**Item 8.01. Other Items.**

On November 30, 2017, NiSource Inc. (the Company) completed its previously announced plan to merge the Company's wholly-owned subsidiaries, NiSource Finance Corp. (NiSource Finance) and NiSource Capital Markets, Inc. (NiSource Capital), with and into the Company (the Mergers).

Prior to the Mergers, both NiSource Finance and NiSource Capital had outstanding debt and other obligations. The Company had unconditionally guaranteed the debt obligations of NiSource Finance and, through a support agreement, was responsible for the debt obligations of NiSource Capital. Upon completion of the Mergers, the Company became the primary obligor under all such obligations and, accordingly, all of the guarantees and the support agreement have been extinguished. The Mergers are not expected to have any impact on the Company's consolidated financial statements or the credit ratings of the outstanding debt securities.

In connection with the Mergers, among other things, the Company entered into (1) a Second Supplemental Indenture, dated as of November 30, 2017, between the Company and The Bank of New York Mellon, as successor trustee, to the Indenture dated as of November 14, 2000 among NiSource Finance, the Company and The Chase Manhattan Bank, as original trustee, and (2) a Third Supplemental Indenture, dated as of November 30, 2017, between the Company and The Bank of New York Mellon, as successor trustee, to the Indenture dated as of February 14, 1997 among NiSource Capital, the Company, as successor to NIPSCO Industries, Inc., and The Chase Manhattan Bank, as original trustee.

The Company is also filing a new form of Underwriting Agreement dated November 30, 2017.
