PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

October 26, 2004

This Proxy Statement is being furnished on or about September 13, 2004, in connection with the solicitation of proxies by the Board of Directors of Standex International Corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on Tuesday, October 26, 2004. All proxies will be voted in accordance with the instructions contained therein and, if no choice is specified, will be voted for the election of each of the individuals nominated by the Board of Directors and in favor of the other proposal set forth in the Notice of Meeting.

The election of Directors will require the affirmative vote of a plurality of the shares of Common Stock voting, in person or by proxy, at the Annual Meeting. The ratification of the appointment by the Audit Committee of Deloitte & Touche LLP as independent auditors will require the affirmative vote of a majority of the shares of Common Stock of the Company voting on the proposal, in person or by proxy, at the Annual Meeting. Stockholders may vote in favor of all nominees for Director, or withhold their votes as to all nominees or withhold their votes as to specific nominees. With respect to the other proposal, stockholders should specify their choice on the enclosed form of proxy.

Shares which abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the shares voting on a matter.

Any proxy may be revoked at any time before it is exercised by delivery of written notice to the Secretary of the Company or by executing a subsequent proxy.

The Board of Directors has fixed September 7, 2004 as the record date for the determination of stockholders entitled to vote at the Annual Meeting. At the record date, there were outstanding and entitled to vote 12,287,840 shares of the Common Stock of the Company. Each share is entitled to one vote.

All costs of solicitation of proxies will be borne by the Company. In addition to solicitations by mail, the Company's directors and officers, without additional remuneration, may solicit proxies in person and by telecommunications. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of stock held in their names, and the Company will reimburse them for their out-of-pocket expenses in this regard.

To assure the presence in person or by proxy of the necessary quorum for holding the meeting, the Company has employed the firm of Morrow & Co., Inc. to assist in soliciting proxies by mail, telephone, facsimile and personal interview for a fee estimated at approximately \$5,000 plus disbursements.

PROPOSAL 1 - ELECTION OF DIRECTORS

The persons named in the enclosed proxy will vote to fix the number of directors at thirteen and to elect as directors Thomas E. Chorman and Gerald H. Fickenscher for one-year terms expiring in 2005; Charles H. Cannon, Jr. and Christian Storch for two-year terms expiring in 2006; and William R. Fenoglio, Walter F. Greeley, Thomas L. King and Deborah A. Rosen for three-year terms expiring in 2007, unless authority to vote for the election of directors is withheld by marking the proxy to that effect. No proxy can be voted for a greater number of persons than the eight nominees named below.

There are fewer nominees named below than the number of directors fixed pursuant to this proposal due to two resignations of directors and the expiration of one director's term of office. John Bolten, Jr., who was a founder of the Company and had been a director since 1955, elected to resign from the Board in May, 2004. C. Kevin Landry, a director who had served since 1975 and whose term was scheduled to expire at the Annual Meeting of Shareholders in 2006, elected to resign from the Board effective October 26, 2004. Both directors are resigning for personal reasons unrelated to the business of the Company. The Company is grateful to both directors for their dedicated service. David R. Crichton is a director whose term of office is scheduled to expire on the date of the Annual Meeting of Shareholders to which this Proxy Statement relates. The Corporate Governance/Nominating Committee of the Board of Directors is currently actively considering various potential candidates for nomination to the Board of Directors during the course of the upcoming fiscal year. Please see the Report of the Corporate Governance/Nominating Committee herein for additional information regarding the Committee's activities.

In the event that any nominee for election should become unavailable, the person acting under the proxy may vote for the election of a substitute. Management has no reason to believe that any nominee will become unavailable.

Determination of Independence

In July, 2003, the Board of Directors adopted Corporate Governance Guidelines, which are available under the heading "Corporate Governance" on the Company's web site at www.standex.com. Under these Guidelines, the Board requires that at least a majority of directors be "independent" as defined by the New York Stock Exchange ("NYSE") listing standards. Pursuant to the NYSE standards, the Board has undertaken an analysis of "independence" as the criteria apply to each director and nominee for director.

The NYSE rules require that, in order to be considered independent, each director or nominee have no material relationship with the Company (either directly or as a partner, shareholder, or officer of an organization that has a relationship with the Company), nor may any director or nominee have any prohibited relationships, such as certain employment relationships with the Company, its independent auditor or another organization in business with the Company.

The Board has affirmatively determined that the following directors and nominees, comprising all of the non-management directors and nominees, are independent: Messrs. Cannon, Chorman, Fenoglio, Fickenscher, Greeley, Hogan, King and Muller.

In determining that Mr. King is independent under the NYSE standards, the Board assessed Mr. King's prior service to the Company, including terms as President, Treasurer, COO and CEO. Mr. King has been retired from the Company since 1995 and has not received direct compensation for services to the Company (except for pension, other employee benefits to which he is entitled as a retired employee and director's fees) since June, 1998. The Board determined that despite the historical status of Mr. King as an executive of the Company, he maintains no relationship of any kind with the Company (other than as a director), and thus his ability to carry out his duties and responsibilities as a disinterested, independent director is in no way impaired.

In assessing Mr. Hogan's independence, the Board considered that Mr. Hogan is the son of Daniel E. Hogan, who was a co-founder of the Company and served in various capacities with the Company (including terms as President and CEO) through July, 1985. Daniel E. Hogan served as a consultant to the Company from July, 1985 until his death in 1991. The Board determined that this familial relationship between Director Daniel B. Hogan, who has never been employed by the Company, and Company co-founder Daniel E. Hogan did not create a relationship between Mr. Hogan and the Company which in any way compromised the exercise of his disinterested and independent judgment as a director, and thus concluded that he is independent within the meaning of the NYSE rules.

The remaining Board members and nominees were determined by the Board not to be independent due to their status as currently employed executives of the Company (in the case of Mr. Fix, Ms. Rosen and Mr. Storch) or due to

Edgar Filing: STANDEX INTERNATIONAL CORP/DE/ - Form DEF 14A

the receipt of direct compensation from the Company in excess of \$100,000 per year (in the case of Mr. Trainor, pursuant to a two-year Consulting Agreement effective January 1, 2003 and discussed in the proxy statement for fiscal year 2003).

The Board will continue to monitor all of its members' activities on an ongoing basis to insure the independence of a majority of the Company's directors.
