continue to be paid his base salary of \$285,000, and will continue to receive other salaried employee benefits, through March 31, 2006. For fiscal 2004, Mr. Walters received a pro-rated annual incentive award under the Company's Executive Incentive Plan equal to 5/12 of the award he would have received had he remained Chief Executive Officer for all of fiscal 2004.

In addition, during the term of the amended agreement, the Company will provide Mr. Walters with long-term disability insurance benefits equal to 60% of his base salary at the time of disability. The amended agreement also modified an arrangement with respect to life insurance that formerly had been provided by the Company to satisfy a covenant in Mr. Walters

employment agreement that the Company maintain at least \$2,000,000 in life insurance coverage for the benefit of Mr. Walters designated beneficiary. Although the Company had formerly satisfied this obligation by making premium payments on a split-dollar life insurance policy, this policy was unwound pursuant to the amended agreement in exchange for the Company's agreement to reimburse Mr. Walters (including gross-ups for any taxes he incurs as a result of such reimbursements) for his cost to purchase \$1,000,000 of life insurance during the remaining term of the amended employment agreement. The Company has also agreed, through March 31, 2006, to provide Mr. Walters with office space and administrative assistance sufficient to enable him to perform his duties to the Company and to pay for the preparation of his tax return.

In exchange for these benefits, Mr. Walters has agreed not to compete with the Company for a period of 24 months following the termination of his period of employment.

Supplemental Executive Retirement Plan

The Company has instituted a Supplemental Executive Retirement Plan (SERP), which is a non-qualified executive benefit plan in which the Company agrees to pay the executive additional benefits in the future, usually at retirement, in return for continued employment by the executive. The Company selects the key executives who participate in the SERP. The SERP is an unfunded plan, which means there are no specific assets set aside by the Company in connection with the establishment of the plan. The executive has no rights under the agreement beyond those of a general creditor of the Company. The Company has currently entered into SERP contracts with nine senior level managers, including all executive officers. The SERP contracts provide for a retirement benefit of 45% of the executive's final base salary, multiplied by a Days of Service Fraction should the executive elect early retirement. No executive will be granted early retirement until he has reached age 57 and has been a participant of the plan for at least eight years.

The expected benefits associated with the Company's CEO and its other four executive officers, assuming retirement at current base salary at the age indicated, are as follows:

Name	Year of Birth	Retirement Age	Annual Retirement Benefit	Duration of Retirement Benefits
Charles D. Walters	1939	67	\$ 128,250	15 years
Douglas R. Jones	1951	65	197,000	15 years
A. Alexander McLean III	1951	65	159,000	15 years

Approval of 2005 Stock Option Plan

The Board is submitting the Company's 2005 Stock Option Plan (the 2005 Plan) to the shareholders for their approval. The Board approved the 2005 Plan, and it will become effective on August 1, 2005, subject to shareholder approval. As of the date of this statement, no awards have been granted under the 2005 Plan.

The Board believes that adoption of the 2005 Plan is in the best interests of the Company because of the need to provide equity incentive awards to attract, retain and motivate quality employees and directors, to remain competitive in the industry and to align participants' interests with those of the Company's other shareholders. **For these reasons, the Board unanimously recommends a vote FOR the adoption of the 2005 Plan.**

The principal provisions of the 2005 Plan are summarized below. This summary is qualified in its entirety by reference to the full text of the 2005 Plan, a copy of which is attached to this statement as Appendix B.

Summary of the 2005 Plan

General. The 2005 Plan provides that the Company may grant stock options and restricted stock awards to employees and directors of the Company or its subsidiaries and any permitted transferees of these eligible participants. The primary purpose of the 2005 Plan is to promote the growth and long-term financial interest of the Company by (1) increasing personal participation of directors and employees in the financial performance of the Company; (2) motivating them to achieve long-range goals and (3) enabling the Company to attract and retain directors and employees of outstanding competence.

Shares Subject to the Plan. An aggregate of 1,000,000 Shares (assuming approval of the 2005 Plan) have been reserved by the Board for issuance under the 2005 Plan. If any award pursuant to the 2005 Plan is forfeited for any reason, the Shares released from such award will again become available for issuance under the 2005 Plan. None of the Shares authorized under the Company's 1992, 1994, or 2002 Stock Option Plans will be made available under the 2005 Plan. The number of Shares that may be delivered under the 2005 Plan (as well as the exercise prices of outstanding options) will be adjusted to reflect any change in the capitalization of the Company as contemplated in the 2005 Plan.

Administration. The 2005 Plan will be administered by the Compensation and Stock Option Committee of the Board (the Committee), the members of which are appointed by the Board. The Committee must be comprised of two or more directors who are not employees of the Company. The Board also intends to appoint to the Committee directors who are outside directors as that term is defined pursuant to Section 162(m) of the Internal Revenue Code, as amended (the Code) and non-employee directors as defined in Rule 16b-3(b)(3) under the Securities Exchange Act of 1934 (the Exchange Act). Subject to the terms of the 2005 Plan, the Committee will determine the participants who are to receive awards, the timing of awards, the number of Shares subject to each award and the terms and conditions of such awards. The Committee also has complete authority to interpret all terms and provisions of the 2005 Plan and the awards granted thereunder and to establish and amend rules and regulations for the 2005 Plan.

The Committee may designate selected Committee members or other persons to assist the Committee in the administration of the 2005 Plan and may grant authority to such persons to execute documents, including award agreements, on behalf of the Committee.

Eligibility. Only employees may receive options intended to qualify as ISOs (as defined below) under the 2005 Plan. NQOs (as defined below) and restricted stock may be awarded under the 2005 Plan to employees and directors of the Company or any subsidiary or permitted transferees of these persons. As of the date of this statement, approximately 2,000 employees are eligible to receive options and restricted stock awards under the 2005 Plan, including employees who are directors, and all four of the Company's non-employee directors are eligible to receive options (in each case, assuming the shareholders approve the 2005 Plan).

Terms of Options and Restricted Stock Awards. The 2005 Plan permits the granting of options that are intended to qualify as incentive stock options (ISOs) under Section 422 of the Code and those that are not intended to qualify under Section 422 of the code (NQOs). ISOs may be granted only to employees, and a maximum of 350,000 Shares may be issued pursuant to ISOs over the life of the 2005 Plan. The exercise price for each option granted under the 2005 Plan must be at least 100% of the fair market value of a Share at the time the option is granted. Fair market value is generally defined as the closing sales price per Share on the trading day immediately preceding date the Committee grants the option. Options are exercisable within the times and upon the conditions as the Committee may determine, as set forth in the applicable option agreement. Unless approved by the Company's shareholders, the 2005 Plan expressly prohibits the repricing of options, whether by lowering their exercise price or by requiring that they be surrendered to the Company in exchange for options with a lower exercise price. No person will be eligible to receive options with respect to more than 75,000 Shares in any calendar year under the 2005 Plan.

The Committee will determine the terms of any restricted stock awards made under the 2005 Plan. A maximum of 400,000 Shares may be issued pursuant to restricted stock awards.

Restricted stock awards may be conditioned on the achievement of one or more performance measures based on the financial results or condition of the Company or a division or facility of the Company. These performance measures may be based on any one or more of the following, as selected by the Committee: economic profit, operating profit, net earnings, net income, pretax income, consolidated operating income, segment operating income, return on equity, return on assets, return on capital, earnings growth, cash flow, working capital, share appreciation, total shareholder return, total business return, EBITDA, and earnings per share of Common Stock. For such performance-based restricted stock awards, the grant of the awards and the establishment of the performance measures must be made during the period required under Section 162(m) of the Code. In addition, no more than 50,000 shares of Common Stock may be subject to performance-based restricted stock awards granted to any one individual during any calendar year.

The Committee has discretion, upon the occurrence of a change in control of the Company (as defined in the 2005 Plan), to accelerate the vesting of all outstanding options and restricted stock awards. In the event that the change in control transaction is a merger or consolidation in which the Company is not the survivor or which results in the acquisition of substantially all of the Company's outstanding stock by one or more persons acting in concert, or is a sale or transfer of all or substantially all of the Company's assets, then the Committee has discretion to provide that all options will either be terminated effective upon consummation of the transaction or canceled in exchange for payment of the in-the-money value of the options in cash or securities.

Under the 2005 Plan, a change in control of the Company is generally deemed to have occurred if any of the following events occur: (a) a tender offer or exchange offer is consummated for the acquisition of, or any person (as defined under the Exchange Act) is or becomes the beneficial owner of, 25% or more of the combined voting power of the Company's then outstanding securities; (b) the Company merges or consolidates with another entity and as a result, less than 75% of the outstanding voting securities of the surviving entity are owned in the aggregate by the Company's former shareholders (other than affiliates within the meaning of the Exchange Act or any party to the transaction); (c) the Company transfers substantially all its assets to any entity other than a wholly owned subsidiary; or (d) as the result of a tender offer, merger, consolidation, sale of assets or contested election, or any combination thereof, the persons who were directors of the Company immediately prior to the transaction cease to constitute at least a majority of the board.

Except as otherwise provided in the 2005 Plan, Awards will not be transferable by the Participant other than by will, the laws of descent and distribution or a qualified domestic relations order. The Committee in its discretion may allow a participant to transfer Awards granted under the 2005 Plan by gift or other transfer other than for value to any of the following: (i) any child, stepchild, grandchild, parent, stepparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the participant, including in all cases adoptive relationships (each, a Family Member); (ii) a trust in which either the participant or the participant's Family Members have more than 50% of the beneficial interest; (iii) foundation in which the participant or the participant's Family Members control the management of assets; (iv) any other entity in which the participant or the participant's Family Members own more than 50% of the voting interests; or (v) any other transferee whose exercise or receipt of Awards or sale of the underlying Shares acquired thereby is permitted to be registered under Form S-8 or any similar successor form as in effect from time to time pursuant to the rules of the Securities and Exchange Commission.

The Company intends that ISOs will be transferable only to the extent permitted by applicable tax regulations.

Amendment of Plan and Awards. In general, the Committee may at any time amend, suspend or terminate the 2005 Plan. However, absent approval of the Company's shareholders, the Committee may not amend the 2005 Plan to: (i) alter the prohibition on repricing options, (ii) increase the number of Shares issuable under the 2005 Plan, either generally or to any one participant during a calendar year, or the number of Shares issuable pursuant to ISOs or restricted stock awards or (iii) decrease the minimum exercise price of options. Approval of the Company's shareholders may also be required in order to effect other amendments to the 2005 Plan that are deemed material amendments under applicable NASDAQ or exchange rules or tax regulations.

The Committee has the right and discretion to modify, amend or cancel any award after it has been granted if: (i) the modification, amendment or cancellation does not diminish preexisting rights or benefits of the recipient under the award (provided, that any modification, amendment or cancellation that results solely in a change in tax consequences with respect to an award is not deemed to diminution of a recipient's rights or benefits); (ii) an award recipient consents to such modification, amendment or cancellation; (iii) the Company is dissolved or liquidated; (iv) the 2005 Plan or the award agreement provides for such modification, amendment or cancellation; or (v) the Company would otherwise have the right to make such modification, amendment or cancellation under applicable law.

Equity Plan Compensation Information. The following table sets forth certain information as of March 31, 2005, regarding the Company's three existing equity compensation plans (other than the 2005 Plan being proposed for shareholder approval) which are the 1992 Stock Option Plan, the 1994 Stock Option Plan, and the 2002 Stock Option Plan. All of these plans have been approved by the Company's shareholders.

Federal Income Tax Consequences.

The following is a general summary as of the date of this statement of the federal income tax consequences to the company and to participants under the 2005 plan. Tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. This summary does not address the tax consequences to any person or entity to whom or which an award is transferred or to a transferring participant. Each participant and transferee of an award is encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of participation in the 2005 plan.

Options. A participant who is granted an option (either an ISO or NQO) will not recognize income at the time of grant, and the Company will not be entitled to a tax deduction by reason of such grant. Upon exercise of a NQO, the excess of the Share's fair market value on the exercise date over the exercise price will be considered ordinary income to the participant. The Company is entitled to a tax deduction at the same time and in the same amount, provided that the Company complies with the applicable withholding requirements. Upon exercise of an ISO, the participant will not recognize taxable income (unless the participant is subject to the federal alternative minimum tax), and the Company is not entitled to a tax deduction by reason of such exercise. However, if Shares purchased pursuant to the exercise of an ISO are sold within two years from the date of grant or within one year after the transfer of such Shares to the participant, then the gain realized upon such disposition, up to the difference between the fair market value of the Shares at the date of exercise and the exercise price, will be considered ordinary income, and the Company will be entitled to a tax deduction at the same time and in the same amount. For disposition after the above time limits, the gain represented by the differences from the sales proceeds and the exercise price will be taxed as a capital gain. In the event of a sale of Shares purchased upon exercise of a NQO, any appreciation above or depreciation below the fair market value at the date of exercise will generally qualify as capital gain or loss.

Restricted Stock Awards. Generally, a participant who receives a restricted stock award will be taxed at ordinary income rates on the value of the vested portion of such award in the year in which such portion vests, and the Company will be entitled to take a tax deduction at that time and in the same amount.

Deferred Compensation Regulations. Awards under the 2005 Plan are intended to be exempt from, or in compliance with, the provisions of Section 409A of the Internal Revenue Code and all related regulations and rules. Notwithstanding any other provision of the 2005 Plan, the Committee

and the Board are authorized to revise any of the terms and provisions of the 2005 Plan to the extent necessary to cause Awards to be exempt from or in compliance with Section 409A and all related regulations and rules.

APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Report of the Audit Committee of the Board of Directors

The Audit Committee is composed of three directors, each of whom is independent within the meaning of applicable NASDAQ rules and all of whom have accounting or related financial management expertise. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. Our responsibility, as members of the Audit Committee, is to assist the Board of Directors in fulfilling its oversight responsibilities by monitoring these processes.

Our oversight of these processes and considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles or, that the audit of our Company's financial statements has been carried out in accordance with generally accepted auditing standards.

In this context, the Audit Committee met with management and the independent accountants to review and discuss the Company's March 31, 2005 audited consolidated financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee also received written disclosures and a letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence. In particular, the Audit Committee considered whether the provision of non-audit services described below is compatible with maintaining the independence of the accountants.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended March 31, 2005, for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE

Charles D. Way, Chairman

Ken R. Bramlett, Jr.

William S. Hummers, III

Audit Committee Pre-Approval of Services Provided by the Independent Auditors

As mandated by SEC regulations, the Audit Committee pre-approves all audit and permitted non-audit services provided to the Company by its independent auditors. The Audit Committee's practice in this regard is to have the independent auditors, in conjunction with their proposed engagement to provide annual audit services, provide for the Audit Committee's review and approval the terms of additional proposed engagements regarding matters such as tax compliance and employee benefit plan audits. To the extent that any other services not detailed on these engagements are proposed throughout the year, these services may be undertaken only after review with, and approval by, the Audit Committee Chairman, who reports on such services to the full Audit Committee at its regularly scheduled meetings.

Audit Fees

KPMG, LLP billed us the following amounts in aggregate fees for fiscal years 2005 and 2004 audit services, the review of the financial statements included in quarterly reports on Form 10-Q during those years and the services that are normally provided by them in connection with statutory and regulatory filings:

2005	\$270,000	2004	\$124,000
------	-----------	------	-----------

The amount shown for fiscal 2005 does not include additional unbilled fees of \$102,000 for audit services in fiscal 2005. This extraordinary increase in Audit fees was primarily due to the expense of complying with the requirements of §404 of the Sarbanes-Oxley Act of 2002 and the Public Companies Accounting Oversight Board (PCAOB) Standard No. 2.

Audit-Related Fees

KPMG LLP billed us the following amounts in aggregate fees for fiscal years 2005 and 2004 for assurance and related services, other than those described above under "Audit Fees," that are reasonably related to the performance of the audit or review of our financial statements:

2005	\$20,000	2004	\$18,000
------	----------	------	----------

In 2005 and 2004, these fees were billed for the audit of the Company's Retirement Savings Plan.

Tax Fees

For fiscal 2005 and 2004, KPMG LLP billed us the following amounts in aggregate fees for tax compliance, tax advice and tax planning services:

Edgar Filing: WORLD ACCEPTANCE CORP - Form DEF 14A

2005 \$68,000

2004 \$75,000

This does not include additional unbilled fees of \$15,000 for tax services in fiscal 2005.

All Other Fees

There were no other fees billed for other services rendered by KPMG LLP for fiscal years 2005 and 2004.

Of all the fees reported above, none were approved pursuant to the de minimis exception to the audit committee pre-approval requirements specified in Rule 2-01(c)(7)(i)(C) of Regulation S-X.

The Audit Committee has approved the selection of the firm KPMG LLP as independent public accountants to examine the books of the Company and its subsidiaries for the current fiscal year, to report on the consolidated balance sheet and related statement of operations of the Company and its subsidiaries, and to perform such other appropriate accounting services as may be required by the Board.

The Company has been advised by KPMG LLP that the firm did not have any direct financial interest or any material indirect financial interest in the Company and its subsidiaries during the Company's most recent fiscal year.

Representatives of KPMG LLP are expected to be present at the Meeting with the opportunity to make a statement if they so desire, and they are expected to be available to respond to appropriate questions.

Approval of the proposal requires the affirmative vote of a majority of the Shares voted on the proposal. Should the shareholders vote negatively, the Board of Directors will consider a change in accountants for the next year.

The Board unanimously recommends a vote FOR ratifying the selection of KPMG LLP as independent public accountants to audit the books of the Company and its subsidiaries for the current year.

PROPOSALS FOR 2006 ANNUAL MEETING OF SHAREHOLDERS

Shareholders who intend to present proposals for consideration at next year's annual meeting are advised that any such proposal must be received by the Secretary of the Company by no later than the close of business on March 2, 2006, if such proposal is to be considered for inclusion in the proxy statement and proxy appointment form relating to that meeting. Only persons who have held beneficially or of record the lesser of at least \$2,000 in market value, or 1% of the outstanding Common Stock, for at least one year on the date the proposal is submitted and who continue in such capacity through the meeting date are eligible to submit proposals to be considered for inclusion in the Company's proxy statement. In addition, under SEC rules, proxies of the Board of Directors may exercise their discretionary voting authority to vote against any shareholder proposal raised at next year's annual meeting if notice of such proposal is received by the Secretary of the Company later than the close of business on May 16, 2006.

OTHER MATTERS

The Board and the Company's officers are not aware of any other matters that may be presented for action at the Meeting, but if other matters do properly come before the Meeting, it is intended that Shares represented by proxies in the accompanying form will be voted by the persons named in the proxy in accordance with their best judgment.

You are cordially invited to attend this year's Meeting. However, whether you plan to attend the Meeting or not, you are respectfully urged to sign and return the enclosed proxy, which will, of course, be returned to you at the Meeting if you are present and so request.

(b) The Exercise Price shall be payable in cash or by tendering, by either actual delivery of shares or by attestation, shares of Stock acceptable to the Committee, and valued at Fair Market Value as of the day of exercise, or in any combination thereof, as determined by the Committee.

(c) The Committee may permit a Participant to elect to pay the Exercise Price upon the exercise of an Option by irrevocably authorizing a third party to sell shares of Stock (or a sufficient portion of the shares) acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire Exercise Price and any tax withholding resulting from such exercise.

The Committee may, in its discretion, from time to time grant Options to members of the Board who are not employees of the Company or any of its Subsidiaries, subject to the terms and conditions of this Plan, at an Exercise Price established by the Committee. Each Option granted under this Section 3 will be an NQO.

3.2 Exercise Price. The Exercise Price of each Option granted under this Section 3 shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option is granted, except that the Exercise Price shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant (or, if greater, the par value of a share of Stock) provided that no Option may be exercisable for a term greater than ten years.

SECTION 4

RESTRICTED STOCK AWARDS

4.1 Award of Restricted Stock. Subject to the terms and conditions of this Plan, the Committee may, in its discretion, from time to time grant to Eligible Individuals shares of Stock that are subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant, or achievement of performance or other objectives, as determined by the Committee (such shares of Stock, Restricted Stock).

4.2 Restrictions on Awards. Each Award of Restricted Stock shall be subject to the following:

(a) Any such Restricted Stock Award shall be subject to such conditions, restrictions and contingencies as the Committee shall determine.

(b) The Committee may designate whether any such Restricted Stock Award being granted to any Participant is intended to be performance-based compensation as that term is used in section 162(m) of the Code. All such Restricted Stock Awards designated as intended to be performance-based compensation shall be conditioned on the achievement of one or more performance measures, to the extent required by Code section 162(m). The performance measures that may be used by the Committee for such Awards shall be based on any one or more of the following, as selected by the Committee: economic profit, operating profit, net earnings, net income, pretax income, consolidated operating income, segment operating income, return on equity, return on assets, return on capital, earnings growth, cash flow, working capital, share appreciation, total shareholder return, total business return, EBITDA, and earnings per share of the Stock of the

Company. Where applicable, performance measures may be measured on a Company, division or facility level, as determined by the Committee. For awards under this Section 4 intended to be performance-based compensation, the grant of the Awards and the establishment of the performance measures shall be made during the period required under Code section 162(m).

SECTION 5

OPERATION AND ADMINISTRATION

5.1 *Effective Date*. Subject to the approval of the shareholders of the Company at the Company's 2005 annual meeting of its shareholders, this Plan shall be effective as of August 1, 2005 (the Effective Date); provided, however, that to the extent that Awards are granted hereunder prior to such approval by shareholders, such Awards shall be contingent on approval of this Plan by the shareholders of the Company at such annual meeting. This Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any Awards under it are outstanding; provided, however, that no Awards may be granted hereunder after the ten-year anniversary of the Effective Date.

5.2 *Shares Subject to Plan*. The shares of Stock for which Awards may be granted under this Plan shall be subject to the following:

(a) The shares of Stock with respect to which Awards may be made under the Plan shall be shares currently authorized but unissued, including shares subsequently reacquired by the Company, whether purchased in the open market or in private transactions.

(b) Subject to the following provisions of this Section 5.2, the maximum number of shares of Stock that may be delivered to Participants and their beneficiaries under the Plan shall be 1,000,000 shares.

(c) To the extent provided by the Committee, any Award may be settled in cash rather than Stock. To the extent, but only to the extent, that any shares of Stock covered by an Award are not delivered to a Participant or beneficiary because the Award for any reason expires, lapses or is canceled, terminated or forfeited, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.

(d) Subject to Section 5.2(e), the following additional maximums are imposed under the Plan.

- (i) The maximum number of shares of Stock that may be issued by Options intended to be ISOs shall be 350,000 shares.
- (ii) The maximum number of shares that may be covered by Awards granted to any one individual pursuant to Section 2 (relating to Options) shall be 75,000 shares during any one calendar-year period.
- (iii) The maximum number of shares of Stock that may be issued in conjunction with Awards granted pursuant to Section 4 (relating to Restricted Stock Awards) shall be 400,000 shares.

(iv) For Restricted Stock Awards that are intended to be performance-based compensation (as that term is used for purposes of Code section 162(m)), no more than 50,000 shares of Stock may be subject to such Awards granted to any one individual during any one-calendar-year period. If, after such Restricted Stock Awards have been earned, the delivery is deferred, any additional shares attributable to dividends during the deferral period shall be disregarded for purposes of this limitation.

(e) In the event of a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the Committee may adjust Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the Exercise Price of outstanding Options; and (iv) any other adjustments that the Committee determines to be equitable.

5.3 General Restrictions. Delivery of shares of Stock or other amounts under the Plan shall be subject to the following:

(a) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933), and the applicable requirements of any securities exchange or similar entity.

(b) To the extent that the Plan provides for issuance of stock certificates to reflect the issuance of shares of Stock, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange, automated inter-dealer quotation system or similar entity.

5.4 Tax Withholding. All distributions under the Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other benefits under the Plan on satisfaction of the applicable withholding obligations. The Committee, in its discretion, and subject to such requirements as the Committee may impose prior to the occurrence of such withholding, may permit such withholding obligations to be satisfied through cash payment by the Participant, through the surrender of shares of Stock which the Participant already owns, or through the surrender of shares of Stock to which the Participant is otherwise entitled under the Plan.

5.5 Grant and Use of Awards. In the discretion of the Committee, a Participant may be granted any Award permitted under the provisions of the Plan, and more than one Award may be granted to a Participant. Awards may be granted as alternatives to or replacement of awards granted or outstanding under the Plan, or any other plan or arrangement of the Company or a Subsidiary (including a plan or arrangement of a business or entity, all or a portion of which is acquired by the Company or a Subsidiary). Subject to the overall limitation on the number of shares of Stock that may be delivered under the Plan, the Committee may use available shares of Stock as the form of payment for compensation, grants or rights earned or due under any other compensation plans or arrangements of the Company or a Subsidiary, including the plans and arrangements of the Company or a Subsidiary assumed in business combinations.

5.6 *Dividends and Dividend Equivalents*. An Award (including without limitation an Option) may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Stock subject to the Award (both before and after the Stock subject to the Award is earned, vested, or acquired), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Stock, as determined by the Committee. Any such settlements, and any such crediting of dividends or dividend equivalents or reinvestment in shares of Stock, may be subject to such conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment of such credited amounts in Stock equivalents.

5.7 *Settlement of Awards*. The obligation to make payments and distributions with respect to Awards may be satisfied through cash payments, the delivery of shares of Stock, the granting of replacement Awards, or any combination thereof as the Committee shall determine. Satisfaction of any such obligations under an Award, which is sometimes referred to as settlement of the Award, may be subject to such conditions, restrictions and contingencies as the Committee shall determine. The Committee may permit or require the deferral of any Award payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents, and may include converting such credits into deferred Stock equivalents.

5.8 *Transferability*. Except as otherwise provided herein, Awards granted under this Plan shall not be transferable by the Participant other than by will, the laws of descent and distribution or a qualified domestic relations order. The Committee in its discretion may allow a Participant to transfer of Awards granted under the Plan by gift or other transfer other than for value to any of the following:

(i) any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the Participant, including in all cases adoptive relationships (each, a Family Member);

(ii) a trust in which either the Participant or the Participant's Family Members have more than 50% of the beneficial interest;

(iii) a foundation in which the Participant or the Participant's Family Members control the management of assets;

(iv) any other entity in which the Participant or the Participant's Family Members own more than 50% of the voting interests ; or

(v) any other transferee whose exercise or receipt of Awards or sale of the underlying Stock acquired thereby is permitted to be registered under Form S-8 or any similar successor form as in effect from time to time pursuant to the rules of the Securities and Exchange Commission.

5.9 *Form and Time of Elections*. Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

5.10 Agreement With Company. An Award under the Plan shall be subject to such terms and conditions, not inconsistent with the Plan, as the Committee shall, in its sole discretion, prescribe. The terms and conditions of any Award to any Participant shall be reflected in such form of written document as is determined by the Committee. A copy of such document shall be provided to the Participant, and the Committee may, but need not, require that the Participant sign a copy of such document. Such document is referred to in the Plan as an Award Agreement regardless of whether any Participant signature is required.

5.11 Action by Company or Subsidiary. Any action required or permitted to be taken by the Company or any Subsidiary shall be by resolution of its board of directors, or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board, or (except to the extent prohibited by applicable law or applicable rules of any stock exchange) by a duly authorized officer of such company.

5.12 Gender and Number. Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

5.13 Limitation of Implied Rights.

(a) Neither a Participant nor any other person shall, by reason of participation in this Plan, acquire any right in or title to any assets, funds or property of the Company or any Subsidiary whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Subsidiary, in its sole discretion, may set aside in anticipation of a liability hereunder. A Participant shall have only a contractual right to the Stock or amounts, if any, payable under this Plan, unsecured by any assets of the Company or any Subsidiary, and nothing contained herein shall constitute a guarantee that the assets of the Company or any Subsidiary shall be sufficient to pay any benefits to any person.

(b) This Plan does not constitute a contract of employment, and selection as a Participant will not give any participating employee or other individual the right to be retained in the employ of the Company or any Subsidiary or the right to continue to provide services to the Company or any Subsidiary, nor any right or claim to any benefit hereunder, unless such right or claim has specifically accrued under the terms of this Plan. Except as otherwise provided herein, no Award under this Plan shall confer upon the holder thereof any rights as a shareholder of the Company prior to the date on which the individual fulfills all conditions for receipt of such rights.

5.14 Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

SECTION 6

CHANGE IN CONTROL

(a) Subject to the provisions of Section 5.2(e) (relating to the adjustment of shares), the Committee will have discretion to provide, either in the applicable Award Agreement or by amendment to the Plan, that upon the occurrence of a Change in Control:

Edgar Filing: WORLD ACCEPTANCE CORP - Form DEF 14A

- (i) All outstanding Options shall become fully exercisable.

- (ii) All Restricted Stock shall become fully vested.

B-7

(b) In the event of a Change in Control that is a merger or consolidation in which the Company is not the surviving corporation or which results in the acquisition of substantially all the Company's outstanding Stock by a single person or entity or by a group of persons or entities acting in concert, or in the event of a sale or transfer of all or substantially all of the Company's assets (a Covered Transaction), the Committee shall have the discretion to provide for, as of the effective time of the Covered Transaction (i) the termination of all outstanding Options; provided that, if the Covered Transaction follows a Change in Control or would give rise to a Change in Control, no Option will be so terminated (without the consent of the Participant) prior to the expiration of 20 days following the later of (A) the date on which the Award became fully exercisable and (B) the date on which the Participant received written notice of the Covered Transaction; or (ii) an amount in cash or securities having a value (as determined by the Committee) equal to the product of (A) the number of shares of Stock subject to the Option, and (B) the amount, if any, by which the formula or fixed price per share paid to holders of pursuant to such Change in Control, exceeds the exercise price associated with such Option.

SECTION 7

COMMITTEE

7.1 Administration. The authority to control and manage the operation and administration of the Plan shall be vested in a committee (the Committee) in accordance with this Section 7. The Committee shall be selected by the Board, and shall consist solely of two or more members of the Board who are not employees of the Company or any Subsidiary. If the Committee does not exist, or for any other reason determined by the Board, subject to applicable law, the Board may take any action hereunder that would otherwise be the responsibility of the Committee.

7.2 Powers of Committee. The Committee's administration of this Plan shall be subject to the following:

(a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to select from among the Eligible Individuals those persons who shall receive Awards under Sections 2 and 4, to determine the time or times of receipt, to determine the types of all Awards hereunder and the number of shares covered by such Awards, to establish the terms, conditions, performance criteria, restrictions, and other provisions of such Awards, and (subject to the restrictions imposed by Section 8) to cancel or suspend Awards.

(b) To the extent that the Committee determines that the restrictions imposed hereby preclude the achievement of the material purposes of the Awards in any applicable jurisdiction, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of such jurisdictions. Specifically, and without limiting the foregoing, Awards under this Plan are intended to be exempt from, or to be in compliance with, the provisions of Section 409A of the Internal Revenue Code and all regulations and rules promulgated thereunder. Notwithstanding any other provision herein, the Committee and the Board shall have the authority to revise any of the terms and provisions hereof to the extent necessary to cause Awards to be exempt from or in compliance with Section 409A and all regulations and rules promulgated thereunder.

(c) The Committee will have the sole authority and discretion to interpret this Plan, to establish, amend, and rescind any rules and regulations relating hereto, to determine the terms and provisions of any Award Agreement made pursuant hereto, and to make all other determinations that may be necessary or advisable for the administration of this Plan.

(d) Any interpretation of this Plan by the Committee and any decision made by it hereunder is final and binding on all persons.

(e) In controlling and managing the operation and administration of this Plan, the Committee shall take action in a manner that conforms to the articles and by-laws of the Company, and applicable state corporate law.

7.3 Delegation by Committee. Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, automated inter-dealer quotation system or similar entity, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

7.4 Information to be Furnished to Committee. The Company and Subsidiaries shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties. The records of the Company and Subsidiaries as to an employee's or Participant's employment, termination of employment, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits hereunder must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan

SECTION 8

AMENDMENT AND TERMINATION

This Plan may be amended by the Committee from time to time to the extent that the Committee deems necessary or appropriate; provided, however, that absent approval of the shareholders of the Company, (i) no amendment may increase the limitations on the number of shares set forth in Sections 5.2(b) and (d) or decrease the minimum Exercise Price set forth in Sections 2.2 and 3.2; and (ii) the provisions of Sections 2.6 and 3.6 cannot be amended. The Committee shall have the right to modify, amend or cancel any Award after it has been granted if: (i) the modification, amendment or cancellation does not diminish the rights or benefits of the Participant under the Award (provided, however, that a modification, amendment or cancellation that results solely in a change in tax consequences with respect to an Award shall not be deemed a diminution of rights or benefits of such Award); (ii) the Participant consents to such modification, amendment or cancellation; (iii) there is a dissolution or liquidation of the Company; (iv) this Plan or the Award Agreement provides for such modification, amendment or cancellation; or (v) the Company would otherwise have the right to make such modification, amendment or cancellation under applicable law. Adjustments pursuant to Section 5.2(e) shall not be subject to the foregoing limitations of this Section 8.
