whether
any
of
the
anticipated
benefits
of

the
transaction will be realized), our future production, revenues, income and capital spending. When we describe strategy that inv
we
are
making
forward-looking
statements.
The
forward-looking
statements
in
this
document
speak
only
as
of
the
date
of
this
document;
we
disclaim
any
obligation to update these statements unless required by securities law, and we caution you not to rely on them unduly. We have
looking statements on our current expectations and assumptions about future events. While our management considers these expectations are supported by the contract of the con
assumptions
to
be
reasonable,
they
are
inherently
subject
to
significant
business,
economic,
competitive,
regulatory
and
other
risks,
contingencies

uncertainties, most of which are difficult to predict and many of which are beyond our control. For additional information, plea under "Risk Factors," as updated by any subsequent Form 10-Qs, which are on file at the Securities and Exchange Commission Registration Statement on Form S-4 to be filed with the Securities and Exchange Commission with respect to the exchange off stockholders.
