PROPOSAL 1

ELECTION OF DIRECTORS

## Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

### General

The Board of Directors has nominated Barry H. Golsen, David R. Goss and Robert C. Brown, M.D. to serve a three-year term expiring in 2006. Each of the nominees is presently serving as a director of the Company.

If any of the nominees become unable or unwilling to accept the election or to serve as a director (an event which the Board of Directors does not anticipate), the person or persons named in the Proxy Card as the proxies will vote for the election of the person or persons recommended by the Board of Directors. The proxies cannot be voted for a greater number of persons than the number of nominees.

The Certificate of Incorporation and By-laws of the Company provide for the division of the Board of Directors into three classes, each class consisting as nearly as possible of one-third of the whole. The term of office of one class of directors expires each year, with each class of directors elected for a term of three years and until their successors are duly elected and qualified. Messrs. Golsen and Goss are in the class whose term is expiring as of the Annual Meeting. Dr. Brown's term was to expire in 2004, but Dr. Brown has been added to the 2003

-2-

class of nominees so each class will approximate one-third of the whole as required by the Company's Certificate of Incorporation and By-laws.

The Company's By-laws provide that the Board of Directors, by resolution from time to time, may fix the number of directors that shall constitute the whole Board of Directors. The By-laws presently provide that the number of directors may consist of not less than 3 nor more than 12. The Board of Directors currently consists of 12 members.

The By-laws of the Company further provide that only persons nominated by or at the direction of: (a) the Board of Directors of the Company, or (b) any stockholder of the Company entitled to vote for the election of the directors that complies with certain notice procedures, shall be eligible for election as a director of the Company. Any stockholder desiring to nominate any person as a director of the Company must give written notice to the Secretary of the Company at the Company's principal executive office not less than 50 days prior to the date of the meeting of stockholders to elect directors; except, if less than 60 days' notice or prior disclosure of the date of such meeting is given to the stockholders, then written notice by the stockholder must be received by the Secretary of the Company not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. In addition, if the stockholder proposes to nominate any person, the stockholder's written notice to the Company must provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended.

**Series 2 Preferred** The terms of the \$3.25 Convertible Exchangeable Class C Preferred Stock, Series 2 ("Series 2 Preferred") provide that whenever dividends on the Series 2 Preferred are in arrears and unpaid in an amount equal to at least six quarterly dividends: (a) the number of members of the Board of Directors of the Company shall be increased by two effective as of the time of election of such directors; (b) the Company shall, upon the written request of the record holder of 10% of the shares of Series 2 Preferred, call a special meeting of the Preferred Stockholders for the purpose of electing such two additional directors; and (c) the Preferred Stockholders have the exclusive right to vote for and elect such two additional directors; and (d) the term of office of such directors will terminate immediately upon the termination of the right of the Series 2 Preferred holders to vote for such two additional directors, subject to the requirements of Delaware law. The Series 2 Preferred holders have the right to remove without cause at any time and replace either of the two directors that the Series 2 Preferred holders have elected.

At the request of Jayhawk Capital Management, L.L.C., a special meeting of the holders of the Series 2 Preferred was held on March 11, 2002 for the purpose of electing the two additional directors to the Company's Board of Directors. At this special meeting, the holders of the Company's Series 2 Preferred have elected two additional members of the Company's Board of Directors, Dr. Allen Ford and Mr. Grant Donovan, as permitted pursuant to the terms of the Series 2 Preferred, effective March 11, 2002.

Approval of each nominee for election to the Board of Directors will require the affirmative vote of a plurality of the votes cast by the holders of the voting securities of the Company, voting together as one class.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board (including Independence Standards Board Standard No. 1), and considered the compatibility of nonaudit services with the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting. Under such agreement, Northwest is paid \$2,000 a month to perform all such examinations. Dr. Robert C. Brown (a director of the Company) is Vice President and Treasurer of Plaza Medical Group, P.C.

In 1983, LSB Chemical Corp. ("LSB Chemical"), a subsidiary of the Company, acquired all of the outstanding stock of El Dorado Chemical Company ("EDC") from its then four stockholders ("Ex-Stockholders"). A substantial portion of the purchase price consisted of an earnout based primarily on the annual after-tax earnings of EDC for a ten-year period. During 1989, two of the Ex-Stockholders received LSB Chemical promissory notes for a portion of their earnout, in lieu of cash, totaling approximately \$896,000, payable \$496,000 in January 1990, and \$400,000 in May 1994. LSB Chemical agreed to a buyout of the balance of the earnout from the four Ex-Stockholders for an aggregate purchase amount of \$1,231,000. LSB Chemical purchased for cash the earnout from two of the Ex-Stockholders and issued multi-year promissory notes totaling \$676,000 to the

other two Ex-Stockholders. Jack E. Golsen guaranteed LSB Chemical's payment obligation under the promissory notes. The unpaid balance of these notes at April 30, 2003, was \$400,000.

At October 15, 2001, Prime Financial Corporation ("Prime"), a subsidiary of the Company, had a note with an outstanding principal balance of \$1,350,000 (the "Prime Note") owed to SBL Corporation ("SBL"), a corporation wholly owned by the spouse and children of Jack E. Golsen, Chairman of the Board and President of the Company. The Prime Note was issued in connection with a loan from SBL to Prime of funds borrowed by SBL from SBL's lender. In order to obtain the loan from SBL, Prime was required to (a) issue to SBL's lender a limited guaranty of the lender's loan to SBL, and (b) pledge to SBL's lender 1,973,461 shares of the Company's common stock owned by Prime as security for the limited guaranty.

On October 18, 2001, the Company, Prime, and SBL entered into an agreement (the "Agreement") whereby the Company issued to SBL 1,000,000 shares of a newly created series of Series D Convertible Preferred Stock in the Company ("Series D Preferred Stock"). In consideration of the issuance of the Series D Preferred stock, SBL (a) reduced the principal amount of the Prime Note by \$1,000,000, (b) caused Prime's limited guaranty to be reduced to an amount not to exceed \$350,000, and (c) caused the shares of LSB common stock pledged by Prime to SBL's lender to be reduced by 1,000,000 shares. In February 2003, SBL's lender terminated Prime's limited guaranty and released all shares of LSB common stock pledged by Prime to secure the limited guaranty. At April 30, 2003, \$150,000 remains outstanding under the Prime Note which is payable on demand.

Each share of Series D Preferred Stock issued to SBL has, among other things, .875 votes and the right to vote as a class with the Company's common stock, a liquidation preference of \$1.00 per share, cumulative dividends at the rate of 6% per annum, and is convertible into LSB common stock on the basis of four shares of Preferred Stock into one share of common stock. Dividends on the Series D Preferred Stock issued to SBL will be paid only after accrued and unpaid dividends are paid on the Company's Series 2 Preferred. At April 30, 2003, there was \$7.6 million in accrued but unpaid dividends due on the Series 2 Preferred.

Effective March 25, 2003, the Company completed a private placement to Jayhawk Institutional Partners, L.P. ("Jayhawk Institutional") of 450,000 shares of the Company's common stock and a five year warrant to purchase up to 112,500 share of the Company's common stock at an exercise price of \$3.49 per share, subject to anti-dilution adjustments under certain conditions. The total price paid by Jayhawk to the Company for the shares of common stock and the warrant was \$1,570,500. The average closing price of the Company's common stock over the 30 day period prior to the transaction was \$3.49. Jayhawk has certain registration rights. (1) The stock options granted under the Company's stock option plans become exercisable 20% after one year from date of grant, an additional 20% after two years, an additional 30% after three years, and the remaining 30% after four years.

(2) The values are based on the difference between the price of the Company's Common Stock on the Over-the-Counter Bulletin Board at the close of trading on December 31, 2002 of \$2.80 per share and the exercise price of such option. The actual value realized by a named executive officer on the exercise of these options depends on the market value of the Company's Common Stock on the date of exercise.

(3) Mr. Goss exercised his right to purchase shares of the Company's common stock under the Company's stock option plans by acquiring 8,000 shares at an aggregate purchase price of \$25,000. Mr. Shear paid the remaining \$268 of the purchase price to the Company.

**Other Plans** The Board of Directors has adopted an LSB Industries, Inc., Employee Savings Plan (the "401(k) Plan") for the employees (including executive officers) of the Company and its subsidiaries, excluding certain (but not all) employees covered under union agreements. The 401(k) Plan is an employee contribution plan, and the Company and its subsidiaries make no contributions (with limited matching exceptions at two certain locations) to the 401(k) Plan. The amount that an employee may contribute to the 401(k) Plan equals a certain percentage of the employee's compensation, with the percentage based on the employee's income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. The Company or subsidiary deducts the amounts contributed to the 401(k) Plan from the employee's compensation each pay period, in accordance with the employee's instructions, and pays the amount into the 401(k) Plan for the employee's benefit. The Summary Compensation Table set forth above includes any amount contributed and deferred during the 2002, 2001, and 2000 fiscal years pursuant to the 401(k) Plan by the named executive officers of the Company.

The Company has a death benefit plan for certain key employees which is in the process of being revised. Under the existing plan, the designated beneficiary of an employee covered by the plan will receive a monthly benefit for a period of 10 years if the employee dies while in the employment of the Company or a wholly-owned subsidiary of the Company. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at anytime prior to the employee's death. The Company has purchased life insurance on the life of each employee covered under the plan to provide, in large part, a source of funds for the Company's obligations under the plan. The Company also will fund a portion of the benefits by investing the proceeds of such insurance policy received by the Company upon the employee's death. The Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company upon the death of the employee. The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the executive officers named in the Summary Compensation Table set forth above under the above-described death benefits plan.

In addition to the above-described plans, during 1991 the Company entered into a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65. This arrangement is also in the process of being revised. Under the plan, the employee will be eligible to receive for the life of such employee, a designated benefit as set forth in the plan. In addition, if prior to attaining the age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of 10 years. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen does not participate in the plan. The following table sets forth the amounts of annual benefits payable to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

Name of Individual	Amount of Annual Payment
Barry H. Golsen	\$ 17,480
David R. Goss	\$ 17,403
Tony M. Shelby	\$ 15,605
David M. Shear	\$ 17,822

The two plans set forth above are in the process of being revised into a single program which would provide a combined benefit. The details of the revised program which will replace the death benefit plan and the non-qualified arrangement described above are being finalized. The revised plan may be materially altered prior to such finalization. It provides for a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65 (and participate in the plan for 10 years). Under the plan the employee will be eligible to receive a

designated benefit as set forth in the plan for 10 years. In addition, if prior to attaining age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of 10 years. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen participates only in the death benefit aspect of the plan. The following table sets forth the amounts of annual benefits payable to the beneficiaries of the employee or to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

**Employment Contracts and Termination of Employment and Change in Control Arrangements**

**a) Termination of Employment and Change in Control Agreements** The Company has entered into severance agreements with Jack E. Golsen, Barry H. Golsen, Tony M. Shelby, David R. Goss, David M. Shear, and certain other officers of the Company and subsidiaries of the Company.

Each severance agreement provides (among other things) that if, within 24 months after the occurrence of a change in control (as defined) of the Company, the Company terminates the officer's employment other than for cause (as defined), or the officer terminates his employment for good reason (as defined), the Company must pay the officer an amount equal to 2.9 times the officer's base amount (as defined). The phrase "base amount" means the average annual gross compensation paid by the Company to the officer and includable in the officer's gross income during the period consisting of the most recent five year period

-20-

immediately preceding the change in control. If the officer has been employed by the Company for less than five years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for the Company.

The severance agreements provide that a "change in control" means a change in control of the Company of a nature that would require the filing of a Form 8-K with the Securities and Exchange Commission and, in any event, would mean when: (a) any individual, firm, corporation, entity, or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of 30% or more of the combined voting power of the Company's outstanding voting securities having the right to vote for the election of directors, except acquisitions by (i) any person, firm, corporation, entity, or group which, as of the date of the severance agreement, has that ownership, or (ii) Jack E. Golsen, his wife; his children and the spouses of his children; his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership, or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least 80% of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities, or estates; and certain affiliates and associates of any of the above-described persons, entities, or estates; (b) individuals who, as of the date of the severance agreement, constitute the Board of Directors of the Company (the "Incumbent Board") and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or (c) the sale by the Company of all or substantially all of its assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer's employment with the Company "for cause" means termination because of: (a) the mental or physical disability from performing the officer's duties for a period of 120 consecutive days or one hundred eighty days (even though not consecutive) within a 360 day period; (b) the conviction of a felony; (c) the embezzlement by the officer of Company assets resulting in substantial personal enrichment of the officer at the expense of the Company; or (d) the willful failure (when not mentally or physically disabled) to follow a direct written order from the Company's Board of Directors within the reasonable scope of the officer's duties performed during the 60 day period prior to the change in control. The definition of "Cause" contained in the severance agreement with Jack E. Golsen means termination because of: (a) the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or (b) if due to Mr. Golsen's serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its

## Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

subsidiaries, taken as a whole, provided that (i) no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (ii) failure of Mr. Golsen to perform his duties hereunder due to disability shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

-21-

The termination of an officer's employment with the Company for "good reason" means termination because of (a) the assignment to the officer of duties inconsistent with the officer's position, authority, duties, or responsibilities during the 60 day period immediately preceding the change in control of the Company or any other action which results in the diminishment of those duties, position, authority, or responsibilities; (b) the relocation of the officer; (c) any purported termination by the Company of the officer's employment with the Company otherwise than as permitted by the severance agreement; or (d) in the event of a change in control of the Company, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as of no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the officer's normal retirement date from the Company; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance agreement automatically extends for an additional one-year period, unless the Company gives notice otherwise at least 60 days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three years from the date of the severance agreement; except that, commencing on the date one year after the date of such severance agreement and on each annual anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three years from such renewal date, unless the Company gives notices otherwise at least one year prior to the renewal date.

**(b) Employment Agreement** The Company has an employment agreement with Jack E. Golsen, the Chairman of the Board and President of the Company, which requires the Company to employ Mr. Golsen as an executive officer of the Company. The current term of the employment agreement will expire March 21, 2005; however, pursuant to an amendment to the employment agreement approved by the Board of Directors, the term will be automatically renewed for up to three additional three-year periods. The employment agreement may be terminated by either party by written notice at least one year prior to the expiration of the then current term. Under the terms of such employment agreement, Mr. Golsen shall be paid (a) an annual base salary at his 1995 base rate, as adjusted from time to time by the Executive Salary Review Committee, but such shall never be adjusted to an amount less than Mr. Golsen's 1995 base salary, (b) an annual bonus in an amount as determined by the Executive Salary Review Committee, and (c) receive from the Company certain other fringe benefits.

The employment agreement provides that Mr. Golsen's employment may not be terminated, except (a) upon conviction of a felony involving moral turpitude after all appeals have been exhausted, (b) Mr. Golsen's serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (c) Mr. Golsen's death. However, no such termination under (a) or (b) above may occur unless and until the Company has delivered to Mr. Golsen a resolution duly adopted by an affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated (a) or (b) above.

-22-

If Mr. Golsen's employment is terminated in breach of the employment agreement, then he shall, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen (a) in a lump sum cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen's annual base salary at the time of such termination and

the amount of the last bonus paid to Mr. Golsen prior to such termination times the number of years remaining under the then current term of the employment agreement and (b) provide to Mr. Golsen all of the fringe benefits that the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement.

If there is a change in control (as defined in the severance agreement between Mr. Golsen and the Company) and within 24 months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement between Mr. Golsen and the Company shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of 12 consecutive months within any two year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter 60% of such salary until Mr. Golsen's death.

**Compensation Committee Interlocks and Insider Participation** The Company's Executive Salary Review Committee has the authority to set the compensation of all officers of the Company. This Committee generally considers and approves the recommendations of the President. The President does not make a recommendation regarding his own salary. The members of the Executive Salary Review Committee are the following non-employee directors: Robert C. Brown, M.D., and Bernard G. Ille. Neither Dr. Brown nor Mr. Ille is, or ever has been, an officer or employee of the Company or any of its subsidiaries. During 2002, the Executive Salary Review Committee had three meetings.

See "Compensation of Directors" for information concerning compensation paid to non-employee directors of the Company during 2002 for services as a director to the Company, and "Certain Relationships and Related Transactions" for information concerning compensation paid to an affiliate of Dr. Brown.

#### **Report of Executive Salary Review Committee**

The following report by the Executive Salary Review Committee required by the rules of the Securities and Exchange Commission to be included in this Proxy Statement shall not be considered incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (collectively, the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed under such Acts.

**General** The Executive Salary Review Committee ("Committee") is presently comprised of two directors of the Company, who are not current or former employees of the Company. The Committee is responsible for reviewing and approving the compensation paid to executive officers of the Company.

**Compensation Policy for Executive Officers** Although the Committee has not established specific quantitative compensation policies for executive officers of the Company, including the President-Chief Executive Officer, the Committee reviews each executive officer's performance on behalf of the Company during the last preceding year in establishing the executive officer's bonus for such year, if any, and any increase or decreases to such executive officers' compensation for the next year. The guiding principle of the Committee is based on the following objectives: (a) to attract and retain qualified executives in a highly competitive environment who will play significant roles in achieving the Company's goals; (b) to reward executives for strategic management and the long-term enhancement of stockholder value; (c) to create a performance-oriented environment that rewards performance with respect to financial and operational goals of the Company; and, (d) motivate executives to protect the interests of the Company in all situations. The key elements of the Company's executive compensation program have consisted of a base salary, bonus and stock options.

## Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

As to the compensation (salary and bonus) paid or payable to executive officers, other than the President-Chief Executive Officer, the President-Chief Executive Officer makes a recommendation to the Committee. The Committee considers such recommendations. The President-Chief Executive Officer's recommendation with respect to base salary and the Committee's approval or disapproval of such recommendation is primarily based on the objectives set forth above. Recommendations by the President - Chief Executive Officer of bonus compensation and the Committee's decision to approve or disapprove such recommendations is closely tied to the individual's performance and the Company's financial performance.

Jack E. Golsen has been President and Chief Executive Officer of the Company since its formation in 1969. In setting Mr. Golsen's compensation, the Committee takes into account the fact that Mr. Golsen continues the strategy of developing the Company through internal growth, acquisitions, redeployment of assets and personnel, the complexity of issues required to be dealt with, and development of international markets. There were no increases in Mr. Golsen's annual salary for 2000, 2001 or 2002. In March, 1996, the Company entered into an employment agreement with Mr. Golsen, which employment agreement set Mr. Golsen's salary at his 1995 base rate, as adjusted from time to time by the Committee. See "Executive Compensation and Other Information - Employment Contracts and Termination of Employment and Change in Control Arrangements".

-24-

Bonuses, if any, are paid to executive officers in arrears for performance during the previous fiscal year. The Committee considers the payment of bonuses to be consistent with the goals set forth above. Bonuses were paid in 2002 and 2001. See "Executive Compensation." Bonuses have not been determined for 2002 performance.

The Company has had a practice of granting stock options to the President-Chief Executive Officer and other executive officers of the Company. This practice is founded on the belief that stock options offer executive officers a valuable incentive to achieve increased profitability of the Company in order to enhance stockholder value. There are no specific factors used to determine the number of options granted or to the timing of such grants; however, certain criteria are considered such as length of service, level of responsibility, and the achievement of the Company's earnings objectives. No stock options were granted to the President-Chief Executive Officer and other executive officers of the Company during 2002.

Robert C. Brown, M.D.

### **Five Year Total Stockholder Return Graph.**

The following table compares the yearly percentage change in the cumulative total stockholder return assuming reinvestment of dividends, if any, of (a) the Company, (b) a composite index ("Peer Group") comprised of a peer group of entities from two distinct industries which represent the Company's two primary lines of business (Chemical and Climate Control), and (c) the American Stock Exchange Market Value Index ("AMEX MVI)". The table set forth below covers the period from year-end 1997 through year-end 2002.

-25-

LSB Industries, Inc.	100.00	82.25	35.26	61.14	65.21	70.23
PEER GROUP	100.00	98.99	90.02	86.78	92.68	85.24
AMEX MVI	100.00	98.64	122.98	121.47	115.87	111.25

Assumes \$100 invested at year-end 1997 in the Company, the Peer Group, and the AMEX MVI.

The Peer Group was developed for the Company by Media General Financial Services and is comprised of certain companies that have Standard Industrial Classification ("SIC") codes which the Company believes correspond to the Company's primary lines of business. The companies which comprise the Peer Group are listed on Exhibit "A" to this Proxy Statement. The Peer Group is comprised of (a) chemical companies having SIC codes 112 (agricultural chemicals) and 113 (specialty chemicals); and (b) climate control companies having SIC code 634 (general building materials), and is provided for comparison to the Company's two primary lines of business, Chemical and Climate Control. The AMEX MVI line is provided because the Company believes that those companies listed in the AMEX most closely resemble the size and composition of the Company. The Company has been advised that the cumulative total return of each component company in the Peer Group has been weighted according to the respective company's stock market capitalization. In light of the Company's unique industry diversification and current market capitalization, the Company believes that the Peer Group and AMEX MVI are appropriate for comparison to the Company.

**The above Five-Year Total Stockholder Return Graph shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 (collectively, the "Acts"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be soliciting material or to be filed under such Acts.**

AUDIT COMMITTEE CHARTER - 2003

A. Purpose. The Audit Committee is appointed by the Board of Directors of LSB Industries, Inc. (the "Company") for the following purposes:

1. Assisting the Board of Directors in discharging its oversight responsibility relating to: (a) the accounting, reporting, and financial practices of the Company and its subsidiaries, including the integrity of the Company's financial statements; (b) the surveillance of administration and financial controls and the Company's compliance with legal and regulatory requirements; (c) the outside auditing firm's qualifications and independence; and (d) the performance of the Company's internal audit function and the Company's outside auditing firm; and

• Preparing the report required by the rules of the SEC to be included in the Company's annual proxy statement.

In fulfilling its purpose, the Audit Committee should endeavor to maintain free and open means of communication between the members of the Committee, other members of the Board of Directors, the outside auditor, the senior and financial management of the Company, and with any employees of the Company or other individuals who desire to bring accounting, internal accounting controls, auditing, or other matters to the Committee's attention.

In the exercise of its oversight responsibilities, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements fairly present the Company's financial position and results of operation and are in accordance with generally accepted accounting principles. Instead, such duties remain the responsibility of management and the outside auditor. Nothing contained in this charter is intended to alter or impair the operation of the "business judgment rule" as interpreted by the courts under the Delaware General Corporation Law. Further, nothing contained in this charter is intended to alter or impair the right of the members of the Audit Committee under the Delaware General Corporation Law to rely, in discharging their responsibilities, on the records of the Company and on other information presented to the Audit Committee, Board of Directors, or Company by officers of employees or by outside experts such as the outside auditor.

B. Members. The Board of Directors shall appoint an Audit Committee of at least three members, and shall designate one member as chairperson. Each member of the Audit Committee must meet the independence and experience requirements of relevant law, including rules and regulations of the Securities and Exchange Commission (the "Commission") and, if the Company's securities are listed for trading on a national securities exchange or the Nasdaq Stock Market ("NASDAQ"), the rules and regulations of such applicable national securities exchange or NASDAQ on which the Company's securities are listed for trading. Each member shall be able to read and understand financial statements at the time of their appointment.

The members of the Audit Committee shall be appointed by the Board of Directors on the recommendation of the Nominating and Corporate Governance

-29-

Committee or a majority of the independent directors and may be removed and replaced by the Board in its discretion.

C. Authorities and Responsibilities. Among its specific duties and responsibilities, the Audit Committee shall, consistent with and subject to applicable law and rules and regulations promulgated by the Commission and, if the

Company's securities are listed for trading on a national securities exchange or NASDAQ, the rules and regulations of such national securities exchange or NASDAQ:

1. Be directly responsible, in its capacity as a committee of the Board of Directors, for the appointment, compensation and oversight of the outside auditing firm. In this regard, the Audit Committee shall have the sole authority to (a) appoint and retain (subject to ratification by the Company's stockholders), (b) determine the funding for, and (c) when appropriate, terminate, the outside auditing firm, which shall report directly to the Audit Committee.
2. Approve in advance all audit services to be provided by the outside auditing firm, including any written engagement letters related thereto; establish policies and procedures for the engagement of the outside auditing firm to provide permissible non-audit services, which shall require pre-approval by the Audit Committee of all permissible non-audit services to be provided by the outside auditing firm; and, at the discretion of the Audit Committee, delegate such pre-approval of services to the chairman of the Audit Committee (provided that the chairman shall provide subsequent notification to the Audit Committee of any such pre-approval at scheduled meetings of the Audit Committee).
3. Consider, at least annually, the independence of the outside auditing firm, including whether the outside auditing firm's performance of permissible non-audit services is compatible with the auditor's independence; obtain and review a report by the outside auditing firm describing any relationships between the outside auditing firm and the Company or any other relationships that may adversely affect the independence of the auditor; discuss with the outside auditing firm any disclosed relationships or services that may impact the objectivity and independence of the auditor; and present to the Board of Directors the Audit Committee's conclusions with respect to the independence of the outside auditing firm.
4. Review and discuss with the outside auditing firm: (a) the scope of the audit, the results of the annual audit examination by the auditor and any accompanying management letters, and any difficulties the auditor encountered in the course of their audit work, including any restrictions on the scope of the outside auditing firm's activities or on access to requested information, and any significant disagreements with management; (b) any reports of the outside auditing firm with respect to interim periods; and (c) the matters required to be discussed by Statement on Auditing Standards No. 61 as then in effect.

-30-

5. Review and discuss with management and the outside auditing firm the annual audited and quarterly unaudited financial statements of the Company, including: (a) an analysis of the auditor's judgment as to the quality of the Company's accounting principles, setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements; (b) the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," including the development, selection and reporting of accounting policies that may be regarded as critical; and (c) major issues regarding the Company's accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles and financial statement presentations.

6. Recommend to the Board based on the review and discussion described in paragraphs 3 - 5 above, whether the financial statements should be included in the Annual Report on Form 10-K.

7. Periodically review and discuss the adequacy of the Company's internal controls, any significant deficiencies in internal controls, and significant changes in such controls; and review and discuss with the principal internal auditor of the Company and such others as the Audit Committee deems appropriate, the scope and results of the internal audit program.

8. Periodically review and discuss the adequacy and effectiveness of the Company's disclosure controls and procedures and management reports thereon.

## Edgar Filing: LSB INDUSTRIES INC - Form DEF 14A

9. Review and discuss with management and the outside auditors any material financial or non-financial arrangements of the Company which do not appear on the financial statements of the Company.
10. Review any related party transactions involving directors or executive officers of the Company.
11. Review with the General Counsel or, if the Company does not have a General Counsel, the Company's principal, outside legal counsel, material pending legal proceedings involving the Company and other contingent liabilities.
12. Establish procedures in compliance with relevant law, including rules and regulations adopted by the Commission or NASDAQ for receiving and handling complaints regarding accounting, internal accounting controls and auditing matters, including procedures for confidential, anonymous submission of concerns by employees regarding accounting and auditing matters.
13. Establish policies for the Company's hiring of employees of the outside auditing firm and former employees of the outside auditing firm.

-31-

14. Evaluate annually the performance of the Audit Committee and the adequacy of the Audit Committee charter.

D. Meetings. The Audit Committee shall meet as often as may be deemed necessary or appropriate in its judgment, but not less than quarterly, either in person or telephonically. At least annually, the Audit Committee shall meet in executive session with each of management, the principal internal auditor of the Company, and the independent auditing firm. The Audit Committee may create subcommittees who shall report to the Audit Committee. The Audit Committee shall report to the full Board of Directors with respect to its meetings. The majority of the members of the Audit Committee shall constitute a quorum.

E. Outside Advisors. The Audit Committee shall have the authority to retain such outside counsel, experts, and other advisors as it determines appropriate to assist in the full performance of its functions.

F. Funding by the Company.
