(the "Corporation") solicits the enclosed proxy for use at the Annual Meeting of Stockholders of First Community Bancshares, Inc., which will be held on Tuesday, April 16, 2002 at 3:00 p.m. local time at Fincastle Country Club, Bluefield, Virginia, and at any adjournment thereof.

The expenses of the solicitation of the proxies for the meeting, including the cost of preparing, assembling and mailing the notice, proxy statement and return envelopes, the handling and tabulation of proxies received, and charges of brokerage houses and other institutions, nominees or fiduciaries for forwarding such documents to beneficial owners, will be paid by the Corporation. In addition to the mailing of the proxy material, solicitation may be made in person, by telephone or by other means by officers, directors or regular employees of the Corporation.

This Proxy Statement and the proxies solicited hereby are being first sent or delivered to stockholders of the Corporation on or about March 9, 2002.

VOTING

Shares of Common Stock (par value \$1 per share) represented by proxies in the accompanying form, which are properly executed and returned to the Corporation, will be voted at the Annual Meeting in accordance with the stockholder's instructions contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election

of the nominees as described herein under "Election of Directors," and for ratification of the selection of Ernst & Young LLP as independent public auditors for the year ended December 31, 2002. Any stockholder has the power to revoke his proxy at any time before it is voted.

The Board of Directors has fixed March 5, 2002 as the record date for stockholders entitled to notice of and to vote at the Annual Meeting. There are no cumulative voting rights.

Directors are elected by a plurality of votes present in person or by proxy and entitled to vote, assuming a quorum is present. The amendment to the Articles of Incorporation requires a favorable two-thirds vote of all those present in person or by proxy and entitled to vote. All other matters coming before the meeting will be determined by majority vote of those present in person or by proxy and entitled to vote. Abstentions and broker non-votes for shares represented at the meeting thus have no direct effect on the election of directors but have the effect of negative votes on other matters to be considered.

REPORT ON EXECUTIVE COMPENSATION

The Board of Directors maintains a Compensation Committee (the "Committee") whose role is the establishment and management of employment terms and the form and levels of compensation paid to the President and Chief Executive Officer ("CEO"). The CEO manages compensation of other executive officers named in the Compensation Table.

It is the responsibility of the Compensation Committee to develop proposed contractual terms of employment and establish a framework for a competitive compensation package for the CEO that adequately rewards performance and provides incentives for retention. In carrying out its responsibilities, the Compensation Committee considers: i) the need to retain competent and effective management personnel; ii) competitive terms and levels of compensation relative to other companies of comparable size and operation within the commercial banking industry; iii) past performance of the CEO as measured against predetermined goals and objectives; iv) comparative performance of the CEO as benchmarked against peer groups of comparable commercial banks; and v) the achievement of overall corporate goals.

The Committee establishes current compensation based primarily on review of competitive salary practices by similarly sized banking organizations locally and nationally giving appropriate weight to regional differences in cost of living and contrasting relative performance of the Company and the designated peer group. In performing this analysis, the Committee utilized the Sheshunoff Executive Compensation Survey as well as compensation data from other specifically identified banking peers.

In 2000, with a change in senior management, the Committee reviewed the employment contract of the CEO. Based on that review and upon the Committee's recommendation to the Board of Directors, a new employment contract ("contract") was adopted for the CEO. The new three-year contract contains similar terms of employment and provides for salary continuation for a period of 35 months in the event of termination within three years of a change in control of ownership. The contract also provides for salary continuation for a period of 30 months in the event of termination without cause, absent a change in control of ownership.

The Committee recommended to the Board of Directors a two-tiered incentive compensation strategy for the CEO based upon the Company meeting specific financial benchmarks and an additional discretionary incentive based upon both the financial and non-financial performance of the Company.

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, unless First Community Bancshares, Inc. specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee is composed of independent directors, and acts under a written charter adopted and approved by the Board of Directors. Each of the members of the Audit Committee is independent as defined by Corporation policy and by the listing standards of the National Association of Securities Dealers. A copy of the Audit Committee Charter is attached to this proxy statement as Appendix A.

The responsibilities of the Audit Committee include recommending to the Board an accounting firm to be engaged as the Corporation's independent auditors. Additionally, and as appropriate, the Audit Committee reviews, evaluates, discusses, and consults with management, internal audit personnel and the independent auditors regarding the following:

- the plan for, and independent auditors' report on, each audit of the Corporation's financial statements
- the Corporation's financial disclosure documents, including all financial statements and reports sent to shareholders
- changes in the Corporation's accounting practices, principles, controls or methodologies, or in its financial statements
- significant developments in accounting rules
- the adequacy of the Corporation's internal accounting controls, and accounting, financial and auditing personnel
- the establishment and maintenance of an environment at the Corporation that promotes ethical behavior

The Audit Committee Charter incorporates standards set forth in Securities and Exchange Commission regulations and the listing standards of the National Association of Securities Dealers. After appropriate review and discussion, the Audit Committee determined that the Committee fulfilled its responsibilities under the Audit Committee Charter in 2001.

The Audit Committee is responsible for recommending to the Board that the Corporation's financial statements be included in its annual report. The Committee took a number of steps in making this recommendation and held seven meetings during fiscal year 2001. First, the Audit Committee discussed with its independent public auditors those matters the accountant communicated to and discussed with the Audit Committee under applicable auditing standards, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed the accountant's independence with that firm and received a letter from the accountant concerning independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure informed the Audit Committee of the auditors' independence, and assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with the Corporation management and the accounting firm, the Corporation's audited consolidated balance sheet at December 31, 2001 and consolidated statement of income, cash flows and stockholders' equity for the year then ended. Based on discussions with the

Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form PRE 14A

auditors concerning the audit, the independence discussions, and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board (and the Board approved) that these financial statements be included in the Corporation's 2001 Annual Report on Form 10-K filed with the Securities and Exchange Commission.

STOCK OPTIONS

In 1999, the Company instituted a Stock Option Plan to encourage and facilitate investment in the common stock of the Company by key executives and to assist in the long-term retention of service by those executives. The Plan covers key executives as determined by the Company's Board of Directors from time to time. Options under the Plan were granted in the form of non-statutory stock options with the aggregate number of shares of common stock available for grant under the Plan (adjusted for the 10% stock dividend declared on February 19, 2002) set at 302,500 shares. Total options currently available under the Plan at December 31, 2001 represent the rights to acquire 289,502 shares with deemed grant dates of January 1st for each year 1999 through 2003. All stock options granted pursuant to the Plan vest ratably on the first through the seventh anniversary dates of the deemed grant date. The option price of each stock option is equal to the fair market value of the Company's common stock on the date of each deemed grant during the five-year grant period. Vested stock options granted pursuant to the Plan are exercisable for a period of five years after the date of the grantee's retirement (provided retirement occurs at or after age 62), disability, or death. If employment is terminated other than by retirement at or after age 62, disability, or death, vested options must be exercised within 90 days after the effective date of termination. Any option not exercised within such period will be deemed cancelled.

In the event of a change of control or upon dissolution of the corporation, the stock options granted under the Plan continue to vest and are exercisable in accordance with the terms of the original grant. Change of control provisions further provide that any optionee who is terminated without cause by the corporation, its successor or affiliate during the 12 months preceding, or at any time following a change of control, and any participant who remains employed by the corporation or any affiliate during the 90-day period following a change of control and thereafter resigns, shall continue to receive grants on the deemed grant dates and vest as if the optionee continued to be employed, and optionee, or his estate, shall be entitled to exercise such options within five years after death or attainment of age 62, whichever first occurs.

- (2) Options expire 5 years after the executive's retirement date, death or disability. In the event of termination other than retirement, death or disability, options must be exercised within 90 days of effective date of termination. If not exercised within that period, options are deemed cancelled. For purposes of this table, retirement age is assumed to be age 62.
- (3) The grant date present value of options was determined using the Black-Scholes model with the following assumptions: risk-free interest rate of 5.15%, dividend yield of 3.40%, expected volatility of the market price of the Company's common stock of 31.2%, and average anticipated time to exercise of 15.6 years.
- (4) All shares and per share data have been adjusted to reflect the 10% stock dividend declared on February 19, 2002.

11

Also, during the fourth quarter of 2001, the Company granted stock options to non-employee directors. The Director Option Plan was implemented to facilitate and encourage investment in the common stock of the Company by non-employee directors whose efforts are expected to contribute to the Company's future growth and continued success. The options granted pursuant to the Plan are exercisable no later than ten years from the date of grant or two years after the optionee ceases to serve as a director of the Corporation, whichever date occurs first. Options not exercised within the appropriate time shall expire and be deemed cancelled. The Plan covers non-employee directors as determined by the Company's Board of Directors. Options under the Plan were granted in the form of non-statutory stock options with the aggregate number of shares of common stock available for grant under the Plan set at 90,000 shares.

EXECUTIVE RETENTION PLAN

12

In 1999, the Company established an Executive Retention Plan for key members of senior management, including the individuals named in the Summary Compensation Table. This Plan provides for a benefit at normal retirement (age 65) targeted at 15% of final compensation projected at an assumed 3% salary

Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form PRE 14A

progression rate. Benefits under the Plan become payable at age 62. Actual benefits payable under the Retention Plan are dependent on an indexed retirement benefit formula that accrues benefits equal to the aggregate after-tax income of associated life insurance contracts less the Company's tax-effected cost of funds for that plan year. Benefits under the Plan are dependent on the performance of the insurance contracts and are not guaranteed by the Company.

In connection with the Executive Retention Plan, the Company has also entered into Life Insurance Endorsement Method Split Dollar Agreements (the "Agreements") with the executives covered under the Retention Plan. Under the Agreements, the Company shares 80% of death benefits (after recovery of cash surrender value) with the designated beneficiaries of the executives under life insurance contracts referenced in the Retention Plan. The Company as owner of the policies retains a 20% interest in life proceeds and a 100% interest in the cash surrender value of the policies.

The Retention Plan also contains provisions for change of control, as defined, which allow the executives to retain benefits under the Plan in the event of a termination of service, other than for cause, during the twelve months prior to a change in control or anytime thereafter, unless the executive voluntarily terminates his employment within 90 days following the change in control.

Because the Retention Plan was designed to retain the future services of key executives, no benefits are payable under the Plan in the event of voluntary or involuntary termination prior to retirement age of 62.

DIRECTORS' SUPPLEMENTAL RETIREMENT PLAN

In 2001, the Company established a Directors' Supplemental Retirement Plan for its non-employee Directors. This Plan provides for a benefit upon retirement from service on the Board at specified ages depending upon length of service or death. Benefits under the Plan become payable at age 70, 75 and 78 depending upon the individual director's age and original date of election to the Board. Actual benefits payable under the Plan are dependent on an indexed retirement benefit formula that accrues benefits equal to the aggregate after-tax income of associated life insurance contracts less the Company's tax-effected cost of funds for that plan year. Benefits under the Plan are dependent on the performance of the insurance contracts and are not guaranteed by the Company.

In connection with the Directors' Supplemental Retirement Plan, the Company has also entered into Life Insurance Endorsement Method Split Dollar Agreements (the "Agreements") with certain directors covered under the Plan. Under the Agreements, the Company shares 80% of death benefits (after recovery of cash surrender value) with the designated beneficiaries of the executives under life insurance contracts referenced in the Retention Plan. The Company as owner of the policies retains a 20% interest in life proceeds and a 100% interest in the cash surrender value of the policies.

The Plan also contains provisions for change of control, as defined, which allow the Directors to retain benefits under the Plan in the event of a termination of service, other than for cause, during the twelve months prior to a change in control or anytime thereafter, unless the Director voluntarily terminates his service within 90 days following the change in control.

Because the Plan was designed to retain the future services of Directors, no benefits are payable under the Plan in the event of voluntary or involuntary termination prior to retirement age as defined in the Plan document.

EMPLOYEE STOCK OWNERSHIP PLAN

The individuals listed in the Summary Compensation Table are covered under an Employee Stock Ownership and Savings Plan ("ESOP"). Contributions under the ESOP feature are made annually at the discretion of the Board of Directors. Allocations of those contributions to participants' accounts are made on the basis of relative W-2 compensation (up to \$170,000). Allocations to the accounts of the individuals named in the Summary Compensation Table for the 2001 year were: Mendez -- \$14,450; Buzzo -- \$13,263; Lilly --\$14,316; Schumacher -- \$10,271.

Matching contributions for 2001 for the covered persons listed in the Summary Compensation Table were as follows: Mendez -- \$2,737; Buzzo -- \$2,512; Lilly -- \$2,712; and Schumacher -- \$1,945.

Contributions under this Plan in 2000 for the covered persons listed in the Summary Compensation Table were as follows: Mendez -- \$5,211; Buzzo -- \$2,169; Lilly -- \$2,341; and Schumacher -- \$1,680.

2. AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION TO PROVIDE THAT THE NUMBER OF DIRECTORS SHALL BE DETERMINED IN ACCORDANCE WITH THE COMPANY'S BYLAWS

The Company's Articles of Incorporation currently provide that the number of directors of the Company shall be not less than twelve. Because of a reduction in the number of Board members over the last [two] years, at the present time, the Board is composed of nine directors. In order to avoid the need to call a meeting of the Company's stockholders in the future to adjust the size of the Board, the Board of Directors has determined to recommend to the stockholders that the size of the Board be determined in accordance with the Company's Bylaws, which may be more readily revised from time to time by action of the Board. Accordingly, in February 2002, the Board of Directors adopted a resolution proposing that the Articles of Incorporation be amended to provide that the number of directors shall be determined in accordance with the Company's Bylaws, subject to stockholder approval of the amendment. Subject to stockholder approval of the proposed amendment, the Board of Directors will amend the Company's Bylaws to provide that the number of directors shall be not less than seven nor more than twelve, with the exact number to be determined from time to time by resolution of the Board.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT OF

THE COMPANY'S ARTICLES OF INCORPORATION TO PROVIDE THAT THE NUMBER OF DIRECTORS SHALL BE DETERMINED IN ACCORDANCE WITH THE COMPANY'S BYLAWS.

15

PURPOSE OF PROPOSAL

Currently, the Company's Articles of Incorporation provide that the number of directors shall not be less than twelve and require the Company to obtain stockholder approval anytime a board member departure reduces the composition of the Board below the minimum prescribed number. This amendment eliminates that costly burden to the Company.

If the proposed amendment is adopted, it will become effective upon filing of a Certificate of Amendment to the Company's Articles of Incorporation with the Nevada Secretary of State.

VOTE REQUIRED

Approval of the proposal requires the affirmative vote of two-thirds of the shares of common stock then outstanding and entitled to vote at the meeting.

PROPOSED AMENDMENT

The following is the text of the proposed amendment to Article VI of the Articles of Incorporation:

The members of the corporation's governing board shall be styled as directors. The number of directors of the corporation shall be determined in accordance with a bylaw or amendment thereof duly adopted by a majority of the Board of Directors. The Board of Directors of the corporation shall divide the directors into three classes, as nearly equal in number as reasonably possible, designated Class I, Class II and Class III, respectively. Directors shall be assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors. At the first annual meeting of stockholders or any special meeting in lieu thereof, the terms of the Class I directors shall expire and Class I directors shall be elected for a full term of three years. At the second annual meeting of stockholders or any special meeting in lieu thereof, the terms of the Class II directors shall expire and Class II directors shall be elected for a full term of three years. At the third annual meeting of stockholders or any special meeting in lieu thereof, the terms of the Class III directors shall expire and Class III directors shall be elected for a full term of three years. At each succeeding annual meeting of stockholders or special meeting in lieu thereof, directors elected to succeed the directors of the class whose terms expire at such meeting shall be elected for a full term of three years. Each director shall serve until his or her successor is duly elected and qualified or until his or her death, resignation, or removal. No person who has attained the age of 70 years shall be elected or appointed as a director of this corporation; provided, however, that every person, otherwise eligible, who was serving as a director of the corporation on December 31, 1990, shall continue to be eligible for re-election as a director of the corporation regardless of age.

3. RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

Pursuant to the Bylaws of the Corporation, stockholders will be asked

Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form PRE 14A

to ratify the selection of Ernst & Young LLP, Charleston, West Virginia, as independent auditors of the Corporation and its subsidiaries for the fiscal year ended December 31, 2002. Ernst & Young served as independent auditors for the Corporation for the fiscal year ended December 31, 2001. Ernst & Young has no relationship with the Corporation or its subsidiaries except in its capacity as proposed Independent Auditor. In connection with its audit of the Corporation's financial statements for the year ended December 31, 2002, Ernst & Young will review the Corporation's annual reports to stockholders and its filings with the Securities and Exchange Commission and will conduct reviews of quarterly reports to stockholders.

The Audit Committee of the Board of Directors has recommended to the Board of Directors that Ernst & Young be appointed as independent auditors for the year ended December 31, 2002. The Board of Directors has made that appointment and recommends that the stockholders ratify the selection of Ernst & Young as independent auditors for the ensuing year.

A representative of Ernst & Young is expected to be present at the meeting. Inquiries or questions of Ernst & Young may be directed to Mr. John B. Gianola, Managing Partner, Ernst & Young, 900 United Center, Charleston, West Virginia 25301, (304) 343-8971.

16

INDEPENDENT AUDITOR FEES

Fees for the last annual audit which included services in conjunction with the required quarterly and annual reporting to both shareholders and the Securities and Exchange Commission ("SEC") were \$105,000. All other fees were \$38,500 and consisted of audit related work for statutory audits, accounting consultations, and SEC registration statements. The Company's Audit Committee has considered whether the provision of additional non-audit services by Ernst & Young is compatible with maintaining auditor independence.

OTHER MATTERS

All properly executed proxies received by the Corporation will be voted at the meeting in accordance with the specifications contained thereon. The Board of Directors knows of no other matter that may properly come before the meeting for action. However, if any other matter does properly come before the meeting, the persons named in the proxy materials enclosed will vote in accordance with their judgment upon such matter.

STOCKHOLDERS' PROPOSALS

If any stockholder intends to present a proposal at the 2003 Annual Meeting, such proposal must be received by the Corporation at its principal executive offices on or before November 9, 2002. Otherwise, such proposal will not be considered for inclusion in the Corporation's Proxy Statement for such meeting.
