PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously announced, GSI Group Inc. (the Company) has identified errors in the recognition of revenue from sales to a customer in the Company's Semiconductor Systems Segment in the first and second fiscal quarters of 2008, fiscal year 2007 and fiscal year 2006. Therefore, the Company announced that the previously issued financial statements contained in the Company's Quarterly Reports on Form 10-Q for the periods ended March 28, 2008 and June 27, 2008 and Annual Reports on Form 10-K for the fiscal years ended December 31, 2007 and December 31, 2006 should no longer be relied upon. In connection with the identification of such errors, the Company disclosed that the Audit Committee of the Board of Directors (the Audit Committee) was conducting a review of sales transactions in the Company's Semiconductor Systems Segment along with other sales transactions that contain arrangements with multiple deliverables for fiscal years 2006, 2007 and 2008.

As previously disclosed, the Audit Committee has recently concluded its review and thereafter, on June 30, 2009, the Company announced that it was undertaking a preliminary review of the timing of revenue recognized in connection with multiple element arrangements in its Precision Technology Segment from 2004 through 2008 to determine if adjustments need to be made to those periods.

The Company's review of the timing of revenue in connection with multiple element arrangements in its Precision Technology Segment is ongoing, and the Company may decide, as a result of such review, that additional adjustments to historical financial statements are needed. In addition, the Company is evaluating the results of the Audit Committee's recently concluded review and assessing the adjustments to be made to the financial statements which will be included in its Quarterly Report on Form 10-Q for the quarterly period ended July 3, 2009 (the Quarterly Report). Accordingly, because preparation of the financial statements for the Quarterly Report and the restatement of previously issued financial statements are not yet complete, the Company is unable to file its Quarterly Report within the prescribed time period without unreasonable effort or expense.

If answer is no, identify report(s). Yes No

The Company was unable to file its Quarterly Report on Form 10-Q for the quarter ended September 26, 2008, its Annual Report on Form 10-K for the year ended December 31, 2008, and its Quarterly Report on Form 10-Q for the quarter ended April 3, 2009.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and if appropriate state the reasons why a reasonable estimate of the results cannot be made:

The Company is diligently working to complete the restatement of previously issued financial statements for fiscal years 2006, 2007 and 2008. Until the current review and the restated financial statements are complete, a narrative and quantitative estimate of the anticipated change in the results of operations compared to the corresponding period for the last fiscal year cannot be made.
