	<p>Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodian's accounts, please contact your CSR for more information.</p>	Non-Voting	
	<p>The sub custodians have advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. Please also be aware that although some issuers permit the deregistration of shares at deregistration date, some shares may remain registered up until meeting date. Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodian's accounts, please contact your CSR for more information. Please also note the following link:

The sub custodians have advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being

delayed. If you are considering settling a traded voted position prior to the meeting date of this event, please contact your CSR or custodian to ensure your shares have been deregistered.

The Vote/Registration Deadline as displayed on ProxyEdge is subject to change and will be updated as soon as Broadridge receives confirmation from the sub custodians regarding their instruction deadline. For any queries please contact your Client Services Representative.

Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodians accounts, please contact your CSR for more information. Please also have a look at the following link:

The sub custodians have also advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. Please also be aware that although some issuers permit the deregistration of shares at deregistration date, some shares may remain blocked up until meeting date. If you are considering settling a traded voted position prior to the meeting date of this event, please contact your CSR or

Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodians accounts, please contact your CSR for more information. Securities may consist in senior bonds or debentures, convertible into newly issued shares or exchangeable into issued stock of the Company, as well as into warrants or any other instruments that, directly or indirectly, may confer the right to subscribe or acquire shares of the Company, either newly issued or currently outstanding shares. Delegate the broadest powers to the Board of Directors to issue the Securities and set the features and conditions of each issuance, in particular, including but not limited to, the following: - determine the face value, rate of issue, premiums and strike price, currency of the issue, form of representation, interest rate and redemption; - establish anti-dilution provisions, subordination provisions; grant guarantees, of a real or a personal nature, of compliance with the obligations arising from the issuance; commission the granting of guarantees to third parties; - establish a syndicate of noteholders, draw up its internal rules and appoint a commissioner thereto; establish, in the event that the issuance is convertible and exchangeable, that the issuer reserves the right to decide, at any moment, that the securities are converted or exchanged into newly issued shares, outstanding shares, or a combination of both. - request the admission to trading of the Securities in all types of markets, regulated or not, national or foreign; resolve the exclusion, total or partial, of the pre-emptive subscription right of shareholders and holders of convertible bonds, warrants and any other similar debentures, when so required in the Company's interest; - increase the share capital to the amount required to respond to the requests of conversion and/or exercise of the share subscription right to the extent that the amount of these increases, together with all other amounts agreed pursuant to the authorisation granted by the General Shareholders' Meeting of the Company, does not exceed half of the share capital; modify the article in the Corporate Bylaws referring to the share capital amount. In the event that convertible or exchangeable securities or debentures are issued, the following criteria shall be applied in order to determine the conversion and exchange bases and methods: the conversion or exchange relation shall be fixed, fixed-income securities shall be valued at face value and the shares at the fixed rate determined by the Board of Directors, or at a rate determined according to the quotation price in the Stock Exchange of

the shares of the Company on the date(s) or in the period(s) taken as reference, which are established in the same resolution of the Board; in any case, the price of the shares shall not be below the highest between (i) the arithmetic average of the closing prices of the shares of the Company on the Spanish Continuous Market during the period determined by the Board of Directors, which shall not exceed three months or be less than fifteen days, prior to the date on which the meeting of the Board of Directors is held, at which the issuance of Securities is approved, and (ii) the closing price of the shares on the same Spanish Continuous Market the day prior to that on which the meeting of the Board of Directors is held, at which the issuance of Securities is approved by virtue of this delegation. Within the limits established in the preceding paragraph, the broadest powers shall be conferred on the Board of Directors to develop and set the conversion and exchange bases and methods. The issuance shall be effected once or several times, at any moment, within a maximum period of five years as from the date of adoption of this resolution. The total maximum amount of the issuance that is agreed pursuant to this delegation shall be two thousand million Euros or its equivalent in other currencies. Likewise, the Board of Directors is authorised to delegate in favour of the Steering Committee, pursuant to article 249.2 of the Recast Spanish Companies Act, the powers conferred by virtue of this agreement

13	<p>Authorise the Board of Directors so that, pursuant to the provisions of article 146 and similar provisions of the Recast Spanish Companies Act, the Company may proceed, directly or through subsidiaries, to acquire treasury stock, subject to the following limits and requirements: Methods: acquisition via contract of purchase, or via any other inter vivos act for a consideration, of shares that are free of any liens or encumbrances. Maximum number of shares that may be acquired: shares whose nominal value, added to those already owned by the Company and its subsidiaries, does not exceed 10% of the share capital of MAPFRE, S.A. Minimum and maximum acquisition price: 90% and 110%, respectively, of the share's market price on the date of acquisition. Term of the authorisation: five years as from the date of the resolution herein. This authorisation involves the withdrawal of the authority granted on 10th March 2012.</p>	Mgmt	For
