Pursuant to the bylaws of Bancorp, the Board of Directors has fixed March 7, 2007 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Only record holders of the common stock of Bancorp as of the close of business on that date will be entitled to vote at the Annual Meeting, or any adjournments or postponements thereof.

The Board of Directors of Bancorp unanimously recommends that you vote **FOR** the election of the nominees named in the accompanying proxy statement and **FOR** the ratification of the appointment of the independent registered public accounting firm.

Stockholders are encouraged to attend the Annual Meeting in person. **PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 16, 2007**

Solicitation of Proxies

This proxy statement is being furnished to stockholders of Great Southern Bancorp, Inc. ("Bancorp," "we," "us," "our") in connection with the solicitation by our Board of Directors of proxies to vote our common stock, \$.01 par value per share ("Common Stock"), at our Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Hilton Garden Inn, 19677 E. Jackson Drive, Independence, Missouri, on May 16, 2007, at 10:30 a.m., local time, and at any and all adjournments or postponements thereof. The Notice of the Annual Meeting, a proxy card and our Annual Report to Stockholders for the fiscal year ended December 31, 2006 (the "Annual Report") accompany this proxy statement. Certain of the information in this proxy statement relates to Great Southern Bank ("Great Southern" or the "Bank"), a wholly owned subsidiary of Bancorp.

At the Annual Meeting, stockholders are being asked to consider and vote upon (i) the election of three directors of Bancorp and (ii) the ratification of the appointment of BKD, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2007 (the "Independent Auditor Proposal").

Regardless of the number of shares of Common Stock owned, it is important that stockholders be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. **Proxies received pursuant to this solicitation will be voted in accordance with the directions given on the proxy card. Where no instructions are indicated, proxies will be voted OR the specific proposals presented in this proxy statement.**

A proxy may be revoked by a stockholder at any time prior to its exercise by filing written notice of revocation with the Secretary of Bancorp at the above address, by delivering to Bancorp, at any time before the Annual Meeting, a duly executed proxy card bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself have the effect of revoking a properly executed proxy.

The cost of solicitation of proxies and of the Annual Meeting will be borne by Bancorp. In addition to the solicitation of proxies by mail, proxies may also be solicited personally or by telephone by directors, officers and other employees of Bancorp or Great Southern not specifically engaged or compensated for that purpose. Bancorp will also, upon request, reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to beneficial owners of the Common Stock.

The approximate date on which this proxy statement and the accompanying proxy card are first being sent to stockholders is April 13, 2007.

Voting

Bancorp's Board of Directors has fixed March 7, 2007 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, and any and all adjournments or postponements thereof. Only stockholders of record as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The total number of shares of Common Stock outstanding on the Record Date was 13,687,696. These are the only securities of Bancorp entitled to vote at the Annual Meeting.

Each holder of the Common Stock is entitled to cast one vote for each share of Common Stock held on the Record Date on all matters, except that, pursuant to Section D of Article V of Bancorp's charter, any stockholder that beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the "Limit") is not entitled to vote shares in excess of the Limit.

NEXT PAGE

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

In order for any proposals considered at the Annual Meeting to be approved by stockholders, a quorum must be present. The holders of a majority of the shares of the Common Stock entitled to vote, present in person or represented by proxy at the meeting, will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining a quorum. Shares in excess of the Limit, however, will not be considered present for purposes of determining a quorum. Directors will be elected by a plurality of the votes cast. Approval of the Independent Auditor Proposal requires the affirmative vote of a majority of the votes cast on the matter.

With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the election of directors. With regard to the Independent Auditor Proposal, stockholders may vote for or against this proposal or abstain from voting on this proposal. In determining the percentage of shares that have been affirmatively voted on the Independent Auditor Proposal, the affirmative votes will be measured against the aggregate votes for and against the proposal. Thus, abstentions and broker non-votes will have no effect on the Independent Auditor Proposal.

All shares of Common Stock represented at the Annual Meeting by proxies solicited hereunder will be voted in accordance with the specifications made by the stockholders executing the proxies. If a properly executed and unrevoked proxy solicited hereunder does not specify how the shares represented thereby are to be voted, the shares will be voted **FOR** the election as directors of the persons nominated by the Board of Directors and **FOR** the Independent Auditor Proposal, and in accordance with the discretion of the persons appointed proxy for the shares upon any other matters as may properly come before the Annual Meeting.

PROPOSAL I. ELECTION OF DIRECTORS

The number of directors constituting Bancorp's Board of Directors is currently seven. Bancorp's Board is divided into three classes. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders serves for a three-year term. The terms of three of the present directors are expiring at the Annual Meeting.

The directors elected at the Annual Meeting will hold office for a three-year term expiring in 2010 or until their successors are elected and qualified. We expect that the other directors will continue in office for the remainder of their terms. The nominees for director have indicated that they are willing and able to serve as director if elected and have consented to being named as nominees in this proxy statement. If the nominees should for any reason become unavailable for election, it is intended that the proxies will be voted for the substitute nominees as shall be designated by the present Board of Directors, upon the recommendation of the Nominating Committee, unless the proxies direct otherwise.

**DIRECTORS MEETINGS AND COMMITTEES OF

The Board of Directors of Bancorp is authorized to appoint various committees and has formed the Audit Committee, the Compensation Committee, the Stock Option Committee and the Nominating Committee. The Board of Directors has not formed any other committees. The Board of Directors of Bancorp held 12 meetings during fiscal 2006. During fiscal 2006, each of the directors attended 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board on which the director served.

The Audit Committee of Bancorp's Board of Directors is currently comprised of Directors Frazier (Chairman), Barclay, Carlson and Steinert, each of whom is "independent" as independence for audit committee members is defined in the NASD Marketplace Rules. The Board of Directors of Bancorp has determined that Director Steinert is an "audit committee financial expert," as defined in the rules of the Securities and Exchange Commission. The Audit Committee held nine meetings during fiscal 2006.

The Audit Committee operates under a written charter adopted by Bancorp's Board of Directors, a copy of which is available on our website, at www.greatsouthernbank.com, by clicking "Investor Information" and then "Corporate Governance." - ◆ reviewing nominations submitted by stockholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of Bancorp's charter and bylaws. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations;
- ◆ annually recommending to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- ◆ performing any other duties or responsibilities expressly delegated to the Committee by the Board.

Pursuant to Bancorp's bylaws, nominations for directors by stockholders must be made in writing and delivered to the Secretary of Bancorp no earlier than 120 days prior to the meeting date and no later than 90 days prior to the meeting date. Stockholder Communications with Directors

Stockholders may communicate with Bancorp's Board of Directors by writing to: William V. Turner, Chairman of the Board, Great Southern Bancorp, Inc., 1451 E. Battlefield, Springfield, Missouri 65804.

Board Member Attendance at Annual Stockholder Meetings

Although we do not have a formal policy regarding director attendance at annual stockholder meetings, directors are expected to attend these meetings absent extenuating circumstances. Every current director of Bancorp attended last year's annual meeting of stockholders.

Directors' Compensation

Directors of Bancorp receive a monthly fee of \$750, which is the only compensation paid to directors by Bancorp, except for stock options which may be granted in the discretion of the Board of Directors under Bancorp's 2003 Stock Option and Incentive Plan. Directors of Great Southern receive a monthly fee of \$1,750. The directors of Bancorp and the directors of the Bank are the same individuals. As the sole director of Great Southern Financial Corporation, a wholly owned subsidiary of the Bank, William V. Turner, the Chairman of the Board of Directors of Bancorp and Great Southern, receives a monthly fee of \$600 for his service on that board. The directors of Bancorp and its subsidiaries are not paid any fees for committee service and are not reimbursed for their costs incurred in attending Board and committee meetings.

The following table sets forth certain information regarding the compensation earned by or awarded to each director, who is not also a named executive officer, who served on Bancorp's Board of Directors in 2006. Compensation paid to Messrs. W. and J. Turner for their service as directors is reflected in the Summary Compensation Table under the "Salary" Column.

Name	Fees Earned or Paid in Cash (\$)	Option Awards \$(1)	All Other Compensation (\$)	Total (\$)
William E. Barclay	\$30,000	\$9,462(2)	---	\$39,462
Julie Turner Brown	30,000	9,462(2)	---	39,462
Thomas J. Carlson	30,000	9,462(2)	---	39,462
Larry D. Frazier	30,000	9,462(2)	---	39,462
Earl A. Steinert	30,000	7,056(3)	---	37,056

(1) Amounts in the table represent the compensation cost of stock options recognized for 2006 for financial statement reporting purposes pursuant to Statement of Financial Accounting Standards No. 123R, "Share-Based Payment" ("FAS 123R"), and includes the cost attributable to grants made in 2006 and in prior years. The assumptions used in calculating these amounts are set forth in Note 18 of the Notes to Consolidated Financial Statements contained in Bancorp's Annual Report on Form 10-K for the year ended December 31, 2006 filed with the Securities and Exchange Commission. As of December 31, 2006, total shares underlying stock options held by the directors were as follows: Mr. Barclay - 10,000 shares; Ms. Brown - 10,000 shares; Mr. Carlson - 10,000 shares; Mr. Frazier - 7,500 shares; and Mr. Steinert - 7,500 shares.

(2) On August 20, 2003, each non-employee director was granted an option to purchase 10,000 shares (adjusted for the May 2004 two-for-one stock split in the form of a stock dividend) at a cost for FAS 123R purposes of \$4.73 per share.

(3) On March 17, 2004, Director Steinert was granted an option to purchase 10,000 shares (adjusted for the May 2004 two-for-one stock split in the form of a stock dividend) at a cost for FAS 123R purposes of \$3.53 per share.

Indebtedness of Management and Transactions with Certain Related Persons

The charter of the Audit Committee of Bancorp's Board of Directors provides that the Audit Committee is to review and approve all related party transactions (defined as transactions requiring disclosure under Item 404 of Securities and Exchange Commission Regulation S-K) on a regular basis.

Great Southern, like many financial institutions, has from time to time extended loans to its officers, directors and employees, generally for the financing of their personal residences, at favorable interest rates. Generally, residential first mortgage loans and home equity lines of credit have been granted at interest rates equal to Great Southern's cost of funds. Residential first mortgage loans are subject to annual adjustments while home equity lines of credit are subject to monthly adjustments. Other than the interest rate, these loans have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features. All loans by Great Southern to its directors and executive officers are subject to regulations restricting loans and other transactions with affiliated persons of Great Southern. Great Southern may also grant loans to officers, directors and employees, their related interests and their immediate family members in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons which, in the opinion of management, do not involve more than the normal risk of collectibility or present other unfavorable features.

No directors, executive officers or their affiliates, had aggregate indebtedness to Great Southern on below market rate loans exceeding \$120,000 at any time since January 1, 2006 except as noted below.

For 2006, Mrs. Turner was paid \$13,333. In addition, a term life insurance premium of \$85 was paid on her behalf and she received an employer 401(k) matching contribution of \$533.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of our compensation programs, the material compensation policy decisions we have made under those programs, and the material factors that we considered in making those decisions. Following this section, you will find a series of tables containing specific information about compensation paid or payable to the following individuals, whom we refer to as our "named executive officers":

- ◆ William V. Turner, Chairman of the Board of Directors of Bancorp and Great Southern;
- ◆ Joseph W. Turner, President and Chief Executive Officer of Bancorp and Great Southern;
- ◆ Rex A. Copeland, Treasurer of Bancorp and Senior Vice President and Chief Financial Officer of Great Southern;
- ◆ Steven G. Mitchem, Senior Vice President and Chief Lending Officer of Great Southern; and

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

- ◆ Gary D. Lewis, former Vice President - Director of Commercial Lending of Great Southern. Mr. Lewis resigned from Great Southern in February 2007.

The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Compensation Philosophy and Objectives

The Compensation Committee (the "Committee") of Bancorp's Board of Directors, which consists solely of independent directors, administers our compensation and benefit programs and determines the compensation of our senior management. The Committee is responsible for setting and administering the policies which govern executive compensation. The Committee has focused its evaluation of executive compensation on operating performance and the creation of stockholder value, with the intent of meeting the following objectives:

- ◆ maintain the financial strength, safety and soundness of Bancorp and Great Southern;
- ◆ reward and retain key personnel by compensating them at the middle to upper levels of compensation for comparable financial institutions;
- ◆ focus management on long term goals through long-term incentives;
- ◆ contain fixed costs by de-emphasizing fixed pay while emphasizing variable pay based on performance;
- ◆ provide fair, reasonable and competitive base salaries;
- ◆ provide the opportunity to earn additional compensation if Bancorp's stockholders experience long-term increases in the value of Bancorp stock; and
- ◆ emphasize long-term stock ownership of Bancorp stock by executive officers.

While the primary components of our compensation program are base salary, annual incentive bonus and long-term incentives in the form of stock options, the Committee also takes into account the full compensation package provided to the individual, including pension benefits, termination agreements, insurance, perquisites and other benefits. In structuring Mr. J. Turner's pay for 2006, the Committee reviewed several surveys of compensation paid to the chief executive officers of groups of publicly held financial institutions comparable to us in size and performance based in Missouri and throughout the Midwest.

Base Salaries

We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. We do so in order to attract and retain an appropriate caliber of talent for the position, and to provide a base wage that is not subject to our performance risk. Our base salary levels reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, our overall annual strategic plan for salary increases, the executive's individual performance, and changes in responsibility. We review salary levels annually to recognize these factors. We do not target base salary at any particular percentage of total compensation.

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp. These agreements provide that the annual base salaries payable to Messrs. W. and J. Turner may be reduced only as part of an overall program, implemented prior to a change in control, applied uniformly and equitably to all members of our senior management. Since 2005, in recognition of the increased responsibilities assumed by Mr. J. Turner and at Mr. W. Turner's suggestion, Mr. W. Turner's base annual salary has remained at \$200,000 and he has waived his right to receive the annual cash bonus provided for under his employment agreement (discussed below under "-Bonuses"). Mr. J. Turner's base annual salary was increased from \$215,000 to \$220,000 for 2006, and to \$228,000 for 2007. Since 2005, Mr. J. Turner has also received a higher bonus percentage than that provided for under his employment agreement (discussed below under "-Bonuses"). In setting the base salaries of the other executive officers, the Committee takes into account the responsibilities of the position and the experience level of the individual executive, as well as our financial performance. The evaluation of individual performance is an inherently subjective process.

Bonuses

Under their employment agreements, Messrs. W. and J. Turner are entitled to receive annual cash bonuses equal to one-half of one percent of Bancorp's pre-tax earnings. As discussed above, since 2005, Mr. W. Turner has

waived his right to this bonus, and Mr. J. Turner has received an annual bonus equal to three-quarters of one percent of Bancorp's pre-tax earnings. Consequently, for 2006, Mr. W. Turner received no bonus and Mr. J. Turner received a bonus of \$334,519.

For 2006, each of the executive officers other than Messrs. W. and J. Turner was eligible for a cash bonus under the Annual Incentive Bonus Plan of up to 15% of base annual salary, with up to one-half of this bonus based on the achievement of targeted growth in earnings per share and up to one-half of this bonus based on individual performance. The maximum targeted growth in earnings per share for 2006 was achieved, so the full amount of the company performance portion of the bonus was paid to the executive officers. Each executive officer also received an amount based on his individual performance during 2006. Bonuses paid for 2006 to the named executive officers are set forth in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column. For 2007, each executive officer other than Messrs. W. and J. Turner will again be eligible for a cash bonus under the Annual Incentive Bonus Plan of up to 15% of base annual salary, with up to one-half of this possible bonus payable if Bancorp achieves targeted growth in earnings per share and up to one-half of this possible bonus payable based on individual performance.

Stock Options

Stock options are an integral part of our executive compensation program. They are intended to encourage ownership and retention of Bancorp's stock by key employees as well as non-employee members of the Board of Directors. Through stock options, the objective of aligning key employees' long-term interests with those of stockholders may be met by providing key employees with the opportunity to build, through the achievement of corporate goals, a meaningful stake in Bancorp. In fiscal 2003, Bancorp's stockholders approved the 2003 Stock Option and Incentive Plan. Upon approval of the 2003 plan by stockholders, Bancorp's Board of Directors froze the 1997 Stock Option and Incentive Plan, which means that no new grants of awards will be made under that plan, but outstanding awards under the plan were not affected. The Stock Option Committee, consisting of Directors Frazier, Barclay, Carlson and Steinert, considers additional options each year as needed to attract and retain employees. These grants typically are made late in the third quarter or early in the fourth quarter of each year, though the Stock Option Committee retains discretion to grant options at any time during the year. Our senior management group provides recommendations to the Committee for option grants for rank and file employees. Mr. J. Turner provides recommendations to the Committee for grants to members of the senior management group other than himself. All options granted by the Committee are subject to ratification by the Board of Directors, which typically occurs on the same day as the Committee approval. We do not coordinate the timing of stock option grants with the release of material non-public information.

As required by plan, stock options have an exercise price that is equal to no less than the market value of Bancorp's common stock on the date of grant, which is the date on which the Board of Directors ratifies the approval of the grant by the Stock Option Committee. To provide an incentive for a sustained increase in the value of our common stock, stock options granted to employees typically do not begin vesting until the second anniversary of the grant date, with 25% of the option vesting on that second anniversary date and 25% vesting on each anniversary date thereafter through the fifth anniversary date.

Retirement and Other Benefits

We participate in a multi-employer defined benefit pension plan covering all employees who have met minimum service requirements. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan will continue to accrue benefits. For information regarding benefits payable under this plan to the named executive officers, see "Pension Benefits."

We have a defined contribution retirement plan covering substantially all of our employees. During 2006, we matched 100% of the employee's contribution on the first 3% of the employee's compensation, and also matched 50% of the employee's contribution on the next 2% of the employee's compensation. Effective January 1, 2007, we match 100% of the employee's contribution on the first 4% of the employee's compensation, and also match 50% of the employee's contribution on the next 2% of the employee's compensation. Our matching contributions for 2006 under this plan to the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column.

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

In July 1984, Great Southern purchased a key man insurance policy on the life of Mr. W. Turner. Great Southern is the owner of, and beneficiary under, this policy, which currently has a cash surrender value of approximately \$345,000 and death benefit of approximately \$466,000. Recognizing the benefits Great Southern received and would continue to receive from the earnings under the policy and the increase in its cash surrender value, in September 1997 (at the time of Mr. W. Turner's attainment of age 65, Great Southern's general retirement age), Great Southern's Board of Directors agreed to pay Mr. W. Turner monthly cash amounts totaling \$25,000 per year, for ten years. The last of these payments is scheduled to be made in August 2007.

In addition to the term life insurance coverage maintained for nearly all employees (providing a maximum death benefit of \$60,000), Great Southern maintains supplemental life insurance coverage for all personnel with an "officer" designation, which provides a death benefit ranging from \$75,000 to \$150,000, depending on the officer's salary. Each named executive officer has the maximum coverage (\$150,000) under the supplemental life insurance benefit, and each named executive officer other than Mr. W. Turner (who does not have a term life insurance benefit) has the maximum coverage (\$60,000) under the term life insurance benefit. Premiums paid on behalf of the named executive officers are reflected in the Summary Compensation Table under the "All Other Compensation" column. As part of its health insurance coverage, Great Southern also provides long-term disability coverage to all employees generally. Each of the named executive officers other than Mr. W. Turner (who does not participate in Great Southern's health insurance plan) is entitled to the maximum long-term disability benefit of \$5,000 per month.

Perquisites and Other Personal Benefits

We provide the named executive officers with perquisites and other personal benefits that we and the Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers. The incremental costs to us of providing these perquisites and other personal benefits for 2006 to the named executive officers for the fiscal year ended December 31, 2006, are included in the Summary Compensation Table under the "All Other Compensation" column.

Payments Upon Termination or Change in Control

Each of Messrs. W. and J. Turner has an employment agreement with Bancorp that provides for certain payments and benefits if their employment is terminated under certain scenarios, including, but not limited to, within the 12 months preceding, at the time of or within 24 months after a change in control. See "Employment Agreements." These employment agreements thus requires a "double trigger" in order for any payments or benefits under the agreements to be provided to Messrs. W. or J. Turner in connection with or following a change in control - in other words, both a change in control and an involuntary termination of employment (which includes a voluntary termination by the executive following a material reduction in his or her duties, responsibilities or benefits) must occur. The purpose of providing the change in control payments and benefits is to attract and retain top level executives of the highest caliber and mitigate the risk to these executives that their employment will be involuntarily terminated in the event we are acquired. At the same time, the mere sale of our company will not automatically trigger a payout, as our intention is to induce the executive to remain employed following a change in control so long as the acquiring company so desires without a material reduction in the executive's duties, responsibilities or benefits. Each of the employment agreements with Messrs. W. and J. Turner contains a tax gross up provision which provides generally that if the executive receives payments or benefits in connection with a change in control, then to the extent such payments or benefits constitute "excess parachute payments" under Section 280G of the Internal Revenue Code, he or she generally will be paid an additional amount (referred to as a "gross up payment") that will offset, on an after tax basis, the effect of any excise tax consequently imposed on him or her under Section 4999 of the Internal Revenue Code. See "Tax Gross Up Agreements." The effects of Section 4999 generally are unpredictable and can have widely divergent and unexpected effects based on an executive's personal compensation history. Therefore, to provide an equal level of benefit without regard to the effects of the excise tax, we determined that Section 4999 gross up payments are appropriate for Messrs. W. and J. Turner.

We do not have employment or severance agreements with any of our other named executive officers. To mitigate the risk of loss of benefits to these officers if a change in control occurs, their unvested stock options (like the unvested stock options of all other employees) will vest in full upon a change in control.

Other Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code generally eliminates the deductibility of compensation over \$1 million paid to certain highly compensated executive officers of publicly held corporations, excluding certain qualified performance-based compensation. The Committee has reviewed and will continue to review on an ongoing basis our executive compensation programs, and propose appropriate modifications to these programs, if the Committee deems them necessary, with a view toward implementing our compensation programs in a manner that avoids or minimizes any disallowance of tax deductions under Section 162(m). The Committee will balance these considerations against the need to be able to compensate executives in a manner commensurate with performance and the competitive environment for executive talent. Stock options, which are the only form of equity-based award currently provided to executive officers, automatically constitute qualified performance-based compensation, provided that certain plan content and grant procedure requirements are met. In addition, the employment agreements with Messrs. W. and J. Turner provide for mandatory deferral of compensation if necessary to ensure the tax deductibility by us. See "Employment Agreements."

With our adoption, effective January 1, 2006, of FAS 123R, which requires the recognition of compensation expense for stock options, we do not expect the accounting treatment of differing forms of equity awards to vary significantly. Accordingly, accounting treatment is not expected to have a material effect on the selection of forms of equity compensation in the foreseeable future.

Role of Executive Officers in Determining Compensation

Our Chief Executive Officer, Mr. J. Turner, recommends to the Committee base salary, target bonus levels, actual bonus payments and stock option grants for executive officers (other than himself). Mr. J. Turner is not involved with any aspect of determining his own compensation.

Option Exercises and Stock Vested

The following table sets forth information about stock options exercised during the year ended December 31, 2006 by each named executive officer:

<u>Option Awards</u>		
Name	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)(1)
William V. Turner	15,000	\$200,442

Rex A. Copeland	0	\$ ---
Steven G. Mitchem	0	\$ ---

Pension Benefits

Great Southern participates in the Pentegra Financial Institutions Retirement Fund, a multi-employer comprehensive defined benefit pension plan. Effective July 1, 2006, this plan was closed to new participants. Employees already in the plan as of that date generally will continue to accrue benefits. Mr. W. Turner is no longer accruing additional benefits under the plan. A participant becomes fully vested after five years of service. The annual benefit for normal retirement (after attaining age 65) is calculated as follows:

$$(2\% \times \# \text{ yrs. svc. prior to } 07/01/06) + (1\% \times \# \text{ yrs. svc. after } 07/01/06) \times \text{"high-five average salary"} = \text{annual benefit}$$

The "high-five average salary" refers to the participant's average annual salary for the five consecutive years of highest salary, provided that any increase in salary after July 1, 2006 will not be taken into account. A participant retiring with 28 years of service prior to July 1, 2006 and 2 years of service after July 1, 2006 and a high-five average salary of \$150,000 would receive an annual benefit of \$87,000 ((2% x 28) + (1% x 2) x \$150,000).

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

A participant becomes eligible for early retirement at age 45, in which case the benefit otherwise payable beginning at age 65 is reduced by applying an early retirement factor based on his or her age when payments begin. The factor is determined by subtracting the following from 100%: 6% for each year between age 60 and 65, 4% for each year between age 55 and 60 and 3% for each year between age 45 and 55. If payments were to begin at age 55, the early retirement factor would be 50%. A participant taking early retirement at age 55 with 18 years of service prior to July 1, 2006 and 2 years of service after July 1, 2006 and a high-five average salary of \$100,000 would receive an

annual benefit of \$19,000 $((2\% \times 18) + (1\% \times 2) \times \$100,000 \times 50\%)$. Mr. Mitchem is the only named executive officer currently eligible for early retirement under the pension plan.

The regular form of retirement benefit (whether normal or early) is guaranteed for the life of the participant, but not less than 120 monthly installments. If a retired participant dies before receiving 120 monthly installments, his or her beneficiary would be entitled to the present value of the unpaid installments in a lump sum (or in installments, at the election of the participant or his or her beneficiary). If a participant dies in active service after having become vested, his or her beneficiary is entitled to a lump sum death benefit equal to the present value of 120 monthly retirement benefit installments which would have been payable had the participant's retirement benefits commenced on the first day of the month after the month in which he or she died. Either the participant or his or her beneficiary may elect to have the active service death benefit paid in installments over a period of up to ten years or as a lifetime annuity.

The annual benefit under the pension plan is subject to Internal Revenue Service limits (generally \$175,000 for 2006).

The following table sets forth information regarding benefits payable to the named executive officers under the pension plan.

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)
William V. Turner	Pentegra Retirement Fund	24	\$1,156,000	\$111,586
Joseph W. Turner	Pentegra Retirement Fund	14	104,000	---
Rex A. Copeland	Pentegra Retirement Fund	6	29,000	---
Steven G. Mitchem	Pentegra Retirement Fund	16	200,000	---
Gary D. Lewis	Pentegra Retirement Fund	5	15,000	---

The information contained in the table above was provided to us by Pentegra Retirement Services. The amounts shown for the present value of accumulated benefit were calculated by Pentegra Retirement Services assuming an age 65 retirement date, a discount rate of 7.75% and the 1994 Group Annuity Mortality table projected five years for post-retirement mortality.

Employment Agreements

Effective October 1, 2002, Messrs. W. and J. Turner (the "Employees") entered into new employment agreements with Bancorp (the "Employment Agreements"). Each Employment Agreement is for a five-year term and provides for an extension of one year, in addition to the then-remaining term under the agreement, on each October 1st, as long as (1) Bancorp has not notified the Employee at least 90 days in advance that the term will not be extended further and (2) the Employee has not received an unsatisfactory performance review by the Board of Directors of Bancorp or Great Southern. Pursuant to the most recent extensions, the term of each Employment Agreement ends September 30, 2011. The Employment Agreements provide for annual base salaries as determined from time to time by the Compensation Committee of the Board of Directors, subject to reduction only as part of an overall program, implemented prior to a change in control (as defined in the Employment Agreements), applied uniformly and equitably to all members of senior management. The Employment Agreements also provide for participation in benefit plans and the receipt of fringe benefits to the same extent as the other executive officers of Bancorp and Great Southern and equitable participation in any performance-based and discretionary bonuses awarded to the executive officers of Bancorp and Great Southern. In addition, each Employee is entitled to an annual bonus equal to one-half of one percent of Bancorp's pre-tax earnings for the year; for every year since 2005, Mr. W. Turner has waived his right to receive this bonus and, as a result, Mr. J. Turner has been entitled to a bonus under this provision equal to

three-quarters of one percent of Bancorp's pre-tax earnings for the year. See "Compensation Discussion and Analysis-Bonuses."

Each Employment Agreement provides that if the Employee's employment is involuntarily terminated, then during the remaining term of the agreement he will be entitled to receive (1) on a monthly basis, 1/12th of his annual salary and 1/12th of the average annual amount of cash bonus and cash incentive compensation for the two full fiscal years preceding the date of termination, subject to reduction by the amount of the Employee's earned income during the applicable payout period; (2) substantially the same life and disability insurance coverage and health and dental benefits as he and his dependents and beneficiaries would have received if he had remained employed, subject to reduction to the extent he receives equivalent or better benefits from another employer (the "Post-Employment Group Health, Life and Disability Insurance Benefits"); and (3) if the involuntary termination occurs within the 12 months preceding, at the time of, or within 24 months after a change in control of Bancorp, a lump sum amount in cash equal to 299% of the Employee's "base amount" (as defined in Section 280G of the Internal Revenue Code).

The term "involuntary termination" is defined as termination of the Employee's employment by Bancorp or Great Southern (other than for cause, or due to death, disability or specified violations of law) without the Employee's consent or by the Employee following a material reduction of or interference with his duties, responsibilities or benefits without his consent. Each Employment Agreement provides that to the extent the Employee receives any amounts or benefits, whether under the Employment Agreement or otherwise, that will constitute "excess parachute payments" under Section 280G of the Internal Revenue Code and subject him to excise tax under Section 4999 of the Internal Revenue Code, he will be paid an additional amount that will offset the effect of any such excise tax.

Each Employment Agreement also provides that if the Employee dies while employed under the Employment Agreement, his estate or designated beneficiary will receive (1) the salary the Employee would have earned if he had remained employed through the 180th day after the date of his death; (2) the amounts of any benefits or awards which were earned with respect to the fiscal year in which the Employee died and the amount of any bonus or incentive compensation for that fiscal year, pro-rated in accordance with the portion of the fiscal year elapsed prior to his death; and (3) any unpaid deferred amounts described in the next paragraph.

Each Employment Agreement provides that to the extent the Employee's total compensation for any taxable year exceeds the greater of \$1,000,000 or the maximum amount of compensation deductible by the Company under Section 162(m) of the Internal Revenue Code (the greater of these two amounts referred to below as the "maximum allowable amount"), the excess amount must be deferred, with interest (at an annual rate equal to the Federal short-term rate under Section 1274(d)(1) of the Internal Revenue Code, determined as of the last day of the calendar year in which the Employee's compensation is first not deductible under Section 162(m) of the Internal Revenue Code) compounded annually, to a taxable year in which the amount to be paid to the Employee in that year (including deferred amounts and interest) does not exceed the maximum allowable amount.

Potential Payments Upon Termination of Employment

Messrs. W. and J. Turner. The following tables summarize the approximate value of the termination payments and benefits that Messrs. W. and J. Turner would have received if their employment had been terminated on December 29, 2006 under the circumstances shown. The tables exclude (i) amounts accrued through December 29, 2006 that would be paid in the normal course of continued employment, such as accrued but unpaid salary and bonus amounts, (ii) vested account balances under Great Southern's 401(k) plan and (iii) vested account balances under our defined benefit pension plan, as described under "Pension Benefits."

- (1) Represents the total salary and bonus continuation payments payable monthly to Mr. W. Turner under his employment agreement, as described under "Employment Agreements," for the remaining term of the agreement (i.e., through September 30, 2011, assuming Mr. W. Turner's employment were "involuntarily terminated" (as defined under "Employment Agreements") on December 29, 2006). The monthly payment amount would be \$25,056. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the present value of total payments shown in the table assumes no such reduction.
- (2) Although Mr. W. Turner's employment agreement provides that if his employment is involuntarily terminated, he will continue to receive through the remaining term of the agreement (i.e., through September 30, 2011, assuming an involuntary termination on December 29, 2006), at the same premium cost to him, substantially the same life and disability insurance coverage and health and dental benefits as he would have received had he remained employed, Mr. Turner was not receiving any such benefits on December 29, 2006. Consequently, no such benefits would be provided to him following termination of his employment.
- (3) Represents the value of acceleration of unvested stock options, based on the closing price of Bancorp's common stock on December 29, 2006 (\$29.51) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. W. Turner's employment is "involuntarily terminated."

- (4) Represents the lump sum amount payable to Mr. W. Turner under his employment agreement in the event his employment is "involuntarily terminated" within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under "Employment Agreements."
 (5) Represents tax gross up payment payable to Mr. W. Turner under his employment agreement.
 (6) Represents the amount of Mr. W. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. W. Turner's estate or designated beneficiary in accordance with his employment agreement.
 (7) Represents the death benefit payable under the supplemental life insurance policy maintained for Mr. W. Turner and other officers.

- (1) Represents the total salary and bonus continuation payments payable monthly to Mr. J. Turner's employment were "involuntarily terminated" (as defined under "Employment Agreements") on December 29, 2006). The monthly payment amount would be \$38,805. While the employment agreement provides for a reduction in the monthly payment amount to the extent of any income earned from providing services to another company during the payout period, the monthly payment amount in the preceding sentence and the present value of total payments shown in the table assumes no such reduction.

Edgar Filing: GREAT SOUTHERN BANCORP INC - Form DEF 14A

- (2) Represents the approximate cost to Bancorp of providing the "Post-Employment Group Health, Life and Disability Insurance Benefits," described under "Employment Agreements," to which Mr. J. Turner would be entitled for the remaining term of his employment agreement (i.e., through September 30, 2011, assuming Mr. J. Turner's employment were terminated on December 29, 2006). Amount shown represents the aggregate share of the premium payments to be made by Bancorp, based on the monthly premium rates in effect on December 29, 2006. While the employment agreement provides for a reduction in these benefits to the extent Mr. J. Turner receives such

benefits, on no less favorable terms, from another employer during the benefits continuation period, the amount shown in the table assumes no such reduction in benefits.

- (3) Represents the value of acceleration of invested stock options, based on the closing price of Bancorp's common stock on December 29, 2006 (\$29.51) and the exercise prices of the options. All unvested options vest upon a change in control, regardless of whether Mr. J. Turner's employment is "involuntarily terminated."
- (4) Represents the lump sum amount payable to Mr. J. Turner under his employment agreement in the event his employment is "involuntarily terminated" within the 12 months preceding, at the time of or within 24 months after a change in control of Bancorp, as described under "Employment Agreements."
- (5) Represents tax gross up payment payable to Mr. J. Turner under his employment agreement.
- (6) Represents the amount of Mr. J. Turner's salary that he would have earned had he remained employed by Bancorp through the 180th day after the date of death, payable to Mr. J. Turner's estate or designated beneficiary in accordance with his employment agreement.
- (7) Represents the aggregate death benefits payable under the supplemental life insurance coverage maintained for Mr. J. Turner and other officers (\$150,000) and the term life insurance coverage maintained for all employees generally (\$60,000).

Messrs. Copeland, Mitchem and Lewis. Neither Mr. Copeland nor Mr. Mitchem has and, prior to his termination of employment in February 2007, Mr. Lewis did not have, an employment or severance agreement with Bancorp or any of its subsidiaries. Each of Messrs. Copeland, Mitchem and Lewis held unvested stock options as of December 29, 2006, the vesting of which accelerates upon a change in control of Bancorp. If a change in control of Bancorp had occurred on December 29, 2006, the aggregate value that would have been realized by Messrs. Copeland, Mitchem and Lewis as a result of the accelerated vesting of these options (based on the closing price of Bancorp's common stock on December 29, 2006 (\$29.51) and the exercise prices of the options) was \$49,849, \$49,849 and \$13,636, respectively. Mr. Lewis forfeited his unvested options upon the termination of his employment. Great Southern maintains supplemental life insurance for Messrs. Copeland and Mitchem, along with other officers, and also maintained this coverage for Mr. Lewis prior to the termination of his employment. If Messrs. Copeland, Mitchem and Lewis were to have died on December 29, 2006, the death benefit payable for each officer under the supplemental life insurance coverage would have been \$150,000. This is in addition to the term life insurance benefit generally available to all employees (which would have provided a death benefit of \$60,000 for each of Messrs. Copeland, Mitchem and Lewis).

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BKD, LLP AS BANCORP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2007.

Under Rule 13d-3 of the Exchange Act, share amounts shown for Bancorp's officers and directors include shares that they may acquire upon the exercise of options that are exercisable at the Record Date or will become exercisable within 60 days after that date. Due to the rules for determining beneficial ownership, the same securities may be attributed as being beneficially owned by more than one person. STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at Bancorp's next annual meeting must be received by the Secretary of Bancorp at the executive office of Bancorp, located at 1451 E. Battlefield Springfield, Missouri 65804, no later than December 15, 2007 to be eligible for inclusion in Bancorp's proxy statement and proxy card relating to the next annual meeting. Any such proposal will be subject to the requirements of the proxy rules adopted under the Exchange Act and, as with any stockholder proposal (regardless of whether included in Bancorp's proxy materials), Bancorp's charter and bylaws and applicable state law.

To be considered for presentation at the next annual meeting, but not for inclusion in Bancorp's proxy statement and proxy card for that meeting, proposals must be received at the executive office of Bancorp no later than February 16, 2008, and no earlier than January 17, 2008. If, however, the date of the next annual meeting is before April 26, 2008 or after July 15, 2008, proposals must instead be received by Bancorp by the later of the 90th day before the date of the next annual meeting or the tenth day following the day on which notice of the date of the next annual meeting is mailed or public announcement of the date of the next annual meeting is first made, and no earlier than the 120th day prior to the date of the next annual meeting. If a stockholder proposal that is received by Bancorp after the applicable deadline is voted on at the next annual meeting, the holders of the proxies for that meeting will have the discretion to vote on the proposal in accordance with their best judgment and discretion, without any discussion of the proposal in Bancorp's proxy statement for the next annual meeting.

OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than the proposals discussed in this proxy statement. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the holders of the proxies to vote the shares represented thereby on such matters in accordance with their best judgment.

The cost of solicitation of proxies will be borne by Bancorp. Bancorp will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Common Stock. In addition to solicitation by mail, directors, officers and other employees of Bancorp and/or Great Southern may solicit proxies personally or by telephone without additional compensation.
