## FOURTH QUARTER 2004 RESULTS

MEXICO CITY, February 18, 2004 - Grupo Iusacell, S.A. de C.V. (NYSE: CEL) (BMV: CEL) (Iusacell or the Company) today announced unaudited financial results for the fourth quarter 2004/1/.

Grupo Iusacell recorded a 6% growth in revenue to Ps\$1,422 million for the fourth quarter of 2004, compared to Ps\$1,343 million for the same period in 2003. For the year 2004, the Company recorded a 9% revenue growth to Ps\$5,431 million, compared to Ps\$4,984 million for the previous year.

Operating income before depreciation and amortization decreased to Ps\$43 million for the fourth quarter 2004 from Ps\$91 million for the corresponding 2003 period. However, Iusacell increased operating income before depreciation and amortization to Ps\$654 million in the year 2004, representing an increase of Ps\$95 million over 2003. This reduced the fourth quarter's net loss to Ps\$363 million compared to a Ps1,386-million net loss in the fourth quarter of 2003, and also reduced the year's net loss to Ps\$1,989 million, compared to a Ps\$4,953 million net loss reported for 2003.

Grupo Iusacell ended the year with a subscriber base of 1.46 million, up 15% from 2003.

### Highlights:

## Edgar Filing: GRUPO IUSACELL SA DE CV - Form 6-K

-----  
/1/ Unless otherwise noted, all monetary figures are expressed in Mexican pesos as of December 31, 2004 in accordance to Mexican GAAP. The symbols "Ps\$" and "US\$" refer to Mexican pesos and U.S. dollars, respectively.

Revenues for the fourth quarter 2004 increased 6% to Ps\$1,422 million, from Ps\$1,343 million for the same period in 2003. For the year 2004, revenues increased 9% to Ps\$5,431 million, from Ps\$4,984 million in 2003, mainly reflecting an increase in service revenues as a result of (1) an increase in postpaid revenues, (2) an increase in airtime sales, (3) a higher subscriber base and (4) an increase in telephone sales.

During the fourth quarter 2004, total costs increased 21% to Ps\$883 million as compared to Ps\$732 million during the same period the previous year. For the year, total costs increased 27% over 2003. The increase resulted mainly from (1) a higher subsidy for terminals, (2) cost increase associated with larger gross additions and (3) the obsolescence of certain telephone models which, according to company policies, were charged to results of operations.

For the fourth quarter of 2004, operating expenses reached Ps\$496 million, which was 5% lower than the Ps\$520 million recorded for the fourth quarter 2003. For the full year 2004, the Company reported an 18% decrease to Ps\$1,561 million, as compared to Ps\$1,904 million in 2003.

Iusacell reported operating income before depreciation and amortization of Ps\$43 million for the fourth quarter of 2004, a 53% reduction over Ps\$91 million for the corresponding quarter in 2003, mainly as a result of a quarterly increase in sales costs and a reduction in handset revenues and tower sales. In spite of this, however, the Company ended 2004 with operating income before depreciation and amortization of Ps\$654 million, up 17% from the Ps\$558 million recorded for 2003.

Quarterly net loss fell to Ps\$363 million as compared to a Ps\$1,386 million loss in the corresponding quarter in 2003. For the year, the Company reported a 60% reduction in net loss, going from Ps\$4,953 million in 2003 to Ps\$1,989 million in 2004.

In the last quarter of 2004, the Company invested approximately US\$9 million. Combined with US\$31 million invested in previous quarters, Iusacell invested a total of approximately US\$40 million in 2004, which mainly went toward expanding the capacity and coverage area of Iusacell's 3G network.

### RECENT EVENTS

#### NATIONWIDE LAUNCH OF PUSH TO TALK (PTT)

As announced in the third quarter of 2004, Iusacell launched the RADIO PLUS service, better known as Push to Talk or PTT, in Mexico's region 8. However, during the last quarter of 2004, the Company launched this service nationwide, giving customers immediate and unlimited connection to Iusacell coverage areas in radio mode and allowing them to experience direct one-button communication with up to five people at a time, with no long-distance or roaming charges.

#### TOWER SALES

During the fourth quarter of 2004, the Company sold and leased back 29 towers to MATC, for approximately Ps\$67 million in net revenue, which was completely reinvested in Company operations.

#### DEBT RESTRUCTURING

The Company continues negotiations with various creditors in an effort to reach a comprehensive debt restructuring agreement in the shortest time possible.
