Item 8.01 Other Events.

After the close of business on January 17, 2007, the Company received a proposal from NBC Universal, Inc. (NBCU) and Citadel Limited Partnership for a restructuring of the Company's outstanding preferred and common stock that, if implemented, would include a tender offer for the shares of the Company's Class A common stock on the terms contemplated by the November 7, 2005 restructuring transaction between the Company, NBCU and Lowell W. Paxson and his affiliates. The proposed tender offer would be conducted by an affiliate of Citadel Limited Partnership and by the Company and would be extended to all holders of the Company's outstanding shares of Class A common stock, other than the shares held by Mr. Paxson's affiliates and certain shares issued since November 7, 2005 in connection with stock-based compensation awards made after that date to employees and directors of the Company. The proposal contemplates that the tender offer would commence upon the earlier of FCC approval of the transfer to an affiliate of Citadel of NBCU's call right on the voting securities held by affiliates of Mr. Paxson, or May 6, 2007, at a price determined by the formula set out in the Amended and Restated Stockholder Agreement, dated November 7, 2005, among NBCU, the Company, Mr. Paxson and his affiliates (approximately \$1.41 per share of Class A common stock as of January 17, 2007).

The proposal is subject to the approval of the Company's board of directors, which has taken the proposal under consideration. The proposal is not binding on the Company, has not been negotiated by or on behalf of the Company, and does not represent a binding agreement between NBCU and Citadel. The transactions contemplated by the proposal would be subject to numerous conditions, risks and uncertainties, and there is no assurance that the proposal would be approved by the Company's board of directors, or that any proposal that may ultimately be approved by the Company's board of directors will actually be consummated.

The foregoing description of the proposal is not complete and is qualified in its entirety by reference to the full text of the proposal, which is attached as Exhibit 99.1.
