PROXY STATEMENT

We are furnishing this Proxy Statement in connection with our Annual Meeting of Stockholders to be held on June 2, 2004, at the Hilton Parsippany, One Hilton Court, Parsippany, New Jersey 07054, at 9:00 A.M., local time, and at any adjournment or adjournments thereof. Stockholders of record at the close of business on April 5, 2004, will be entitled to vote at the meeting and at any adjournment of the meeting. As of April 5, 2004, there were 40,472,898 shares of common stock issued and outstanding and entitled to vote. Each share of common

Edgar Filing: ALTEON INC /DE - Form DEF 14A

stock is entitled to one vote on any matter presented at the meeting.

You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Alteon's Board of Directors is asking for your proxy. Giving us your proxy by properly signing and returning the accompanying proxy card means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for both, one or neither of our director candidates. We will vote as you direct.

If you properly sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares (i) FOR the election of the nominees named below as directors; (ii) FOR the ratification of the appointment of KPMG LLP to serve as our independent accountants for the fiscal year ending December 31, 2004; (iii) FOR the approval of the amendment to our certificate of incorporation to increase the number of authorized shares of common stock from 80,000,000 to 100,000,000; and (iv) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the meeting or any adjournment of the meeting.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are covered by one card. However, if you hold shares through someone else, such as a stockbroker, you may receive material from them asking how you want to vote. Each proxy card should be signed and returned to assure that all of your shares are voted.

You may revoke your proxy any time before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Alteon's Secretary in writing. However, your mere presence at the meeting does not revoke the proxy.

In order to carry on the business of the meeting, we must have a quorum. This means the holders of at least a majority of our common stock must be represented at the meeting, either by proxy or in person. Votes that are withheld and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

Directors are elected by a plurality vote, which means that the three nominees receiving the most votes will be elected to fill the seats on the Board. The proposed amendment to our certificate of incorporation must be approved by the affirmative vote of the holders of at least a majority of the outstanding shares of our common stock. All other actions considered at the meeting, including an adjournment, may be taken upon the favorable vote of a majority of the votes present in person or represented by proxy at the meeting. Only votes cast "for" a matter will constitute affirmatives votes. Votes withheld or abstentions, because they are not cast "for" a particular proposal, will have the same effect as negative votes or votes cast "against" such proposal. Proxies submitted by brokers that do not indicate a vote for some of the proposals because such brokers do not have discretionary voting authority on those proposals and have not received instructions from their customers on those proposals (i.e., broker non-votes) are not considered to be shares present for the purpose of calculating the vote on such proposals and will not affect the outcome of proposals which require the affirmative vote of a majority of shares represented at the Annual Meeting. However, broker non-votes will have the same effect as a vote against the proposal to amend our certificate of incorporation, because such proposal requires the affirmative vote of a majority of the outstanding shares of our common stock.

Edgar Filing: ALTEON INC /DE - Form DEF 14A

This Proxy Statement, together with the related proxy card, is being mailed to you on or about April 21, 2004. Our Annual Report to Stockholders for the year ended December 31, 2003, including financial statements, is being mailed concurrently with this Proxy Statement to all stockholders of record as of April 5, 2004. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of the Annual Report so that they may supply the material to beneficial owners as of April 5, 2004.

ELECTION OF DIRECTORS

At the meeting, three directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2007 and until their successors are elected and qualify. The nominees for election to the Board of Directors are Marilyn G. Breslow, Alan J. Dalby and Thomas A. Moore. Their biographies appear below.

In the event a nominee should become unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE NOMINEES FOR THE BOARD OF DIRECTORS.

COMMITTEES AND MEETINGS OF THE BOARD

The Board of Directors has a Compensation Committee, which reviews salaries and incentive compensation for employees of and consultants to Alteon, a Nominating Committee, which reviews the qualifications of candidates and proposes nominees to serve as directors on our Board of Directors and nominees for membership on Board committees, and an Audit Committee, which oversees the accounting and financial reporting processes and the audits of our financial statements. In 2003, the Audit, Nominating and Compensation Committees were comprised of Edwin D. Bransome, Jr., M.D., Marilyn G. Breslow, Alan J. Dalby,

Edgar Filing: ALTEON INC /DE - Form DEF 14A

David K. McCurdy, Thomas A. Moore, George M. Naimark, Ph.D., and Mark Novitch, M.D. All of the members of the Nominating Committee and Audit Committee are independent, as such term is defined by Section 121A of the American Stock Exchange listing standards. The Audit Committee held three meetings, the Compensation Committee held two meetings and the Nominating Committee held no meetings during the year ended December 31, 2003. There were 10 meetings of the Board of Directors in 2003. Each of the incumbent directors attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors (held during the period for which he or she was a director) and (2) the total number of meetings held by all committees of the Board on which he or she served during the periods that he or she served. We have adopted a written charter for the Audit Committee, and a copy of such charter is attached as Appendix I. We have also adopted a written charter for the Nominating Committee, and it is available on our website at www.alteon.com.

Director Nomination Process

The Nominating Committee reviews the qualifications of candidates and proposes nominees to serve as directors on our Board of Directors and nominees for membership on Board committees. It is the Nominating Committee's policy to consider potential candidates for Board membership recommended by its members, management, stockholders and others. The Nominating Committee has not established any specific minimum qualifications that must be met for a recommendation for a position on the Board of Directors. Instead, the Nominating Committee conducts appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates for nomination to the Board of Directors giving due consideration to such criteria, including without limitation, diversity, experience, skill set and the ability to act on behalf of stockholders, as it believes appropriate and in the best interests of Alteon and its stockholders. No special procedure has been established for the consideration of director candidates recommended by stockholders. All potential director candidates are evaluated based upon the same criteria, and the Nominating Committee makes no distinction in its evaluation of candidates based upon whether such candidates are recommended by stockholders or others. Once the evaluation is complete, the Nominating Committee recommends the nominees to the Board of Directors, who makes the final determination.

4

COMPENSATION OF DIRECTORS

All of the directors are reimbursed for their expenses for each Board meeting attended. Directors who are not compensated as Alteon employees receive \$1,500 per meeting attended in person and \$1,000 for each meeting attended by telephone for their service to the Board. Non-compensated directors also receive, upon the date of their election or re-election to the Board and on the dates of the next two Annual Meetings of Stockholders (subject to their continued service on the Board of Directors), a stock option to purchase 20,000 shares of common stock (subject to adjustment if they received stock options upon appointment to the Board between Annual Meetings of Stockholders to fill a vacancy or newly created directorship) at an exercise price equal to the fair market value of the common stock on the date of grant. Each of these options will vest and become exercisable on the date of Alteon's first Annual Meeting of Stockholders following the date of grant, subject to the director's continued service on the Board.

STOCKHOLDER COMMUNICATION

Stockholders and other parties interested in communicating directly with the Chairman or with the Board of Directors as a group may do so by writing to Chairman, Alteon Inc., 6 Campus Drive, Parsippany, New Jersey 07054. All

Edgar Filing: ALTEON INC /DE - Form DEF 14A

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The persons who served as members of the Compensation Committee of the Board of Directors during 2003 were Alan J. Dalby, Edwin D. Bransome, Jr., M.D., Marilyn G. Breslow, David K. McCurdy, Thomas A. Moore, George M. Naimark, Ph.D., and Mark Novitch, M.D. None of the members of the Compensation Committee was an officer, former officer or employee of Alteon or had any relationship with Alteon requiring disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended.

COMPENSATION COMMITTEE REPORT

General Policies

The Compensation Committee (the "Committee") of the Board of Directors is responsible for reviewing and approving Alteon's general compensation policies and compensation plans, as well as the specific compensation levels for officers and highly compensated employees. The Committee also acts as the Administrator under Alteon's Amended and Restated 1987 Stock Option Plan and Amended 1995 Stock Option Plan, and, from time to time, grants options under such Plans.

8

Under the supervision of the Committee, Alteon has developed and implemented compensation policies, plans and programs which (1) provide a total compensation package which is intended to be competitive within the industry so as to enable Alteon to attract and retain high-caliber executive personnel, and (2) seek to align the financial interests of Alteon's employees with those of its stockholders by relying heavily on long-term incentive compensation that is tied to performance.

The primary components of executive compensation include base salary and long-term equity incentives in the form of stock options. Alteon relies on long-term incentive compensation (i.e., stock options) to motivate the executive officers and other employees. This allows Alteon to retain cash for research and development projects. In determining the size of stock option grants to individual executives, the Committee considers a number of factors, including the following: the level of an executive's job responsibilities; the executive's past performance; the size and frequency of grants by comparable companies; the executive's salary level; the need to provide incentive for the purpose of retaining qualified personnel in light of Alteon's current conditions and prospects; the size of any prior grants; and the achievement of designated milestones by the executive. The Committee assigns no specific weight to any of the foregoing (other than achievement of designated milestones by the executive in cases where the executive's employment agreement provides for a grant of a

Edgar Filing: ALTEON INC /DE - Form DEF 14A

specific size upon achievement of the milestone) when making determinations as to the size of stock option grants.

Executive officers are also eligible to earn an annual cash incentive award, the amount of which is based upon (1) the position level of the executive officer, and (2) the attainment of specific individual non-financial performance objectives. The Committee sets the performance objectives at the beginning of the fiscal year.

The Chief Executive Officer is responsible for the development of the annual salary plan for executive officers other than himself. The plan is based on industry and peer group comparisons and national surveys and on performance judgments as to the past and expected future contributions of the individuals. To maintain a competitive level of compensation, Alteon targets base salary at the upper percentiles of a comparative group composed of other biotechnology companies. Base salary may exceed this level as a result of individual performance. The Committee reviews the annual plan and makes recommendations to the Board of Directors, with any modifications it deems appropriate. The Committee believes it has established executive compensation levels which are competitive with companies in the industry, taking into account individual experience, performance of both Alteon and the individual, company size, location and stage of development.

Compensation of the Chief Executive Officer

Mr. Moch's compensation was determined on the basis of his expertise and experience, which include over 20 years of experience in the biotechnology and venture capital fields. Mr. Moch received a base salary of \$353,600 in 2003. In 2003, Mr. Moch received options to purchase 100,000 shares of Alteon's common stock at an exercise price of \$1.56 per share, the fair market value of the common stock on the date of the grant. The total number of shares underlying this option vest monthly over a three-year period, starting on January 1, 2004. The Committee believes that Mr. Moch's compensation arrangements reflect the compensation package necessary to retain his services for Alteon in light of Alteon's current condition and prospects and is commensurate with his expertise and experience as well as with compensation offered by comparable biotechnology companies.

Effective January 1, 1994, the Internal Revenue Code does not permit corporations to deduct payment of certain compensation in excess of \$1,000,000 to the chief executive officer and the four other most highly paid executive officers. All compensation paid to our executive officers for 2003 will be fully deductible, and the Committee anticipates that amounts paid as cash compensation will continue to be fully deductible because the amounts are expected to be less than the \$1,000,000 threshold. Under certain circumstances, the executive officers may realize compensation upon the exercise of stock options granted under our stock option plans which would not be deductible by Alteon. Alteon expects to take such action as is necessary to qualify its stock

9

option plans as "performance-based compensation," which is not subject to the limitation, if and when the Committee determines that the effect of the limitation on deductibility warrants such action.

AUDIT COMMITTEE REPORT

The Audit Committee's powers and responsibilities and the qualifications required of each of its members are set forth in the Audit Committee Charter.

RESPONSIBILITIES

The primary function of the Audit Committee is to oversee Alteon's accounting and financial reporting processes and the audits of its financial statements. Management is solely responsible for the financial statements and the financial reporting process, including the system of internal controls, and has represented to the Audit Committee and the Board of Directors that the financial statements discussed below were prepared in accordance with accounting principles generally accepted in the United States of America appropriate in the circumstances and necessarily include some amounts based on management's estimates and judgments. Alteon's independent accountants are responsible for auditing those financial statements and expressing an opinion on the conformity of these financial statements, in all material respects, with accounting principles generally accepted in the United States of America.

INDEPENDENCE

As required by Independence Standards Board Standard No. 1, as currently in effect, Alteon's independent accountants, KPMG LLP ("KPMG") have disclosed to the Audit Committee any relationships between it (and its related entities) and Alteon (and its related entities), which, in its professional judgment, may reasonably be thought to affect its ability to be independent. In addition, KPMG has discussed its independence with the Audit Committee and confirmed in a letter to the Audit Committee that, in its professional judgment, it is independent of Alteon within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934.

RECOMMENDATION

Acting pursuant to its Charter, the Audit Committee has reviewed Alteon's audited annual financial statements for the year ended December 31, 2003 and the related report by KPMG, and has discussed the audited financial statements and report with management and with the independent accountants. The Audit Committee has also discussed with management and the independent accountants the matters required to be discussed by Statement on Auditing Standards 61, as currently in effect. These matters include significant accounting policies, management judgments and accounting estimates, management's consultation with other accountants, and any difficulties encountered in performing the audit, significant audit adjustment or disagreements with management. Based on the review and discussions described above, the Audit Committee recommended to Alteon's Board of Directors that the audited financial statements be included in Alteon's annual report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

In addition to provisions in the above-described agreements requiring each individual to maintain the confidentiality of our information and assign inventions to us, such executive officers have agreed that during the terms of their agreements and for one year thereafter, they will not compete with us by engaging in any capacity in any business that is competitive with our business. The employment agreements of Mr. Moch, Dr. deGroof, Ms. Hedstrom and Ms. O'Dell provide that either party may terminate the agreement upon 30 days' prior written notice, subject to a salary continuation obligation of Alteon if it terminates the agreements without cause. Mr. Moch and Ms. O'Dell will receive a 12-month salary continuation and Dr. deGroof and Ms. Hedstrom will receive a six-month salary continuation under such circumstances.

All employment agreements between Alteon and its Vice Presidents provide that all unvested stock options held by such Vice Presidents will vest and become exercisable immediately in the event of a change in control of Alteon.

CHANGE IN CONTROL SEVERANCE BENEFITS PLAN

In February 1996, we adopted the Alteon Inc. Change in Control Severance Benefits Plan to protect and retain qualified employees and to encourage their full attention, free from distractions caused by personal uncertainties and risks in the event of a pending or threatened change in control of Alteon. The Severance Plan provides for severance benefits to employees upon certain terminations of employment after or in connection with a change in control of Alteon as defined in the Severance Plan. Following a qualifying termination that occurs as a result of a change in control, officers of Alteon will be entitled

Edgar Filing: ALTEON INC /DE - Form DEF 14A

to continuation of (i) their base salary for a period of 24 months, and (ii) all benefit programs and plans providing for health and insurance benefits for a period of up to 18 months. In addition, upon a change in control of Alteon, all outstanding unexercisable stock options held by employees will become exercisable.

401(K) PLAN

We have a tax-qualified employee savings and retirement plan (the "401(k) Plan") covering all of our employees. Pursuant to the 401(k) Plan, employees may elect to reduce their current compensation by up to the statutorily prescribed annual limit (\$13,000 in 2004) and have the amount of such reduction contributed to the 401(k) Plan. The 401(k) Plan does not require that we make additional matching contributions to the 401(k) Plan on behalf of participants in the 401(k) Plan. However, in 1998, we began making discretionary

13

contributions at a rate of 25% of employee contributions up to a maximum of 5% of their base salary. Contributions by employees to the 401(k) Plan and income earned on such contributions are not taxable to employees until withdrawn from the 401(k) Plan. The Trustees under the 401(k) Plan, at the direction of each participant, invest the assets of the 401(k) Plan.

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board has appointed, subject to stockholder ratification, KPMG LLP ("KPMG") to serve as our independent accountants for the fiscal year ending December 31, 2004.

KPMG served as our independent accountants for the fiscal year ended December 31, 2003.

If the stockholders do not ratify the Board's decision to appoint KPMG, we may reconsider our selection. The affirmative vote of a majority of the shares voted at the Annual Meeting is required for ratification.

Representatives of KPMG are expected to be present at the Annual Meeting to

Edgar Filing: ALTEON INC /DE - Form DEF 14A

respond to appropriate questions from our stockholders. They will be given the opportunity to make a statement if they wish to do so.

The following table summarizes the fees paid or payable to KPMG for services rendered for the fiscal years ended December 31, 2003 and December 31, 2002:

TYPE OF FEES -----	FISCAL YEAR ENDED DECEMBER 31, 2003 -----	FISCAL YEAR ENDED DECEMBER 31, 2002 -----
Audit Fees.....	\$82,700	\$53,500
Audit-Related Fees.....	--	--
Tax Fees.....	15,250	--
All other Fees.....	--	--
	-----	-----
Total Fees.....	\$97,950 =====	\$53,500 =====

The caption "audit fees" are fees we paid KPMG for professional services for the audit of our financial statements included in our Form 10-K, review of our financial statements included in our Form 10-Qs and for the issuance of comfort letters and/or consents in connection with registration statements. "Tax fees" are fees for tax compliance, tax advice and tax planning.

AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES BY INDEPENDENT ACCOUNTANTS

The Audit Committee pre-approves all audit and legally permissible non-audit services provided by the independent accountants. The Audit Committee pre-approved all services performed by the independent accountants during 2002 and 2003.

CHANGE IN ACCOUNTANTS

On May 30, 2002, we dismissed Arthur Andersen LLP ("Andersen") as our principal independent accountants and engaged KPMG to serve as Alteon's principal independent accountants for the fiscal year ended December 31, 2002. The Board of Directors reviewed whether Alteon should continue the retention of Andersen in light of then recent events involving Andersen, and following its review, authorized the engagement of KPMG in lieu of Andersen. Andersen's reports on Alteon's financial statements for the years ended December 31, 2001 and 2000, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2001 and 2000, and the period from December 31, 2001 to the date of dismissal of Andersen, (i) there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement(s) in connection with its report, and (ii) there were no "reportable events" within the meaning of the applicable rules of the Securities and Exchange Commission. During the years ended December 31, 2001 and 2000, and the period from December 31, 2001 to the date of engagement of KPMG, neither Alteon nor anyone acting on its behalf consulted with KPMG with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Alteon's financial statements or any matter that was either the subject of disagreement or a reportable event.

Andersen's letter to the Securities and Exchange Commission stating its agreement with the statements made herein is filed as an exhibit to our current report on Form 8-K filed with the Securities and Exchange Commission on May 30, 2002.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT ACCOUNTANTS.

APPROVAL OF AMENDMENT
TO OUR CERTIFICATE OF INCORPORATION
TO INCREASE THE AUTHORIZED NUMBER OF SHARES
OF COMMON STOCK FROM 80,000,000 SHARES TO 100,000,000 SHARES

The Board of Directors has adopted a resolution recommending that the stockholders consider and adopt at the meeting an amendment to Article FOURTH of Alteon's certificate of incorporation. The proposed amendment would increase the number of authorized shares of common stock, \$.01 par value per share, from 80,000,000 to 100,000,000 shares.

For the reasons described below, the Board of Directors believes that the proposed amendment is in the best interests of Alteon and its stockholders. If the amendment is approved, it will become effective upon the filing of a certificate of amendment to the certificate of incorporation with the Secretary of State of Delaware. The text of the proposed amended Article FOURTH is set forth below:

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 101,993,329 shares. The Corporation is authorized to issue two classes of stock designated "Common Stock" and "Preferred Stock," respectively. The total number of shares of Common Stock authorized to be issued by the Corporation is 100,000,000, and each such share of Common Stock shall have a par value of \$.01 per share. The total number of shares of Preferred Stock authorized to be issued by the Corporation is 1,993,329 and each such share shall have a par value of \$.01 per share."

The Board of Directors believes that it is in the best interest of Alteon to increase our authorized common stock in order to meet possible contingencies and opportunities for which the issuance of common stock may be deemed advisable. From time to time we have given, and in the future are likely to give, consideration to the feasibility of obtaining funds for appropriate corporate objectives, such as advancement of our research and drug development programs, through the public or private sale of equity securities. The ability to issue additional shares of common stock in any future capital raising endeavor or expansion transaction, without the costs and delays incident to obtaining stockholder approval at the time of such issuance, is vital to our success in a competitive marketplace.

We have no current plans and have not entered into any arrangements or understandings whereby we would be required to issue any of the additional shares of common stock for which authority is now sought. However, the number of shares of common stock which we are required to issue upon the conversion of our outstanding Series G Preferred Stock and Series H Preferred Stock varies with the market price of the common stock. Therefore, depending on the market price of our common stock, these additional shares may be issued upon the conversion of currently outstanding convertible securities and the exercise of currently outstanding warrants.

Edgar Filing: ALTEON INC /DE - Form DEF 14A

Other purposes for which the additional shares of common stock could be issued include financing transactions, the acquisition of the shares or assets of other corporations, stock splits or dividends, dividend reinvestment programs and employee benefit plans.

As of March 1, 2004, there were 40,472,898 shares of common stock issued and outstanding. We have reserved additional shares of common stock in connection with the conversion of our outstanding preferred stock, the exercise of outstanding warrants and the exercise of options granted under our Amended and Restated 1987 Stock Options Plan and Amended 1995 Stock Option Plan. In the opinion of the Board of

17

Directors, the remaining authorized and unissued shares of common stock are insufficient to meet our capital needs.

The newly authorized shares of common stock, which will be identical to the shares of common stock presently authorized, may be issued for such consideration as shall be authorized from time to time by the Board of Directors, subject to any required regulatory approvals, but without further action by the stockholders unless specifically required by applicable law or rules of the American Stock Exchange or any other exchange or market system on which the common stock is then traded. In connection with any issuance and sale of such shares, the number of shares to be issued and sold and the terms upon which they may be issued and sold will necessarily be determined by conditions existing at the time of such issuance and sale.

Our stockholders do not have preemptive rights to subscribe on a pro rata basis to any future issuance of shares. If Alteon elects to issue additional shares of common stock, stockholders would not have any preferential right to purchase them, and their ownership would therefore be diluted. Although the Board is not aware of any efforts by any person to acquire control of Alteon, the authorized but unissued shares could be used to make it more difficult to effect a change in control, and thereby make it more difficult for stockholders to obtain an acquisition premium for their shares or remove incumbent management. Such shares could be used to create impediments for persons seeking to gain control of Alteon by means of a merger, tender offer, proxy contest, or by other means. For example, substantial dilution of a potential acquiring party could be achieved through private placement of securities with purchasers who might cooperate with the Board of Directors in opposing the potential acquiring party. The amendment is not part of a plan by our Board of Directors to propose a series of new anti-takeover measures, and the Board of Directors does not presently intend to propose additional anti-takeover measures in future proxy solicitations.

In accordance with the Delaware Corporation Act, the proposed amendment to our certificate of incorporation must be approved by the affirmative vote of the holders of at least a majority of the outstanding shares of our common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 80,000,000 TO 100,000,000 SHARES.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission.

Edgar Filing: ALTEON INC /DE - Form DEF 14A

Officers, directors and greater than 10% stockholders are required by the Securities and Exchange Commission regulation to furnish Alteon with copies of all Forms 3, 4 and 5 they file.

Based solely on our review of the copies of such forms we have received and written representations from certain reporting persons that they were not required to file Forms 5 for specified fiscal years, we believe that all of our officers, directors, and greater than 10% beneficial owners complied with all filing requirements applicable to them with respect to transactions during fiscal 2003.

STOCKHOLDERS' PROPOSALS

Stockholders deciding to submit proposals for inclusion in our proxy statement and form of proxy relating to our 2005 annual stockholders' meeting must advise Alteon's Secretary of such proposals in writing by December 22, 2004. In addition, the proxy solicited by the Board of Directors for the 2005 annual stockholders' meeting will confer discretionary authority to vote on any stockholder proposal presented at that meeting of which notice was untimely. In accordance with our bylaws, notice of a proposal will be considered untimely, unless Alteon's Secretary receives written notice of such proposal by March 4, 2005 (but not earlier than February 2, 2005).

18

OTHER MATTERS

The Board of Directors is not aware of any matter to be presented for action at the meeting other than the matters referred to above and does not intend to bring any other matters before the meeting. However, if other matters should properly come before the meeting, it is intended that holders of the proxies will vote thereon in their discretion.

GENERAL

The accompanying proxy is solicited by and on behalf of the Board of Directors of Alteon, whose notice of meeting is attached to this Proxy Statement, and the entire cost of such solicitation will be borne by Alteon.

In addition to the use of the mails, proxies may be solicited by personal interview, telephone and telegram by directors, officers and other employees of Alteon who will not be specially compensated for these services. Alteon has retained the services of American Stock Transfer & Trust Company to assist in the proxy solicitation at a fee estimated to be \$15,000. We will also request that brokers, nominees, custodians and other fiduciaries forward soliciting materials to the beneficial owners of shares held of record by such brokers, nominees, custodians and other fiduciaries. We will reimburse such persons for their reasonable expenses in connection therewith.

Certain information contained in this Proxy Statement relating to the occupations and security holdings of directors and officers of Alteon is based upon information received from the individual directors and officers.

ALTEON HAS FURNISHED, WITHOUT CHARGE, A COPY OF ITS REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2003, INCLUDING FINANCIAL STATEMENTS AND SCHEDULES THERETO BUT NOT INCLUDING EXHIBITS, TO EACH OF ITS STOCKHOLDERS OF RECORD ON APRIL 5, 2004, AND WILL FURNISH TO EACH BENEFICIAL STOCKHOLDER SUCH REPORT UPON WRITTEN REQUEST MADE TO THE SECRETARY OF ALTEON.
